## Identity Fraud Expense Reimbursement Coverage

### **Why you need protection?**

Becoming a victim of identity fraud is a frightening, frustrating experience. It can happen to anyone at any time in a variety of ways, ranging from a stolen wallet or home burglary to online theft of your personal information. Recovering from identity theft means more than just canceling credit cards. Not only can it be a complicated and stressful experience, but it can cost your employee or member of your organization hours of time and out of pocket expenses to re-establish their credit and clear their name. The hard reality is that victims must painstakingly prove, often to disbelieving creditors, that the debts are not their own.
