MEMORANDUM

TO: Citizens of De Pere
FROM: Kim Flom, City Manager
Pam Manley, Finance Director
DATE: December 19, 2025
SUBJECT: 2026 Adopted Budget

Manager's Message

The City of De Pere aspires to provide an unwavering focus on quality of life that will set a national standard for a vibrant community. Our Mission, as set by the Mayor and Common Council, is to foster an engaged community spirit and encourage forward thinking to seize on opportunities for education, business, recreation and culture – with steadfast support for the City's history and character. The City of De Pere goals include:

- Grow downtown to provide new commercial, entertainment, cultural, and housing opportunities for De Pere without losing the authentic character the community has built.
- Encourage the growth of business.
- Embrace, enhance, connect and activate the open space networks throughout the City.
- An opportunity to reinvent how services are provided and funded.
- Increase and coordinate unique activities that enliven the City and increase the sense of community.

The City budget is the foremost tool to maintain financial accountability for our work. It represents a plan for the future, holds us accountable for performance expectations and provides transparency for our operations. Municipal budgeting is not without challenges, but we believe that De Pere's 2026 budget is structured to foster continued growth while providing excellent municipal services to residents, businesses and visitors.

The 2026 total budget includes \$91,721,452 in expenditures across the following categories:

General Expenditures: \$23,797,133
Special Revenues Funds: \$2,067,103
Debt Service Fund: \$14,605,571
Capital Projects Funds: \$29,734,081
Utility Funds (Water, Wastewater, Stormwater): \$21,517,564

Departments develop their budgets to ensure minimal increases in expenditures, excluding capital equipment and projects. They strive to reduce overtime to the extent possible and embrace technology-based business solutions to increase efficiency and improve customer service. The team harnesses opportunities to promote sustainable practices, intergovernmental and private cooperation and an inclusive culture in City operations and within the community. From front line staff to Department Heads, everyone plays a role in ensuring the successful administration of the budget.

We continue past practice of approaching the development of the Adopted Budget as an opportunity to improve the efficiency and effectiveness of municipal services. We are thoughtful stewards of the taxes received and are strategic in providing a high quality of life with our funding. We believe every fiscal obstacle creates an opportunity to reinvent how services are provided and funded.

I am very grateful for the efforts of the City Team to develop this year's budget and to administer the budget in a responsible manner from year to year. And I am thankful to the Mayor, Common Council and residents of De Pere for entrusting us to execute on their vision and mission for the community.

Kim Flom
City Manager

EXECUTIVE SUMMARY

With several large projects in final development stages and under construction, and large infrastructure efforts on the horizon, De Pere is on the precipice of an exciting period of growth. 550 Williams and the Marriott TownPlace Suites hotel will add life and energy to the former Shopko site. Residential development near the former Humana campus will reserve some units for 80% Area Median Income (AMI) residents. Planning and design continue for the Reid/Main reconstruction and the construction of the South Bridge Connector. The City Council has prioritized growth, and we continue to pursue and support appropriate development projects within the city.

Economic Development Highlights

Continued Business Park Growth - \$72,984,200 in increment growth across all Tax Increment Finance Districts (TIDS).

Downtown De Pere – low business vacancy rates in available storefronts. Continued investment in historic building renovation.

South Bridge Connector – multi-year legacy infrastructure project estimated to be complete in 2030/2031.

Main & Reid Reconstruction – construction anticipated to begin in 2027.

Downtown Redevelopment – 60-unit mixed use building and 90 room Marriott TownPlace Suites hotel are under construction.

Downtown Parking Garage – construction to begin by end of 2025.

Residential Growth – Development Agreement approved for 168 units at The Lofts at Preserve Phases 1 and 2.

While these projects will add both residents and property value to De Pere, they are not complete yet. The last two years of net new construction in the City have actually been relatively flat at 1.683% and 1.366% respectively.

Over the same past two years, the City has authorized additional debt in response to State of Wisconsin budget regulations and in order to prepare facilities for future needs, like the Municipal Service Center. The debt service fund levy increased by 12% in the 2025 adopted budget and will increase by nearly 35% in 2026. We anticipate maintaining a \$6-7M annual debt service fund levy for general fund supported projects into the foreseeable future and capital budgets will reflect that goal.

Current City staffing levels are generally sufficient to meet residents' needs. Future initiatives and increases in services, however, will require additional operational costs. The 2026 budget includes a general fund operating expenditure increase of 2.44% and debt service levy payment increase of 34.75%. Translated simply, the 2026 budget focuses on capital equipment, facilities and infrastructure needs, while holding steady on operations. The operating expenditure increase is offset by a 6.6% projected increase in revenues.

Operating Budget Highlights

1. One new full-time firefighter beginning in July to meet growing demands of service area
2. Increased hours to support the expanded Beer Garden schedule
3. City Tree Incentive Program to reduce cost of trees to \$100 each
4. TID Financial Incentives to promote additional economic development opportunities
5. TID Financial Incentives to support affordable housing opportunities
6. Increase Funding to Community Partners – Sister Cities, Beautification Committee, Historical Society and Community Service Grants
7. Ongoing Sustainability Initiatives
8. New Youth Commission program to involve and inspire students in civic service
9. Improved technology-based business solutions for customer service and document management
10. City Facilities ADA improvements

Capital Budget Highlights

1. Support for the South Bridge Connector Project
2. Support for the Main and Reid Reconstruction Project
3. Mill Alley Reconstruction
4. Sixth Avenue Reconstruction
5. Enterprise Resource Planning (ERP) Software
6. Ongoing Maintenance and Repair of City Facilities
7. New and Expanded Municipal Service Center
8. Wilson Park Renovation
9. Waterview Heights Park – Phase 1

- 10. Park Improvements at Carney, Kelly Danen and Voyageur Parks
- 11. Replace and Update City Equipment, including Police Squad Cars

The State of Wisconsin continues to make adjustments to the amount of shared revenue municipalities and counties receive and these efforts are very much appreciated. However, the adjustments have not yet caught up to the operational necessities of providing high quality services. The current regulatory budget environment as established by the State still requires the City to adjust fiscal policies to either reduce municipal services, increase service fees, or implement alternative revenue sources to balance the City revenues and expenditures. The ability to maintain or increase municipal service levels in subsequent years will continue to require modifications in service delivery techniques and equipment coordinated with exercising opportunities to utilize intergovernmental and private partnerships for future service delivery.

Several factors influenced the development of the 2026 De Pere Municipal Budget including:

Budget Factors

- Bond Rating – Reaffirmed Aa2 in 2025
- Net New Construction – 1.683% in 2025. 1.366% in 2024
- Debt Service Fund Levy – 34.75% increase from 2025
- Population Growth – 25,605. +164 from 2024
- General Fund Operating Expenditures – 2.44% increase from 2025
- General Fund Projected Revenues – 6.60% increase from 2025
- Unassigned Reserves Estimate as a percentage of operating expenses – 36% budgeted in 2026. 39% estimate in 2025
- Assessed Property Values – 8.89% overall increase
- Equalized Value – Grew from \$3,584,193,000 in 2024 to \$3,839,271,900 in 2025, 7.12%. Residential increased 5.48% and non-residential increased 10.88%.

We utilize a ten-year budget model to forecast probable changes in revenues and expenditures. Based on all available information, the City will continue to redevelop its policy regarding what is an acceptable level and type of municipal service based on available and acceptable funding sources throughout 2025 to be applied in 2026. We recognize the need to closely align municipal service levels with community needs while meeting State mandated levy limits and matching the community’s overall willingness to fund municipal services. We believe this can be accomplished by soliciting information from the community and utilizing that data to supplement an overall service level and funding strategy.

The 2026 Adopted Budget maintains the existing level of municipal services provided to the community and funds approved infrastructure and capital projects. The total property tax assessed mill rate, which is the combined rate of the other taxing entities, is estimated to decrease 1.62% for the West De Pere School District and 1.89% for the Unified De Pere School District. The 2026 municipal assessed mil rate, specific to De Pere,

is estimated to increase by .62% to \$5.46 (adopted 2025 rate: \$5.43). The estimated total net assessed tax rate for De Pere residents will continue to be lower than other communities in the region.

GENERAL FUND EXPENDITURES

General Government: General Government totals \$4,670,803 and includes expenditures associated with the activities and operations of the Common Council, Municipal Court, City Attorney, City Manager, Mayor, Clerk, Human Resources, Elections, Information Management, Sustainability Programming, Finance Department, Assessor, City Hall, Health Department/Board, Development Services and GIS. No new personnel are included for 2026. Total General Government expenditures are 7.47% lower in 2026 vs. 2025.

2026 Major Expenditures (>\$100,000)

- Wages and Benefits: \$2,934,179 (Insurance: \$484,561)
- Consulting: \$336,071
- Operating Supplies: \$104,918
- Repair and Maintenance Supplies: \$200,375
- Property Insurance: \$302,500
- Capital Equipment: \$165,000

Public Safety: Public Safety totals \$12,642,481 and includes expenditures associated with the operations and activities of the Police Department, Crossing Guards, Fire and EMS, Building Inspection and Jail services. One new full-time firefighter is included beginning in July 2026. Total Public Safety expenditures are 7.31% higher in 2026 vs. 2025. Current labor agreements and the resolution of previous agreements contribute to this increase.

2026 Major Expenditures (>\$100,000)

- Wages and Benefits: \$11,578,479 (Insurance: \$1,711,538)
- Consulting: \$268,718
- Transportation: \$104,300
- Capital Equipment: \$122,961

Public Works: Public Works totals \$3,401,633 and includes all the expenditures associated with the operations and activities of Public Works Administration, Engineering, Municipal Service Center, Building Maintenance, Fleet Maintenance, Snow Control, Street Maintenance, Traffic Signs, Street Lights, Traffic Lights, Brush Collection, Transit, Garbage/Refuse Collection, Landfill, Weed Control and Recycling. Total Public Works expenditures are 2.90% lower in 2026 vs. 2025.

2026 Major Expenditures (>\$100,000)

- Wages and Benefits: \$1,683,379 (Insurance: \$320,008)
- Transit System: \$181,509
- Landfill: \$329,600
- Consulting: \$171,620
- Utilities: \$492,700
- Transportation: \$142,421
- Operating Supplies: \$128,313

**Note that overall Public Works operations are split across several different funds. Broadly estimated, total operations are generally allocated as 25% across property tax, stormwater utility, sewer utility and water utility.*

Culture, Recreation & Education: Culture, Recreation & Education totals \$3,082,216 and includes all the expenditures associated with the operations and activities of the Community Center, Historic Preservation Committee, Park & Recreation Administration, Parks & Public Land, Forestry, Boat Ramps, Parks Equipment/Vehicle Maintenance, Recreation Programs and Events/Celebrations. 6.31% higher in 2026 vs. 2025. The increase is primarily driven by increases in turf supplies and a proposed ice arena repair that would be supplemented with fundraising.

2026 Major Expenditures (>\$100,000)

Wages and Benefits: \$2,324,838 (Insurance: \$381,507)
Utilities: \$116,750
Operating Supplies: \$212,569
Ice Arena Repair and Maintenance Supplies: \$100,000

GENERAL FUND REVENUES

General Fund revenues increased by 6.6% (excluding the tax levy).

Major Changes (\$20,000 or more difference)

- From Municipal Water Utility: Increased \$20,000 based on prior-year actual revenues and projections
- State Shared Revenue: Increased \$59,713 based on the State’s estimate
- State Fire Insurance: Increased \$20,000 to reflect trends
- State Grants: Increased \$94,000 as we research ADA Audit grant opportunities
- General Transportation Aid: Increased \$283,142 to reflect State budget increase
- Cable Television Franchise License: Decreased \$90,000 because they were reallocated to Fund 209 Cable TV

- Building Permits: Decreased \$93,000 to reflect department estimates and increased fees
- Court Penalties and Costs: Decreased \$64,000 to reflect prior year's actuals and trends
- Ambulance Fees: Increased \$50,000 to reflect trends and increased fees
- Ambulance Fees from Townships: Increased \$53,068 to reflect updated contract amounts
- School Resource Officer Payment: Increased \$22,345 based on new wage rates
- Property Sales: Decreased \$50,000 to reflect department estimates
- Fund Balances Applied: Increased \$418,261 (\$318,261 for one-time expenses and \$100,000 from prior year Ice Arena management fees)

SPECIAL FUND

The Special Fund budget includes expenditures and revenues associated with the activities and operations of the Economic Development Fund, the Affordable Housing Fund, the Wastewater Treatment Services Fund, the Public Land Acquisition Fund, the Cable Access Fund and the Aquatics Facilities Fund.

Economic Development Fund: This fund is used to provide economic development programs to attract business and development growth to De Pere. Fund revenues originate from grants, previous CDBG-ED Revolving Loan Fund funding and interest and repayment on outstanding loans. The Revolving Loan Fund previously provided economic development loans to local businesses. The revolving loan fund balance at the end of 2026 is estimated to be approximately \$860,000.

Affordable Housing Fund: This fund is used to increase affordable housing opportunities in the City of De Pere by incentivizing a diverse housing stock, repairing older housing products, encouraging upper story renovation of downtown residential units and partnering with non-profit organizations. The fund will grow by \$373,310 in 2026 and will support Rock the Block as well as the construction of affordable units in the Phoenix Development.

Wastewater Treatment Services Fund: This fund is used to record expenditures and revenues associated with the operations and activities of the City's wastewater conveyance and treatment services. The City conveys wastewater through a combined City of De Pere and NEW Water conveyance system to NEW Water treatment facilities for which the City pays NEW Water to treat the wastewater to required State and Federal standards prior to its discharge back into the Fox River. The fund balance at the end of 2025 is estimated to be approximately \$31,064,483.

Public Land Acquisition Fund: This fund is used to manage funds from building permits earmarked to acquire open space land and recreational facilities. The fund balance at the end of 2025 is estimated to be approximately \$150,000.

Cable Access Fund: The Cable Access Fund is used to manage franchise fees and grants. Revenues are anticipated to be approximately \$185,179 in 2025 and are used to offset administrative, equipment and production costs. Franchise fees were previously split between this fund and the general fund. For 2026, all franchise fees are allocated to this fund. The fund balance at the end of 2025 is estimated to be \$0.

Aquatics Facilities Fund: This fund is used to show the operating deficit and tax levy funding from the pool referendum. The 2026 budget includes \$370,849 of the \$900,000 levied for pools as part of the previously approved referendum. The remaining funds are budgeted for in the Aquatics Facilities Capital Projects Fund.

DEBT SERVICE FUND

The Debt Service Fund includes expenditures and revenues associated with managing the City's debt program. The fund identifies all existing bonds and notes and indicates principal and interest payments scheduled for 2026 including the outstanding balances at the end of the year and the scheduled date of maturity. Revenue sources include the property tax levy, TIF district increments, and capital project fund revenues. The total debt fund expenditures for 2026 are \$14,605,571 (\$10,640,000-principal and \$3,965,571-interest and fees) compared to a total of \$9,314,389 in 2025.

CAPITAL PROJECTS FUND

The Capital Projects Fund includes expenditures and revenues associated with the purchase of equipment, funding for major projects and is used to manage revenues and expenditures associated with TID's 7, 8, 9, 10, 11, 12, 13, 14, 15, 17 & 18 and Aquatics Facilities. The Capital Projects fund is analyzed and evaluated on a consistent basis.

2026 Significant Investments (>\$100,000)

1. Enterprise Resource Planning – Replace ERP Software System: \$500,000
2. Server and Storage Infrastructure Replacement: \$165,000
3. City Hall – Replace Rooftop HVAC Unit: \$200,000
4. Police – Replace 7 vehicles: \$451,259
5. Municipal Service Center (MSC) Expansion Phase 2: \$10,000,000 (\$15M phase 1 funded in 2025)
6. SnoGo Snow Blower Replacement: \$250,000
7. Skidsteer #100 Replacement: \$100,000
8. Truck #59 Replacement: \$125,000
9. Southbridge Interchange Segment 5: \$993,300
10. Community Center – Air Conditioning Replacement Phase 2: \$125,000
11. Wilson Park Renovation: \$100,000 (anticipated \$100,000 grant match)
12. Carney Park Playground Replacement: \$125,000
13. Ice Arena Upgrades: \$100,000 (anticipated fundraising match for this project)
14. Waterview Heights Neighborhood Park Development Phase 1 of 3: \$200,000
15. Voyageur Park– Dock Replacement: \$185,000
16. Street Management Program: \$4,358,276 (referendum amount: \$941,276)

17. Sanitary Sewer Program: \$1,686,000

18. Utility and Street Extensions – Phoenix Preserve and Kingston Preserve Phase II: \$3,248,400

The Capital Budget also includes TID funding for development rebates, infrastructure support for the Southbridge Connector Project, the downtown parking ramp phase 2, William and Wisconsin Street reconstructions, and Employers Blvd residential infrastructure.

TAX INCREMENT DISTRICT FUNDS

Tax Incremental Finance, or TIF, is a financing tool that allows municipalities to invest in infrastructure and other improvements and pay for these investments by capturing property tax revenue from the newly developed property. The geographic area is identified as the tax incremental district or TID. TID's are the City's most powerful economic development tool and are used to promote growth, support affordable housing initiatives and support important infrastructure projects within the TID. 2026 TID projects include South Bridge Connector project support, developer incentives and rebates, façade grants, environmental studies, railroad spur inspection and maintenance, Employees Boulevard infrastructure, and site assembly.

WATER UTILITY

The Water Utility Fund is an enterprise fund that includes expenditures and revenues associated with the activities and operations of the Water Utility. Fund revenues are generated via water sales.

2026 Capital Outlay (>\$100,000)

- Miscellaneous Relays: \$1,500,000
- Merrill Well Inspection & Repairs: \$150,000

The Water Utility Fund also includes expenditures and revenues to fund debt service requirements. Total 2026 estimated principal and interest payments are \$627,500. The cash balance at the end of 2025 is estimated to be approximately -\$696,380. The City continues to pursue a rate case evaluation by the Wisconsin Public Service Commission. If approved, a rate increase would not go into effect until late 2026 or early 2027. A rate increase is necessary to mitigate the longstanding negative cash balance in this fund and repay the long-term advance to the Wastewater and General Funds

STORM WATER UTILITY

The Storm Water Utility is an enterprise fund that includes expenditures and revenues associated with the activities and operations of the Storm Water Utility. Fund revenues are generated via a set fee per Equivalent Runoff Unit (ERU). Each residential property is equivalent to one ERU.

2026 Capital Outlay (>\$100,000)

- Storm Sewer Repair/Replacement/Installation: \$1,114,000
- Storm Pond – Wet Pond: \$145,940

The fee for 2026 is \$142 per ERU, a \$10 increase from 2025. Additional storm water requirements mandated, but not funded, by the Wisconsin Department of Natural Resources and the United State Environmental Protection Agency will require significant additional expenditures in the near future. These unfunded mandates require the City to reevaluate and adjust the ERU on an annual basis.

SUMMARY

The City of De Pere has grown at a flat rate over the past two years but anticipates future growth in Downtown and the South Bridge Connector Corridor. Our budget will continue to strategically plan for that growth in a responsible manner while continuing to provide high quality of life services and initiatives to achieve the Common Council’s vision.

De Pere has a regional reputation as being a community of choice to live, work, have fun and raise a family. The 2026 budget meets the existing municipal service level needs and expectations of our community. The 2026 Adopted Budget includes a .62% increase in the assessed property tax mill rate resulting in a 9.56% increase in the property tax levy. The increase is almost exclusively dedicated to funding debt for necessary infrastructure and capital projects. The City will continue to evaluate and revise service methodology, consider and implement service reductions where applicable and seek alternative revenues throughout the upcoming year.

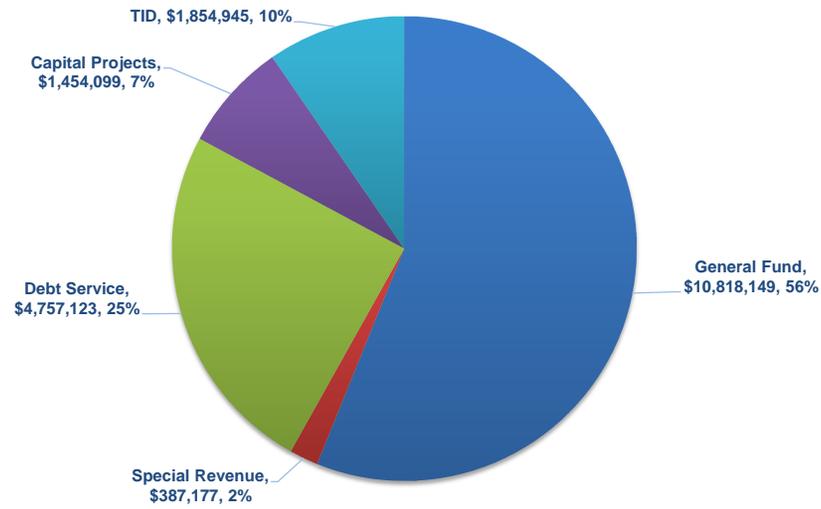

We are committed to working closely with the Mayor, Common Council, City employees, businesses and residents to pursue the City vision of providing an unwavering focus on quality of life that will set a national standard for a vibrant community. More information about the City’s Finances can be found on the [De Pere Finance Department Website](#).

Charts and Tables

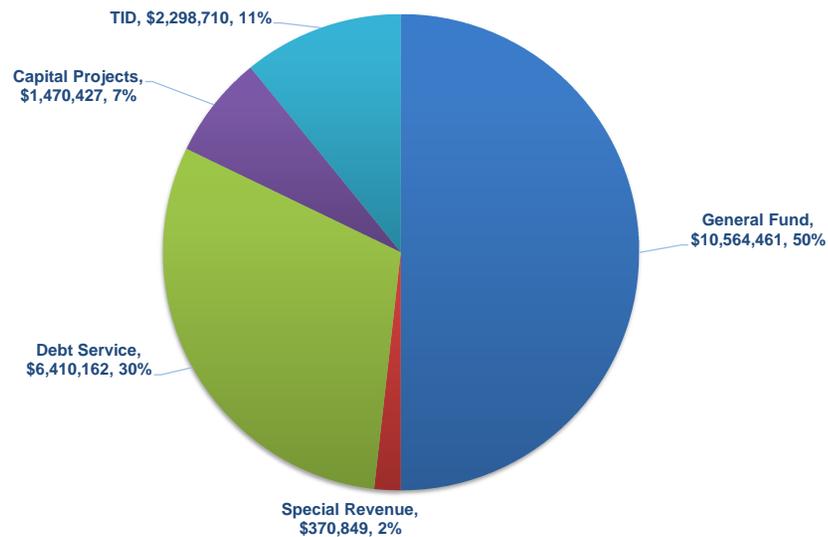

The following charts and tables identify trends in revenues, expenditures and other items that directly impact the budget and tax rates:

- ii **Property Tax Levy Pie Charts:** These charts identify the general fund, debt service, capital projects, special revenue, and TID portions of the total City tax levy. Charts include the 2024 tax levy (2025 Adopted Budget) and 2025 tax levy (2026 Adopted Budget).
- iii **General Fund Expenditures by Function Pie Charts:** These charts categorize the general fund expenditures by function. Charts include the 2025 and 2026 Adopted Budgets. Note that some government functions, like Public Works for example, are also funded by utilities.
- iv **Revenues by Source:** This pie chart shows the difference revenue sources included in the 2026 Adopted Budget.
- v **General Fund Revenue and Expenditure Trends Chart:** This chart identifies expenditure and revenue trends for General Fund operations for the period including 2017 through 2026.
- vi **General Obligation Debt Service Chart and Table:** This chart and table identifies the dollar value of the City's General Obligation debt for the past ten years, for the period including 2017 through 2026. General Obligation debt is debt that is guaranteed payable under the City's obligation to collect sufficient property taxes.
- vii **Debt Per Capita Chart and Table:** This chart and table identifies the dollar value and trend associated with the General Obligation debt outstanding per capita. The per capita debt in 2025 is \$3,503.81. This value changes annually based on borrowing needs and principal and interest payments schedules.
- viii **Long Term Note and Bonded Indebtedness Table:** This table identifies the value of outstanding debt as of the beginning of 2026 per note and bond issue.
- ix **Property Valuation Chart and Table:** This chart and table identifies the dollar value and trends of the City's assessed and equalized property values for the period 2006 through 2025.
- x **District Levies Including TID Districts:** This table identifies the total dollar value of the applied property tax levies for the various taxing jurisdictions for the City of De Pere. The table provides a comparison of the past ten years including 2025.
- xi-xii **Ten Year Comparison of Property Taxes Paid Table:** These tables identify the estimated dollar value of property taxes paid by the average property in De Pere from 2016 through 2025 (2025 represents taxes paid for the 2026 budget year). These tables also include State School Credit values.
- xiii **Property Tax Levy History:** This bar graph shows the breakdown by fund type of the City levy over a 5-year timeframe.
- xiv **2025 Property Tax Levy Pie Chart:** This chart identifies the proportion of property taxes used by each taxing jurisdiction. There is a separate pie chart for each school district. The portion of the property tax bill apportioned for services provided by the City of De Pere is approximately 35% for the Unified School District and 35% for the West School District.

City Council

Program Full Time Equivalent: 0

Program Mission:

To enact policies that promote the short and long term interest of the community as well as provide municipal services in a manner that meets the needs of the community at a cost the community is willing to pay.

List of Program Service(s) Descriptions:

- 1) *Constituency Contact* – Receive input/comments from citizens.
- 2) *Establish Policies* – Adopt policies to provide municipal services and to promote the short and long term interests of the community.
- 3) *Fiscal Control* – Adopt an annual budget that meets the municipal service needs of the community at a cost the community is willing to pay in fees and taxes.
- 4) *Promote Innovation* – Identify and promote innovative municipal service concepts that will improve the quality of life in the community.

Important Outputs:

- 1) *Ordinances Adopted* – Activity funded by the property tax. Ordinances establish enforceable municipal laws intended to protect or enhance the needs of the community.
- 2) *Resolutions Adopted* – Activity funded by the property tax. Resolutions establish City Council policies or directives for the municipal government and/or community.
- 3) *Adopt Annual Budget* – Activity funded by the property tax. The Annual Budget provides funding for all municipal services and activities for the community.
- 4) *Evaluate Programs and Services* – Activity funded by the property tax. The City Council periodically evaluates the effectiveness of municipal services and adopts service level policies and funding to match community needs.

Expected Outcomes:

- 1) Increase the percentage of residents that believe their ability to contact an alderperson meets or exceeds the needs of the community.
- 2) Maintain or increase the percentage of residents that believe the overall quality of life in De Pere is good or excellent.
- 3) Maintain the appropriate level of municipal services required by the community at a cost the majority of the residents believe is reasonable.

2026 Performance Measures (July 2025 – June 2026):

- 1) Maintain or reduce the number of citizen complaints regarding inability to contact an elected official to three or fewer per year per elected official.
- 2) Maintain a 3% or lower increase in property tax mill rate for municipal service operations excluding impacts to the mill rate due to Federal, State or citizen imposed fee increases or revenue reductions.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Maintain or reduce the number of citizen complaints regarding inability to contact an elected official to three or fewer per year per elected official.
 - a. Result: The performance measure goal was achieved. The Administration did not receive any complaints regarding a citizen's inability to contact an alderperson.
- 2) Increase the population of the community by 1% or more annually to reflect ongoing quality of life attributes remain attractive.
 - a. Result: Population increased 0.06% (From 25,441 to estimated 25,605). Performance measure not met.
- 3) Maintain a 3% or lower increase in property tax mill rate for municipal service operations excluding impacts to the mill rate due to federal, state or citizen imposed fee increases or revenue reductions.
 - a. Result: The performance measure goal was achieved. The 2024 mill rate decreased 3.3% from \$5.61 in 2024 to \$5.43 in 2025.

Significant Program Achievements:

- 1) Adopted the 2025 Annual Budget.
- 2) Adopted a change of government form from City Administrator to City Manager.
- 3) Hired a new City Manager.

Existing Program Standards Including Importance to Community:

- 1) Conduct a regular meeting of the City Council every first and third Tuesday of the month.
 - a. Community Importance.
 - i. Allows actions required or requested on behalf of the community to be acted upon in a timely manner.
 - ii. Establishes a routine schedule for community involvement.
- 2) Conduct special meetings of the City Council as needed.
 - a. Community Importance.
 - i. Provides an opportunity for the community to have actions acted upon in a more immediate manner if deemed necessary to benefit the community.
 - ii. Provides the municipality the ability to conduct training or discussions in a less formal setting that is more suitable for the purpose of training or informative discussions on issues that are not yet ready to be acted upon by the City Council during a regular City Council meeting.
- 3) Appoint Committees, Commissions, Boards and individuals to conduct the business of the City on behalf of the City Council.
 - a. Community Importance.
 - i. Provides experts or professionals, as established through education, training and experience, which are capable of providing municipal services in a manner that is either required or deemed appropriate by the community.

Costs and Benefits of Program and Services:

The adopted 2026 City Council program cost is \$110,024. The program benefits the community by providing citizens with representation in the discussion and implementation of municipal policies and codes as well as to develop an annual budget that includes adopted property tax rates and fees for municipal services. The program services which provide constituency contact, policy development and fiscal control benefit the community by providing citizens with the ability to influence short and long term service levels and community development.

2026 Budget Significant Expenditure Changes:

- 1) Electronic Device Stipend increased \$750 to reflect 2026 election cycle.
- 2) Seminars and conferences includes \$1,200 to accommodate miscellaneous training for alderpersons.
- 3) Memberships and Subscriptions increased \$1,077 and includes \$9,777 for membership in the League of Wisconsin Municipalities (annual 2% increase) and \$500 for miscellaneous subscriptions.
- 4) Grants and Donations increased \$3,000 to provide an additional \$1,000 for the Beautification Committee (\$10,000 to \$11,000), Sister Cities (\$6,000 to \$7,000) and Community Service Grants (\$2,000 to \$3,000).

Municipal Court

Program Full Time Equivalent: 1.0

Program Mission:

Provide the City and defendants with a court that is fair and efficient. Make all defendants aware of their procedural and substantive rights. Use the rules of evidence at trials. Be fair in imposing sentences. Protect victim's rights to restitution. Preside in a manner that fosters respect in the court.

