

CITY OF DE PERE

PLUMBING PERMITS AND FEES - 2025

Sec. 66.6 Notice of Inspection

Notice of inspection. Whenever any work is ready for inspection, the plumbing inspector shall be notified by the plumber in charge, specifying the location by street number or land description. Unless especially permitted by the plumbing inspector, all work, either plumbing, water supply, piping, house sewers, or drainage shall be left uncovered until examined and approved by him. The plumber in charge shall make such arrangements as will enable the inspector to reach all parts of the building readily, and shall have present the proper apparatus and appliances for making the tests, and shall furnish all materials and perform all labor in making such tests as required for proper inspection. When inspection is desired, the request shall be made by phone, in person, or in writing during office hours.

Sec. 66.7 Plumbing Permits

- A. *Plumbing Permits.* No person shall engage in any plumbing work in any building, make any connection with any building, sewer, or drains, or do any other plumbing work required by this Chapter or any State Administrative Code without first making application and paying the requisite fee for a plumbing permit under this section. The Plumbing Inspector may require plans and specifications prior to approval of any permit. The permit may be issued by a designee of the Plumbing Inspector. The fee for such permit shall be as provided in this section.

- B. *Fee for new construction and additions.* Permit fees for new construction and additions shall be as follows:

1. Plumbing fixtures, roughed-in or installed (as defined in Wis. Admin. Code SPS Ch. 82) for 1 or 2 family homes and multi-family homes	\$11.00 per fixture or \$75.00 minimum
2. Buildings with 16 or more fixtures requiring State approval (other than 1 or 2 family or Multi-Family)	\$175.00 plus \$11.00 per fixture
3. Lawn sprinkler systems	\$75.00

- C. *Fee for Existing Buildings, Miscellaneous Remodeling, Alterations, Repairs.* The fee for plumbing permits for alteration, repair, or remodeling shall be determined on the basis of the table provided below:

1. Plumbing fixtures, roughed-in or installed	\$11.00 per fixture or \$75.00 minimum
2. Replacement Water Heaters	\$75.00
3. Lawn sprinkler systems	\$75.00
4. Cap sanitary sewer	\$75.00

- D. *Restrictions.* No person shall be granted a permit by the Plumbing Inspector to do plumbing or drainage work until such individual has made application for and received a permit to connect with the public sewer

system. No permit will be issued to anyone not licensed and bonded (where applicable) or who has failed to renew such license and bond or has failed to comply with the provisions of this Chapter. No permit will be issued to any plumber or person against whom any order issued by the Plumbing Inspector is pending.

- E. *Denial.* No permit shall be issued to anyone during the time that the person has failed to remedy any defect work after proper notification by the Plumbing Inspector. Such notice shall state that the applicant has been held responsible for defective work under the provisions of this Chapter. Bad faith or unreasonable delay in the performance of plumbing or drainage work or failure to respond promptly to official communication shall be deemed as sufficient reason for withholding permits and a Master Plumber shall be held responsible for violations of these regulations by himself or any of his employees.
- F. *Expiration.* All permits are good for a continuous performance of the work named thereon. Permits will automatically expire when work ceases for a period of sixty (60) days without good and reasonable cause and will automatically expire upon completion of work for which it was issued.
- G. *Reinspection.* The fee for reinspection of any work required to be reinspected under a permit in this section shall be \$75.00.

(Code 1974, § 18.07; Ord. No. 99-33, §§ 3-5, 12-12-1999; Ord. No. 02-20, § 6, 7-16-2002; Ord. No. 06-33, § 9, 11-8-2006; Ord. No. 13-17, §§ 14, 15, 8-20-2013)

SEC 66.9 Sewer Connection Permits

- B. (2) *Lateral Connection Permit.* No person shall connect to any sewer or water lateral or other disposal terminal, lay any sanitary or storm sewer or drain or make any attachment or extension to any old drain or sewer, private or public, inside or outside of the building, without first obtaining from the plumbing inspector or his authorized agent a permit under this section. The plumbing inspector may require any plans he deems necessary to determine the adequacy of any such connection before a sewer lateral connection permit. The fee for a lateral connection permit shall be \$125.00.

(Code 1974, § 18.09; Ord. No. 99-33, § 6, 12-21-1999; Ord. No. 02-20, § 7, 7-16-2002; Ord. No. 13-17, §§ 9, 13, 15, 8-20-2013)
