Get a diagnosis and treatment of your skin condition in just two business days or less

Welcome to the new way to get dermatology care that's easier than ever before. You no longer have to wait weeks for an appointment. Simply use your Teladoc account to upload images of your skin condition and one of our U.S. board-certified dermatologists will provide a diagnosis and treatment plan customized to fit your specific needs.

Please note

- Our Dermatology service uses images only. Communication with the dermatologist takes place through the message center.
- Although call center reps cannot schedule dermatology appointments, they can answer questions at 1-800-TELADOC (835-2362).

“It was going to be weeks before seeing a dermatologist. The Teladoc dermatologist got back to me the same day with a diagnosis. He gave me an in-depth explanation of my condition, wrote a prescription, and answered all of my questions. So thankful I could get peace of mind without having to wait weeks to go in person.” Katie W., Teladoc member

Here's how it works:

 **Request a consult**
Log in to your Teladoc account online or through the mobile app anytime, anywhere.

 **Upload images**
Take pictures of your skin condition and upload them to your account to share with the dermatologist.

 **Choose your pharmacy**
If medically necessary, a prescription can be sent to your local pharmacy.

 **View results online**
Within two business days, you'll receive a response online from a licensed dermatologist.