List of Program Service(s) Descriptions:

- 1) Process all citations written for De Pere/Ledgeview Municipal Court.
- 2) Hold adult court on each Wednesday of the month, juvenile court & trials on 2nd & 4th Thursdays of each month.
Process all dispositions from initial appearances & trials.
- 3) Help defendants and general public with questions; provide them with needed and helpful information.
- 4) Maintain office hours for defendants to conduct business with the court.
- 5) Set up video conference with jail for defendants who were picked up on our warrants, out-of-state residents, or initial appearances.
- 6) Follow through with post-conviction collection remedies and efforts.

Important Outputs:

- 1) *Citations* – Process all received from De Pere officers, city officials, Ledgeview enforcement officers & Brown County Sheriff's Department for Ledgeview.
- 2) *Court* – Defendants who appear in court for initial appearances treated with respect, court held efficiently and timely, defendant given all information needed to make informed decision for plea, prepare dispositions with all needed information and give to defendants before they leave court, prepare and give to defendants notice of trial before they leave court if not guilty plea entered, collect forfeitures from defendants who wish to pay at court and give a receipt for payment. Work with juveniles to reduce recidivism through available means and allow them to comply with orders imposed.
- 3) *Dispositions* – Collect & receipt for all money paid towards forfeitures and mandatory costs, send required information to the DOT, send all paperwork and information to defendants or their attorneys from trials. Return all adult dispositions to the police department to enter and store, file juvenile dispositions in locked secure location in court office.

- 4) *Enforcement* – Order suspension of driving privileges for defendants who have not paid forfeitures for traffic violations, issue summons to appear for defendants who have not paid forfeitures for non-traffic violations or who do not have a valid license to suspend, issue warrants & writs of commitment for defendants who do not appear at summons or do not pay forfeitures after given extensions. If time allows send a last letter to defendants who have not paid traffic forfeitures who have a valid license to attempt to collect before suspending.

Expected Outcomes:

- 1) Maintain a fair and efficient court and office so defendants feel they were treated fair and equitably, return all phone calls in a timely manner.
- 2) Use all measures available to collect forfeitures in a timely manner.
- 3) Schedule trials within 30 days of initial appearance date.
- 4) Use all means available to reduce incidents and truancy in the schools.

2026 Performance Measures (August 2025 – July 2026):

- 1) Reduce past due traffic forfeitures by 5% by sending letter before suspending.
- 2) Reduce all past due forfeitures by 5% by using collection options.
- 3) Annually review 100% of open juvenile cases to determine compliance or need to suspend DL.

2025 Performance Measurement Data (August 2024 – July 2025):

- 1) From August 2023 – July 2024 intake of 1,973 citations with \$310,554 monies collected.
 - a. Result: From August 2024 – July 2025 intake of 1,356 citations with \$214,975.01 monies collected. This represented decreased collections by 30 % from the prior year.
- 2) Current with tax intercept, suspensions, and warrants. Collected \$4,026.69 through tax intercept for the 2025 tax season.
 - a. Result: This represents decreased collections by 58% from prior year.
- 3) Annually review open juvenile cases to determine compliance or need to suspend driver’s license.
 - a. Result: 100% reviewed.

Significant Program Achievements:

- 1) Follow up juvenile truancy with return court dates and petitions to circuit court for additional sanctions.
- 2) Scheduled 1,723 proceedings and processed paperwork accordingly, whether it is initial appearances, indigency or trials for 2024-2025. (2023-2024 =2,449 proceedings). This is a decrease of 29% less proceedings during 2024-2025.
- 3) Scheduling pretrial conferences with the Assistant City Attorney and holding them by phone or email has provided quicker resolution of cases to reduce the number of appearances for a defendant who pleads not guilty.

Existing Program Standards Including Importance to Community:

- 1) The court provides defendants the opportunity to appear before the judge and be heard.
- 2) Provide defendants with information requested to assist in making informed decisions concerning court matters.
- 3) Collection of forfeitures imposed on citations.
- 4) Provide defendants with rights and procedure information in writing and orally at initial appearance.

Costs and Benefits of Program and Services:

The adopted 2026 Municipal Court program cost is \$144,111. Court continues to provide public with a quality municipal court procedurally and economically. Public benefits from the municipal judge being able to handle video conferencing and other issues outside of the times that court is normally scheduled.

2026 Program Objectives:

- 1) Maintain the time between initial appearances and trial dates at approximately 30 days.
- 2) Use alternative penalties for non-payment of forfeitures.
- 3) Continue to keep the office efficient and customer friendly.
- 4) Provide flexible payment options to defendants unable to pay in full immediately.

2026 Budget Significant Expenditure Changes:

- 1) Retirement increases \$287 due to increase in retirement contribution rate.
- 2) Health, Dental, DIB, Life & Wks Cmp Ins increases \$2,407 due to an increase in health and dental insurance premiums.
- 3) Telephone decreased \$500 due to reallocation of these expenses to the City Hall budget.
- 4) Seminars and Conferences include \$350 for Municipal Judge and \$300 for Court clerk to attend required continuing education classes.
- 5) Consulting includes \$5,726 for TIPSS court computer program and support; \$1,500 WI Dept. of Justice for access to e-Time software; \$300 for interpreter costs and \$225 for substitute judge if needed. This is due to expected increases.
- 6) Memberships and Subscriptions include \$800 for WI Supreme Court Office of Judicial Education; \$100 Municipal Judges Association dues and \$50 for Municipal Court Clerks Association.

Law Department

Program Full Time Equivalent: 2.35

Program Mission: To provide legal services to the entire City as a municipal corporation in an effective, protective, and efficient manner. The City as a municipal corporation includes: the Common Council, its standing Committees (Finance/Personnel, License, Board of Public Works), its Boards (e.g., Board of Park Commissioners, Zoning Board of Appeals, Board of Review, Board of Health) and its Commissions (e.g., Police & Fire Commission, City Plan Commission, Historic Preservation Commission, Commission on Aging), Authorities (Redevelopment Authority, Housing Authority) and City officials and staff.

List of Program Service(s) Descriptions:

1) **GENERAL LEGAL SERVICES**

- a) *Departmental Inquiries:* daily phone calls, emails, and meetings regarding departmental activities and the provision of legal advice pertaining to the same.
- b) *Legal Research and Writing:* legal research of federal and state statutes, regulations and case law; draft ordinances, memoranda and/or opinions; review and keep current on legal changes and case law.
- c) *Public Records/Open Meetings:* review and/or advise on public record and open meetings laws; assist in responding to complex public records release issues.
- d) *Service Contract/Agreement Drafting/Review:* draft, review, and revise a variety of agreements, amendments, and similar or related documents; advise on breach of contract and possible remedies.
- e) *Parliamentarian:* advise on Roberts's Rules of Order during and outside of meetings to ensure formalities followed.

2) **REAL PROPERTY MATTERS**

- a) *Development Agreements:* draft, review, revise, and ensure proper recording of numerous TID development agreements, sales and options of City property agreements, and drafting public infrastructure agreements for private land development agreements; advise on compliance with agreement terms.
- b) *Zoning:* advise on zoning interpretations, rezoning requests, zoning amendments, protest petitions, moratoria, super-majority requirements and other miscellaneous zoning issues; guidance on variances and conditional use applications and permits, loss of conditional use status; familiarity with federal, state and constitutional property regulations; advise Board of Appeals on as needed basis.
- c) *Annexations:* review of annexation petitions for compliance with statutory requirements; research and advise City staff and Council on validity of annexation; defend City in annexation challenges.

- d) *Property Transfers*: performs all tasks for sale and/or purchase of City property including obtaining title insurance and minimizing exceptions/issues identified in title insurance; draft and properly record closing documents.
 - e) *Condemnation (eminent domain)*: ensure compliance with complex statutory requirements to acquire property under condemnation; represent City in legal challenges to property taking.
 - f) *Easements*: all work necessary to obtain easements for City purposes, which includes drafting paperwork for grant or release of easement; research of old facilities and corrective easement documentation when necessary.
 - g) *Right of Way Vacation and Revocable Occupancy Permits*: draft necessary paperwork for use of City right of way and ROP permits or as otherwise allowed by City.
 - h) *Special Assessments*: advise on legal requirements; draft final assessment resolution; follow-up with omitted property owners to obtain voluntary agreement.
 - i) *Leases*: draft, review and determine compliance with state law for provisions favorable to City.
 - j) *Tax Increment Districts*: review project plan and boundaries including any amendments; ensure statutory criteria met; draft necessary resolutions and provide legal opinion of compliance; draft and enforce development agreements.
 - k) *Property Assessments*: advise the Board of Review on assessment issues and challenges including litigation regarding claims for excessive assessment.
- 3) **PUBLIC WORKS**
- a) *Public Works Contracts*: advise on public bidding statutes, irregularities in bid process and proper award procedures; review contracts as to form; file notices of claim in cases of contractor non-compliance; provide legal advice to city clerk on lien claims filed with city for non-payment on public works contracts.
 - b) *Water, Wastewater and Stormwater Utilities*: advise on statutory and City regulations, including CBCWA, well-permitting and well-abandonment; provide legal advice and contract interpretation regarding GBMSD/NEW Water matters; provide advice on DNR requirements, drainage and water trespass issues.
- 4) **LABOR NEGOTIATIONS AND RELATIONS**
- a) *Employee and Policy Manual Matters*: provide advice on employment issues; draft and review employment policies required by state or federal laws or City; assist department supervisors with consistent interpretation and enforcement.
 - b) *Collective Bargaining Negotiations and Interpretation*: with Chiefs and HR Director, negotiate with police and fire unions to preserve interests of the City as employer; assist departments with interpreting and enforcing collective bargaining agreements.
 - c) *Grievances and Arbitration*: represent City's interests throughout grievance process and resulting arbitrations.
- 5) **LITIGATION**
- a) *Represent City in Non-insurance Covered Litigation*: file necessary legal documents in compliance with court rules; appear before court/tribunal and advance written and oral arguments; appeal adverse decisions; explanation of processes and results to elected officials and department heads.

- b) *Assist Outside Legal Counsel:* manage and act as liaison to counsel retained by insurance company.
- c) *Claims Review:* review notices of claim and insurance company decisions on claim; draft notices of claim denial; assists clerk with questions on claims; advise city employees on protecting city's interests.

6) **PUBLIC SAFETY**

- a) *Nuisance Abatement:* coordinate code enforcement departments addressing problem properties; provide assistance to departments in drafting, serving and ordering the abatement of nuisances affecting the public; assist building inspection in condemnation or raze and repair orders for dilapidated structures.
- b) *Municipal Prosecution:* prosecute all contested municipal citations on behalf of City; advise departments and law enforcement officers on enforcement of city ordinances and ordinance interpretation; assist enforcement department or team with code compliance strategies.
- c) *Liquor License matters:* Advise on liquor license issues; represent police department in license suspension hearings; arrange for substitute legal counsel to advise Committee or Council during said hearings.

Important Outputs:

- 1) **GENERAL LEGAL SERVICES** – Funded by property tax.
Competent legal services to guide actions of the organization to conform to legal requirements and avoid legal pitfalls.
- 2) **REAL PROPERTY MATTERS** – Part funded by TID and fees paid to Planning Department; remainder by property tax.
Compliance with complex land transaction requirements keeps property interests intact and serves to advance economic development and provide City with property interests necessary to perform essential City functions.
- 3) **PUBLIC WORKS** - Utility work (water, sewer, storm water) funded by user charges; remainder funded by property tax.
Compliance with statutory and code regulations protects the public; compliance with public bidding laws maintains integrity of infrastructure and the methods by which it is constructed and installed.
- 4) **LABOR NEGOTIATIONS AND RELATIONS** – Funded by property tax.
Comprehensive labor relations services allows City to treat its employees fairly and to comply with legal requirements.
- 5) **LITIGATION** - Funded by property tax.
Protection of the public interest by advocating the City's interests in litigation.
- 6) **PUBLIC SAFETY** – Funded by property tax.
Compliance with legal requirements of abatement processes allows for quick and proper nuisance elimination. Ordinance enforcement also preserves and protects the public safety while collecting revenue for the general fund.

Expected Outcomes:

- 1) **GENERAL LEGAL SERVICES**
Provide understanding of legal requirements and processes to each component of the organization.
- 2) **REAL PROPERTY MATTERS AND PUBLIC WORKS**
Execution of real estate transactions and compliance with legal requirements for City services to be provided uninterrupted.
- 3) **LABOR NEGOTIATIONS AND RELATIONS**
Engage in labor negotiations and maintain labor relations within legal parameters with both union and non-union employees to avoid prolonged labor division and challenges.
- 4) **LITIGATION**
Maintain and protect the City's interests in legal disputes.
- 5) **PUBLIC SAFETY**
Reduce threats to public by reducing public nuisances and by enforcing ordinances and regulations designed to protect the public.

2026 Performance Measures:

Measure #1: GENERAL LEGAL SERVICES – Develop templates, workflows, automations and other project management processes, including electronic signature platform for City documents and contracts, utilizing a project and document management software to streamline workload and document processing, provide consistency throughout the organization, improve communication and project management internally and externally and centralize data/documents; expected to increase efficiency by 30%

2025 Performance Measurement Data (8/2024 – 8/2025):

Measure #1: GENERAL LEGAL SERVICES –Partially completed/ In progress; Electronic agenda software implementation has been completed and is currently in use.; initial trainings have been completed and additional uses/implementation are contemplated for 2026 to fully leverage the technical capacities of the software program which includes updating agenda format to improve efficiency of city meetings and business. Anticipated training sessions to be provided on relevant issues across all City departments.

Measure #2: GENERAL LEGAL SERVICES – Partially completed; Trainings completed for the transition of government to City Manager form. In addition, training completed with respect to Council and Committee agenda process and management with new electronic agenda software.

Measure #3: GENERAL LEGAL SERVICES – Not achieved; after review determined not to proceed at this time.

Implement e-recording software to allow for automatic payments and immediate correction of documents with Register of Deeds, which will increase efficiency.

Significant Program Achievements:

- 1) Drafted, reviewed, and revised various real estate documents and development agreements related to redevelopment and development projects within the City, including the Marriot Townplace Suites hotel development project and the City parking ramp located at on the former Shopko site and related issues, Phoenix Housing Development, Gypsum Management and Supply, 417 Main, LLC, Jim Cornell Plumbing LLC, Valley Cabinet, environmental and site assessment for 126 S. Broadway properties and other pending economic development and real estate developments.
- 2) Successfully finalized and executed collective bargaining agreements with both the Police and Fire Unions.
- 3) Reviewed and advised on various property and legal issues pertaining to the South Bridge Connector highway project including easements, leases, and oversight of eminent domain proceedings for blighted property which is expected to continue through 2025 and into 2026.
- 4) Reviewed, revised and provided legal opinions concerning various Tax Increment Districts including their creation, closure, and amendment.
- 5) Reviewed, drafted and executed agreements, real estate documents, and closings for Development Services Grant programs including but not limited to Wisconsin Economic Development Corporation Grants, De Pere Home Improvement Loan Program and Downtown Business Recruitment Grants awarded to businesses and residents.
- 6) Provided counsel concerning various personnel related matters including interpretation of collective bargaining agreement provisions and citizen complaints.
- 7) Manage pending and settled litigation including excessive assessment claims.
- 8) Drafted, reviewed, revised, and finalized numerous contracts, leases, and other legal documents for various City departments, including Police, Fire, Development Services, Parks Recreation and Forestry, Department of Public Works, Finance, Human Resources, and Health.
- 9) Drafted and revised City ordinances including adoption of zoning map amendments to align building and construction to City zoning code. Completed quarterly updates to official zoning district map and comprehensive review of municipal code to comply with change in government to City Manager form. Created and implement new tracking system to prioritize and track ordinance amendments and their status.
- 10) Assist various departments in document drafting and agenda preparation for Common Council, its Committees, and Boards and Commissions.

- 11) Provided guidance and assistance regarding updated public meeting voting procedures under the City’s new City Manager form of government.
- 12) Assist with processing numerous complex and routine public record requests and various records retention schedule inquiries.
- 13) Processing and settlement of numerous contested municipal court files.
- 14) Develop and/or assist with numerous City internal policy reviews or practice updates, including: Code Enforcement Policy guidelines and practice considerations, business license appeal hearing procedures, conditional use permit revocations, tactical emergency medical services professionals, park naming and re-naming and fee waivers, terrace weed maintenance, and privacy and text messaging.

Existing Program Standards Including Importance to Community:

- 1) City Attorney impartiality and independence; can only provide legal advice to the City as a municipal corporation and its components.
 - a. Community Importance.
 - i. Prevents conflicts of interest between City interests and private interests.
 - ii. Ensures legal advice and legal work is fair and impartial.
- 2) Agreements that impose responsibility upon City other than the payment of budgeted expense require approval by the Council.
 - a. Community Importance.
 - i. Assures that decision maker on City commitments is the Council.
 - ii. Provides opportunity for public input on the decision.
- 3) Encroachments on public property require a revocable occupancy permit under state law.
 - a. Community Importance.
 - i. Ensures public property remains available for public use when required.
 - ii. Requires the encroacher to be responsible for injuries/damages rather than the public.

Costs and Benefits of Program and Services:

The adopted Law Department budget is \$375,888. This program benefits the community by enabling the organization to provide legal advice and services in a timely manner allowed and authorized by state and federal laws. Proactive compliance with legal requirements is less costly and less disruptive than response to litigation. This program is cost-effective as an in-house program, especially due to easy availability and access; retaining outside legal counsel to perform all services currently provided would be more costly with delayed response times.

2026 Program Objectives:

- 1) Coordinate and complete comprehensive Record Retention Schedule update and State approval process. Also initiate and complete record maintenance and disposal pursuant to updated retention schedule.
- 2) Explore and implement an electronic project and file management software system to improve operational efficiency, compliance and record security.
- 3) Continue improvement of processes for agenda preparation and procedures to increase efficiency and communication amongst all departments and governmental bodies.
- 4) Continue review and revisions to De Pere Municipal Code for general maintenance, corrections, and updates.
- 5) Provide training to departments on recurring legal issues.
- 6) Update and revised various legal templates utilized by City Departments to ensure documents meet all current legal requirements and best practices as well as to provide consistency and efficiency.
- 7) Update and revise procurement policy, employee policy and ethics code for the City to align with best practices and ensure full compliance with applicable standards.
- 8) Explore and initiate enhanced oversight and claims management, in collaboration with the City's insurer, to protect the City's legal interests and minimize liabilities to the fullest extent possible.

2026 Budget Significant Expenditure Changes:

- 1) Retirement increased \$1,276 due to increase in retirement contribution rate.
- 2) Health, Dental, DIB, Life & Wks Cmp Insurance increased \$16, 988 due to increase in health and dental premiums as well as changes in employee benefit elections.
- 3) Training has increased \$300 to account for staff development.
- 4) Telephone decreased \$450 due to reallocation of these expenses to the City Hall budget.
- 5) Seminars and conferences include the Wisconsin Municipal Attorney's Institute State of Wisconsin DOJ OWI one national conference and various continuing legal education for city attorney, assistant city attorney and certified paralegal.
- 6) Consulting account consists of costs expended for routine legal expenses such as recording and filing fees, title insurance, and title reports (\$4,000). In addition, outside legal counsel on specialized matters such any litigation not covered by the insurer, conflict counsel and for complicated real estate, condemnation, and environmental issues (\$26,000). Lastly, there is an anticipated cost for consultant services to assist with necessary ADA compliance issues. (\$7,000). City Manager

Program Full Time Equivalent: 0.83

Program Mission:

Implement municipal policies established by the City Council and Mayor. Ensure municipal services are provided in a responsive, cost effective manner. Promote short and long term policies and development that maintain and improve the overall quality of life throughout the community.

List of Program Service(s) Descriptions:

- 1) *Manage Daily Municipal Operations* – Manage the overall operations of the City through the direct supervision of all department heads.
- 2) *Recommend Municipal Policies Directing Operations and Other Municipal Services* – Recommend policies to make daily operations effective and efficient and to promote the short and long term interests of the community.
- 3) *Comptroller* – Direct the financial policies of the City and recommend strategies to the Mayor and City Council to plan for the long-term financial security of the City.
- 4) *Promote and Support Intergovernmental Activities* – Advise Mayor and City Council on proposed local, state and federal legislation and promote and participate in dialog with other governmental entities to maintain or enhance the quality of life in the community and the region.

Important Outputs:

- 1) *Municipal Services* – Activity funded by property tax and water and wastewater utility rates, as well as Stormwater Utility and Cable Television Fund. Manage the provision of daily municipal services by directing and/or monitoring how departments provide services and interact with the community. This level of oversight is valuable to the community by making sure City Council policies are consistently implemented in a professional manner to meet the needs of the community per City Council discretion and to ensure services are provided as efficiently and effectively as possible to the community per the policy guidelines of the City Council.
- 2) *Municipal Policy Recommendations* – Activity funded by property tax and water and wastewater utility rates, as well as Stormwater Utility and Cable Television Fund. Develop municipal policy recommendations to elected officials to increase

the effectiveness and efficiency of municipal services that decrease costs for the community and increases quality of life throughout the community.

- 3) *Budget & Strategic Financial Reports* – Activity funded by property tax and water and wastewater utility rates, as well as Stormwater Utility and Cable Television Fund. Develop an annual budget and strategic financial reports that provide fiscal support and control for municipal services. The budget and strategic reports are supported by financial data that identify revenue and expenditure trends that allows the community to make informed decisions when soliciting their elected representatives for municipal service adjustments.
- 4) *Intergovernmental Cooperation* – Activity funded by property tax and water and wastewater utility rates as well as Stormwater Utility and Cable Television Fund. Establish dialog between governmental entities to develop cooperation and implement policies that improve the overall quality of life in the community and region by mitigating municipal service costs through cooperation or by improving the effectiveness of municipal services through cooperation.

Expected Outcomes:

- 1) Maintain or increase the percentage of residents that believe municipal services are provided in an effective and efficient manner.
- 2) Maintain the percentage of residents that believe the overall quality of life in De Pere is good or excellent by consistently reviewing services and recommending policies that meet the short-term and long-term needs of the community.
- 3) Maintain the fiscal integrity of municipal programs to allow for the continuation of municipal services as required by the community per the direction of a majority of the City Council.
- 4) Maintain or increase opportunities for the City Council to make informed decisions to consider or influence cooperative agreements or legislation to enhance the overall quality of life in the community and the region.

2026 Performance Measures (July 2025 – June 2026):

- 1) Increase overall staff diversity through targeted recruitment and implementation of initiatives and policies implemented or adopted by the City’s Diversity and Inclusiveness Team or City Council to have 20% or more of newly hired municipal staff match diversity criteria on an annual basis. The intent is to more appropriately balance the ratio of male to female employees in what are typically male or female dominated fields and to increase the racial, ethnic and cultural diversity of our workforce to better match the expectations of the community.
- 2) Improve operations with technology based business solutions through the adoption of at least one new system or product that adds value to the customer experience while saving staff time.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Increase diversity of municipal staff by three percent through implementation of initiatives and policies implemented or adopted by the City’s Diversity and Inclusiveness Team or City Council. The intent is to more appropriately balance the ratio of male to female employees in what are typically male or female dominated fields and to increase the racial, ethnic and cultural diversity of our workforce.
 - a. Result: Performance measure was achieved. The City hired 16 new employees from July 1, 2024 through June 30, 2025. Five of the 11 new employees matched the diversity definition identified in the performance measure.

Significant Program Achievements:

- 1) Provided overall management of daily municipal services to meet the needs of the community.
- 2) Managed the ongoing implementation of municipal policies and codes adopted by the City Council and/or committees, commissions and boards to achieve the intended outcome of the adopted policies and codes.
- 3) Managed pay for performance policy and awarded non-COLA wage incentives to employees based on performance.
- 4) Provided oversight and assistance with numerous economic development projects.
- 5) Continued to provide oversight and direct assistance to employee teams working on issues associated with sustainable practices, diversity and inclusiveness, employee pay and performance, health benefits and urban orchards.
- 6) Continued to manage and develop ongoing fiscal strategies for the City that enhances the overall quality of municipal services and quality of life in the community.
- 7) Represented the City on numerous Boards to promote economic development and intergovernmental cooperation.
- 8) Provided management oversight and direct guidance on numerous infrastructure projects throughout the community.
- 9) Provided oversight management and promoted development throughout the community.

Existing Program Standards Including Importance to Community:

- 1) Maintain accessibility for the community via virtual, on-line and in-person platforms.
 - a. Community Importance.
 - i. Provides employees and citizens with multiple methods to seek assistance, direction or to address community issues.
- 2) Respond to Citizen requests as needed.
 - a. Community Importance.
 - i. Provides an opportunity for citizens to have requests for information or action responded to in a timely manner.

- 3) Conduct performance check-in evaluations of department heads and Communications/Marketing Manager.
 - a. Community Importance.
 - i. Establishes performance expectations for employees that are required to meet the needs of the community.
 - ii. Identifies strengths and weaknesses for employees to direct their training efforts to better meet the needs of the community.
- 4) Conduct routine staff meetings.
 - a. Community Importance.
 - i. Enhances communication between departments to promote ongoing efficiencies in municipal services by eliminating duplication of services or efforts thus maximizing services while minimizing costs to the community.

Costs and Benefits of Program and Services:

The adopted 2026 City Manager program cost is \$201,840. The program benefits the community by providing strategic management of municipal services. The program promotes the short and long term quality of life in the community through the ongoing evaluation of services and development of strategies for City Council consideration. The program provides professional management in a manner that minimizes service fluctuations due to political influences. The program promotes and develops intergovernmental relationships with surrounding communities that enhance quality of life in the community by controlling costs for services through cooperation or consolidation. The program promotes economic development that creates jobs throughout the community and increases the value of the community's tax base that mitigates the need for ongoing property tax increases. The program promotes diversity and inclusiveness within the City's workforce as well as throughout the community to enhance overall quality of life and economic vitality.

2026 Budget Significant Expenditure Changes:

- 1) Salaries increase \$10,607 to reflect city manager contract, eligible step increases and cost of living adjustment (COLA).
- 2) Hourly Wages increased \$624 to reflect eligible step increases and COLA.
- 3) FICA increased \$859 to reflect wage increase.
- 4) Retirement increased \$1,066 to reflect wage increases and retirement contribution rate increase.
- 5) Health, Dental, DIB, Life & Wks Cmp Ins increased \$2,071 due to increase in health and dental insurance premiums.
- 6) Training increased \$500 and includes \$5,000 for miscellaneous seminars and webinars for the Communications/Marketing Manager, Video Production Specialist, Administrative Assistant and City Manager throughout the year.
- 7) Telephone decreased \$2,800 due to reallocation of these expenses to the City Hall budget.

- 8) Seminars and Conferences increased \$500 and include funds to attend the annual ICMA conference; WCMA conferences and other misc. conference/training opportunities.
- 9) Memberships / Subscriptions increased \$465 and includes \$1,500 ICMA; \$450 WCMA; \$2,200 Loomly subscription; \$150 Canva Pro subscription; \$120 Mylio Photos subscription and \$1,350 for misc. memberships and publications for Organization and Department.
- 10) Mileage Reimbursement increase of \$2,000 to reflect city manager contract.
- 11) Operating Supplies increased \$1,750 and includes \$7,750 for additional community branding initiatives and miscellaneous supplies for Strategic Visioning & Branding, and \$10,000 for City technology initiatives.

Mayor

Program Full Time Equivalent: 0.38

Program Mission:

Ensure City ordinances and State laws are observed and enforced and that all City officers and employees discharge their duties. Preside over council meetings, sign legal documents, appoint committee members and fulfill the duties of the Chairperson of the Plan Commission. Act as a member of various committees as needed.

List of Program Service(s) Descriptions:

- 1) *Constituency Contact* – Receive input/comments from citizens.
- 2) *Recommend Policies* – Recommend policies to provide municipal services and to promote the short and long term interests of the community.

Important Outputs:

- 1) *Number of Meetings Presided Over* – Activity funded by property tax. Meetings provide formal discussion to discuss issues and enact policies to meet the short and long term needs of the community.
- 2) *Public Appearances* – Activity funded by property tax. Public appearances serve to promote the community and provide information about municipal services.

Expected Outcomes:

- 1) Maintain constituent contact levels in a manner that meets or exceeds the needs of the community.
- 2) Maintain or increase the overall quality of life of residents and visitors.
- 3) Maintain municipal enforcement of City ordinances and State laws.

2026 Performance Measures (July 2025 – June 2026):

- 1) Increase the legislative influence of the City by completing six or more legislative contacts with State or Federal legislators per year.

- 2) Manage the productivity and quality of City Council and Committee meetings by managing presentations and discussions to the extent that all business is completed in three hours or less for 90 percent or more of all meetings.
- 3) Increase or maintain the overall quality of the community by participating in 25 or more public appearances to provide municipal service information or to gather constituent preferences.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Increase the legislative influence of the City by completing six or more legislative contacts with State or Federal legislators per year.
 - a. Result: Performance measure was met. Completed 25 legislative contacts during this period.
- 2) Manage the productivity and quality of City Council and Committee meetings by managing presentations and discussions to the extent that all business is completed in three hours or less for 90% percent or more of all meetings.
 - a. Result: Performance measure was met. 100% of meetings were completed in less than three hours.
- 3) Increase or maintain the overall quality of the community by participating in 25 or more public appearances to provide municipal service information or to gather constituent preferences.
 - a. Result: Performance measure was met. Participated in 55 public appearances during this period.
- 4) Attend a minimum of two conferences or training sessions annually that provide continuing education opportunities and foster intergovernmental relationships.
 - a. Result: Performance measure was met. Attended 4 conferences and training sessions.

Significant Program Achievements:

- 1) Participated in numerous public appearances. Presided at 66 City Council, Committee, Commission and Board meetings in 2024 / 2025 and proposed the 2025 Executive Budget.
- 2) Recruitment process for the new City Manager.
- 3) Worked with State Legislators to support the inclusion of \$30M for the Red Maple Railroad Bridge in the WI State Budget as part of the South Bridge Connector.

Existing Program Standards Including Importance to Community:

- 1) Maintain routine office hours on a monthly basis.
 - a. Community Importance.
 - i. Provides citizens with a routine schedule that establishes an opportunity to discuss issues with the Mayor.

- 2) Respond to Citizen requests as needed.
 - a. Community Importance.
 - i. Provides an opportunity for citizens to have requests for information or action responded to in a timely manner.
 - ii. Establishes trust between the community and the City and diminishes constituent apathy.
- 3) Promote the community through public appearances.
 - a. Community Importance.
 - i. Markets the positive attributes of the community to promote economic development opportunities and the overall quality of life throughout the community.

Costs and Benefits of Program and Services:

The adopted 2026 Mayor program cost is \$75,571. The program benefits the community by providing citizens with representation in the discussion and recommendation of municipal policies and codes as well as to develop an executive budget that includes adopted property tax rates and fees for municipal services. The program services which provide constituency contact and policy recommendations benefit the community by providing citizens with the ability to influence short and long term service levels and community development.

2026 Budget Significant Expenditure Changes:

- 1) Salaries increased \$732 to reflect eligible step increases and cost of living adjustment (COLA) for Community Marketing Manager.
- 2) Hourly Wages increase \$678 to reflect eligible step increases and COLA for Administrative Assistant.
- 3) Retirement increases \$166 to reflect wage increases and retirement contribution rate increase.
- 4) Health, Dental, DIB, Life & Wks Cmp Ins increases \$1,277 due to increase in health and dental insurance premiums.
- 5) Telephone decreased \$930 due to reallocation of these expenses to the City Hall budget.
- 6) Seminars and Conferences includes \$2,500 to attend League of Municipalities and other misc. training sessions.

City Clerk

Program Full Time Equivalents: 2.48

Program Mission:

To maintain official Council Proceedings, committee agendas & minutes and act as the custodian of all City records; satisfy customers with prompt, courteous, and professional service; issue various City licenses; publish all legal notices required by law; and make sure all programs are delivered in a manner that assures public confidence in accuracy, productivity, and fairness. The City Clerk's Office also ensures that all city taxes are collected.

List of Program Service(s) Descriptions:

- 1) *Records Management* – Prepare and maintain all City Council and Committee Meeting records and other official City documents and provide appropriate accessibility to internal and external users.
- 2) *Licensing Agent* – Issue liquor, bartender, special event permits, boat launch permits, cigarette, solicitor, taxi, chicken, and pet licenses for various individuals and businesses in the community.
- 3) *Tax Collection* – Collect as well as prepare and review tax documents in accordance with Department of Revenue mandates.

Important Outputs:

- 1) *Council and Committee Agendas, Minutes, Resolutions and Ordinances* – Activity funded by property tax. Provide necessary public notification and appropriate accessibility to internal and external users. This ensures City actions comply with approved Council and related Committee recommendations.
- 2) *Licensing Documents* – Activity funded by property tax and license collections. Individual and business information is gathered, reviewed, and maintained to assure all licensees are eligible and comply with City requirements. Documents help ensure the safety of the general public using these services.

Expected Outcomes:

- 1) Maintain official City documents so that they are available for review by the public in a timely fashion.

- 2) Maintain documents and collect fees for licensing requirements to help ensure the public is properly protected when using these services.
- 3) Increase tax collections and return on the investment of City funds.

2026 Performance Measures (July 2025 – June 2026):

- 1) Work as part of Document Management Team to identify City needs and two or more potential providers of a digital document management system by July 31, 2026.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Measure: Work as part of Document Management Team to identify City needs and two or more potential providers of a digital document management system by July 31, 2025.
 - a. Result: No progress on this measure as of draft budget publication date.

Significant Program Achievements:

- 1) Completed the Council and Committee minutes in time for approval at the next meeting.
- 2) Licensing completed within the applicable timeframes.
- 3) Tax collections fully collected prior to Department of Revenue deadlines.

Existing Program Standards Including Importance to Community:

- 1) Prepare timely minutes of Council and Committee proceedings available for public inspection.
 - a. Community Importance.
 - i. Allows public opportunity to review Council agenda and actions to provide them time to make contact regarding any concerns they may have.
 - ii. Establishes a routine schedule for community involvement.
- 2) Establish Licensing Requirements to City business community.
 - a. Community Importance.
 - i. Provides the public with assurance that businesses that are operating within the City are properly licensed and conform to applicable licensing laws and regulations.
 - ii. Provides City staff the ability to respond to community concerns regarding businesses within the City.

- 3) Prepare tax documents that ensure proper collection of City tax revenues.
 - a. Community Importance.
 - i. Provides an accurate tax bill that is fair to each taxpayer according to their assessment and is informative for them so they know the cost of service for each taxing jurisdiction.

Costs and Benefits of Program and Services:

The adopted 2026 City Clerk’s Office program cost is \$291,073. The program benefits the community by providing citizens with timely agendas and minutes of Council and Committee proceedings. Programs are administered in a manner that assures public confidence in accuracy, productivity, and fairness with work performed in accordance with Wisconsin State Statutes, De Pere Municipal Ordinances, Department of Revenue mandates, and related case law. The program also ensures that businesses operating within the City are properly licensed and compliant with applicable laws and regulations for the public’s safety. The program also collects the taxes required for the City’s operation.

2026 Program Objectives:

- 1) Continue to work with all city departments to collect outstanding debt owed to the City prior to issuance of any city licenses or permits.
- 2) Continue training and development of the new electronic agenda and minutes management system.
- 3) Continue to improve overall process for issuing Special Event Permits.
- 4) Expand the City’s offerings of online form submission and payment.

2026 Budget Significant Expenditure Changes:

- 1) Salaries increased \$3,811 due to eligible step increases and cost of living adjustment (COLA).
- 2) Hourly Wages Part Time decreased to \$0 because the position was converted to a full-time position within the Finance Department.
- 3) Seasonal labor increased \$360 due to anticipated hourly wage increase (year 2 on the wage scale).
- 4) Retirement increased \$1,072 due to wage increases and retirement contribution rate increase.
- 5) Health, Dental, DIB, Life & Wks Cmp Ins increased \$10,073 due to staff member joining the City’s health coverage midway through 2025 and health and dental premium rate increases.
- 6) Telephone decreased \$2,538 due to reallocation of these expenses to the City Hall budget.
- 7) Postage increased \$485 due to USPS rate increases.

- 8) Seminars and Conferences includes attendance at annual Wisconsin Municipal Clerks Association (WMCA) conference and lodging; year two of the Clerk's Institute for the deputy clerk, and WMCA district meetings.
- 9) Consulting includes \$9,050 for Municipal Code update service and \$1,500 annual tax collection software licensing fee. Paid county specials were reallocated to Development Services.
- 10) Office Supplies increased \$500 for the proposed Youth Commission; if the commission goes forward in 2026, these funds will be used for lesson books and t-shirts for commission members, as well as giveaways at community events.
- 11) Memberships/Subscriptions consists of \$130 for two memberships in the Wisconsin Municipal Clerks Association. The category decreased by \$55 because the Wisconsin Municipal Treasurers Association membership is no longer needed.

Human Resources

Program Full-Time Equivalents: 2.8

Program Mission:

To strive to understand the needs and expectations of all employees and provide the support systems that enables us to achieve high performance and satisfaction in our work, recognizing long-term personal and community goals.

List of Program Service Descriptions:

- 1) *Recruitment*—Conduct all internal and external recruitments throughout all City Departments. Includes advertising, interviewing process, selection, background, offer and new employee orientation.
- 2) *Benefit/Compensation Administration*—Administer all benefits and compensation plan for employees of the city. Programs include all benefit time off, pay for performance, self-insured health insurance, self-insured and fully insured dental insurance, vision insurance, long-term disability, ICI (short-term disability), life insurance, employee assistance program, identity theft, FMLA, employee development program, flexible spending, Health Reimbursement Accounts, COBRA, health assessments, FICA alternative plan, pension plan and wellness benefits. Also acts as the plan administrator of both the health and dental self-funded plans. Responsible for renewal of all insurance plans.
- 3) *Labor Relations*—Assists departments in consistent enforcement of contract language for bargaining agreements. Advises them on interpretation of language to avoid potential liability for the City. Participates in all negotiation sessions with City Attorney and involved department head. Provides research on negotiation items and prepares all costing information on contract offers and final settlements to ensure accurate picture of bargaining is given to City officials. Participates in all grievance/ prohibitive practice and arbitration matters. Provides research and investigation for those issues as they surface.
- 4) *Risk Management Services*—Administration of City worker’s compensation. Manage employee light duty/return to work program. Lead of City safety team efforts and administration. Ensure compliance with state and federal laws.
- 5) *Employee Performance*-daily inquiries by departments on matters pertaining to their employees. Conduct employee investigations and disciplines, performance improvement plans etc. Administer all performance appraisals.
- 6) *Department Inquiries/Policy Creation and Enforcement.* Assist employees and departments on a broad range of employee/workplace issues or questions. Establishes and administers all City policies and procedures.

Important Outputs:

- 1) *Recruitment*—Positions are fully staffed with the most qualified people as soon as possible after an opening occurs for department continuation and to ensure community service/operations are not interrupted. Activity funded by property tax.
- 2) *Benefit/Compensation Administration*—Fair and consistent administration and communication of employee benefit and compensation programs to all City employees. Providing the most cost-effective programs possible for the community. Activity funded by property tax.
- 3) *Labor Relations*—Successful bargaining and administration of affordable contracts with bargaining units. Handling of labor issues that occur including grievances or contract language general inquiries. Work with department heads to accomplish their objectives within the parameters of contracts. Activity funded by property tax.
- 4) *Risk Management Services*—Work with the safety team to manage employee safety to ensure minimal claims payment and a safe working environment for all employees. Work with departments so employees are trained and knowledgeable on correct safety procedures and employment laws. Activity funded by property tax.
- 5) *Employee Performance*—Assist departments on employee performance concerns; required performance appraisals for all non-union personnel. Activity funded by property tax.
- 6) *Department Inquiries/Policy Creation and Enforcement*—Consistent information and support to all departments to allow them to better do their jobs and provide service to the community. Accurately written policies and train employees on them. Activity funded by property tax.

Expected Outcomes:

- 1) *Recruitment*—Maintain staffing levels with low vacancy to fill time so that service to the community is not interrupted. Maintain a high level of most qualified applicants becoming City employees. Decrease the amount of time necessary to do so by efficient processes when possible.
- 2) *Benefit/Compensation Administration*—Maintain benefit and compensation programs for employees within budget constraints. Increase new initiatives for cost savings measures in benefit programs.
- 3) *Labor Relations*—Maintain or decrease the number of grievances or other challenges that cost the community in time, effort and costs. Maintain current bargaining initiatives in contract for fiscal responsibility. Decrease the amount of time needed for successful contract negotiation.
- 4) *Liability Services*—Maintain or decrease the number of claims received and costs of worker's compensation insurance for city. Increased awareness to provide and promote a safe and healthy work environment for employees.
- 5) *Employee Performance*—Employees performing appropriately; decreased lawsuits against the city.

- 6) *Department Inquiries/Policy creation and enforcement*—Maintain quality information given to departments to allow them to do their jobs more efficiently. Policies are understood and adhered to.

2026 Performance Measures (July 2025 – June 2026):

- 1) 3% turnover (with exception of retirements and employees leaving for promotions) by offering competitive wages/benefits and an overall positive employee culture.
- 2) 7 employees receiving a referral bonus by recommending a new hire through continued education and program incentive.
- 3) 105 medical plan participants registered online with Teladoc through education and outreach.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) 3% turnover (with exception of retirements and employees leaving for promotions) by offering competitive wages/benefits and an overall positive employee culture.
 - a. Result: 5% turnover
- 2) 3 employees receiving a referral bonus by recommending a new hire through continued education and program incentive
 - a. Result: 6 employees received a referral bonus
- 3) 90 medical plan participants registered online with Teladoc through education and outreach.
 - a. Result: 100 participants have registered with Teladoc

Significant Program Achievements:

- 1) Filled a significant number of positions in an expedited timeframe including two department head positions and City Manager
- 2) Settled Police contract for years 2024-2026
- 3) Settled Fire labor contracts for years 2022-2023 and 2024-2026
- 4) Settled a number of fire labor issues
- 5) Managed numerous employee issues effectively
- 6) Changed form of government to City Manager
- 7) Benefits plan design changes including implementing an Income Continuation Insurance (ICI) Plan
- 8) Onboard rollout for seasonal employees and continued rollout for benefit eligible positions
- 9) Changes to the policy manual
- 10) Pay for performance program implementation
- 11) Updated all Job Descriptions

Existing Program Standards Including Importance to Community:

- 1) Conduct all internal/external recruitments
 - a. Community Importance.
 - i. Allows departments to be fully staffed with the most qualified employees for uninterrupted and efficient services.
- 2) Administration of City Benefits/Insurance Programs—annual review of renewal for self-funded plans to ensure appropriate fund balance is maintained. Monthly monitoring through reports of plan costs and claims. Accurate information is given to employees upon request.
 - a. Community Importance.
 - i. Provides fair and equitable pay and benefits for retention of employees and in accordance with labor agreements. Successfully ensure the City’s interests for a safe working environment and reduced City liability.
- 3) Labor Relations—negotiate and follow bargaining agreements with 2 labor unions within City. Administer contracts correctly and fairly so the City is not exposed to liability in form of grievances, prohibited practices, and the like.
 - a. Community Importance.
 - i. Provides governing language for employees, wages, hours, and working conditions.
- 4) Compliance with all applicable state and federal laws including FMLA, ADA, Worker’s Comp, HIPAA, etc.
 - a. Community Importance.
 - i. Safeguards the community from unnecessary liability and cost for non-compliance.

Costs and Benefits of Program and Services:

The adopted 2026 Human Resources program cost is \$482,425. The program benefits the community by providing the internal support structure for human resource functions. This includes the administration of benefits, compensation, recruitment, liability services, labor, and employee relations. The program also establishes, administers and effectively communicates sound policies, rules and practices while maintaining compliance with employment and labor laws, organizational directives, and labor agreements. This allows the departments and their employees to operate as effectively and efficiently as possible and better serve the residents of De Pere.

2026 Program Objectives:

- 1) Continue working to fill open positions in an expedited manner
- 2) Implement benefit plan design changes
- 3) Compensation Study

- 4) Policy Changes
- 5) Benefits broker RFP
- 6) Research HRIS systems
- 7) Implement security alert system citywide
- 8) Implement E-forms and make all Human Resources' forms fillable

2026 Significant Budget Expenditure Changes:

- 1) Hourly Wages increased a net \$2,301 due to eligible step increases and cost of living adjustment (COLA).
- 2) Retirement increased a net \$1,130 due to wage increases and retirement contribution rate increase.
- 3) Health, Dental, DIB, Life & Wks Cmp Ins increased a net \$11,519 due to increased health and dental premiums as well as changes in employee benefit elections.
- 4) Organizational Training includes \$3,145 for various City-wide training
- 5) Telephone decreased \$1,054 due to reallocation of these expenses to the City Hall budget.
- 6) Seminars and conferences includes state and local SHRM conferences, legal updates, WPELRA conferences, one out-of-state conference, and other employment seminars
- 7) Consulting includes \$62,625; compensation study (\$11,625), compensation consultant for position changes/new positions (\$5,000), Employee Assistance Program Services (\$15,000), Halogen online performance management system (\$8,000), NeoGov software modules to include: online recruitment system (\$9,000) onboarding (\$7,500) and electronic forms (\$6,500)
- 8) Memberships and subscriptions includes Society for Human Resources Management (SHRM) (1,300), Wisconsin Public Employer Labor Relations Association (WPELRA) (\$100), National Employer Labor Relations Association (NPELRA) (\$420), all employee annual membership to Current Young Professionals (\$500), Wisconsin City/County Management Association (WCMA) (\$50) and Public Risk Management Association (PRIMA) (\$125).

Elections

Program Full Time Equivalent: 0

Program Mission:

To coordinate, conduct, and administer elections pursuant to federal and state regulations including the Help America Vote Act (HAVA) regulations, Military and Overseas Voting Empowerment (MOVE) regulations, utilizing the Statewide Voter Registration System (WisVote) for maintaining voter records and absentee records, maintaining and updating districts & offices, make ongoing necessary WisVote changes in accordance with the 2021 Redistricting, along with on-going clerk certification and election inspector training, as required by law.

List of Program Service(s) Descriptions:

- 1) *Conduct Elections* – Conduct primary and general elections in February, April, August, and November 2026.
- 2) *Records Management* – Prepare and maintain all voter registration records, absentee applications and ballots, districts and offices, GIS map records, election setup, poll books, post-election activities, canvass, Wisconsin Election Data Collection, in accordance with HAVA regulations including electronic file and voting machine updates.
- 3) *Election Training* – Attend election update and training sessions; develop & provide training to election inspectors for the purpose of running efficient elections in compliance with state and federal requirements; and maintain certification and re-certification requirements.

Important Outputs:

- 1) *Four Certified and Canvassed Elections*–Activity funded by property tax. Four Elections conducted for local, county, state and federal offices to provide citizens an opportunity to elect candidates to represent their interests in governmental matters.
- 2) *Federal & State Compliance for WisVote* – Activity funded by property tax. Voter registration, absentee, and GIS Map records maintained in accordance with computerized on-line Statewide Voter Registration System (WisVote) regulations and requirements to ensure that all electors are qualified and have an equal voice in electing their representatives in government offices.

- 3) *Election Inspector Training* – Activity funded by property tax. All election inspectors are trained, as required by state law, on election procedures prior to their participation in the required elections to ensure that elections are fairly and accurately executed.

Expected Outcomes:

- 1) Maintain 100% compliance with Statewide Voter Registration System (WisVote) for voter registration, the HAVA & MOVE regulations, Voter Photo ID regulations and proof of residence regulations.
- 2) Maintain 100% certification and recertification requirements for chief election inspectors and election inspectors.

2026 Performance Measures (July 2025 – June 2026):

- 1) Provide training on new voting tabulator equipment (DS-300s) prior to each election to maintain required certification for 100% of election inspectors.
- 2) Create tabletop training exercise for election inspectors on Election Day emergency scenarios.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Measure: Create two new Election Inspector video trainings by July 31, 2025.
 - a. Result: 100% met. Created updated Election Inspector training and Election Security Measures videos.

Significant Program Achievements:

- 1) Completed all elections in compliance with federal and state regulations.
- 2) 100% of election inspectors and chief inspectors attended refresher training prior to working elections to maintain certification level.

Existing Program Standards Including Importance to Community:

- 1) Conduct Elections in accordance with federal and state regulations including the Help America Vote Act and the Military and Overseas Voting Empowerment Act.
 - a. Community Importance.
 - i. Allows the voting public to elect representatives at the local, state, and federal level with a minimum level of effort.
- 2) Maintain voter registration, absentee records, and voting history in full compliance with WisVote.
 - a. Community Importance.
 - i. Provides the public with assurance that only qualified electors participate in the election process.
- 3) Train election inspectors prior to each election and maintain required certification.
 - a. Community Importance.
 - i. Provides the public with an efficiently run election process at the four polling locations within the city.

Costs and Benefits of Program and Services:

The adopted 2026 Elections program cost is \$111,100. The program benefits the community by providing citizens the opportunity to elect their representatives in government on the local, state, and federal level in an efficient manner and provides 100% compliance with federal and state mandatory regulations.

2026 Program Objectives

- 1) Continue to increase absentee voter returns and decrease the number of absentee ballots going to non-responsive voters.
- 2) Continue to encourage online voter registration.
- 3) Continue training and promotion of electronic poll books.

2026 Budget Significant Expenditure Changes:

- 1) Poll worker hourly wages increased \$39,250 due to handling four scheduled elections in 2026 versus two in 2025 as well as a \$.50/hour step increase. Includes the following: \$45,450 for election day wages for poll workers and chief inspectors at four polling locations plus Central Count; \$8,200 for training wages (calculated at 4 hours per poll worker and 6 hours per chief inspector); \$7,160 for in-person absentee voting and office help; and \$1,485 for poll worker staffing for care facilities voting.

- 2) Postage increased \$13,850 due to anticipated rate increases and an increase in the number of elections in 2026.
- 3) Seminars and Conferences increased by \$90. Includes \$450 for continuing education classes through UW-Green Bay, WEC, and WMCA for Clerk and Deputy Clerk on election administration.
- 4) Consulting increased \$8,020 due to an increase in the number of scheduled elections. Includes \$2,280 for voting machine software/hardware maintenance; \$6,400 for Brown County support, supplies, and programming; \$3,960 for polling place rental fees; and \$2,600 for rental of an enclosed truck with liftgate for delivery of election equipment to the polling places.
- 5) Office Supplies increased \$8,000 due to an increase in the number of scheduled elections. Includes \$6,450 for printing costs; \$3,150 for general office supplies, \$3,150 for food for poll workers; and \$2,250 for polling place consumables and signage.
- 6) Mileage Reimbursement has been \$0 in the past but now includes \$150 in order to attend Wisconsin Elections Commission conferences.

Information Management

Program Full Time Equivalent: 1.48

Program Mission:

Support the Information Technology (IT) environment associated with general business operations.

List of Program Service(s) Descriptions:

- 1) *Build and maintain digital operations infrastructure* – For all buildings this includes the cable plant and network edge devices.
- 2) *Plan, purchase and implement new applications* – Applications are software programs that users interact with directly.
- 3) *Provide cybersecurity services* – Purchase, install and maintain administrative, physical and technical controls to provide secure IT operations across the organization.
- 4) *Provide system administration services* – Create and maintain data and record storage along with organized secure access.
- 5) *Provide network administration services* – Design and maintain secure connectivity of devices and equipment throughout the organization and external environment.
- 6) *Provide desktop support services* – Purchase, install and maintain digital desktop equipment.
- 7) *Provide employee assistance services* – Serve as a point of contact for questions and training for most information systems within the organization.

Important Outputs:

- 1) *Physical equipment foundation for electronic media creation and communication* – Activity funded by property tax. The application and maintenance of municipal business software and devices require a flexible foundation of connectivity, sharing and security to support department operations.
- 2) *Efficient communication* – Activity funded by property tax. Users (staff) can communicate and collaborate efficiently, in many cases without leaving their workspace or desk. Citizens can do business without having to be on-site.
- 3) *Efficiently produced work product* – Activity funded by property tax. Users (staff) are able to create, organize, share, modify and store their work product with minimal material and labor cost.

Expected Outcomes:

- 1) Accessibility of a fully functional physical network to connect devices & equipment between City buildings, departments & workgroups.
- 2) Availability of quality digital applications for communication and records storage and retrieval.
- 3) Secure access to IT resources from City owned facilities.
- 4) Secure access to IT resources from remote work locations.
- 5) Error free desktop equipment operation.
- 6) Employee effective use of technology.

2026 Performance Measures (July 2025–June 2026):

- 1) Limit system downtime to non-business hours while providing 99.99% uptime of core business systems.
- 2) Complete system change requests within 72 hours.
- 3) Respond to network system outages within 60 minutes, 24/7.

2025 Performance Measurement Data (July 2024–June 2025):

- 1) Limit system downtime to non-business hours, less than 1 hour per month average.
 - a. Result: No network outages observed outside of the scheduled monthly 1 hour maintenance window.
- 2) Complete system change requests within 72 hours.
 - a. Result: Routinely maintained unless requests need clarification.
- 3) Respond to network system outage within 60 minutes, 24/7.
 - a. Result: No network outages observed.

Significant Program Achievements:

- 1) Assisted with the acquisition and implementation of the CivicClerk agenda and meeting management platform, including data migration from the previous system.
- 2) Replaced end of life phone system with cloud-based phone system.
- 3) Reduced the number of analog telephone lines to two, resulting in an annual savings of \$24,000.
- 4) Replaced end of life core network infrastructure.
- 5) Replaced end of life Wi-Fi network.

- 6) Implemented backup Internet connection to ensure Internet connectivity.
- 7) Resolved 700 helpdesk requests.
- 8) Replaced 40 end of life end user computing devices.

Existing Program Standards Including Importance to Community:

- 1) Maintain common industry standard equipment and services.
 - a. Community Importance
 - i. Allows staff to communicate with citizens effectively and efficiently via multiple options so citizens don't have to come on-site.
 - ii. Provides staff a means to efficiently create, organize and share information so requests from the public are completed quickly.
 - iii. Provides customers 24/7 digital access to information via Internet and mobile devices.

Costs and Benefits of Program and Services:

The adopted 2026 Information Management program cost is \$479,840. This program benefits the community directly by creating a secure internal digital environment to service customers. This program funds a minimum infrastructure needed to securely support operations associated with general business activities.

2026 Program Objectives:

- 1) Replace server and storage infrastructure.
- 2) Replace City Hall Complex and Art Alley CCTV infrastructure.
- 3) Refine disaster recovery/business continuity plans.
- 4) Refine cybersecurity posture to ensure a safe IT environment.

2026 Budget Significant Expenditure Changes:

- 1) Salaries increased \$4,320 to reflect eligible step increases and cost of living adjustment (COLA).
- 2) Hourly wages increased \$11,373 to reflect eligible step increases, COLA and IT Support Specialist position added in 2025.
- 3) FICA increased \$1,201 to reflect wage increases and IT Support Specialist position added in 2025.

- 4) Retirement increased \$1,453 to reflect wage increases, retirement contribution rate increase and IT Support Specialist position added in 2025.
- 5) Health, Dental, DIB, Life & Wks Comp Ins increased \$2,298 to reflect the increase in health and dental insurance premiums and IT Support Specialist position added in 2025.
- 6) Training includes \$3,500 to attend IT Operations/Cybersecurity training and IT team building.
- 7) Seminars & Conferences increased \$1,000 to reflect the IT Support Specialist position added in 2025. Seminars & Conferences includes \$4,000 to attend Governmental Information Processing Association of Wisconsin (GIPAW) spring and fall conferences, Black Hills Information Security WWHF and the Multi State Information Sharing and Analysis Center (MS-ISAC) annual meeting.
- 8) Consulting includes \$10,000 for annual cybersecurity penetration testing.
- 9) Other Contractual Services decreased \$1,561. General Fund share is 28%. Notable changes for 2026 include the following:
 - a. Removal of \$33,000 for a document management system as the new ERP system will contain document management.
 - b. Addition of \$10,650 annually for 24x7 security event monitoring and detection to identify potential cybersecurity threats.
 - c. Addition of \$13,344 annually for website AI search/chatbot integration and AI phone system auto-attendant effectively reducing demand on staff and minimizing delays in service delivery.
 - d. Addition of \$8,000 annually to transition on-premises backup operations to cloud hosted.
- 10) Memberships increased \$995 due to increased MS-ISAC membership fees. MS-ISAC has provided the City with many critical free IT services over the past 10 years. With the recent changes at the federal government level, MS-ISAC had to start charging for the services. Memberships include Wisconsin Cyber Response Team (CRT), Governmental Information Processing Association of Wisconsin (GIPAW), Elections Infrastructure Information Sharing and Analysis Center (EI-ISAC), Multi-State Information Sharing and Analysis Center (MS-ISAC), and Sourcewell Cooperative Purchasing (formerly NJPA).
- 11) Mileage Reimbursement increased \$60 to accommodate the IT Support Specialist position added in 2025.
- 12) Operating Supplies increased \$6,450. General Fund share is 28%. The increase is due to the increased cost of PC replenishment, software support renewals, and true-up of Microsoft Server licensing. Since the COVID-19 pandemic IT has been deploying laptops when possible.
- 13) Capital Outlay includes \$165,000 for IT server and storage infrastructure replacement.

Sustainability Programming

Program Full Time Equivalent: 0.0

Program Mission:

The sustainability commission is established to explore sustainability initiatives that can be implemented in the City, with the ultimate goal of providing a more sustainable, livable, and healthy community.

List of Program Service(s) Descriptions:

- 1) Citizen Contact – Provide a forum for addressing public concerns related to sustainable policies and practices.
- 2) Sustainable Projects – Work on sustainability related projects as directed by City Council and City Manager.
- 3) Identify and recommend sustainable policies and programs to the City Council for consideration.

Important Outputs:

- 1) The Commission meets monthly to discuss sustainability initiatives.

Expected Outcomes:

- 1) Provide formal discussions to discuss sustainable initiatives to promote a more sustainable, livable, and healthy community.

2026 Performance Measures (July 2025 – June 2026):

- 1) Provide at least one (1) educational sustainability initiative program that impacts the community.

2025 Performance Measures (July 2024 – June 2025):

- 1) Provide at least one (1) educational sustainability initiative program that impacts the community. This was met by getting approval to install pollinator gardens at City parks abutting the City urban orchards. This is a continued initiative to promote planned natural landscaping. The adopt-a-drain program was also implemented to promote education and outreach about pollutants entering our waterways.

Significant Program Achievements:

- 1) Approval for pollinator garden installation at City parks abutting urban orchards.
- 2) Attended farmer’s market to promote sustainable practices.
- 3) Implemented food waste composting service reimbursement program with City residents that utilize private composting services.
- 4) Implemented the adopt-a-drain program.

Existing program Standards Including Importance to Community:

- 1) Conduct a regular meeting of the Sustainability Commission on the first Tuesday after the first Council meeting every month.
 - a. Community Importance
 - i. Allows actions required or requested on behalf of the community to be acted upon in a timely manner.
 - ii. Establishes a routine schedule for community involvement.

Costs and Benefits of Program and Services:

The adopted 2026 Sustainability Programming budget is \$26,700. The program benefits the community by providing citizens the opportunity to have input regarding sustainable initiatives to promote a more sustainable, livable, and healthy community. This program also develops policies and practices pertaining to sustainable initiatives.

2026 Program Objectives:

- 1) Install pollinator gardens at City parks.
- 2) Further promote the adopt-a-drain program.

2026 Budget Significant Expenditure Changes:

- 1) Seminars and Conferences of \$1,000 to provide funding for the Commissioners to attend various seminars or conferences pertaining to sustainability.
- 2) Consulting of \$12,000 is for the compost reimbursement program and general consulting services.
- 3) No Capital Equipment requested.

Finance Department

Program Full Time Equivalent: 1.27

Program Mission:

To direct the maintenance of the municipal accounting system and the procedures governing receipt and expenditure of municipal funds as well as plan, organize, control, direct, and evaluate the work of staff involved with various fiscal activities. The Finance Department also ensures that City funds are invested to optimize return in accordance with state statutes.

List of Program Service(s) Descriptions:

- 1) *Budget Management* – Assist Elected Officials and City Manager in establishing and evaluating performance of City budgets and developing financial strategies compatible with overall needs of City.
- 2) *Adherence to Internal Control Policies* – Implement and monitor departmental adherence to City internal controls to safeguard and maximize the use of City resources.
- 3) *Financial Reporting* – Prepare financial reports in adherence to generally accepted accounting principles (GAAP) and state statutes that fairly state the City’s financial position useful to both internal and external users.
- 4) *Investment Recordkeeping* – Invest and account for City funds to provide the maximum return in accordance with state statutes.

Important Outputs:

- 1) *Preparation of Annual Budget* –Activity funded by property tax. The Annual Budget provides funding for all municipal services and activities.
- 2) *Daily Financial Reports* – Activity funded by property tax. Authorized users can review activity in relation to the Annual Budget to ensure that City resources are collected and spent to comply with the Council-approved budget.
- 3) *Annual Financial Reports* – Activity funded by property tax. Taxpayers and financial consultants can review the Annual Financial Report that accurately discloses the City’s financial position and annual operating revenue and expense detail to determine the City’s financial strength to provide future goods and services for the community.
- 4) *Tax and Investment Revenues* – Activity funded by property tax. Property taxes are collected and invested in compliance with state statutes and Council-approved financial institutions to provide the safest and maximum return on available financial resources. These revenues secure funding for municipal services and activities.

Expected Outcomes:

- 1) Maintain timely budget reports that accurately reflect adherence to current City Council spending directives and prior financial results.
- 2) Maintain financial data available to all authorized users of City’s financial systems to assist them in reviewing compliance with applicable internal controls.
- 3) Maintain timely and accurate annual financial reports to assist internal and external users in evaluating historical data to assist in future decision-making processes.

2026 Performance Measures (July 2025 – June 2026):

- 1) Implementation of Commercial Rewards credit card, replacing the current program by the end of the year.
- 2) Complete a needs assessment and issue an RFP for new ERP software by June 2026.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Continue to emphasize the use of City owned credit cards to increase the City’s rebate by 5%.
 - a. Result: Earned \$3,575 in rebates over this time frame which was approximately the same as the prior year.

Significant Program Achievements:

- 1) Completed the payroll backpay for Fire Dept. for 2022-2025.
- 2) Completed the payroll backpay for the Police Dept. for 2024-2025.
- 3) Implemented Budget Amendment Process so departments can more readily track their true budget.

Existing Program Standards Including Importance to Community:

- 1) Prepare timely budget reports in accordance with generally accepted accounting principles.
 - a. Community Importance.
 - i. Allows financial actions required or requested on behalf of the community to be acted upon in a timely manner.
 - ii. Establishes a routine schedule for community involvement.

- 2) Provide Financial Data to Internal Users of City’s financial system daily.
 - a. Community Importance.
 - i. Provides the financial system that allows anyone in the community an opportunity to provide or purchase services to or from the City on an immediate basis.
 - ii. Provides the municipality with the ability to respond to community inquiries regarding financial information daily.
- 3) Prepare annual financial reports in accordance with generally accepted accounting principles.
 - a. Community Importance.
 - i. Provides an accurate, reliable financial report that the community can rely upon to ensure that their resources through their payment of taxes or user fees are properly spent or safeguarded according to their elected officials’ directives.

Costs and Benefits of Program and Services:

The adopted 2026 Finance Department program cost is \$268,864. The program benefits the community by providing citizens with timely financial data and reports that indicate the City resources are spent in accordance with elected official directives and are safeguarded against any unauthorized use or disposition. The program also invests City funds in compliance with state statutes.

2026 Budget Significant Expenditure Changes:

- 1) Salaries increased \$57,557 due to eligible step increases, cost of living adjustment (COLA) and the addition in mid-2025 of an Assistant Finance Director, of which half the cost is accounted for in this department.
- 2) FICA increased \$4,457 due to wage increases, as well as the addition of the new position.
- 3) Retirement increased to \$4,406 due to wage increases, including the new position, and a retirement contribution rate increase.
- 4) Health, Dental, DIB, Life & Wks Cmp Ins increased \$16,662 due to a increase in health and dental insurance premiums, and the addition of the new position.
- 5) Training includes \$500 for Finance/Clerk department team building.
- 6) Telephone decreased \$2,400 due to the reallocation of these expenses to the City Hall budget.
- 7) Seminars and conferences budget of \$3,310 includes Wisconsin Government Finance Officers Association (WGFOA) conference registrations and hotels, one out of state Government Finance Officers Association (GFOA) conference, PayrollOrg meetings and other governmental accounting training courses. This is an increase of \$2,000.
- 8) Consulting includes INCODE software annual maintenance fees (\$12,180) and Seamless Docs (\$20,560).

- 9) Memberships and Subscriptions includes GFOA (\$500), two WGFOA memberships (\$50), Municipal Treasurers Association of Wisconsin (MTAW) (\$60), and PayrollOrg (\$55). This is an increase of \$300.
- 10) Mileage reimbursement increased \$540 for the seminars and conferences listed above, which includes one national conference that has previously not been budgeted for.

Assessor

Program Full Time Equivalent: 0.10

Program Mission:

Create and maintain equitable and uniform valuations of real property for assessment purposes (personal property is exempted effective January 1, 2024 pursuant to 2023 Wisconsin Act 12).

List of Program Service(s) Descriptions:

- 1) *Property Owner Contact* - Answer assessment questions and provide assessment information to property owners, appraisers, realtors etc.
- 2) *Residential/Commercial Property Assessment* – Wisconsin Statutes, Chapter 70 requires that new construction be physically inspected, listed and measured after the assessment date of January 1st on an annual basis. Building permits are reviewed from the prior year and uniform and equitable property values are established for new and altered structures to be used as a base for tax purposes.
- 3) *Manufacturing Assessment* – Provide building permit and sales information of industrial properties to the State of Wisconsin, Department of Revenue to assist in the establishment of uniform and equitable property values.
- 4) *Open Book / Board of Review* - Informational open book hearings are held on an annual basis to assist the general public in understanding assessment procedures and property values. Board of Review meetings are held on an annual basis as per Wisconsin State Statute to afford property owners the opportunity to contest property values established by the assessor.

Important Outputs:

- 1) *Uniform Residential/Commercial Property Values* – The assessor’s office, funded by property tax, meets Wisconsin State Statute requirements to have an appointed statutory assessor establish and maintain uniform and equitable assessments. Equitable assessments benefit the community in assuring that property owners will pay their fair share of taxes.

Expected Outcomes:

- 1) The establishment of uniform and equitable assessments for real property provides community value in maintaining and ensuring fair taxation of all residential, commercial, and industrial property owners along with businesses subject to personal property taxation.

- 2) Open Book and Board of Review hearings (required by Wisconsin State Statute) are held to provide property owners an opportunity to challenge their property's assessed value and to solicit adjustments when compared to similar properties thus ensuring fair taxation.
- 3) Increase the knowledge of the general public on assessment procedures through increased property owner contacts via office, phone and city web site that is funded by property tax.

2026 Performance Measures:

- 1) Provide 100% computer exemption reports to Department of Revenue by May 1, 2026.
- 2) Efficiently review and revise 100% of all parcel splits, combinations, new subdivisions, and name changes on work roll by April 1, 2026.
- 3) Successfully submit 100% of final real estate value reports to Department of Revenue by second Monday in June.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Provide computer exemption reports to Department of Revenue by May 1, 2025.
 - a. Result: 100% of computer exemption reports were provided to Department of Revenue by May 1, 2025.
- 2) Review and revise parcel splits, combinations, new subdivisions, and name changes on work roll by April 1, 2025.
 - a. Result: 100% of parcel splits, combinations, new subdivisions, and name changes were reviewed and revised by April 1, 2025.
- 3) Successfully submit 100% of final real estate value reports to Department of Revenue by second Monday in June.
 - a. Result: 100% of real estate value reports were submitted to the Department of Revenue by June 9, 2025.

Significant Program Achievements:

- 1) Updated educational assessment information placed on City of De Pere website.
- 2) Determined timely partial assessments on January 5, 2025.
- 3) Provided building permit applications to Accurate Appraisal LLC via computer.
- 4) Worked closely with Accurate Appraisal LLC and general public answering property/construction valuation questions.
- 5) Open Book meeting was held in-person on April 30 and May 1, 2025; telephonic appointments were available through May 28, 2025.
- 6) Board of Review was held on June 5, 2025.

Existing Program Standards Including Importance to Community:

- 1) *Conduct an annual open book assessment review hearing.*
 - a. Community Importance
 - i. Provides the opportunity for property owners to review assessments and become educated on statutory assessment procedures. Annual meeting encourages community involvement in assessment reviews.
- 2) *Conduct an annual Board of Review meeting.*
 - a. Community Importance
 - i. Annual meeting provides the opportunity for property owners to legally challenge their assessments pursuant to Wisconsin State Statute and encourages property owner involvement in property valuation challenges.

Costs and Benefits of Program and Services:

The 2026 Assessor budget is \$106,532. The program benefits the community by providing citizens with the opportunity to discuss, offer input, and challenge property values in the community. The program also benefits the community by providing uniform and equitable assessment methodology.

2026 Significant Budget Expenditure Changes:

- 1) Hourly Wages increased \$381 due to eligible step increases and cost of living adjustment (COLA).
- 2) FICA increased \$32 due wage increases.
- 3) Retirement increased \$47 due to wage increase and retirement contribution rate increase.
- 4) Telephone decreased \$1,500 due to a reallocation of these expenses to the City Hall budget.
- 5) Consulting includes \$19,580 attributable to the Wisconsin Department of Revenue fee for assessing manufacturing properties (average 10% increase per year over past 4 years), \$78,000 for a one-year extension with Accurate Appraisal's assessment contract, and \$500 for stipends paid to Board of Review members and meeting publication costs.

City Hall

Program Full Time Equivalent: 0.15

Program Mission:

This program provides funding for the maintenance and operations of the City Hall facility.

List of Program Service(s) Descriptions:

- 1) *Preventative maintenance on HVAC* – Building Maintenance staff work cooperatively with outside contractor to inspect all HVAC equipment twice/year to ensure maximum efficiency is met.
- 2) *Repairs and maintenance to buildings and grounds* – Building Maintenance staff conduct repairs and maintenance on “as needed” basis throughout the building.

Important Outputs:

- 1) *Preventative maintenance on all HVAC units and equipment in City Hall* – Funded by property tax and ensures the life expectancy is maximized of all HVAC equipment.
- 2) *Repairs performed on all building equipment or infrastructure* – Funded by property tax and ensures City Hall is kept in good working order, safe, and aesthetic.
- 3) *Manual labor assistance* – Funded by property tax and provides assistance to departments based out of City Hall for general office care tasks including assembly, removals, reorganizing, or troubleshooting equipment or building related items.
- 4) *Regular scheduled cleaning of City Hall* – Funded by property tax and ensures regular cleaning of facility is done to ensure the facility is sanitary and safe.

Expected Outcomes:

- 1) Maintain comfortable work climate throughout City Hall.
- 2) Maintain efficiency of all HVAC equipment.
- 3) Maintain clean and sanitary work environment.

2026 Performance Measures (July 2025 – June 2026):

- 1) Reduce energy used for both electric and gas by 1% through improvements in energy efficiencies.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Reduce energy use by 1% through improvements in energy efficiencies.
 - a. Result: 2024 total electrical use = 650,495 kWh. 2025 total electrical use = 609,827 kWh. This is a decrease of 40,668 kWh or 6.25%. The performance measure for electricity use was met. 2024 gas use = 35,219.0 Therms. 2025 gas use = 33,134.2 Therms. This is a decrease of 2,084.8 Therms or 5.92%. The performance measure for gas use was met.

Significant Program Achievements:

- 1) Design and remodel 1st Floor offices and replace the office furniture to increase space for new employees.
- 2) Replace the Municipal Court office furniture.
- 3) Replace the control board for the Roof Top Air handler.
- 4) Replace all existing light fixtures on 2nd floor to LED fixtures with dimmers.

Existing program Standards Including Importance to Community:

- 1) Conduct yearly preventative maintenance on air conditioning and heating units.
 - a. Community Importance
 - i. Ensures HVAC equipment runs as efficiently as possible, reduces the amount of repairs, and maximizes the life expectancy of the equipment.
- 2) Regular scheduled cleaning of City Hall.
 - a. Community Importance
 - i. Ensures a clean and sanitary building that is open for large amounts of public use.

Costs and Benefits of Program and Services:

The adopted 2026 City Hall program budget is \$149,236. The program benefits the community by providing a clean, safe, and efficiently run building designed to be the headquarters of the City's operations.

2026 Budget Significant Expenditure Changes:

- 1) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$276 to reflect change in allocation for building maintenance wages.
- 2) Telephone increased \$304 due to a reallocation of these expenses to this account from other departments within City Hall.
- 3) Consulting decreased \$10,000 to reflect actual costs of not utilizing a consultant for landscaping services. Consulting includes \$10,000 for green roof landscaping and HVAC services.
- 4) Repairs and Maintenance increased \$2,000 for general miscellaneous repairs previously budgeted in the Capital Equipment account.
- 5) Memberships/Subscriptions includes \$240 for OptiSigns signage software platform subscription.

Other General Government

Program Mission:

This program provides funding for non-collectables, general fund property and liability insurances, sundry, and employee performance and bonus pay program.

Costs and Benefits of Program and Services:

The adopted 2026 Budget for the Other General Government program cost is \$616,484.

2026 Budget Significant Expenditure Changes:

- 1) Outside Services increased \$5,435. This account includes \$6,000 for the copier leases for 1st and 2nd floor of City Hall. It also includes \$4,075 for the Other Post-Employment Benefits (OPEB) valuation that is required every other year.
- 2) Office Supplies was a new account in 2025. The budget decreased by \$1,000 based on the 2025 estimated costs.
- 3) Memberships/Subscriptions includes \$780 for the City's Amazon Prime membership and \$240 for Gannett for an online subscription to the Green Bay Press Gazette.
- 4) Repair and Maintenance Supplies increased \$200,000 as we work to complete some of the repairs needed as part of the 2024 ADA audit.
- 5) Property and Liability decreased \$338,500 due to a proposed change in carriers.
- 6) Transfer Out decreased \$32,297 and covers the negative fund balance for the Cable Fund.
- 7) Reserved Wage & Benefit Funds decreased \$570,509 due to the settlement of collective bargaining agreements.

Health Department

Program Full Time Equivalent: 4.95

Program Mission:

The mission of the Health Department is to protect and promote public health across the lifespan through education, policy development and valued services.

List of Program Service(s) Descriptions:

- 1) *Public Health Education and Nursing* –Promote and protect the health of populations using knowledge from nursing, social, and public health sciences. Apply nursing and public health principles to assess, develop, implement, and evaluate public health programs and services for individuals, families, and the community.
- 2) *Public Health Sanitarian* – Provide environmental health services to ensure the health and safety of the community. Provide weights and measures inspection services as required of municipalities by state statute.

Important Outputs:

- 1) *Maternal child & family health programming/services* – Activity funded by tax levy and grant funding. Maternal child health programming is *required by state statute*. Services include but are not limited to community planning for coordination of service delivery, education to groups and individuals regarding development and health issues.
- 2) *Chronic disease and injury prevention programming/services*: Activities funded by tax levy and grant funding. The assurance of injury prevention programming *required by state statute*. The benefit to the residents is to ensure the safety of individual children and prevent injuries and fatalities.
- 3) *Communicable Disease Control and Prevention*– This service includes immunization services as well as communicable disease follow up. These activities are funded by tax levy, grants, and fee for service revenue. Childhood immunization programming is *required by state statute*. Communicable disease programming is *required by state statute*.
- 4) *Public Health Preparedness* – This program is funded by grant dollars and tax levy. Preparedness response activities are *required by state statute*. This program benefits the community by ensuring the health department’s ability to respond to urgent public health matters and support the City’s Emergency Response.
- 5) *Community Health Assessment/Improvement Planning* – Time and effort is funded by tax levy and is *required by state statute*. Together with community partners, conduct assessment of leading health data indicators, choose priorities to focus efforts on and develop evidence-based community strategies to achieve measurable outcomes.

- 6) *Resident Complaint Investigation and Resolution* – Activity funded by tax levy. Human health hazards investigation and resolution *required by state statute and city ordinances*.
- 7) *Weights and Measure Inspections* – Activity funded by program revenue. State statute requires municipalities to permit and inspect all businesses for compliance with weights and measures equipment ensuring consumer protection for weights and measures devices.
- 8) *Establishment Licensing and Inspections (Department of Health Services and Department of Agriculture and Consumer Protection)* – Activity funded by program revenue and tax levy. The agent contract for the City of De Pere provides licensing and inspections for all restaurants, temporary restaurants, hotel/motels, campgrounds, swimming pools, spas, tattoo & body piercing, school kitchens, recreational education camp establishments and temporary/permanent retail establishments.
- 9) *Rabies Prevention and Control* – Activity funded by tax levy and limited grant funds when available. Follow-up is completed on all reported animal bites and exposures as *required by state statute and city ordinance* for the victim of the bite and the offending animal. This includes laboratory analysis services for appropriate specimens based on the most current public health recommendations. Benefit to the community is the protection of potential rabies exposures.
- 10) *Childhood Lead Poisoning Prevention* – Activity funded by grant funding and tax levy. Blood lead levels of children are monitored, and follow-up is provided to all families of children with elevated levels as *required by state statute*. Public education on lead is also provided.
- 11) *Public Health Education* – Activity funded by tax levy and grant funding. Education is provided to residents in a variety of ways including direct mailings to households, monthly articles, city-wide newsletter contributions, social media, up-to-date website, channel 4 contributions, educational presentations in the community, press releases, media interviews and individual education.
- 12) *Radon Testing Program* – Activity is funded by program revenue. Kits are provided to city residents at a nominal fee to allow residents access to test kits and education.

Expected Outcomes:

- 1) Avert vaccine preventable disease by assuring vaccine coverage rates are maintained and/or increased in select population cohorts.
- 2) Conduct surveillance, investigation and institute public health control measures for all suspect, probable and confirmed cases of communicable disease within the City of De Pere.
- 3) Prevent illness through the assurance of establishment compliance with food safety, environmental and hygiene standards.

2026 Performance Measures (July 2025 – June 2026):

- 1) In accordance with WI DHS benchmarks, conduct personalized reminder/recall activities for children that are behind schedule monthly provide to achieve an **82%** city-wide immunization rate of 4 DtaP, 3 Polio, 1 MMR, 3 Hib, 3 Hepatitis B, 4 Pneumococcal and 1 varicella for De Pere children turning 24 months.
- 2) Health Department nursing staff will initiate the investigation of 100% of suspect, probable and confirmed cases of illness and disease within 72 hours in *accordance with state statute*.
- 3) Conduct education and follow-up to assure that food establishments are compliant with the state/local laws.
 - a. 100% of licensed establishments will be inspected at least once annually as required by the DATCP Agent Contract.
 - b. Re-inspections will be conducted as necessary to verify compliance.
 - c. Establishment complaint investigation will be initiated within 72 hours of receipt.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Conduct personalized reminder/recall activities for children that are behind schedule monthly provide to achieve an 80% city-wide immunization rate of 4 DtaP, 3 Polio, 1 MMR, 3 Hib, 3 Hepatitis B, 4 Pneumococcal and 1 varicella for De Pere children turning 24 months.
 - a. Result: The immunization rate for this age group is at **83%** by 24 months of age (this includes those children who were late up to date).
- 2) Health Department nursing staff will initiate the investigation of 100% of reported suspect, probable and confirmed cases of illness and disease within 72 hours in *accordance with state statute*.
 - a. Result: Health department staff have initiated investigation of all disease reports within 72 hours.
- 3) Conduct education and follow-up to assure that food establishments are compliant with the state/local laws.
 - a. Result: 100% of licensed establishments will be inspected at least once annually as required by the DATCP Agent Contract.
 - b. Result: 100% of re-inspections were conducted in accordance with department procedures to verify compliance.
 - c. Result: 100% of establishment investigations complaints were initiated within 72 hours.

Significant Program Achievements:

Level III Health Department (May 2025): The De Pere Health Department, for the first time ever, has been certified as a level III health department. This is the highest-level designation in the state of Wisconsin. De Pere Health Department was evaluated in April 2025 by the Wisconsin Department of Health Services (DHS) Division of Public Health (DPH) and has successfully met the

additional level III requirements contained in [Wis. Admin. Code s. 140.05](#) for workforce development, quality improvement, and performance management; a focus on social determinants of health; expertise in population health; and acting as the community health strategist. This determination was communicated on May 15th, 2025. The next review is anticipated in 2030.

State Required Community Health Assessment/Health Improvement Plan (January 2025): This collaborative comprehensive health improvement plan has been completed and published for the current three-year timeframe (2025-2027). This newly launched plan can be found published on the De Pere Health Department [website](#). For the current cycle, the health priorities that we will be focusing on with Brown County Health Department, Oneida Nation, Health Systems and community partners are: Safe and Affordable Housing, Pathways to Healthcare, and Mental Health and Substance Use.

Social Connectedness/Community Engagement (Fall 2024):

- The mural on George Street was completed and unveiled in September! This was a collaborative project with Definitely De Pere and tied into the Beyond Health Community Health Improvement Plan strategy 2.1, with the theme, *Belonging Begins Here*. Thank you to artist, Beau Thomas, (and every artist who submitted designs), and all of the community members that voted and engaged with the health department online and at the in-person events. A special thanks to the Maternal and Child Health Block Grant for funding this project, and Saks Holdings for the use of their building facade. *This project also won a Wisconsin Main Street award in 2025 for its positive impact on community connections!*
- The health department collaborated with SNC Health & Wellness Center to host Dr. Carol Bruess on campus. Carol’s micro workshop for the community focused on how the COVID pandemic accelerated the epidemic of loneliness and isolation impacting both physical and mental health. As a relationship expert, she engaged with an audience of over 120 people to discuss how to make small changes in daily interactions that ultimately will enhance feelings of joy, improve physical health, and flourishing of the entire community. The evaluations from this event were extremely positive with great suggestions for future events.
- The health department collaborated with the Mulva Cultural Center to host a documentary screening of “*Join or Die*” highlighting the importance civic engagement and the benefits to the health of individuals, families and communities. After the documentary, guests were invited to an onsite joining fair where more than 18 civic organizations were present to engage with participants on their organization mission and membership information. Over 124 community members participated in this community event and the evaluations were overwhelmingly positive.

Existing Program Standards Including Importance to Community: Public Health Departments have a fundamental responsibility to provide public health protection and services twenty-four hours a day, seven days a week. The [Foundational Public Health Services Framework](#) describes the unique responsibilities of governmental public health and defines a standard set of services and capabilities

including preventing the spread of communicable disease; ensuring food, air, and water quality are safe; supporting maternal and child health; improving access to clinical care services; and preventing chronic disease and injury. In addition, public health departments provide local protection and services specific to their community's needs.

Costs and Benefits of Program and Services:

The adopted 2026 Health Department total program cost is \$759,446. The local tax levy portion of the budget is projected at \$546,801, with \$212,645 being funded by grants and program revenue (72% tax levy, 28% program revenue, grants). It is estimated that every dollar spent on community prevention saves \$5.60 (American Public Health Association). Investing early and wisely in both clinical and community preventive services is essential if we are to successfully address the leading causes of death and disability, namely, chronic diseases and their risk factors. Essential public health services ensure the public's safety. The investment in primary prevention programming and services decreases chronic disease and increases the quality of life for those who live, work and play in the City of De Pere.

2026 Budget Significant Expenditure Changes:

- 1) Hourly wages increased \$3,245 due to eligible step increases and cost of living adjustment (COLA)
- 2) Retirement increased \$2,658 due to wage increases and retirement contribution rate increase.
- 3) Health, Dental, DIB, Life & Wks Cmp Ins increased \$5,749 due to health and dental insurance premium increases.
- 4) Telephone decreased \$1,700 due to a reallocation of these expenses to the City Hall budget.
- 5) Seminars and Conferences: Wisconsin Public Health Operations Conference \$650. Wisconsin Public Health Association Conference \$650. Wisconsin Lead/Radon Refresher Course \$300. Specific public health programmatic/ infrastructure workforce development conference registration fees (State/National) will be covered under the associated grants' scope of work and not funded by tax levy. Professional development for the DATCP Agent Program and/or Weights and Measures will be allocated to the specific programmatic expenses.
- 6) Memberships/Subscriptions: Increased \$240 to include expenses related to *Required Professional Licenses (1 RS, 3 RN)* \$240. Other details include Wisconsin Public Health Association \$295, Wisconsin Association of Local Health Departments and Boards (WALHDAB) \$560, Wisconsin Environmental Health Association \$40. Wisconsin Association of Weights and Measures \$30 (covered by program revenue), Association for Professionals in Infection Control \$220 (covered by grant).
- 7) MCH Grant: decreased \$1,734 due to an aligned projected decrease in grant fund revenue.
- 8) Immunization Outreach Grant: decreased \$929 due to a projected decrease in grant fund revenue.
- 9) Preparedness Grant: decreased \$9,830 due to an aligned decrease in grant fund revenue.

Board of Health

Program Full Time Equivalent: 0

Program Mission:

To act as a policy forming body for health department staff in efforts to protect and promote the health of City of De Pere residents.

List of Program Service(s) Descriptions:

- 1) *Medical Advisor* – Provides medical orders and advisement to the Health Officer and staff.
- 2) *Assurance* – Assure that measures are taken to provide an environment in which individuals can be healthy, and services and programs meet the public health needs of the community.
- 3) *Policy Development* – Regularly review and advocate for local policies and the provision of reasonable and necessary public health services.

Important Outputs:

- 1) *Approval of Health Department Policy and Procedures* – Activity funded by property tax. Policy and procedures provide consistent services provided to the community.
- 2) *Annual Budget Review and Discussion* – Activity funded by property tax. The annual budget provides for the operation of health department services. This allows the community to have input into the funding utilized to support public health programming.
- 3) *Advise the Health Officer and Staff* – Activity funded by property tax. Required by state statute. Provides standing orders for medical services provided and program guidance for services to meet the community's needs.

Expected Outcomes:

- 1) Maintain or increase the health of community members by assuring the provision of public health services according to Wisconsin State Statute, standing orders and established department policy and procedures.
- 2) Maintain or increase the number of public health services provided to the community at the lowest possible cost.

2026 Performance Measures (July 2025 – June 2026):

- 1) Conduct an annual review of health department agency’s policy and procedures by May of each year.
- 2) Recommend at least one health policy to the City Council for consideration/adoption.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Conduct an annual review of health department’s policy and procedures by May of each year.
 - a. Result: The board of health approved the agency’s policy/procedures on 5/12/2025.
- 2) Recommend at least (1) health policy to the City Council for consideration/adoption.
 - a. Result: The Board of Health approved/recommended to the City Council to amending Section 106-4 of the De Pere Municipal Code Re: Tourist Rooming House Licensing Violations. This ordinance revision was subsequently adopted by City Council unanimously.
 - b. Result: The BOH reviewed/approved the Health Department budget as presented. The budget was also passed unanimously by City Council.

Significant Program Achievements:

The Board of Health has been very supportive and involved during the department’s state required chapter 140 “leveling up review”. The Board of Health has also supported multiple agreements improving department operations/efficiencies. Board of Health members are also actively engaged in the Wisconsin Association of Local Health Departments and Boards.

Existing Program Standards Including Importance to Community:

- 1) Conduct at least quarterly meetings of the Board of Health. Frequent and regularly scheduled meetings is not only required by state statute but allows for regular community involvement and required actions of the board.

Costs and Benefits of Program and Services:

The adopted 2026 Board of Health program cost is \$100. The program benefits the community by allowing for resident involvement of board members in the policy development and public health programming. In addition, the Board supports health department programming that promotes healthy lifestyles and protects health through health education, policy development and valued services.

2026 Program Objectives:

- 1) Develop policy and provide leadership that emphasizes public health needs and that advocates for equitable distribution of public health resources and/or environmental changes improving health and quality of life.
- 2) Regularly and systematically collect, assemble, analyze and make available information on the health of the community, including statistics on health status and community health needs.

2026 Budget Significant Expenditure Changes:

There are not any expenditure changes to report.

Development Services

Program Full Time Equivalent: 1.71

Program Mission:

The work of the Development Services Department promotes and improves the quality of life and economic health of the City of De Pere. That mission is pursued with work in Planning, Economic Development, Redevelopment, Housing Development, and Historic Preservation. Responsive and thorough customer service provided in all areas.

List of Program Service(s) Descriptions:

- 1) ***Citizen / Customer Contact*** – Respond to multiple and diverse inquiries on projects related to the areas of responsibility.
- 2) ***Planning*** –
 - a. Comprehensive Plan: Responsible for the development, update, and implementation of the City Comprehensive Plan.
 - b. Downtown Master Plan: Responsible for the development, update, and implementation of the Downtown Master Plan.
 - c. Cultural District Master Plan: Responsible for the development, update, and implementation of the Downtown Master Plan.
 - d. West Downtown Vision Plan: Responsible for the development, update, and implementation of the West Downtown Vision Plan.
 - e. Zoning Code: Functions as the Zoning Administrator and leading the update and implementation of the Zoning Code.
 - f. Annual Affordable Housing Analysis: Responsible for the development, update, and implementation of the annually required affordable housing analysis.
 - g. Plan Commission: Staff support to the Plan Commission, which oversees plan approval, rezoning, annexation, site plan review, and land subdivision requests. Staff reviews and prepares material for all meetings.
 - h. Intergovernmental Projects: Work with local agencies and units in government for project development and coordination (i.e. WisDOT Projects, FEMA, local government coordination, etc.).
 - i. Board of Appeals: Processes all variance requests and staffs monthly Board of Appeals (BOA) meetings.
 - j. Internal City Projects: Lead and coordinate internal City projects ranging from subarea plans to parking studies.
 - k. Staff serves as City’s appointee on the Brown County Board of Planning Commissioners, the Brown County Job Center Steering Committee, Committees within the Greater Green Bay Chamber, Definitely De Pere and the De Pere Area Chamber and other groups as needed.

- 3) ***Economic Development*** –
 - a. Retention: Work with the existing businesses in the City to help retain or expand their operations.
 - b. Recruitment: Support and foster a high quality of life and a healthy business climate to attract new business to the industrial / business parks and the business districts.
 - c. Land Sales: Market and negotiate City-owned land in the industrial parks and downtown redevelopment properties.
 - d. Tax Incremental Finance (TIF) and Tax Incremental Finance District (TID) Administration: Responsible for the management of the TID districts and individual TID plans, including the annual Joint Review Board (JRB) review meeting for both the East and West side. Staff prepares spreadsheet analysis, agenda, and supporting material for all meetings.
 - e. Proforma Evaluation: Conducts thorough analysis of each development project presented to the City that request TIF assistance.
 - f. Business Improvement District (BID) Administration: Staff contact to the Business Improvement District Board. Staff facilitates and prepares materials for the annual meeting, budget, and assessments. Staff assists in agenda preparation and supporting material for all meetings.
 - g. Local Economic Development Fund administration (formally Revolving Loan Fund). Administration. Responsible for the management of the City of De Pere Economic Development Fund that was created as a result of the CDBG Close Program. The fund includes a locally funded revolving loan fund, downtown business recruitment grant, and brownfield fund.
 - h. Affordable Housing Programs Administration: Responsible for the management of the City of De Pere's affordable housing programs.
- 4) ***Redevelopment*** –
 - a. Redevelopment Authority: Staff support for the Redevelopment Authority, which oversees redevelopment and management of RDA-owned property in De Pere and the Brownfield Fund. Staff prepares agenda and supporting material for all meetings.
 - b. Façade Grants: Responsible for the administration of the City Façade Grant Program.
 - c. Development Guidelines: Responsible for the development, updates, and implementation of the development guidelines (i.e. building guidelines, signage, streetscape, etc.).
 - d. Home Improvement Loan: Responsible for the administration of the De Pere Home Improvement Loan Program.
- 5) ***Historic Preservation*** –
 - a. Historic Preservation Commission: Staff support to the Historic Preservation Commission. Staff reviews and prepares material for all meetings. Please see the separate Historic Preservation budget narrative for more detail.
- 6) ***Definitely De Pere - Main Street Program*** – The City provides direct support to the City of De Pere Main Street Program. In addition to the financial support, staff also serves on various committees of the Main Street Program.

- 7) ***De Pere Area Chamber of Commerce*** – The City provides membership dues and technical support to the local chamber of commerce to support their mission is to connect citizens to local businesses while promoting policies which contribute to economic growth

Important Outputs:

- 1) ***Citizen / Customer Contact:*** Provide timely, helpful and thorough responses to inquiries. Maintain business and citizen contact levels in a manner that meets or exceeds the needs of the community.
- 2) ***Planning:*** Process applications for planning department functions. Coordinate and staff key meetings. Create and implement long-term and short-term plans.
- 3) ***Economic Development:*** Creation and administration of the TIF Districts. Administration of the Revolving Loan Fund programs. Rapid response to site selection inquiries. Market and negotiate city business park properties. Create and implement an economic development strategy.
- 4) ***Redevelopment Authority:*** Preserve/enhance the overall health of the City. Administration of the Façade Improvement Program. Implementation and update of the Downtown Master Plan, Cultural District Master Plan, and other redevelopment plan
- 5) ***Main Street Program:*** Coordination and staff support for Definitely De Pere and the BID Board.

Expected Outcomes:

- 1) ***Citizen / Customer Contact:*** Citizens will understand the short and long-term planning and economic development goals for the City of De Pere. Citizens will easily be able to gather information about planning and economic development projects. Citizens will feel valued for the role they play in maintaining a high quality of life.
- 2) ***Planning:*** De Pere will be a regional leader in planning best practices and policies. Those practices will support the effort to maintain and increase the quality of life in the City and home affordability.
- 3) ***Economic Development:*** Business owners and real estate professionals will promote De Pere as a great place to own and operate a business. De Pere will have a reputation for commitment to quality standards balanced with efficient processes and collaborative staff.
- 4) ***Redevelopment Authority:*** The Downtown De Pere aesthetic will include a mix of old and new buildings, thoughtfully designed, and balanced with active and beautiful public spaces. The Downtown De Pere experience will be walkable and include multiple choices for living, playing and working.
- 5) ***Main Street Program:*** A dynamic and diverse downtown, unified by art and culture that is a destination for residents and visitors. Downtown events will draw residents and visitors from the region.

2026 Performance Measures:

- 1) Planning/Zoning/Community
 - a. Complete rewriting the Platting and Division of Land Ordinance by May 31, 2026
 - b. Complete the Downtown Plan Update – October 2026
 - c. Complete Public Facilities Needs Assessment and Impact Fee Study – August 2026
- 2) Economic Development
 - a. Complete periodic audits for all required TIDs to understand the baseline of each TID and the impact of future projected projects and mill rates by June 2025
 - b. Complete the Golden Shovel Application to the NEW North by January 31, 2026.
 - c. Complete RFP for 360 Main Ave and select developer by January 1, 2026
 - d. Complete RFP for SW Annexation Area and select developer by January 1, 2026

2025 Performance Measurement Data:

- 1) Planning/Zoning/Community
 - a. Complete rewriting the Platting and Division of Land Ordinance by May 31, 2025
Result: Ongoing – Senior Planner continues to make strides on the inhouse rewrite.
 - b. Complete an online status map and information page for Plan Commission reviewed zoning map amendment, PUD, conditional use, land division, major design exception, and variance requests by May 31, 2025
Result: Project is ongoing but with GIS staff turn over the project was delayed until a new staff member is trained for the project.
 - c. Initiate Downtown Strategic Vision/Plan – April 2025
Result: Ongoing with the Downtown Master Plan Process
- 2) Economic Development
 - a. Complete periodic audits for all required TIDs to understand the baseline of each TID and the impact of future projected projects and mill rates by June 2025
Result: Complete.
 - b. Complete the Golden Shovel Application to the NEW North by December 31, 2024. (Tabled due to GIS staffing)
Result: Delayed due to staff workload and GIS staff turnover. Staff continues to respond directly to site selection requests.
 - c. Complete redevelopment plan and acquisition for lands in the SW area of the community by November 2024 Result: Concept plan is complete. RFP to be released September 2025.

Significant Program Achievements:

- 1) Planning:
 - a. Ongoing quarterly edits to the Zoning Code.
 - b. Successfully processed a number of presubmittal consultation inquiries, site plan and zoning applications while maintaining a high level of customer service.
 - c. Processed 5 CSM's, 1 plats, 5 extraterritorial plats/CSMs, 8 zoning map amendments, 5 design exceptions, and 14 other requests that required Plan Commission and/or additional approvals.
 - d. Processed 0 variance requests for the Board of Appeals.
 - e. Processed 0 sign variance applications with the Plan Commission and Building Inspection Division.
 - f. Processed 28 site plans with City staff.
 - g. Zoning Code implementation project management.
- 2) Economic Development:
 - a. Worked with New North Greater Green Bay Chamber, and site selectors to respond to site selection inquiries.
 - b. Partnered with Definitely De Pere and De Pere Chamber on Economic Development events like the Business Walk and State of De Pere luncheon.
 - c. Facilitated Development/Sale agreements with the Law Department in both east and west industrial parks. See TID 2024 Performance Measurement Data for detail.
 - d. Co-organized and participated in the 2024 and 2025 Business Walks (Pending)
 - e. Coordinated and facilitated regular meetings with Definitely De Pere and the De Pere Chamber in order to coordinate initiatives and promote collaboration.
 - f. Conducted 60+ Business Retention and Expansion (BRE) visits or phone calls.
 - g. Communicated/recruited with over 40+ businesses looking to locate in De Pere or the region.
 - h. Created a development plan for the SW area neighborhood.
 - i. Began implementation for the affordable housing programs, including the first loans and Rock the Block Program
 - j. Brownfield remediation planning underway with Stantec for several strategic sites located throughout the City.
 - k. Awarded 5 grants totaling \$75,000 to five new businesses that opened in the Downtown, bringing our total to 10 businesses served by the Experience De Pere Business Recruitment Grant.
 - l. The City approved 2 home improvement loans totaling \$54,151 over the past year.
- 3) Implementation of initiatives related to the newly adopted City brand standards and imagery.

- 4) Presentations and special events to promote and represent De Pere including, but not limited to, Leadership Green Bay Economic Development Panel, the De Pere Chamber Business Walk, NEWREP Housing Panel, WEDA Basic Economic Development Course, NAIOP, Greater Green Bay Chamber ED 101 For Local Officials, Greater Green Bay Chamber Business Recruitment and Retention Task Force, St. Norbert College, UWGB, Sister Cities, De Pere Mens Club and Unified School District of De Pere Facilities Committee, and assisted with the planning and presentations for the State of the County and State of De Pere addresses.

Existing Program Standards Including Importance to Community:

- 1) Conduct a regular meeting of the Plan Commission on the fourth Monday of the month.
 - a. Allows actions required or requested on behalf of the community to be acted upon in a timely manner.
 - b. Establishes a routine schedule for community involvement.
- 2) Conduct a meeting of the Redevelopment Authority (RDA) on the fourth Monday of the month as necessary.
 - a. Allows actions required or requested on behalf of the community to be acted upon in a timely manner.
 - b. Establishes a routine schedule for community involvement.
- 3) Conduct a regular meeting of the Historic Preservation Commission (HPC) on the third Monday of the month.
 - a. The HPC promotes preservation of the City's history and culture.
- 4) Conduct an annual meeting of the Joint Review Board (JRB) and other JRB meetings as needed for Tax Increment District related items.
 - a. TID Districts provide funding in order to support business growth and development.
- 5) Conduct a regular meeting of the Board of Appeals (BOA) on the fourth Monday of the month.
 - a. Allows actions required or requested on behalf of the community to be acted upon in a timely manner.
 - b. Establishes a routine schedule for community involvement.
- 6) Conduct at least one Business Improvement District (BID) board meeting in the late summer/fall of every year.
 - a. The BID Operating Plan sets out funding allocation and activities in order to maintain and grow a dynamic downtown environment.
- 7) Participate as needed in meetings of the Common Council, Finance/Personnel Committee and the Board of Public Works Committees.
 - a. Allows actions required or requested on behalf of the community to be acted upon in a timely manner.
 - b. Establishes a routine schedule for community involvement.
- 8) Represent the community on a regular basis for regional programs
 - a. Provides an opportunity for the community interests to be expressed on issues or activities that may impact the community on a regional level.

- 9) Participate in regular committee meetings of the Main Street District and De Pere Chamber Economic Development Committee.
 - a. Assisting partner organizations in their economic development efforts.
- 10) Participate in monthly Brown County Plan Commission Board of Directors meetings and quarterly Brown County Job Center Community Steering Committee meetings.
 - a. Representation and input in these groups ensure De Pere’s participation in County and regional issues that impact the City.

Costs and Benefits of Program and Services:

The adopted 2026 Economic Development and Planning portion of the Development Services Department cost is \$315,710. The program benefits the community by providing citizens with representation in the discussion and implementation of the long-term growth and development of the community. The program also benefits the community by providing a strong economic program that provides the ability for citizens to work within their community, which also helps balance the cost of municipal services. Overall, the Development Services Department 2026 budget represents a \$32,834 or 11.61% increase over the 2025 budget.

2026 Budget Significant Expenditure Changes:

- 1) Retirement increased by \$838 due to wage increases.
- 2) Health, Dental, DIB, Life & retirement, FICA, Wks Cmp Ins increased by \$3,433 due to health and dental premium increases.
- 3) Training. Training decreased \$400 to \$2,480 and includes the following:
IEDC Economic Development Training (\$1,500), department training (\$400), APA Passport Training (\$180), Webinars and events to maintain AICP certification (\$250). The decrease is due to the removal of ULI/CNU training.
- 4) Telephone decreased \$892 due to a reallocation of these expenses to the City Hall budget.
- 5) Seminars and Conferences. Decreased by \$2,050 to \$5,600. The decrease is due to sending the Community and Economic Development Position to a retail recruitment conference and adding two additional staff members to the State Planning Conference – the location is unknown at this time. The total also includes a reallocation of some previous training items. The detailed breakdown is as follows:
National APA Conference (\$2,100), Wisconsin APA Conference – two attendees (\$1,500), WEDA Governor’s Conference and Best Practices Conference (\$750), Brownfield conference (\$1,200).
- 6) Consulting. Increased \$25,000 from 2025 to 2026. Brown County Recording Fees - \$100, Misc. Economic Development CSM’s and Environmental Reviews, wetland delineations - \$4,900, Public Facilities Needs Assessment and Impact Fee Study (\$25,000)

- 7) Membership/Subscriptions decreased by \$150 due to the removal of CNU membership. The detailed breakdown is as follows:
APA/AICP – three staff (\$1,750), IEDC (\$250), and WEDA (\$400).
- 8) Contribution. Green Bay Chamber increased \$664 due to the membership structure

Geographic Information System (GIS) Services

Program Full Time Equivalent: 1.29

Program Mission:

Develop, implement and maintain a City-wide GIS program.

List of Program Service(s) Descriptions:

- 1) *Citizen / Customer Contact* – Receive requests from citizens which can vary from a map request to information on land records (FEMA, Parcel Dimensions, etc.).
- 2) *Stormwater Utility* – Develop the stormwater billing for the City and maintain the stormwater utility mapping.
- 3) *Water / Wastewater Utility* – Maintain the water and wastewater utility mapping.
- 4) *City Web Mapping* – Develop and maintain the city mapping website for internal and external use.
- 5) *Citywide Mapping* – Develop and maintain citywide database, which is used by citizens and the city departments.
- 6) *Training* – Provide citywide GIS training to departments so users can access and work with City data.
- 7) *Maintenance* – Maintain custom GIS applications and GIS infrastructure.
- 8) *Drone Program* – Provide comprehensive program administration to the City Drone program.

Important Outputs:

- 1) *Utilities* – Yearly updates to the City utility network (water, sewer and stormwater). This work also includes the stormwater billing calculations. The utility programs fund this output. The utilities are important to the community for the provision of basic services (water, sewer, and stormwater drainage).
- 2) *Data Updates* – The department is responsible for maintaining all of the City GIS data, which is used by other departments. Data updates are funded through the tax levy and utilities. Data maintenance is critical to the community since many of the City programs' functions are tied to the master database.
- 3) *Departmental Mapping* – Department averages 275 project requests per year. This work is primarily funded through the combination of the tax levy, various utilities, and tax increment districts. Mapping is important to the community since these maps are used to help complete maintenance of services provided to citizens.

Expected Outcomes:

- 1) Maintain the Citywide GIS Library.
- 2) Maintain or increase the access of public land record information to the departments and the community.
- 3) Provide a centralized source for City data while eliminating data redundancy.

2026 Performance Measures (July 2025– August 2026):

- 1) Migrate DIME, the City’s online, public-facing web map, to the new Experience Builder format by March 2026.
- 2) Transition utility data to the new ESRI standard (Utility Network) to phase out ArcMap (for ArcGIS Pro) by May 2026.
- 3) Expand drone team by approximately five Part 107 certified pilots (PD/FD) by September 2026.
- 4) Implement streamlined processes and workflows via Esri’s Portal for ArcGIS by October 2026.

2025 Performance Measurement Data (July 2024 – August 2025):

- 1) Transition utility data to the new ESRI standard (Utility Network) to phase out ArcMap (for ArcGIS Pro) by December 2025.
 - a. Result: Underway. Project kicked off in July 2025 with anticipated completion in May 2026.
- 2) Expand drone team by approximately five Part 107 certified pilots (PD/FD) by September 2025.
 - a. Result: Underway. One new Part 107 pilot has been added with multiple currently preparing for the exam.
- 3) Evaluate ERU (Equivalent Runoff Unit) square footage for stormwater billing by October 2025.
 - a. Result: Underway. Initial calculations have been completed.

Significant Program Achievements:

- 1) Completed analysis and generated the City storm water utility billing database generating over \$2,740,000 in revenue.
- 2) Completed updates to GIS utility data for storm sewer, sanitary sewer and water distribution systems. Data supports construction, maintenance, location, and planning processes in the City.
- 3) Successfully started an ArcGIS Enterprise Upgrade, Portal Installation, and Utility Network Data Migration project.
- 4) Launched a Damage Assessment Survey and Damage Hub for the City’s Emergency Management Team/EOC.
- 5) Implemented a quarterly training program for the Drone Team to maintain flight proficiency, learn new skills, and collaborate across departments.

Existing Program Standards Including Importance to Community:

- 1) Maintain / Develop Citywide GIS Infrastructure.
 - a. Allow citizens to access data for information related to their community.
 - b. Allow departments to access data for information related to departmental needs. (Utilities being a critical service)
- 2) City Drone Program / Drone Program Administration.
 - a. Provide life safety/emergency response support for Police and Fire operations such as search and rescue operations, fire scene operations, Police critical incident support and natural disaster assessments.
 - b. Provide aerial imagery for public relations and social media use.
 - c. Provide inspections for City utility operations, traffic surveys, and construction monitoring.
 - d. Provide data and documentation for GIS/Planning systems.
 - e. Ensure program pilots are trained, FAA licensed where required, and comply with all safety policy procedures.

Costs and Benefits of Program and Services:

The adopted 2026 GIS program costs \$155,859 or an increase of 0.55%. The program benefits the community by providing accurate land information data to citizens and internal departments. GIS applications increase productivity, allowing staff to complete daily business more efficiently resulting in enhanced customer service and better decision-making.

2026 Program Objectives:

- 1) Explore data governance to improve workflows and efficiency.
- 2) Leverage ESRI ELA licensing to deploy GIS solutions more visible to the public, including new web mapping tools. We will further improve efficiency through the use of mobile systems and GIS technology.
- 3) Complete calculations and billing for the stormwater utility.
- 4) Manage drone operations including training/onboarding, conducting flights, tech support, and supply procurement.

2026 Budget Significant Expenditure Changes:

- 1) Salaries increased by \$3,017 due to eligible step increases and cost of living adjustment (COLA).
- 2) Hourly wages decreased by \$3,331 due to staffing changes.
- 3) Health, Dental, DIB, Life & Workers Comp Ins increased by \$14,3337 due to health and dental premium increases and staffing changes.

- 4) Training program increased \$800 and includes two employees attending the Esri User Conference in San Diego, CA for new system training, management training, general GIS learning, and networking (\$6,000), Development Services Team Building (\$300), and drone pilot training (\$750).
- 5) Telephone decreased \$400 due to a reallocation of these expenses to the City Hall budget.
- 6) Seminar and Conference funding increased \$100 and includes Wisconsin Land Information Association (WLIA) conferences (\$1,650), travel for WLIA Board Member meeting (\$250), and GIS Pro Conference (\$1,000).
- 7) Consulting decreased \$15,000 due to no new contracted services planned in 2026.
- 8) Office Supplies decreased by \$450 to meet recent spending trends.
- 9) Membership increased by \$35 and includes \$160 for WLIA (2) and \$150 for Geospatial Professional Network (1).
- 10) Mileage Reimbursement increased by \$1,500 due to increased conference attendance for WLIA Board Member responsibilities, conference training/learning opportunities, and to better align with current mileage rate.
- 11) Repair and Maintenance Supplies had no change from the 2025 adopted budget but had a \$325 decrease from the 2025 current budget due to carryover funds.

Program Full Time Equivalent: 43.0

Program Mission:

The Mission of the De Pere Police Department is to provide an integrated team approach to pro-active patrol, crime prevention, and criminal investigation utilizing city and community resources to improve the safety and quality of life in the City of De Pere

List of Program Service(s) Descriptions:

- 1) Provide excellent law enforcement services to the community 24 hours per day, 365 days per year
- 2) Engage community through community policing and community interactions
- 3) Prevent crime through special initiatives, proactive patrol, and evidence-based best policing practices
- 4) Ensure motoring safety through traffic enforcement, education, and speed-calming measures
- 5) Make arrests through self-initiated field activity or court order; process and prosecute suspects
- 6) Document and store policing events through electronic and conventional means and retrieve upon request
- 7) Collect, store and properly dispose of case evidence and found property
- 8) Conduct case follow-up through specialized investigations and assist District Attorney's office with case management
- 9) Engage school children and provide visible deterrent and quick response through specialized school resource personnel
- 10) Improve quality of life through Police Social Worker position and other mental health initiatives

Important Outputs:

- 1) *Crime Prevention* – Although it is hard to measure crimes that were prevented, it is directly related to criminal activity below. The better the prevention the lower the crime rate. This benefits the community in lower insurance rates, increased well-being and an increase in satisfaction in government. Crime prevention is funded through property tax and small grants.
- 2) *Criminal Activity* – The reduction of crimes in the City, especially those serious crimes like burglary, assault, etc. is a direct reflection of the desirability for people wanting to live and work in De Pere. Increased development and a steady tax base benefit a highly desirable community. Policing services are funded through property taxes and small grants to fund specific enforcement overtime.

- 3) *Traffic Safety* – Reducing traffic crashes and the severity of damage and injuries for those involved in crashes is a huge benefit to the greater community as reduced injury and death is so important, but also lowers insurance rates and reduced damages to property. Additionally, increased positive interaction with citizens increases overall satisfaction with policing services. Traffic safety is funded through property taxes and small grants for specialized traffic enforcement (drunk driving, seat belts, pedestrian crossings, etc.). Funding is through general property taxes. The department also participates in several traffic safety overtime operations funded by Wisconsin DOT Grants including OWI Task Force, Click it or Ticket, and Speedwave. Additionally, revenue generated through fines and forfeitures increases the general fund.
- 4) *Case management* – Increased closure rates and clearance of criminal cases is beneficial to the department and to the community for the purpose of accountability. Criminal or ordinance violation prosecution is an important step in the criminal justice system and without it the other steps leading to it are wasted. The closure of a case allows the victim to have peace of mind and the community to continue faith in city policing abilities. The funding for detectives and police officers for case management is through property taxes.

Expected Outcomes:

- 1) Continue law enforcement services in the community on 24/7/365 basis to maintain an orderly and safe community
- 2) Increase Investigator training as we are down 2 senior Detectives, and incorporate more high tech crime training to increase our capacity for emerging crimes such as Cryptocurrency and High Tech Fraud Investigations.
- 3) Increased engagement with the community with community policing and other interactions while continuing to develop citizen relationships and increased department transparency to build and maintain trust
- 4) Maintain crime prevention efforts through special initiatives and proactive patrol concentrating on preventable negative activity and working closely with neighborhood groups to ensure two-way communication and responsiveness
- 5) Increased motorist and pedestrian safety through traffic enforcement and education efforts while concentrating on reducing both the volume and severity of traffic crashes and injuries
- 6) Maintain community safety by identifying prolific offenders, making arrests through self-initiation or court order, and processing and prosecuting criminal suspects. Through this a decrease in measurable criminal activity should be realized
- 7) Documenting, storing, and retrieving police incident data while increasing efficiency in handling the information
- 8) Collection, storage and disposal of case evidence and found property. Attempting to increase efficiency through data driven reports to allow purging of evidence once no longer needed for court processes.
- 9) To increase crime clearance rates, case follow-up through specialized investigations and assistance to the District Attorney's office with case management will be conducted
- 10) Increase engagement with area school children and provide the visible deterrent and quick response to a problem through specialized school resource personnel

- 11) Increased quality of life through service referrals and welfare checks completed by the Police Social Worker

2026 Performance Measures (July 2025 – June 2026):

- 1) Increase formal personal interactions between the department and the community from 10 events per year to 15, particularly by hosting Coffee With a Cop, PACK, Neighborhood Watch, Citizens Academy and/or participating in more public-facing planned community events.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Increase formal personal interactions between the department and the community from 5 events per year to 10, particularly by hosting and/or participating in more planned community events.
 - a. Result: Goal met. Personal interactions and participation in neighborhood events was increased by 5 events, in large part, to the 2 new Community Policing Officer positions.

Significant Program Achievements:

- 1) Significantly increased community engagement by implementing and expanding upon 2 Community Policing Officer positions and their roles
- 2) Decreased fuel usage and costs through use of Hybrid squads, police motorcycle, and bicycles.
- 3) Continued use of Body Worn Cameras to document officer/citizen actions, collect evidence, and to ensure unbiased records and one-sided views.
- 4) Increased staff preparedness through mass casualty and active shooter response trainings.
- 5) Continued community policing through the community policing philosophy department-wide.
- 6) Continued training school district staff on active threat response.
- 7) Repairs and updates of the Officers' workspace and breakroom areas of the police department facility

Existing Program Standards Including Importance to Community:

- 1) The police department responds to all calls for service in the City of De Pere and assists other agencies as requested. Response to calls for service for emergency situations are done immediately, non-emergency but high priority calls are with 5 minutes and non-emergency low priority situations within a maximum of 30 minutes. It is important to the

community because requests are handled in a timely manner, citizens are safer, injury can be minimized, lives can be saved, property safeguarded, and law enforcement can engage in enforcement action on behalf of the victims and suspects.

- 2) Criminal case investigations are mandatory in cases where identifiable solvability factors are present. Cases that do not have a possibility of being solved are documented and filed for later use or follow-up in case more information can be obtained. The resolution of criminal cases through suspect identification and arrest follow-up by quality criminal investigations increases victim satisfaction and prosecutable cases resulting in positive community satisfaction.
- 3) Nearly 100% of all school age children in nine public schools in two school districts have personal contact with school resource officers during the school year. School interaction by police increases positive reinforcement and prevents crime through presence, counseling and enforcement action and provides police/teacher/student role modeling.
- 4) Crime prevention is a required segment of a patrol officer's day. The department requires at least four personal contacts with a person per day through traffic enforcement, field interviews, meet and greets, business talks, presentations, etc. Crime Prevention reduces or eliminates criminal activity thereby increasing community satisfaction and reducing investigative and personnel costs.
- 5) As part of Team Policing, department personnel regularly participate in individual and group specialized enforcement for traffic, criminal, surveillance, task forces, etc. As a result, the community should experience a reduction of criminal and municipal violations, an increase in citizen contact, increased safety of citizens and motoring public, and suspect identification and victim resolution.
- 6) Record keeping is an important and necessary element of policing services. The department must maintain a 100% accuracy rate for stored information. It is important because documents and evidence stored in a safe manner are available for later retrieval, aid in the follow up and prosecution of various cases, a timely response to citizen, insurance, and attorney requests and as an institutional memory for significant events. The department responds to all requests for records.

Costs and Benefits of Program and Services:

The adopted 2026 Police program cost is \$6,974,761. The program benefits the community by providing citizens with a wide range of high-quality policing and administrative services performed by highly trained, well equipped, and prepared officers and staff.

2026 Program Objectives:

- 1) Enhance the department's efforts at recruitment and retention to avoid future potential staffing shortfalls
- 2) Continue to increase community policing efforts with Community Policing Officers (CPs)
- 3) Continue to enhance officer equipment and preparedness for active shooter / mass casualty criminal events

- 4) Continue efforts to become more paperless, leveraging IT resources and digital storage, while enhancing efficiency
- 5) Continue bicycle safety program throughout jurisdiction
- 6) Continue mountain bike patrol program
- 7) Improve police department facilities and catch up on overdue maintenance and upgrades
- 8) Enhance officer wellness initiatives including the Peer Officer Support Team (POST)
- 9) Continue policy and procedure updates
- 10) Continue building morale and camaraderie in various work groups and in personnel overall
- 11) Build neighborhood watch programs and commitment by police personnel in crime prevention

2026 Budget Significant Expenditure Changes:

- 1) Hourly Wages Increased by \$220,805 due to contractual wage increases, eligible step increases and cost of living adjustment (COLA).
- 2) FICA Increased by \$19,825 due to wage increases.
- 3) Retirement increased \$31,784 due to wage increases and retirement contribution rate increase.
- 4) Training expenditures increased by \$4,700 due in large part to the turnover from experienced Detectives to 2 new Detectives being appointed and requiring additional investigative training. It is unusual to have 2 Detective positions turn over in one year. Training expenditures include: mandatory state law enforcement certification, recertification, technology training, legal updates, Homicide Investigation Training, Cryptocurrency Investigations, management training, training supplies, and performance improvement training as necessary. The department's training costs for mandatory training are approximately \$550 per person per year. In addition, the department sends officers to discretionary training including: Mass Casualty/Active Shooter Incident Response, Drug Recognition Expert Training, Instructor Certification Training for Defense and Arrest Tactics, Firearms, Emergency Vehicle Operation, Professional Communications, Taser Instructor, Internet Crimes Against Children, and training on emerging criminal trends such as cryptocurrency scams and frauds.
- 5) Telephone costs decreased by \$5,193 due to eliminating hardwired fax machines and addition of new phone system.
- 6) Postage decreased by \$300 to reflect fewer items being mailed out and more electronic communications.
- 7) Seminars/Conferences increased by \$1,200 to reflect the need to send two new Detectives to additional trainings and conferences. Seminars and Conferences in 2026 include DOJ Technology Conference \$500, Wisconsin Chiefs of Police Conference \$460, Open Records Updates \$600, Police Executive Group training \$700, FBI National Academy Association meetings \$600, Wisconsin Association of Homicide Investigations \$500, and other miscellaneous in-services and workshops. This account also includes meals and lodging expenses associated with such conferences.
- 8) Consulting increased by \$13,806 due to adding an Officer Wellness Service Provider \$7,000 and Flock Camera Renewal through the end of 2026 (\$3,700) also includes the cost of the Body Worn Camera (BWC) payment \$86,594, Consulting

also includes: Fotokite tethered drone live video streaming \$3,300, OWI blood draw costs at hospitals \$1,500, language line translators \$500, LexisNexis data services \$4,650, vehicle evidence towing fees \$500, animal care (Humane Society, veterinarian. etc.) \$5,800, Personnel Evaluations \$500, PEP testing for Officer Candidates \$500, and Background Investigations Software (ESoph \$3,000), background investigations costs, and associated travel for new officers \$1,200, and for other related testing and services in this category \$350.

- 9) Cell/Radio Increased by \$2,300 due to the implementation of Verkada Security Cameras in various parts of the city that did not have internet connectivity and required cellular data modem service. All city security camera data plans are consolidated here in this item of the Police Department Budget.
- 10) Utilities increased by \$2,200 to reflect an increase in costs for electricity and natural gas from utility companies.
- 11) Other Contractual Services is for software maintenance agreements, Copier and Printer Lease and maintenance, HVAC systems in the department and a new item – costs associated with records management connected to the City of Green Bay through the Brown County Sheriff Department. The costs include Tyler Works (scheduling) \$6,421, Ocean (undercover video recording) \$100, Net Motion \$5,300 (secure network connections for mobile users) and Records Management Software \$18,500.
- 12) Publications increased by \$216 due to enrolling in additional training publications and subscriptions for the two new detectives who are going to advanced investigative training.
- 13) Memberships and Subscriptions increased by \$1,600 due to enrolling in the Fraternal Order of Police Administrative, Civil, and Criminal Services for Chief and Captains (\$1,600). Other items remaining are: WI Chief of Police Assoc.- Chief/Captains \$450, International Assoc. of Chief of Police - Chief/Captains \$450, WI Juvenile Officers Assoc.- Liaison Officers \$60, FBI National Academy - 2 Captains \$220, WI Assoc. for Identification - D/SGT \$20, National Assoc. of Working Dogs - K-9 Officer \$35, NAWLEE - Business Coordinator \$75.
- 14) Transportation / Fuel decreased by \$5,500 due to savings achieved by utilizing fleet purchasing power to get a discount off of regular fuel prices.
- 15) Capital Outlay includes the replacement of Mobile Field Force Personal Protective Gear (\$9,700); replacement of ADF Mobile Device Forensics Hardware and Software (\$5,131); year three lease payment for motorcycle (\$7,330); purchase of ballistic protective vests for CSOs (\$3,300); Purchase of a new Digital Fingerprinting Scanner and Workstation (\$9,500) and CCTV camera and storage replacement at City Hall Complex and the Art Alley (\$88,000).

Crossing Guards

Program Full Time Equivalent: 2.84

Program Mission:

The Mission of the De Pere Police Department Crossing Guards is to provide a secure and safe environment for young children by monitoring crosswalks at corners throughout the City deemed to be a significant crossing risk.

List of Program Service(s) Descriptions:

- 1) Provide assistance with traffic control for young children to cross during regular school hours
- 2) Positively engage school children and provide role modeling

Important Outputs:

- 1) *Pedestrian Safety* – Benefits the community by the reduction in traffic crashes and injuries for children involved in traffic crashes at controlled intersections and crossing. This is funded through property tax and an intergovernmental agreement with the Town of Ledgeview for crossings in their jurisdiction.

Expected Outcomes:

- 1) Maintain a safer community by proactive and highly visible specific school children crossings using trained adult personnel
- 2) Maintain child pedestrian involved crashes at crossing guard-deployed locations at zero crashes.

2026 Performance Measures (July 2025 – June 2026):

- 1) Maintain job related injuries at 0% through June 2026 through use of training and specialized equipment.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Maintain job related injuries at 0% through June 2025 through use of training and specialized equipment.
 - a. Result: We had one reported job-related injuries for 2024-2025 school year.

Significant Program Achievements:

- 1) No injuries or deaths to school children in 2024-2025 school year
- 2) All crossing guards participated in specific traffic control training
- 3) Icy weather foot traction equipment distributed and used by guards

Existing Program Standards Including Importance to Community:

- 1) Selection and training of guards
Guards are selected from a pool of applicants or retained from an existing employee list. Qualified applicants are interviewed and hired. The training of the guards takes place at the beginning of each school year, and police personnel train guards hired throughout a school year on an individual basis. Well qualified, dedicated, and trained crossing guards are important to the safety of the children in our community
- 2) Hours of operation
Operational hours are dependent on the school the crossing guard is assisting. Each school has a different start time and therefore the guards are placed at appropriate times prior to school starting, and again when school lets out. Typically, the guards are at the crossing about a half hour prior to and about 15 minutes after the start/end of school. The operational times provide the optimum times when a guard is needed, helping the community stay safe while being fiscally efficient.
- 3) Specific Equipment
Crossing guards are issued specific traffic control equipment and other safety devices to ensure a safe crossing. Hand-held stop signs are required to stop traffic and crossing guards are required to wear an orange or safety green vest in order for road users to be aware of their presence. Additionally, the crossing guards are issued tall reflective orange traffic cones to further enhance situational awareness. This brings safety to the guard, pedestrians and road users alike.

Costs and Benefits of Program and Services:

The adopted 2026 Crossing Guard program cost is \$96,787. The program benefits the community by providing young citizens with a safe place to cross specific busy intersections to and from public and private schools.

2026 Program Objectives:

- 1) Continue safety priority of students utilizing crossing guard assisted locations
- 2) Maintain adequate substitute guard pool to supplement existing regular guard locations when regular guard unable to perform crossing duties.
- 3) Police patrol monitoring of crossing locations to assist guards.

2026 Budget Significant Expenditure Changes:

- 1) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$251 to reflect actual costs.

Fire Rescue Department

Program Full Time Equivalents: 30.90

Paid on Call: 24

Program Mission:

De Pere Fire Rescue Department exists to serve our community. We are committed to providing a superior level of emergency service that continually improves the quality of life, health and safety of the community we serve. The Department's mission includes prevention, education, emergency response, incident management, planning and coordination to prevent harm in our community.

List of Program Service(s) Descriptions:

- 1) *Emergency Medical Services* – Provide quality response of emergency medical personnel trained in basic and advanced life support. These personnel provide on scene evidence-based emergency medical care and hospital transportation. Each department vehicle is equipped with basic medical care equipment. Ambulances have advance life support equipment and transporting capabilities.
- 2) *Fire and Rescue Responses* – Well trained firefighters respond to a wide range of calls for service from structure fires, hazardous materials, physical entrapment, carbon monoxide alarms and a variety of requests for services.
- 3) *Station and Vehicle Maintenance* – The vehicle maintenance program is designed to sustain the fleet of emergency vehicles through all types of repair, preventative maintenance and testing. When extensive vehicle maintenance is needed, on-duty members facilitate the needed repairs with the Municipal Service Center and/or other outside resources. The buildings and grounds maintenance program is designed to maintain our fire stations in a professional and appropriate manner.
- 4) *Accident Prevention, Public Education and Fire Investigations* – The goals of these prevention programs are to reduce the risk of harm to our citizens and visitors. The in-school educational programs, along with our annual open house day, are the core of our preventive services. The smoke and carbon monoxide detector installation program has been very effective in providing home safety for our citizens. The department established, in conjunction with the Health Department, a Community Paramedicine Program. The focus of the program is accident prevention and community risk reduction.
- 5) *Administration and External Relations* – Provide for planning, administration, budgeting, invoicing, purchasing, payroll, external relations and management of the Fire Rescue Department.

- 6) *Communications* – The department must maintain and update our communication systems as needed. The implementation of the new Brown County computer aided data system (CAD) will generate significant changes to our communications process, which is yet to be determined. The department’s staff needs to be trained in all aspects of communication. This program must include maintenance, coordination and systems updates.

Important Outputs:

- 1) Improve the quality of emergency medical services through enhanced medical direction, hospital staff support and evidence-based medical training. De Pere Fire Rescue will continue to strive to achieve industry metrics and standards continuing as a statewide leader in the delivery of prehospital emergency medical services.
- 2) The department will continue to provide incident scene management for the command and control at all events to include, but not limited to; fire, medical, hazardous materials and rescue events.
- 3) Provide a comprehensive training plan to improve the effective and efficient handling of all types of incident responses.
- 4) Provide an effective vehicle, equipment and facilities maintenance program and coordination with the Municipal Service Center.
- 5) Through coordinated accident prevention, education and investigation programs reduce the potential for significant incidents within the City of De Pere.
- 6) Provide responsible oversight, comprehensive administration and effective management of the department, which includes planning, organizing, budgeting, supervising, coordinating and improved internal and external relationships.

Expected Outcomes:

- 1) *Emergency Medical Services* – Provide high quality, critical emergency pre-hospital lifesaving care in high stress environments.
- 2) *Fire Rescue Response* – Provide high quality incident management and coordinated response to all fire and rescue incidents within the city; contracted response areas, auto-aid partners and to mutual aid locations.
- 3) *Training* – Provide a comprehensive training plan that assures all emergency service personnel are prepared for any situation, condition or hazard they may encounter in their pursuit to protect the citizens and themselves, as well as conserving property.
- 4) *Maintenance* – Maintain response readiness through preventive maintenance, routine and emergency repairs. Maintain safety and reduce community liability through mandatory testing of fire rescue department pumps, ladders, hoses and station equipment.
- 5) *Prevention, Education and Investigations* – Reduce the risk to citizens, businesses, and staff by proactively eliminating threats, fire and life safety code violations and public education.
- 6) *Administration, Operations and External Relations* – Provide comprehensive administration and management of the fire rescue department.

- 7) *Communications* – Implement standard operating guidelines for improved communications and coordination during incident responses. Coordinate with Brown County Communications Center to improve our Mobile Data Computer (MDC) system and incorporate the County’s new Computer Aided Dispatch (CAD) system into our department.

2026 Performance Measures:

- 1) *Emergency Medical Services* – Responses to emergency medical aid requests within the city should be in accordance with NFPA Standard 1720. Emergency medical care providers should have a turnout time of not more than one minute and an on-scene time of four minutes, five minutes total response time or less, at least 90% of the time. Advanced life support capabilities should arrive on scene within nine minutes of initial dispatch time.
- 2) *Fire Rescue Response* – De Pere Fire Rescue should respond to all structure fire alarms in accordance with NFPA Standard 1720. Response for the initial fire unit on scene should be one minute twenty seconds turnout time and on scene in four minutes or less, five minutes twenty seconds total response time. The full fire alarm assignment should arrive on scene within nine minutes of initial dispatch time with a minimum of 17 personnel.

2025 Performance Measurement Data (August 2024 – July 2025):

Fire and Emergency Medical Service Responses

On scene emergency response times should be a one-minute turnout and on scene in less than five minutes, from time of dispatch, at least 90% of the time.

- a) From 8/1/24 through 7/31/25, The department met the above initial response criteria 97% of the time.

Advanced life support capabilities should arrive on scene within nine minutes of initial dispatch time. A full fire alarm assignment should arrive on scene within nine minutes of initial dispatch time with a minimum of 17 personnel.

- a) Advanced Life Support- From 8/1/24 through 7/31/25, The department met the above response criteria 98% of the time.
- b) Full Fire Alarm- From 8/1/24 through 7/31/25, The department met the above response criteria 98% of the time.

The non-emergent responses do not require the use of lights or siren during the response; therefore, response times are slower than emergent. The department averaged 5 minutes per non-emergent response.

Significant Program Achievements:

- 1) Continued to lead and collaborated multi-jurisdictional public safety entities in integrated threat preparation and training.
- 2) Continue implementation of department wide policy management software (Lexipol).
- 3) Dr. Bob Zemple continues the oversight program, which includes response preparation, on-line and off-line medical direction, as well as continuing education, which included training at a state-of-the-art simulation lab.
- 4) Our Stay-at-Home Assistance Program continues to support a comprehensive approach to assist our elderly citizens to safely and securely remain in their own homes as long as possible in conjunction with the Health Department.
- 5) Successfully completed the GEMT repayment program data for year 2023 and 2024.
- 6) The two 2025 fire prevention inspection cycles will be successfully completed. We conducted approximately 1,700 inspections.
- 7) Successfully hired 6 new Paid-on-Premise employees to support daytime operations.
- 8) Appointed new Fire Chief and three Battalion Chiefs.
- 9) Completed construction of detached 2-stall storage facility at Station #2.
- 10) Completed the restoration of a second boat and placed in service.
- 11) Purchased and received replacement Ambulance 121.

Existing Program Standards Including Importance to Community:

- 1) More than 85% of all alarms for De Pere Fire Rescue are for emergency medical services. It is estimated that the revenue collected from emergency transports will be approximately \$1,073,000 for 2026, which includes contracts with the Towns of Lawrence, Ledgeview, and the Village of Ashwaubenon.
- 2) De Pere Fire Rescue also provides fire protection and related services to our citizens and visitors.
- 3) De Pere Fire Rescue maintains fire department facilities and equipment to effectively support our mission. We are a workforce assigned to 24-hour shifts and prioritize maintenance of Stations #1 and #2, as well as all department equipment when not involved in emergency medical and fire protection response.

Costs and Benefits of Program and Services:

The adopted 2026 budget for De Pere Fire Rescue is \$5,202,049. The program benefits the community by providing citizens with a wide range of high-quality fire and rescue services by highly trained and prepared staff.

2026 Budget Significant Expenditure Changes:

- 1) Hourly Wages increased \$268,396 due to contractual wage increases, eligible step increases, cost of living adjustment (COLA) and an additional Firefighter position to be added mid-year 2026.
- 2) Hourly Wages Part Time decreased \$25,000 due to the elimination of the part time Administrative Assistant position approved in the 2025 budget.
- 3) FICA increased \$3,077 due to wage increases and the additional Firefighter.
- 4) Retirement increased \$42,112 due to wage increases, retirement contribution rate increases and the additional Firefighter.
- 5) Health, Dental, DIB, Life & Workers Comp Ins increased \$118,741 due to increase in health and dental insurance premiums and the additional Firefighter.
- 6) Training is funding to provide for all department training. These include leadership, special operations, hazmat training, etc.
- 7) Telephone decreased \$7,111 as a result of the new phone system and reallocation of the cellphone budget to the Cell/Radio line.
- 8) Seminars/Conferences is funding for professional development. These include FDIC, Image Trend annual conference, Wisconsin Fire Chief's Annual Conference, Wisconsin Association of Emergency Vehicles, LifeQuest Services CADS Conference, WI DOJ Active Shooter Conference, mental health awareness conferences, etc.
- 9) Consulting is funding for outside services. This includes annual ambulance billing/administrative fees from LifeQuest Services (approximately \$45,000), and recurring maintenance fees for numerous software programs, i.e. Image Trend (approximately \$13,000), CrewSense/Vector Solutions (\$4,600), Lexipol (\$9,500), KNOX Box (\$725), Fotokite (\$3,250), PS Tracks (\$4,650), Spectrum Enterprise (\$1,500), Honeywell/US Digital Designs (\$5,518) and potentially First Arriving (\$2,500).
- 10) Cell/Radio increased \$6,000 due to a reallocation of these expenses from Telephone.
- 11) Data increased \$500 due to portable wi-fi capability for Medical Director response to emergency incidents.
- 12) Equipment Maintenance increased \$5,000 due to increased costs of repairs and evaluation of previous year's expenditures.
- 13) Office Supplies decreased 1,000 due to excess supplies.
- 14) Memberships/Subscriptions are for professional organizations. These include Brown County Fire Chief's Association, Brown County MABAS 112, Wisconsin State Fire Chief's Association, International Association of Fire Chiefs, Wisconsin, EMS Association, International Association of Arson Investigators.

Building Inspection Division

Program Full Time Equivalent: 2.65

Program Mission:

To protect the health, safety and welfare of the residents and general public while maintaining neighborhood aesthetics and property values.

List of Program Service(s) Descriptions:

- 1) *Homeowner/Contractor Contact* – Receive and answer a variety of questions from citizens, contractors etc., pertaining to all phases of development and construction (whether new or existing).
- 2) *Residential/ Commercial Permit and Inspection* – Educate architects, owners and contractors on applicable codes; issue building and mechanical permits and perform inspections for code compliance.
- 3) *Commercial Electrical/Plumbing Permit and Inspections* – Educate architects, owners, electricians and plumbers; issue permits and perform inspections for code compliance.
- 4) *Commercial Plumbing Permit and Inspection* – Educate architects, owners and plumbing contractors; issue permits and perform inspections for code compliance.
- 5) *Sign Permits* – Educate business owners and sign contractors; and issue permits and perform inspections for code compliance.
- 6) *Zoning Code Enforcement* – Assure that all properties comply with applicable regulations in all zoning districts.

Important Outputs:

- 1) *Number of Permits Issued / Development (July 2024 to July 2025)* – 2,303, total number of permits were issued through July 2025 (1.5% increase from 2023/2024). Cumulatively over the past 7-years the number of permits has increased 115%. The Building Inspection hired a Code Enforcement Specialist that began employment February 24, 2025 to manage the City-wide Municipal complaints and conduct small permit review, permitting and inspections. Permits issued benefit the city by assuring that construction projects meet code. Of that, in 2025, the City has completed 54 single-family home plan reviews/starts, this is a slight decrease from 59 new homes at this time in 2024.
- 2) *Commercial Permit Review* – De Pere received a commercial permit delegation for projects up to 50,000 cubic feet in 2018. In-house plan review typically yields a permit in 3-5 days. Projects submitted to the State often wait 8-10 weeks

before the plan set is even reviewed. So far in 2025, the City has completed 20 commercial plan reviews and 2 change of occupancy evaluations.

- 3) *Consistent Development* – The City of De Pere continues to be a progressive and desirable community in which to build and live. Recent annexations and subdivision approvals will help meet the demand for single-family lots. Businesses continue to develop and expand in the business parks.
- 4) *Public Education*– Numerous building permits and construction information funded through permit fees have been prepared and/or revised for dissemination on the city website, in the office, and on via the City social media pages.
- 5) *Code Enforcement*- Complaint-initiated response and follow-up in order to preserve and maintain public health, safety and welfare of community in building and zoning code. From July 2024 to July 2025, the Building Inspection Division tracked 1,073 reported, 768 acknowledged and 1,031 closed municipal complaints, a 45% increase over the previous year and trending for an increase over 2025

Expected Outcomes:

- 1) Provide value to the community by maintaining a high level of contact with property owners and contractors that provide information and understanding to meet their own safety needs.
- 2) The issuance of all residential and commercial building permits along with associated mechanical sub-contractor (electrical, plumbing and HVAC) permits followed by strict enforcement of applicable health and safety codes provides protection for all owners and occupants of property within the City of De Pere. The community benefits by the lessened potential for personal injury and damage to structures.
- 3) The issuance of sign permits and enforcement of the sign ordinance benefits the overall appearance of the business community. Enhanced aesthetics of the industrial/business parks and business districts encourage commercial growth and increased consumer spending.
- 4) The enforcement of the De Pere Zoning Code preserves the integrity of the various residential, commercial and industrial zoning districts. Proper enforcement maintains property values that create a stable tax base for the city. Well-thought-out zoning district delineation encourages and attracts systematic and orderly development of the city.

2026 Performance Measures (July 2025 – June 2026):

- 1) Conduct monthly code enforcement task force and nuisance property team meetings in order to provide an interdepartmental approach to challenged properties.
- 2) Continue to modify and work with other departments to utilize the adopted code enforcement policy.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Conduct at least ten code enforcement and nuisance property team meetings in order to provide an interdepartmental approach to challenged properties by November 2025.
Results: On-going and on schedule.
- 2) Perform 10 ride-a-longs/training for the Code Technician with various departments that will be utilizing the position code enforcement responsibilities (DPW-polycarts, Parks – weeds, Health – various items, Planning – zoning code, and Building Inspection – general property maintenance code) – November 2025.
Results: On-going and will continue to cross train new staff.
- 3) Work with Law Department, Police Department, and Development Services Director to draft and approve code enforcement policy to present to the Common Council for approval (January 2025).
Results: Completed.

Significant Program Achievements:

- 1) Significant increase in plan review. To date, plan reviews for one and two-family dwellings, alterations, additions, accessory buildings, decks, pools, fences, and other small permits increased by 10% percent over 2024 and 75% since 2020.
- 2) Continued training programs at the building sites for contractors and tradespeople.
- 3) Issued appropriate building and mechanical permits and completed inspections.
- 4) Met quarterly with the Brown County Homebuilders Association to review building code and related construction issues.
- 5) Provide on-site code training in association with the Brown County Home Builders Association.
- 6) Provide state-wide code training to all the Associations and tradespeople (Winter Code Updates).
- 7) Continue to conduct meetings with local the Bay Area Municipal Code Inspectors Coalition.

Existing Program Standards, Including Importance to Community:

- 1) Review and issue permits for small commercial projects.
 - a. Allows permit applications that previously were reviewed by the state to be reviewed internally, on a much shorter timeline.
 - b. Increases the amount of small commercial projects that begin with a permit.
- 2) Permits are required for residential and commercial projects.
 - a. Provides for safe and healthy buildings.
 - b. Establishes a routine schedule for community involvement.

- 3) Sign permits are required for replacement or new signage.
 - a. Provides for orderly signage display within the community.
- 4) Complaint initiated Code Enforcement and necessary follow up by the Code Enforcement Specialist. The position will gradually move to a building inspection position with in-house training and assimilation for state credential testing.

Costs and Benefits of Program and Services:

The adopted 2026 Building Inspection budget as part of the Development Services Department is \$363,334. The program benefits the community by providing citizens with safe and code-compliant housing and commercial development. The program also benefits the community by supporting stable residential, commercial and industrial properties that provide citizens the opportunity to live and work within the same community. The 2026 budget represents a \$28,706 or 8.58% increase over the previous budget. The increase is primarily the result of an additional staff member who started in Q1 2025. The Inspection Division elected not to increase the 2025 budget with the new staff to quantify the necessary increase.

2026 Significant Budget Expenditure Changes:

- 1) Hourly wages increased \$22,733 due to eligible step increases, cost of living adjustment (COLA) and addition of Permit Technician/Code Enforcement Specialist position in 2025.
- 2) FICA increased \$1,829 to reflect wage increases and a new staff member.
- 3) Retirement increased \$2,316 to reflect wages increases, retirement contribution increase and a new staff member.
- 4) Training decreased \$395 to a total of \$4,580. Includes the League of WI Municipalities Building Inspectors Institute (\$1,380), BIANEW Winter Code Updates (\$1,200), Commercial Code Training (UW Code Development - \$1,500), Various Building Inspectors Association of Northeast Wisconsin (BIANEW) events (\$500).
- 5) Telephone decreased \$885 due to the reallocation of these expenses to the City Hall budget.
- 6) Consulting decreased \$3,500 to a total of \$4,000. Includes \$1,000 to cover legal department costs for building-related items and \$3,000 to fund INCODE software maintenance.
- 7) Cell/Radio increased by \$1,450 due to reflect actual trends and COLA and a new staff member.
- 8) Equipment/Maintenance increased by \$500 due to the addition of a new vehicle to the inspection fleet.
- 9) Office Supplies increased by \$800 due to additional supplies for an additional staff member.
- 10) Memberships and Subscriptions decreased by \$70 to a total of \$340. Includes required credential subscriptions and BIANEW (\$100), membership in the Building Inspector’s Association of Northeast Wisconsin for 2 Inspectors (\$10), International Code Council (ICC) membership (\$180), Journal of Light Construction (\$50).
- 11) Transportation decreased by \$500 due to trends.

Jail

Program Full Time Equivalent: 0

Program Mission:

House prisoners in a secure environment

List of Program Service(s) Descriptions:

Provide specific secure housing for arrested persons at a Brown County facility at a per diem cost to De Pere

Important Outputs:

Prisoner Housing – A \$40/day charge is applied to all De Pere prisoners housed in the county jail for municipal charges. All county charged prisoners are funded through the county tax base. Funding sources for De Pere jail charges are from De Pere property tax and a \$40/day “turnkey” fee charged to individual prisoners. Prisoners are housed in the Brown County Jail on De Pere charges due to the inability to pay a bond at the time of arrest and there is the likelihood of not appearing for court, for court orders (warrants), and for sentencing of certain municipal cases. It is important to have the ability to house certain individuals that are disorderly, fighting, resistive, intoxicated, a flight risk, or awaiting other more serious charges in the county jail, and certainly there is a benefit to the community to do so when necessary.

Expected Outcomes:

Maintaining the safety of the community is accomplished by segregating disorderly persons from law abiding persons, allowing sobriety for those not able to make sound decisions, and ensuring compliance with mandatory court appearances by securing a surety.

2026 Performance Measures (July 2025 – June 2026):

- 1) Maintain jail costs near their current level, despite increasing officer activity and arrests by attempting to increase the number of releases of low-level, non-violent offenders from custody to responsible persons in 2026.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Reduce jail costs by 10% by increasing the number of releases of low-level offenders from custody to responsible persons in 2025.
 - a. Result: Goal met. The costs for the jail for 2025 are on pace for more than a 10% savings in 2025.

Significant Program Achievements:

- 1) Satisfactorily provided a secure housing environment for persons arrested in the City of De Pere

Existing Program Standards Including Importance to Community:

In each call for service an officer must first make a decision to either arrest a person or issue a citation based on the issue at hand, the demeanor of the person, the ability to post a bond, an outstanding court order, or other factors like intoxication, injury, seriousness of offense, etc. A person may be arrested but able to post bond and the person is thus transported to the police station. However, in some cases the person must be transported to the county jail for holding on municipal charges based on the factors previously stated. In misdemeanor or felony cases, particularly violent felonies, there is very little discretion. Having the ability to house disorderly persons is important to the safety of the community.

Costs and Benefits of Program and Services:

The adopted 2026 Police Jail program cost is \$5,550. The program benefits the community by providing citizens and the police a safer place to house court ordered and self-initiated arrestees awaiting adjudication through the court systems.

2026 Program Objectives:

- 1) Maintain efficient use of county facility and keep costs in check.
- 2) Monitor travel/trips to facility.

2026 Budget Significant Expenditure Change:

- 1) Jail housing fees decreased by \$1,200 due to increased discretion in jailing or not jailing low-level offenders.

Public Works Administration

Program Full Time Equivalent: 0.81

Program Mission:

Provide planning, coordination and supervision of public works services. Ensure public works services are provided in a cost effective and efficient manner.

List of Program Service(s) Descriptions:

- 1) *Planning public works services* –Long range planning for the public works operations and capital improvements.
- 2) *Coordination of public works services* – Need to coordinate the public works operations with other various City departments or outside governmental agencies operations or projects.
- 3) *State and Federal grants* – Investigates and applies for various state and federal funding for capital projects.
- 4) *Supervision of public works services* – Provides supervision and direction to the employees that provide the public works services.
- 5) *Budget Administration* – Develop yearly operational budget in a fiscally responsible manner. Monitor public works operations so that the services delivered are done within the adopted budget established by the City Council.
- 6) *Establish and monitor policies*- Review existing operational policies and establish new operational policies to provide public works services that are in the best interest of the community.
- 7) *Respond to complaints* – Responds to complaints and concerns of the general public regarding public works operations.

Important Outputs:

- 1) *Departmental Budget*- Activities and services by the department are supported by the property tax (25%), storm water utility (25%), water utility (25%), and the sewer utility (25%). Develop and manage the annual budget for all public works services. The public works annual budget provides funding for all public works services provided to the community.
- 2) *Monthly Board of Public Works Meeting (BOPW)* – Activity funded by the property tax (25%), storm water utility (25%), water utility (25%), and the sewer utility (25%). Send out monthly agenda and attachments to Board of Public Works members. BOPW establishes policies pertaining to the public works operations and also makes various recommendations to Council regarding public works operations that will meet the needs of the community.
- 3) *Quarterly Sustainability Commission Meeting* - Activity funded by the property tax (25%), storm water utility (25%), water utility (25%), and the sewer utility (25%). Send out quarterly and special meetings agenda and attachments to

Sustainability Commission members. Sustainability Commission explores sustainability initiatives that can be implemented in the City with the ultimate goal of providing a more sustainable, livable, and healthy community.

- 4) *Monitoring Public Works Operations* - Activity funded by the property tax (25%), storm water utility (25%), water utility (25%), and the sewer utility (25%). Overseeing the operations of the public works department to make certain the services being performed are being done in a manner that are in the best interest of the community. This is important to the community to make certain the services provided by the public works department are done so in an efficient and cost effective manner.

Expected Outcomes:

- 1) Maintain public works operations in a cost-effective manner in order to meet or exceed the needs of the community.
- 2) Maintain Board of Public Works meeting in order to provide formal discussions to discuss public works issues and recommend policy or policy changes to meet the needs of the community.
- 3) Maintain Sustainability Commission meeting in order to provide formal discussions to discuss sustainable initiatives to promote a more sustainable, livable, and healthy community.
- 4) Maintain establishing a budget to be provided to the City Council for adoption in order to fund public works services.
- 5) Maintain or decrease response time to complaints received by the public regarding operations so adjustments to the operations can be made if warranted.
- 6) Maintain or increase obtaining funding for capital projects in order to minimize the property tax impact to the community.
- 7) Maintain coordination of public works services with other City departments in order to be able to provide services to the community with the resources available.
- 8) Maintain long range planning of the capital improvements program so the City is able to plan and fund projects in the future.

2026 Performance Measures (July 2025 – June 2026):

- 1) Respond to 100% of complaints within 24 hours of receiving them.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Respond to complaints within 24 hours of receiving them.
 - a. Result: Review of phone call logs show response within 24 hours. Performance measure met.

Significant Program Achievements:

- 1) Continued to investigate opportunities to improve the services provided to the community while keeping expenditures to a minimum.
- 2) Continued to work with Brown County Highway Department with South Bridge corridor projects.
- 3) Continued to work with DOT with construction projects.
- 4) Continue working with other communities to joint bid projects.
- 5) Worked with various wireless companies pertaining to installation on City water towers.
- 6) Continue to look for a new yard waste site for the City.
- 7) Continued working on the expansion plans for the MSC.

Existing Program Standards Including Importance to Community:

- 1) Conduct a regular meeting of the Board of Public Works the first Monday after the first Council meeting every month.
 - a. Community Importance.
 - i. Allows actions required or requested on behalf of the community to be acted upon in a timely manner.
 - ii. Establishes a routine schedule for community involvement.
- 2) Conduct a regular quarterly meeting of the Sustainability.
 - a. Community Importance.
 - i. Allows actions required or requested on behalf of the community to be acted upon in a timely manner.
 - ii. Establishes a routine schedule for community involvement.
- 3) Establish policies pertaining to the public works operations.
 - a. Community Importance.
 - i. Allows for policies and procedures so that the operations are done in a manner that are in the best interests of the community.
- 4) Develop and monitor annual operating budget.
 - a. Community Importance.
 - i. Provides an annual operating budget for the public works department so that services are delivered in fiscally responsible manner.

Costs and Benefits of Program and Services:

The adopted 2026 Public Works Administration program cost is \$130,817. This amount is only 25% of the total cost of the program. The other 75% costs for this program is spread out through the following utilities: 25% storm water utility, 25% water utility, and 25%

sewer utility. The program benefits the community by providing citizens the opportunity to have input regarding the public works operations. This program also develops policies and codes pertaining to the public works operations. This program is also responsible for developing and maintaining the public works budget so that services are delivered to the community in a fiscal and responsible manner.

2026 Program Objectives:

- 1) Continue to coordinate with DOT on construction projects.
- 2) Continue to coordinate with Brown County Highway Department on South Bridge corridor projects.
- 3) Continue to work with CBCWA providing a Lake Michigan water source.
- 4) Investigate opportunities to improve the services we provide and keep expenditures to a minimum.
- 5) Continue to look at ways to bid projects with other communities to save money.
- 6) Continue to work on MSC expansion plans.

2026 Budget Significant Expenditure Changes:

- 1) Hourly Wages increased \$1,335 to reflect eligible step increases and cost of living adjustment (COLA)
- 2) Retirement increased \$468 to reflect wage increases and retirement contribution rate increases.
- 3) Training is funding to provide for all department trainings such as team building, safety training and necessary training to maintain certifications and licenses.
- 4) Telephone decreased \$766 due to a reallocation of these expenses to the Municipal Service Center budget.
- 5) Seminars and Conferences provide funding for APWA conferences and other miscellaneous conferences.
- 6) Consulting is for copier lease.
- 7) Memberships/Subscriptions include American Public Works Association, American Society of Civil Engineers, Institute of Traffic Engineers, Lake Area Public Works Association, and Wisconsin Department of Regulation and Licensing.
- 8) No Capital Equipment requested.

Engineering

Program Full Time Equivalents: 1.90

Program Mission:

Provide engineering, including design, and construction administration for public works improvement projects in the City. Ensure that that the City receives a high quality project that adheres to standards for construction. Coordinate and review future development and land use with the City Planner. Address residents questions and concerns related to engineering and City infrastructure.

List of Program Service(s) Descriptions:

- 1) *Plan public works improvement projects* –Work with planning to determine long term development plans and the required location and size of infrastructure to service the development.
- 2) *Develop and maintain the capital improvements program*- Based on the condition and age of infrastructure, develop and maintain the capital improvement program.
- 3) *Design public works improvement projects* – Design public works improvement projects. Design includes surveying, drafting, writing specifications, obtaining regulatory permits for projects, and bidding.
- 4) *Administer construction oversight for public works improvement projects* – Oversee and manage public works improvement projects. This includes construction updates for elected officials and informing the public of upcoming construction projects.
- 5) *Respond to complaints* – Respond to complaints and concerns of the general public regarding construction, drainage issues, street improvements, sidewalk concerns, traffic, or other public works issues.
- 6) *Create and submit annual storm water permits* – As part of the City’s storm water discharge permit to the Wisconsin Department of Natural Resources (WDNR), an annual submittal is required. Engineering develops the annual submittal and oversees storm water management practices throughout the year to meet the WDNR permit requirements.
- 7) *Coordinate with private utility working in public right of way* – Coordinate City construction projects with private utility companies. Review and approve street excavation permits. Review final restoration.

Important Outputs:

- 1) *Administration of public works improvement projects*- Administration of this department is supported by the property tax (25%), storm water utility (25%), water utility (25%), and the sewer utility (25%).

- 2) *Develop plans and specifications* – In order to bid projects, the engineering department develops plans and specifications for contractor to bid and build public improvement projects.
- 3) *Generate construction records* - Once projects are bid and awarded to a contractor, staff will then provide construction administration to ensure the contractors are constructing the project per City standards. As part of this administration, staff develops daily construction logs, tracks quantities, and creates record drawings of how things were constructed on the project.
- 4) *Maintain system maps* – The engineering department maintains and prints maps for construction completed during the calendar year.
- 5) *Plan future growth (new and redevelopment)* – Staff plans future improvements for the City to address growth. This includes utility extensions and upsizing, storm water management facilities, and traffic facilities (vehicle, bicycle, and pedestrian).
- 6) *Inspect various City facilities* – Staff annually inspects the City’s storm water management ponds, traffic signals, and pedestrian hand rails. Staff works with other departments or contractors for required maintenance.

Expected Outcomes:

- 1) Maintain existing street infrastructure so that the roads are safe to travel.
- 2) Maintain public awareness of public works improvement projects.
- 3) Maintain public works improvement programs in a cost-effective manner in order to meet or exceed the needs of the community.
- 4) Respond in a timely matter to complaints received by the public regarding street and sewer infrastructure so that issues can be addressed in a timely manner.
- 5) Develop long term infrastructure plans.
- 6) Provide recommendations on policies and improvements for City facilities.

2026 Performance Measures (July 2025 – June 2026):

- 1) Respond to 100% of complaints within three (3) business days of receiving them.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Respond to complaints within three (3) business days of receiving them.
 - a. Result: Performance measure met

Significant Program Achievements:

- 1) Completed 2025 public works improvements program which included:
 - a. Relayed approximately 4,600 linear feet of water main in preparation for street resurfacing and reconstruction.
 - b. Constructed/reconstructed/lined approximately 8,000 lineal feet of sanitary sewer.
 - c. Removed and replaced sanitary laterals in conjunction with water main/service relays.
 - d. Reconstructed over 3,000 linear feet of street on the northeast side.
 - e. Completed the rehabilitation of concrete on Profit Place and Destiny Drive.
 - f. Constructed or reconstructed over 4,400 linear feet of storm sewer
- 2) Completed pond trapping project to remove rodents that cause bank erosion from City ponds.
- 3) Completed chemical treatment of phragmites around City ponds.
- 4) Reviewed all public and private storm water management facilities.
- 5) Reviewed all traffic signals and hand rails for maintenance. Coordinated repairs.
- 6) Coordinated the CTH GV design and construction as part of the future southbridge corridor.
- 7) Designed City infrastructure for several redevelopments including the former Shopko and Humana sites.
- 8) Completed the design and construction of the Commerce Drive yard waste site.
- 9) Coordinated with WisDOT on the design of Main Avenue and Reid Street from Eighth Street to Third Street for construction in 2028.
- 10) Completed several complicated storm sewer replacements including the box culvert at the Community Center and a large diameter storm sewer across the Fox River Trail in an easement from Ridgeway Drive extended.

Existing Program Standards Including Importance to Community:

- 1) Utilize existing computer software to generate construction plans.
 - a. Community Importance.
 - i. Quality plans, from a legibility standpoint, and design data, improve bidding (cost) on projects because contractors have a clear expectation of what is included when they bid the project.
- 2) Maintain construction specifications for infrastructure improvement projects.
 - a. Community Importance.
 - i. Construction inspection throughout project ensures contractors are constructing streets per the City's construction specifications. Similar to plans, clear and concise specifications improve bidding (cost) on projects. When contractors have a clear understanding on how the project is to be built, and how work is to be paid, bidding prices are generally lower.

- 3) Provide public information and updates for construction projects.
 - a. Community importance.
 - i. Construction activities can have a direct and significant impact on residents. Providing information to residents on upcoming construction projects allows them to plan their activities in an attempt to minimize disruption to them.
- 4) Maintain and improve information on the GIS system.
 - a. Community Importance.
 - i. The GIS system has become a very important tool for maintaining and tracking City facilities such as sewers, water main, signs and street lights. Engineering receives requests from residents and businesses on almost a daily basis for information on existing infrastructure. The use of GIS greatly improves the efficiency in getting this information. Engineering works with planning to maintain this information.

Costs and Benefits of Program and Services:

The adopted 2026 Engineering Program cost is \$309,497. This amount is only 25% of the total cost of the program. The other 75% costs for this program is spread out through the following utilities: 25% storm water utility, 25% water utility, and 25% sewer utility. The program benefits the community by ensuring that the City’s public works improvement projects are built per City standards and specifications as well as making sure everything is done within budget.

2026 Program Objectives:

- 1) Complete the design and construction the next phase of the American Boulevard Expansion.
- 2) Complete the construction of the new segment of William and Wisconsin Street on what was formerly the Shopko parcel.
- 3) Continue to coordinate the design and construction of the Southbridge Corridor and Interchange.
- 4) Continue to coordinate the design of Main Avenue and Reid Street from Eighth Street to Third Street with WisDOT.
- 5) Continue to review, inspect and coordinate the TDS City-wide fiber installation project.
- 6) Complete an aggressive public works improvement program which includes water main relays, sanitary sewer relays/lining, storm sewer construction, and resurfacing and reconstruction of City streets.
- 7) Complete the design and construction of the Phoenix Preserve, Phase 2.
- 8) Complete the design and construction of the Kingston Preserve, Phase 2.
- 9) Monitor public and private storm water management facilities.
- 10) Continue to implement the City’s inflow and infiltration program sump pump installation and full-length lateral replacement policies.

2026 Budget Significant Expenditure Changes:

- 1) Hourly Wages increased \$4,804 to reflect eligible step increases and cost of living adjustment (COLA).
- 2) Retirement increased \$1,031 to reflect wage increases and retirement contribution rate increase.
- 3) Health, Dental, DIB, Life & Wks Cmp Ins increased \$10,0274 to reflect health and dental insurance premium increase.
- 4) Training is funding to provide for all-department training such as software training, construction training, design training and miscellaneous engineering training.
- 5) Telephone decreased \$970 due to a reallocation of these expenses to the Municipal Service Center budget.
- 6) Seminars and Conferences provide funding for APWA conferences and miscellaneous conferences.
- 7) Consulting includes CADD and design software licenses, ESRI license, DNR MS4 permit, NEWSC fees, Phosphorous study, bridge and sign bridge inspections, outside consultant services that are not able to be performed by City staff and lease payments for color printer.
- 8) Memberships/Subscriptions include American Public Works Association, American Society of Civil Engineers, Institute of Traffic Engineers and Wisconsin Department of Regulation and Licensing.
- 9) No Capital Equipment requested.

Municipal Service Center

Program Full Time Equivalent: 0.30

Program Mission:

To maintain the interior and exterior of the Municipal Service Center (MSC), and to prevent building deterioration while extending the life of the building through preventative maintenance.

List of Program Service(s) Descriptions:

- 1) *Preventative Maintenance* – Conduct preventative maintenance on the HVAC throughout building.
- 2) *Building Repairs* – Fix and repair items needing attention.
- 3) *Fuel distribution* – Provide fuel station for all city vehicles.
- 4) *Customer service center for public work and park related questions* – Provides staffing to answer questions related to public work and park administration questions from both phone or counter.

Important Outputs:

- 1) *Distribution of fuel to all city departments* – Funded by the property tax (55%), storm water utility (15%), water utility (15%), and the sewer utility (15%) and serves as a vital support service to all departments requiring fuel.
- 2) *Storage space for public work and park department fleets* – Funded by the property tax (55%), storm water utility (15%), water utility (15%), and the sewer utility (15%) and serves as a vital location to house the City’s public work and park department’s fleets.
- 3) *Storage area for public work and park department equipment and supplies* – Funded by the property tax (55%), storm water utility (15%), water utility (15%), and the sewer utility (15%) and serves as a vital location to house the City’s public work and park department’s equipment.
- 4) *Customer service response to residents and client* – Funded by the property tax (55%), storm water utility (15%), water utility (15%), and the sewer utility (15%) and provides service and response to citizen questions or concerns.

Expected Outcomes:

- 1) Efficient and safe functioning facility to support the operations of the public works and parks departments.
- 2) Quality customer service to residents and clients.

- 3) Efficient and effective running HVAC.
- 4) Fuel distribution to all city departments.

2026 Performance Measures (July 2025 – June 2026):

- 1) Reduce the amount of consulting costs by 3% by reducing emergency repairs by performing timely preventative maintenance on the MSC.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Reduce electric cost by 1% through power management and LED lighting replacements.
 - a. Result: Electricity used 2024 = 237,067 KW; 2025=249,241 KW. Increased 5.1%. Performance measure was not met.

Significant Program Achievements:

- 1) Maintain the building while working on the design for the MSC expansion.

Existing Program Standards Including Importance to Community:

- 1) Fuel pumps operation 24 hours a day, 7 days a week.
 - a. Community Importance.
 - i. Serves as a central location for all city vehicles to obtain fuel in an efficient manner.
- 2) Conduct preventative maintenance on HVAC of building in the spring and fall months.
 - a. Community Importance.
 - i. Preventative maintenance ensures the community that our HVAC are used to its maximum potential both in utilizing energy, as well as its operational life.
- 3) Cleaning of MSC.
 - a. Community Importance.
 - i. Regular cleaning of MSC is conducted to ensure the facility stays in good condition to maximize its operational life, as well as create a clean work atmosphere.

Costs and Benefits of Program and Services:

The adopted 2026 Municipal Service Center program cost is \$135,439. This amount is only 55% of the total cost of the program. The other 45% is spread out through the following utilities: 15% Water Utility, 15% Sewer Utility, and 15% Storm Water Utility. The program benefits the community by providing a support facility for mainly the Public Works and Park Departments. The support facility allows the departments to conduct city operations in an effective and efficient manner.

2026 Budget Significant Expenditure Changes:

- 1) Hourly Wages decreased \$9,479 to reflect change in allocation for building maintenance wages and increase in employee wages as detailed in the building maintenance program.
- 2) FICA decreased \$725 to reflect change in allocation for building maintenance wages and increase in employee wages.
- 3) Retirement decreased \$591 to reflect change in allocation for building maintenance wages, increase in employee wages and retirement contribution rate.
- 4) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$3,141 to reflect change in allocation for building maintenance wages and to reflect increase in health and dental insurance premiums.
- 5) Training includes various training for building maintenance staff for various certifications required for staff to maintain.
- 6) Telephone increased \$1,381 due to a reallocation of these expenses from other divisions within the MSC.
- 7) Consulting includes outside vendors to update fire extinguishers, conduct HVAC preventative maintenance, monitoring fire alarm system, pressure washer maintenance, pest control, emergency generator maintenance, building maintenance scheduling software, and fuel tracking software.
- 8) Capital Equipment includes the general fund share of \$3,300 for replacing treadmill in MSC's workout area.

Building Maintenance

Program Full Time Equivalent: 1.25

Program Mission:

Reduce disruption and lower maintenance / repair costs through an organized maintenance program established by careful operation and timely service of the City's buildings and equipment. The principles upon which the maintenance programs are based include the systematic inspection, detection, and correction of potential equipment failure before major defects develop.

List of Program Service(s) Descriptions:

- 1) *City Facility Maintenance* – Perform building maintenance for the City's various owned buildings.
- 2) *City Facility Repairs* – Perform necessary repairs to the various City owned buildings.

Important Outputs:

- 1) *Maintain and Repair City facilities* – Activities and services by this program are supported by the property tax. The maintenance and repair of the City's facilities is necessary so that municipal services that are expected from the community can be done. Repairs are requested by various departments and then scheduled. Preventative maintenance is scheduled based on industry standards of building equipment. Maintenance and repairs are done for the following programs and facilities: City Hall, Police Department, Fire Department, Building Inspections, Municipal Service Center, Street Lighting, Community Center, Parks & Public Land, Boat Ramps, and Swimming Pools. The allocated wages for building maintenance for each of these programs will vary year to year depending on the amount of maintenance and repairs required. The 2026 budget allocates the maintenance staff wages as follows: City Hall (\$13,447); Police Department (\$13,447); Fire Department (\$13,447); Building Inspections (\$13,447); Municipal Service Center (\$26,895); Building Maintenance (\$67,236); Street Lighting (\$13,447), Community Center (\$13,447); Parks & Public Land (\$26,895); and Swimming Pools (\$67,236).

Expected Outcomes:

- 1) Reduce the number of unnecessary facility repairs through preventative maintenance.
- 2) Maintain repairs of building facilities so that they are safe for the public.

2026 Performance Measures (July 2025 – June 2026):

- 1) Perform 100% of preventative maintenance for City buildings on an annual basis.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Perform 100% of preventative maintenance for City buildings on an annual basis.
 - a. Result: Preventative maintenance was 100% accomplished on all City buildings.

Significant Program Achievements:

- 1) Maintained City buildings and facilities by completing an inspection once a week.
- 2) Upgrade HVAC components at the community center.
- 3) Building Maintenance staff are doing commercial building inspections for Electrical and Plumbing.
- 4) Help with design of city parking garage.
- 5) Help design and manage the First-floor remodel project.
- 6) Manage the installation of the new City of De Pere sign located by I-41

Existing Program Standards Including Importance to Community:

- 1) Perform preventative maintenance on City facilities as per industry standards.
 - a. Community Importance.
 - i. Allows safe facilities to be utilized by the public.

Costs and Benefits of Program and Services:

The adopted 2026 Building Maintenance program cost is \$191,745. The program benefits the community by maintaining City facilities that are essential in the operations to provide municipal services to the community.

2026 Program Objectives:

- 1) Continue to maintain City buildings and facilities so as to reduce work interruptions.

2026 Budget Significant Expenditure Changes:

- 1) Salaries increased \$3,016 to reflect eligible step increases and cost of living adjustment (COLA).
- 2) Training includes staff training on building maintenance for various certifications staff is required to maintain.
- 3) Consulting includes general costs for outside services related to tasks internal staff is unable to address.
- 4) Cell/Radio increased \$172 to reflect actual costs.
- 5) Transportation decreased \$2,000 to reflect actual costs.
- 6) No Capital Equipment requested.

Fleet Maintenance

Program Full Time Equivalents: 0.90

Program Mission:

Provide preventative and emergency repairs for the street, water, park, engineering, building inspections, health, police and fire departments to minimize the costs of operations and maximize the availability of equipment for municipal services provide to the community.

List of Program Service(s) Descriptions:

- 1) *Equipment Maintenance* – Perform vehicle and equipment maintenance for operations of the street, water, park, engineering, building inspections, health, police and fire departments.
- 2) *Equipment Repairs* – Perform necessary repairs to equipment so that it can be up and running for operational needs of the street, water, park, engineering, building inspections, health, police and fire departments.

Important Outputs:

- 1) *Maintain and Repair Equipment* – Activities and services by the department is supported by the property tax (20%), water utility (15%), sewer utility (15%) and storm water utility (50%). The maintenance and repair of equipment is necessary so that municipal services that are expected from the community can be done. The repairs and maintenance are performed at the Municipal Service Center. Repairs are requested by the employees and then scheduled. Maintenance is scheduled based on the hours and miles of equipment.

Expected Outcomes:

- 1) Maintain equipment and perform preventative maintenance so the City can prevent unnecessary repairs.
- 2) Maintain repairs so the equipment is capable of operating in a safe and efficient manner.

2026 Performance Measures (July 2025 – June 2026):

- 1) Perform vehicle and equipment maintenance every 4,000 miles on 100% of fleet vehicles.
- 2) Perform vehicle and equipment maintenance every 500 hours on 100% of garbage and recycling trucks.
- 3) Perform equipment maintenance every 300 hours on 100% of the front-end loaders and dump trucks.
- 4) Perform equipment maintenance on every police vehicle every 6,000 miles.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Perform vehicle and equipment maintenance every 4,000 miles on 100% of fleet vehicles.
 - a. Result: 95% of vehicles and equipment with 4,000-mile maintenance requirements were completed. This performance measure was not met due to catching up to last year's workload being short staff.
- 2) Perform vehicle and equipment maintenance every 500 hours on 100% of the garbage and recycling trucks.
 - a. Result: 100% of all garbage/recycling trucks were maintained every 500 hours. This performance measure was met.
- 3) Perform equipment maintenance every 300 hours on 100% of the front-end loaders and dump trucks.
 - a. Result: 100% of the front-end loaders and dump trucks were maintained every 300 hours. This performance measure was met.
- 4) Perform equipment maintenance on every police vehicle every 6,000 miles.
 - a. Result: This was accomplished.

Significant Program Achievements:

- 1) Maintained 274 pieces of equipment for the street, water, park, engineering, building inspections, health, police and fire departments.

Existing Program Standards Including Importance to Community:

- 1) Perform preventative maintenance for vehicles and equipment for the street, water, park, engineering, building inspections, health, police and fire departments, as per the manufacturer's recommendations.
 - a. Community Importance.
 - i. Allows equipment to be operational so that municipal services can be provided to the community.

Costs and Benefits of Program and Services:

The adopted 2026 Fleet Maintenance cost is \$172,007. This amount is only 20% of the total cost of the program. The other 80% costs for this program are spread out through the following utilities: 50% storm water utility, 15% water utility, and 15% sewer utility. The program benefits the community by maintaining and repairing equipment that is essential in the operations to provide municipal services to the community.

2026 Program Objectives:

- 1) Continue to maintain high standards of equipment repair.
- 2) Ensure adequate training for mechanics for new equipment.
- 3) Continue to reduce consulting costs by reducing outsourcing repairs by training staff to be able to perform repairs in house.

2026 Budget Significant Expenditure Changes:

- 1) Salaries increased \$65 to reflect eligible step increases and cost of living adjustment (COLA).
- 2) Overtime Wages increased \$600 to reflect actual costs.
- 3) FICA increased \$314 to reflect increase in employee wages.
- 4) Retirement increased \$469 to reflect increase in employee wages and retirement contribution rate.
- 5) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$1,296 to reflect actual costs.
- 6) Training is for staff on fleet maintenance equipment such as troubleshooting and diagnostic performance.
- 7) Telephone decreased \$42 due to a reallocation of these expense to the Municipal Service Center budget.
- 8) Consulting increased \$4,000 to reflect purchasing new tires for the loader. Consulting includes tasks unable to perform in our fleet maintenance shop and for GPS/AVL on equipment.
- 9) Tools increased \$2,078 for replacement of miscellaneous tools for shop.
- 10) No Capital Equipment requested.

Snow and Ice Control

Program Full Time Equivalent: 0.96

Program Mission:

Ensure the safe movement of vehicular and pedestrian traffic throughout the City during and after snow and ice events.

List of Program Service(s) Descriptions:

- 1) *Snow plowing* – Perform snow plowing throughout the City during the winter months.
- 2) *Salting / Sanding* – Perform salting / sanding operations throughout the City during the winter months.

Important Outputs:

- 1) *Removing Snow from City Streets* – Activities and services by this program is supported by the property tax. Snow plowing is necessary during the winter months to ensure the streets are cleared of snow so the traveling motorists can safely travel throughout the City. The City will schedule a snowplow operation when a minimum of 3” of snow has accumulated. There are sixteen (16) different plow routes throughout the City that employees are assigned to. It takes approximately seven (7) hours to plow a 3” event. This program is important to the community because if the streets are not cleared of accumulating snowfalls it would be difficult for the public to travel safely throughout the City.
- 2) *Applying Salt / Sand to City Streets* – Activities and services by this program are supported by the property tax. Salting / sanding is necessary during the winter months to ensure that all the main City streets, intersections, hills, and curves are kept clear of ice so that traveling motorists can safely travel throughout the City. The police department will notify public works when they feel the roads are becoming slippery. Once public works is notified, employees are called in to plow and salt the primaries. There are six (6) different routes throughout the City that employees are assigned to. It takes approximately three (3) hours to go through the City once the salt operations begin. Salting operations will include plowing and salting for snow accumulations of less than 3” of snow on primaries. This program is important to the community because road conditions throughout the City would become hazardous to the traveling public without the application of salt.

Expected Outcomes:

- 1) Maintain the condition of all City streets, alleys, and parking lots so that traffic can safely travel throughout the City.
- 2) Reduce slippery conditions on roads so that traffic can travel safely through the City.

2026 Performance Measures (July 2025 – June 2026):

- 1) Utilize social media providing at least one educational snow and ice removal post in November, December, January, February and March.

2025 Performance Measures (July 2024 – June 2025):

- 1) Utilize social media providing at least one educational snow and ice removal, “Did you know” post in November, December, January, February, and March.
 - a. Result: Performance Measure Met.

Significant Program Achievements:

- 1) Increased pre-wetting and anti-icing in snowplow operations that have reduced salt usage and improved road conditions during the winter season.
- 2) Utilized snow blower on toolcat in alleys after heavier snowfalls to create a wider path.
- 3) Cross trained multiple employees on snow removal operations due to retirement and future retirements.
- 4) Plowed in tandem in west industrial park, American/Lawrence/Southbridge to clear road in less passes and apply salt to plowed roads quicker

Existing Program Standards Including Importance to Community:

- 1) Plow all streets, alleys, and parking lots throughout the City when the City receives 3” of snow.
 - a. Community Importance.
 - i. Allow motorists to travel throughout the City in a safe manner during the winter months.

- 2) Plow and salt all primary streets and parking lots throughout the City when the police department calls for the salt trucks.
 - a. Community Importance.
 - i. Reduces ice on main streets, intersections, hills, and curves to allow the motorists to travel throughout the City in a safe manner during the winter months.

Costs and Benefits of Program and Services:

The adopted 2026 Snow and Ice Control program cost is \$350,955. The program benefits the community by allowing the streets to be kept clear of snow and ice so that the community can safely travel throughout the City during the winter months.

2026 Program Objectives:

- 1) Continue to train new staff on snowplow equipment. Train experienced staff on various pieces of snow removal equipment.
- 2) Plow all streets within 8 hours for most storms.
- 3) Continue tandem plowing during a full plow event to clear main streets first.
- 4) Update snowplow maps to improve efficiencies.
- 5) Continue to send staff to seminars/conferences on snow removal operations.
- 6) Continue to send staff to snowplow rodeo.

2026 Budget Significant Expenditure Changes:

- 1) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$4,260 to reflect actual allocation of employee insurance costs.
- 2) Training includes training for operational training of salting and plowing.
- 3) Seminars and Conferences include staff participation in the APWA snowplow rodeo and other snow plowing conferences.
- 4) Consulting is for the need to hire contractors as needed or rent equipment.
- 5) No Capital Equipment requested.

Street Maintenance

Program Full Time Equivalent: 0.99

Program Mission:

Maintain and repair all City streets, parking lots, and alleys in a safe and timely manner to ensure the safe travel of motorist, bicyclists, and pedestrians.

List of Program Service(s) Descriptions:

- 1) *Street Maintenance* – Perform street, parking lot, and alley maintenance throughout the City.

Important Outputs:

- 1) *Street, parking lot, and alley maintenance* – Activities and services by this program are supported by the property tax. Maintenance of streets, parking lots, and alleys to reduce or eliminate hazards are necessary to ensure the traveling motorists can safely travel throughout the City.

Expected Outcomes:

- 1) Reduce hazards on all City streets, alleys, and parking lots so that traffic can safely travel throughout the City.

2026 Performance Measures (July 2025 – June 2026):

- 1) Respond to and assess road hazards within 24 hours of notification.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Respond to road hazards within 24 hours of receiving them.
 - a. Result: Review of See/Click/Fix reports and notes show response within 24 hours. Performance measure met

Significant Program Achievements:

- 1) Tracked pothole patching volume and locations.
- 2) Purchased Mastic One patcher in 2024 and utilized it for long term street patching in numerous locations including Commerce Dr, Main Ave and S. 6th St as well as high manholes, water valves and catch basins.
- 3) Utilize Mastic One to make a longer lasting patch repair to roadways to improve road conditions. Used Mastic One on Main Ave and the Tour De Pere bike race route to improve road conditions.

Existing Program Standards Including Importance to Community:

- 1) Patch potholes per industry standards to keep all streets, alleys, and parking lots maintained so that hazards are reduced throughout the City.
 - a. Community Importance.
 - i. Reduce road hazards so motorists to travel throughout the City in a safe manner.

Costs and Benefits of Program and Services:

The adopted 2026 Street Maintenance program cost is \$144,179. The program benefits the community by allowing the streets to be kept clear of road hazards.

2026 Program Objectives:

- 1) Continue road maintenance activities to improve road conditions.
- 2) Utilize Mastic One around manhole castings and areas prone to roadway patching to improve travel conditions.

2026 Budget Significant Expenditure Changes:

- 1) Hourly wages decreased \$41,381 to reflect actual allocation of employee wages.
- 2) FICA decreased \$3,166 to reflect actual allocation of employee wages.
- 3) Retirement decreased \$2,758 to reflect actual allocation of employee wages.
- 4) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$26,440 to reflect actual allocation of employee insurance costs.
- 5) Training includes funding for street employees to attend road maintenance seminar/workshops.
- 6) Seminars and Conferences include funding for staff participation to attend APWA training.
- 7) Consulting includes \$10,000 for blacktop patching.
- 8) No Capital Equipment requested.

Traffic Signs and Markings

Program Full Time Equivalent: 0.98

Program Mission:

Provide the public a safe and orderly flow of vehicular and pedestrian traffic by means of pavement markings and signage as required by the Manual of Uniform Traffic Control Devices.

List of Program Service(s) Descriptions:

- 1) *Maintenance of Traffic Signs* – Maintain existing street signs throughout the City. Maintenance includes repairing damage signs caused by traffic or replacing signs because of reflectivity requirements.
- 2) *Maintenance of Traffic Pavement Markings* – Maintain existing pavement markings throughout the City. Maintenance includes repainting all pavement markings throughout the City on an annual basis. Pavement markings include stop bars, lane striping, and parking stall striping.
- 3) *Maintenance of Street Marker Signs* – Maintain existing street marker signs throughout the City. Maintenance includes repairing damage signs caused by traffic or replacing signs because of reflectivity requirements.

Important Outputs:

- 1) *Traffic Signs* – Activities and services by this program are supported by the property tax and State shared revenues. Maintenance of existing street signs to provide vehicular and pedestrian traffic necessary information so to ensure the traveling public can safely travel throughout the City.
- 2) *Traffic Pavement Markings* – Activities and services by this program are supported by the property tax and State shared revenues. Maintenance of existing pavement markings to provide vehicular and pedestrian traffic the necessary lane delineations and stop bars so to ensure the traveling public can safely travel throughout the City.
- 3) *Street Marker Signs* – Activities and services by this program are supported by the property tax and State shared revenues. Maintenance of existing street marker signs to identify the names of the streets throughout the City so that the traveling public can identify streets they need to travel.

Expected Outcomes:

- 1) Maintain all traffic signs to ensure vehicular and pedestrian traffic can safely travel throughout the City.
- 2) Maintain all traffic pavement markings to ensure vehicular and pedestrian traffic can safely travel throughout the City.
- 3) Maintain all street marker signs to ensure that all streets are identified so that motorists can find their destination.

2026 Performance Measures (July 2025 – June 2026):

- 1) Respond to and assess all calls pertaining to street signs being damaged within 2 business days of notification.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Respond to all calls pertaining to street signs being damaged within 24 hours of notification.
 - a. Result: Review of See/Click/Fix and internal reports show response within 24 hours. Performance measure met.

Significant Program Achievements:

- 1) Fabricated 150 new De Pere Aware signage for De Pere Police Department
- 2) Sign Shop personnel and Street Superintendent attended various training sessions on traffic control
- 3) Conducted multiple barricading special events for Definitely De Pere, Pink Flamingo, Celebrate De Pere, Tour De Pere and other special events.
- 4) Completed city street name sign change out citywide and started replacement/updating of other regulatory signs.

Existing Program Standards Including Importance to Community:

- 1) Satisfy the federal requirements for maintenance of existing traffic signs and pavement markings throughout the City.
 - a. Community Importance.
 - i. Provides vehicular and pedestrian traffic a means to allow for safe and orderly flow.
 - ii. Provides street markers so that motorist can identify streets to find their destination points and addresses.

Costs and Benefits of Program and Services:

The adopted 2026 Traffic Signs and Markings program cost is \$147,255. The program benefits the community by allowing existing street signs and pavement markings to be maintained that provide information to vehicular and pedestrian traffic.

2026 Program Objectives:

- 1) Continue to maintain pavement striping City wide.
- 2) Continue to work with other city departments to fabricate and change out signs as requested/required.

2026 Budget Significant Expenditure Changes:

- 1) Hourly wages decreased \$25,094 to reflect actual allocation of employee wages.
- 2) FICA decreased \$1,920 to reflect actual allocation of employee wages.
- 3) Retirement decreased \$1,622 to reflect actual allocation of employee wages.
- 4) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$10,843 to reflect actual allocation of employee insurance costs.
- 5) Training is for training staff on sign maintenance and traffic markings.
- 6) Seminars and Conferences include funding for staff person to attend workshop on line striping operations.
- 7) Consulting includes fees paid to City of Green Bay for street striping as well as for sign repairs the City cannot do.
- 8) No Capital Equipment requested.

Street Lighting

Program Full Time Equivalents: 0.12

Program Mission:

Maintain and provide adequate street lighting for traffic and pedestrian safety along public ways. The major purpose of streetlights is to reduce vehicle and pedestrian accidents by illuminating hazards. Street lighting is also used to illuminate city owned property and equipment for security and safety purposes.

List of Program Service(s) Descriptions:

- 1) *Street Lighting* – Maintain existing streetlights throughout the City.

Important Outputs:

- 1) *Street Lighting* – Activities and services by this program are supported by the property tax. Maintenance of existing streetlights to provide adequate lighting at intersections and other areas where there are hazards in order to prevent accidents.

Expected Outcomes:

- 1) Maintain existing streetlights to ensure vehicular and pedestrian safety at intersections and other areas where there are hazards.
- 2) Maintain existing streetlights to illuminate city owned properties and equipment for security and safety purposes.

2026 Performance Measures (July 2025 – June 2026):

- 1) Respond to 100% of burnt-out streetlights within three (3) business days of being notified.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Respond to 100% of burnt-out streetlights within 24 hours of being notified.
 - a. Result: This was not met due to staff turnover and work priorities.

Significant Program Achievements:

- 1) Replaced the rest of the streetlights to LED heads and upgraded the bridge streetlight to new heads.
- 2) Once a month staff will travel through the complete city and log both city owned and WPS owned lights that have issues. Staff will then repair the city owned lights and report the list to WPS for repair.
- 3) Relocated two light poles that get hit from vehicle accidents to prevent them from repeating.

Existing Program Standards Including Importance to Community:

- 1) Maintain existing streetlights throughout the City to meet the requirements of the City’s municipal codes.
 - a. Community Importance.
 - i. Provide adequate street lighting for traffic and pedestrian safety along public ways.

Costs and Benefits of Program and Services:

The adopted 2026 Street Lighting program cost is \$490,266. The program benefits the community by allowing existing streetlights to be maintained that provide lighting along public ways for vehicular and pedestrian traffic.

2026 Program Objectives:

- 1) Continue to investigate energy saving programs for street lighting.
- 2) Continue to replace existing street lighting with LED lighting.

2026 Budget Significant Expenditure Changes:

- 1) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$1,242 to reflect change in allocation for building maintenance wages.
- 2) Consulting is for contracting outside services for locates and to repair street and decorative lighting.
- 3) Capital Equipment includes replacing electrical line locator (\$12,000).

Traffic Lights

Program Full Time Equivalent: 0

Program Mission:

Maintain and provide signalization for traffic controls at sixteen intersections throughout the City in order to provide safe and orderly flow of vehicular traffic.

List of Program Service(s) Descriptions:

- 1) *Traffic Lights* – Maintain existing traffic signals throughout the City. Maintenance includes repairing damage caused by traffic, replacing signal lights when they are out, and adjusting timing as needed.

Important Outputs:

- 1) *Traffic Lights* – Activities and services by this program are supported by the property tax. Maintenance of existing traffic lights to provide safe and orderly flow of vehicular traffic. Proper function signals prevents accidents as well as delays due to traffic back ups.

Expected Outcomes:

- 1) Maintain existing traffic lights to ensure safe and orderly flow of vehicles.
- 2) Maintain existing traffic lights to protect vehicles and pedestrians at busy intersections.
- 3) Maintain existing traffic lights to reduce the severity and frequency of accidents between vehicles entering intersections.

2026 Performance Measures (July 2025 – June 2026):

- 1) Respond to 100% of malfunctioning or damage signals within 24 hours of being notified.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Respond to 100% of malfunctioning or damages signals within 24 hours of being notified.
 - a. Result: Responded to 100% of malfunctioning or damages signals within 24 hours of being notified.

Significant Program Achievements:

- 1) Maintained signalization at intersections.

Existing Program Standards Including Importance to Community:

- 1) Maintain existing traffic lights throughout the City per industry standards as well as the Manual of Uniform Traffic Control Devices.
 - a. Community Importance.
 - i. Provide traffic lights to ensure safe and orderly flow of vehicles.

Costs and Benefits of Program and Services:

The adopted 2026 Traffic Lights program cost is \$46,706. The program benefits the community by allowing existing traffic lights to be maintained that ensure safe and orderly flow of vehicles at busy intersections.

2026 Program Objectives:

- 1) Continue to maintain signalization at all intersections.
- 2) Evaluated the needs for pedestrian signals.

2026 Budget Significant Expenditure Changes:

- 1) Consulting fees include fees paid to City of Green Bay for maintenance of traffic signals and locates.
- 2) No Capital Equipment requested.

Brush Collection

Program Full Time Equivalent: 0.39

Program Mission:

Provide a cost effective and efficient method for residents to dispose of their brush and yard waste.

List of Program Service(s) Descriptions:

- 1) *Brush Collection* – Collect resident’s brush three times a year
- 2) *Yard Waste Facility* – Maintain and operate City’s compost facility.

Important Outputs:

- 1) *Brush Collection* – Activities and services by this program are supported by the property tax. The City picks up brush at the curb three times per year for the residents. Brush is either collected with a truck and loader or the brush is chipped if the piles of brush are small. The brush collected in trucks or chipped is then hauled to the compost site. This service is a value to the community because not everyone has the means to be able to haul their brush to the compost facility so by having curbside pickup they are able to dispose of their brush.
- 2) *Yard Waste Facility* – Activities and services by this program are supported by the property tax. Operations of the yard waste facility allow residents a site to bring their brush and yard waste to. Weekly the City stockpiles the brush and yard waste. The yard waste is hauled away on a weekly basis. Also, once the brush piles are large enough, the City hires a contractor to chip the brush into wood chips, which are provided to the residents at no charge. The yard waste facility is a value to the community because it provides mulch and wood chips at no charge. The facility also provides the community a place to dispose of their yard waste the residents create when maintaining their properties.

Expected Outcomes:

- 1) Maintained properties free of yard waste and brush.
- 2) Maintain supply of mulch for residents.

2026 Performance Measures (July 2025 – June 2026):

- 1) Decrease number of household brush violations by 1% by educating the community on City policy and location of where to dispose of brush during non-collection periods via website/social media.

2025 Performance Measures (July 2024 – June 2025):

- 1) Decrease number of household brush violations by 1% by educating the community on City policy.
 - a. Result: Household brush violations (449 from July 2023-June 2024, 391 from July 2024 to June 2025). Decreased 15%. Performance measure was met.

Significant Program Achievements:

- 1) Provided street department employees and seasonal staff with training and refreshers on the safe operation of the brush chipper.
- 2) Maintained Woodchipper Safety Shield on wood chippers for added safety for staff.

Existing Program Standards Including Importance to Community:

- 1) Maintain brush collection three times per year.
 - a. Community Importance.
 - i. Provides an easier alternative for residents to dispose of brush.
- 2) Maintain daily hours of operations at the compost facility every week year-round.
 - a. Community Importance.
 - i. Provides a site for residents to drop off brush and yard waste.
 - ii. Provides a supply of mulch for residents to utilize.

Costs and Benefits of Program and Services:

The adopted 2026 Brush Collection program cost is \$123,540. The program benefits the community by allowing curbside collection of brush three times per year. It also allows for the operations of the compost facility, which gives residents a site to dispose of their brush and yard waste. The compost operations also provide mulch for the residents to utilize.

2026 Program Objectives:

- 1) Continue to monitor brush collection operations to improve efficiency and meet overall community needs.

2026 Budget Significant Expenditure Changes:

- 1) Hourly wages decreased \$8,653 to reflect actual allocation of employee wages.
- 2) FICA decreased \$662 to reflect actual allocation of employee wages.
- 3) Retirement decreased \$488 to reflect actual allocation of employee wages.
- 4) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$3,955 to reflect actual allocation of employee insurance costs.
- 5) Consulting is for funding disposal of brush and compost as well as contracting for tub grinding brush.
- 6) Utilities increased \$593 to reflect anticipated cost increases with the new yard waste site.
- 7) Operating Supplies increased \$200 to reflect actual costs.
- 8) No Capital Equipment requested.

Transit System

Program Full Time Equivalent: 0

Program Mission:

Provide funding for mass transit throughout the City.

List of Program Service(s) Descriptions:

- 1) *Transit System* – Provides an option for residents to utilize bus service as alternative transportation. This program provides the funding for the bus service provided by the Green Bay Transit Authority.

Important Outputs:

- 1) *Transit System* – Activities and services by this program are supported by the property tax and mass transit aids. Bus service allows residents to have an alternative transportation throughout the City.

Expected Outcomes:

- 1) Maintain bus service for the residents.

2026 Performance Measures (July 2025 – June 2026):

- 1) To increase value of the service to the community and see a 1% increase in ridership.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Increase value of the service to the community and see a 1% increase in ridership.
 - a. Green Bay Transit switched to the On Demand service therefore there was no ability to compare ridership from the previous year.

Significant Program Achievements:

- 1) Provide a transportation alternative to driving a vehicle for residents and visitors of the community.

Existing Program Standards Including Importance to Community:

- 1) Identify required funding through discussions with Green Bay Metro prior to City budget development.
 - a. Community Importance.
 - i. Provides an alternative transportation for residents.

Costs and Benefits of Program and Services:

The adopted 2026 Transit System program cost is \$181,509. This cost includes the City of De Pere's local share of the program as well as the City's portion of facilities and maintenance capital costs. The program benefits the community by an alternative transportation mode. This program provides funding to Green Bay Metro Transit to provide the City this bus service.

2026 Program Objectives:

- 1) Continue to maintain bus services for the community.

2026 Budget Significant Expenditure Changes:

- 1) None.

Garbage and Refuse Collection

Program Full Time Equivalent: 2.66

Program Mission:

Provide an efficient and effective service of collection and disposal of trash and unsightly debris throughout the City in a timely manner.

List of Program Service(s) Descriptions:

- 1) *Garbage Collection* – Provide weekly curbside pickup of garbage throughout the City.
- 2) *Rubbish Collection* – Provide curbside pickup of large bulky trash items twice a year throughout the City.
- 3) *Rubbish Drop Off Site* – This provides an option for residents to haul their rubbish and large bulky items to the City’s Municipal Service Center (MSC) April-November.

Important Outputs:

- 1) *Garbage Collection* – Activities and services by this program are supported by the property tax. The City collects garbage by using one-person automatic garbage trucks. Garbage is collected Monday thru Thursday by specific routes. Once route is completed for the day the garbage trucks then haul garbage to the landfill transfer station in Hobart. The residents benefit from this service because it provides them a means to dispose of their household waste. If the City did not provide this service then the residents would need to hire a private service to pick up their household waste.
- 2) *Rubbish Collection* – Activities and services by this program are supported by the property tax. Providing curbside pickup of large bulky trash items twice a year for residents throughout the City allows for a means for residents to dispose of their large bulky trash items. Collection is done on the designated garbage day. Rubbish is collected using a loader and dump truck for non-metal items. Once truck is full it is hauled to the landfill transfer station in Hobart. Metal items are separated and picked up with a one-ton dump truck and hauled to the Municipal Service Center. Once the City has a large quantity of metal items, a company that salvages metal items will be called to pick up all the metal items that have been collected. This service is a value to the community because not everyone has the means to dispose of their large bulky trash items so by having curbside pickup they are able to dispose of these items.

- 3) *Rubbish drop off site* – Activities and services by this program are supported by the property tax. This provides an option for residents to haul their rubbish and large bulky items to the City’s Municipal Service Center (MSC) throughout the months of April through November. Residents will bring their items to the MSC during these months on Wednesdays and Fridays from 3:00 PM to 6:00 PM and Saturdays 8:00 AM to 2:00 PM. Items will be stockpiled until such time there are quantities large enough to haul to the landfill transfer station. This service benefits the residents of the City by giving them another alternative to dispose of their bulky trash items.

Expected Outcomes:

- 1) Maintain residential garbage collection on a weekly basis keeps properties clean.
- 2) Maintain a means for residents to dispose of large bulky trash items either by curbside pickup or a drop off location in order to keep properties looking neat and clean.

2026 Performance Measures (July 2025 – June 2026):

- 1) Decrease the number of rubbish violation letters by 1% by educating the community on city policy through the use of social media on rubbish drop off site, website, and violation tags.

2025 Performance Measures (July 2024 – June 2025):

- 1) Decrease the number of rubbish violation letters 1% by educating the community on City policy.
 - a. Result: 309 violations in 2024 (July 2023-June 2024), 291 violations in 2025 (July 2024-June 2025). This is a decrease of 6%. Performance measure was met.

Significant Program Achievements:

- 1) Continued to monitor and reviewed routes to ensure peak efficiency. Modified/updated routes to ensure remaining at peak efficiency
- 2) Issued 554 violation notices for curbside polycart collection violations July 2024-June 2025 down from 605 violation notices for curbside polycart collection violations in July 2023-June 2024 for unacceptable items in garbage containers, ie. recycling, yard waste, motor oil etc.
- 3) Established Toter polycarts as sole garbage and recycling cart for consistent appearance and cost savings.

Existing Program Standards Including Importance to Community:

- 1) Curbside garbage collection using automated garbage trucks.
 - a. Community Importance.
 - i. Provides the residents with a means to dispose of their household garbage on a weekly basis.
- 2) Rubbish curbside collection twice per year.
 - a. Community Importance.
 - i. Provides the residents with a means to dispose of their large bulky trash items twice per year.
- 3) Provide rubbish drop off site April-November at the Municipal Service Center.
 - a. Community Importance.
 - i. Provides the residents with a means for residents to drop off their large bulky trash items on a weekly basis instead of relying on the twice per year curbside pickup.

Costs and Benefits of Program and Services:

The adopted 2026 Garbage/Refuse Collection program cost is \$443,002. The program benefits the community by giving the residents a means to dispose of their household waste on a weekly basis. It also benefits the residents by giving them options to dispose of their larger bulky trash items.

2026 Program Objectives:

- 1) Continue to maintain level of service with continued City growth
- 2) Continue to update route maps to improve the efficiencies of the operation.
- 3) Continue to investigate eliminating commercial garbage collection.

2026 Budget Significant Expenditure Changes:

- 1) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$8,363 to reflect actual costs.
- 2) Training for staff development in garbage truck operations. In addition, staff trained on new garbage trucks and controls.
- 3) Consulting for garbage dumpster services for Marquette Square, Nicolet Square, alley of 400 Block of Main Avenue, Mission Square and Community Center. Consulting also includes \$1,000 funding for WDNR and Brown County for solid waste operations.
- 4) No Capital Equipment requested.

Landfill

Program Full Time Equivalent: 0

Program Mission:

Provide funding for the disposal of solid waste that is collected throughout the City.

List of Program Service(s) Descriptions:

- 1) *Landfill* – Provides funding for the tipping fees for disposal of solid waste.

Important Outputs:

- 1) *Landfill* – Activities and services by this program are supported by the property tax. Funds the disposal of solid waste collected by the City. The City hauls the garbage and rubbish collected from the community to the transfer station in Hobart. The County then hauls this material to the landfill. The weights of the material are collected from each City truck and then recorded. This weight is then converted to tons and the County will then invoice the City based on the tons collected. This program is valuable to the community because it funds the tipping fees required to dispose of all solid waste collected from the residents of the community.

Expected Outcomes:

- 1) Maintain disposal operations of solid waste collected by the City.

2026 Performance Measures (July 2025 – June 2026):

- 1) Monitor 100% of the weight slips from the transfer station to make sure the County invoices the City properly for landfill charges.

2025 Performance Measures (July 2024 – June 2025):

- 1) Monitor the weight slips from the transfer station to make sure the County invoices the City properly for landfill charges.
 - a. Result: All weight slips are entered into a database to appropriately analyze and checked for proper payment.

Significant Program Achievements:

- 1) The City delivered 5,393.50 tons of garbage to the landfill from weekly household collection and 513.85 tons of garbage from curbside collection and rubbish drop off site to the transfer station.
- 2) Utilized a direct haul to the South Landfill periodically while on the east side of city.

Existing Program Standards Including Importance to Community:

- 1) Review Brown County tonnage and fee reports monthly to identify expenditure trends to develop annual funding requirements.
 - a. Community Importance.
 - i. Provides funding for disposal of solid waste collected throughout the City.

Costs and Benefits of Program and Services:

The adopted 2026 Landfill program cost is \$329,600. This program benefits the community by providing funding for disposal of solid waste.

2026 Program Objectives:

- 1) Continue to monitor volume of material going to landfill for compliance.

2026 Budget Significant Expenditure Changes:

- 1) None.

Weed Control

Program Full Time Equivalent: 0.10

Program Mission:

The management of noxious and unsightly weeds throughout the community.

List of Program Service(s) Descriptions:

- 1) *Weed control* – Perform mowing / cutting operations to control grass and weeds in undeveloped lots, City property, and along roadways.

Important Outputs:

- 1) *Cutting weeds and grass* – Activities and services by this program is supported by the property tax (35%) and storm water utility (65%). Maintenance along roadways and City properties to keep grass and weeds mowed to acceptable heights. This service is valuable to the community because it improves visibility at intersections as well as preventing the spread of noxious weeds.

Expected Outcomes:

- 1) Decrease the spread of noxious weeds.
- 2) Increase visibility at intersections for the traveling public.

2026 Performance Measures (July 2025 – June 2026):

- 1) Cut high visibility locations a minimum of 3 times during the cutting season to maintain vision and aesthetics.

2025 Performance Measures (July 2024 – June 2025):

- 1) Respond to 100% of weed complaints within 72 hours of receiving them. Determine if this can be done with current staff levels or whether additional staff is needed or there is a need to outsource some of the workload in order to respond to weed complaints in a timely manner.
 - a. Result: In review of See/Click/Fix reports and internal documents, this was accomplished.

Significant Program Achievements:

- 1) Maintained safe vision triangles throughout the City.
- 2) Cut and maintained high traffic volume areas of litter.
- 3) Cut growth around storm sewer drainage areas within the city during winter months
- 4) Cut growth around city owned RR spurs annually per CN RR requirements.

Existing Program Standards Including Importance to Community:

- 1) Maintain highway standards for clear vision triangle at intersections.
 - a. Community Importance.
 - i. Reduce road hazards along roadways so motorists can see at intersections
 - ii. Maintain City owned properties so that they are in compliance with the City’s ordinance for tall grass and weeds.

Costs and Benefits of Program and Services:

The adopted 2026 Weed Control program cost is \$26,689. This amount is only 35% of the total cost of the program. The other 65% costs for this program are spread out through the following utilities: 65% storm water utility. The program benefits the community by allowing the streets to be kept clear of road hazards at intersections. It also benefits the community by allowing City owned properties to be maintained for grass and weeds.

2026 Program Objectives:

- 1) Continue to cut weeds in business and industrial parks at least twice per year.
- 2) Continue to maintain safe vision triangle at intersections throughout the City.

2026 Budget Significant Expenditure Changes:

- 1) Hourly Wages increased \$4,886 to reflect eligible step increases and cost of living adjustment (COLA).
- 2) FICA increased \$374 to reflect increase in wages.
- 3) Retirement increased \$379 to reflect increase in wages and retirement contribution rate.
- 4) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$2,882 to reflect actual costs.
- 5) No Capital Equipment requested.

Recycling

Program Full Time Equivalent: 1.10

Program Mission:

Provide an efficient and effective service of collection and disposal of recycling material throughout the City in a timely manner.

List of Program Service(s) Descriptions:

- 1) *Recycling Collection* – Provide biweekly curbside pickup of recycling throughout the City.

Important Outputs:

- 1) *Recycling Collection* – Activities and services by this program are supported by the property tax and DNR grants. In 2025 the grant received was \$97,723.89. Providing biweekly recycling collection for residents throughout the City. The City collects recyclables by using one-person automatic recycling trucks. Recycling is collected Monday thru Thursday by specific routes. Once route is completed for the day the recycling trucks haul recyclable materials to the County transfer station in Ashwaubenon. The weights of every truck are recorded and the County will include these weights as part of the overall invoice for the landfill. The City will either pay or be paid for the recyclable materials depending on the market rate for recyclable materials. The residents benefit from this service because it provides them a means to dispose of their recyclable materials. If the City did not provide this service, the residents would need to hire a private service to pick up their recyclables.

Expected Outcomes:

- 1) Increase the amount of recycling collected so that less material goes into the landfill.

2026 Performance Measures (July 2025 – June 2026):

- 1) Maintain a 0% rejection of loads with Brown County Port and Resource Recovery due to contamination.

2025 Performance Measures (July 2024 – June 2025):

- 1) Maintain a 0% rejection of loads with Brown County Port and Resource Recovery due to contamination.
 - a. Result: The County did not reject any of the City’s loads. Performance measure met.

Significant Program Achievements:

- 1) Increased efforts to educate community and residents on the importance of recycling. Issued 1787 violation notices of non-compliance of recycling, an increase from 267 the year prior.
- 2) Established Toter polycarts as sole garbage and recycling cart for consistent appearance and cost savings.
- 3) Placed educational stickers on recycling carts with Tri-County Recycling QR code on recycling carts.

Existing Program Standards Including Importance to Community:

- 1) Curbside recycling collection using automated recycling trucks.
 - a. Community Importance.
 - i. Provides the residents with a means to dispose of their household recycling on a biweekly basis.
 - ii. Reduces the amount of material that goes into the landfills.

Costs and Benefits of Program and Services:

The adopted 2026 Recycling program cost is 175,427. The program benefits the community by giving the residents a means to dispose of their household recycling on a biweekly basis.

2026 Program Objectives:

- 1) Continue to maintain level of service with continued City growth
- 2) Continue to update route maps to improve the efficiencies of the operation.
- 3) Continue to investigate eliminating commercial recycle collection.

2026 Budget Significant Expenditure Changes:

- 1) Hourly Wages increased \$19,515 eligible step increases and cost of living adjustment (COLA).
- 2) FICA increased \$1,493 to reflect increase in wages.
- 3) Retirement increased \$1,621 to reflect increase in wages and retirement contribution rate.
- 4) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$14,131 to reflect actual costs.
- 5) Training to fund staff attending recycling seminars.
- 6) Consulting for garbage dumpster services for Marquette Square, Nicolet Square, alley of 400 Block of Main Avenue, Mission Square and Community Center.
- 7) No Capital Equipment requested.

Community Center

Program Full Time Equivalent: 2.90

Program Mission:

To maintain the Community Center as a broad-based facility with the intent to provide a wide variety of uses, high quality services and varied recreational opportunities at affordable costs for the entire community in a safe and pleasurable atmosphere.

List of Program Service(s) Descriptions:

- 1) *Facility Reservations* – Provide a variety of multi-purpose rooms and audio/visual equipment available for rent to resident and non-resident groups, organizations and businesses for public or private functions. Rooms provided free of charge for city departments, service organizations and school youth groups through high school within the community.

Important Outputs:

- 1) *Room Rentals.* Activity funded by property tax and private funds. Facility provides a convenient location, affordable rates, community service for non-profit and youth organizations and city departments, enhanced relationships within the community.

Expected Outcomes:

- 1) Continue to keep Community Center well-maintained, operating efficiently and increasing overall revenues.
- 2) Promote sustainability practices with users of the Community Center.

2026 Performance Measure (July 2025 – June 2026):

- 1) Attain an average rating of good to excellent for all room reservations of the Community Center surveyed through CivicRec.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Increase the percentage of online rentals by 10% through enhanced marketing efforts measuring data from July 2024 – June 2025.
 - a. Result: Percentage of online rentals decreased by 10%. 55% of rentals were booked online during July 2024 – June 2025 while 45% were booked in-person. Initial period was April 2024 – June 2024 where we had 65% online and 35% in office rental reservations completed. With the online rental process being so new, some still didn't realize it was an option while others wanted to avoid the processing fee and come in-person to pay using cash or check. Some renters also struggle with understanding the online process.

2025 Significant Program Achievements:

- 1) Expanded on enhancing the registration/reservation/POS software system, CivicRec to better meet our needs. Increased marketing efforts on the new online reservation process for room search availability and reservations.
- 2) Finalized branding project initiative for the Community Center with quality pictures for large canvas prints – connected with one of the photographers that submit a lot of photos for De Pere's photo contest.
- 3) Coordinated and completed the painting of all interior cream walls to the branding color, Agreeable Gray. Contracted with Certa Pro for high-reach areas and worked with Street Department and CC Part-time maintenance crew to paint the rest of the facility. Office areas and some storage rooms left – complete late Fall.
- 4) Replaced patio furniture on both levels of Community Center, which came in way under budget. Research to possibly replace concrete garbage cans with remaining funds.
- 5) Researched and acquired new lobby furniture which gives it a fresh new look to our entrance. Obtained funding for chair replacements in Oak & Hickory Rms. Soliciting 3 quotes and will place order in September.
- 6) Implemented digital timesheets and schedules for all part-time/seasonal staff (Sling).
- 7) Coordinated purchase and installation of technology related items funded by the ARPA grant from the Health Dept. – 4 large TV conference screens, LCD projector, and a portable sound system with cordless and lapel mics. This portable system has worked out well for events.
- 8) Maintained TV monitors on each level of the Community Center and enhanced digital announcements/signage through OptiSigns.
- 9) Renewed agreements with SESAC, BMI, ASCAP & MPLC licensing companies, entered into new 3-year agreement with MultiMedia Channels for our department brochures and performed many testing/inspections with numerous building maintenance agreements.
- 10) Replaced shrubs around Community Center, fixed retaining wall and completed the pruning/landscaping/mulching.

- 11) Collaborated with the Beautification Committee on the ordering and planting of our flowerpots, which was a savings in staff time and city funds.
- 12) Completed other major projects: New dumpster enclosure and new contract for garbage/recycling collection, replaced the water heater, started AC unit replacement project but contracted company discovered issues with federal regulations which has increased the project cost – additional funding request for 2026. Pursue replacing ledges, sills, counters in Fall.

Existing Program Standards Including Importance to Community:

- 1) Provide a broad-based facility with a variety of uses and activities for the community.
 - a. Community Importance:
 - i. Serves as an easily accessible location for a variety of recreation programs and activities for people of all ages of our community. These programs, which financially sustain themselves, facilitate social interaction that are critical to community cohesion and pride; enhance a sense of wellness; provide organized, structured, cognitively stimulating and enjoyable activities for all ages as well as provide a refuge of safety and care for all participants.
 - ii. Provides customer service, serving as a resource contact.
 - iii. Creates a source of revenue.
- 2) Provide five economically priced multi-purpose rooms available for rent or free to City Departments as requested and non-profit organizations or school youth groups, Monday thru Thursday.
 - a. Community Importance:
 - i. Provides a central-based meeting place for all entities whether public, private or corporate such as social gatherings, showers, receptions, parties for any occasion, training sessions, meetings, etc.
 - ii. Creates a source of revenue.

Costs and Benefits of Program and Services:

The adopted 2026 Community Center Program cost is \$456,842. The program benefits the community by providing the citizens with a centrally located meeting place offering varied recreation programs, events and services while serving a wide-age range of participants. The programs are offered at affordable rates to promote physical activity, social interaction, cohesion, and pride as well as enhance their health and well-being and aide in acquiring lifelong skills. The Community Center also serves as a rental facility for public, private, corporate and city functions, providing five economically priced multi-purpose rooms.

2026 Objectives:

- 1) Monitor program offerings and usage to ensure maximum use of Community Center and facilities within our community.
- 2) Continue to reduce number of call-ins for Community Center.
- 3) Maintain or increase online reservations for Community Center rentals.
- 4) Increase rental usage and attain average rating of good to excellent for all reservations surveyed through CivicRec.
- 5) Complete approved capital improvement projects to potentially include:
 - a. Continuation of AC unit replacement
 - b. Replacement of lower-level outdoor signage with digital sign
 - c. Replacement of wet/dry valve sprinkler system
 - d. VAV Replacement – Phase 1
 - e. Window Treatments replacements
 - f. Utilization of funds for repairs/updates throughout facility

2026 Budget Significant Expenditure Changes:

- 1) Salaries increased \$5,284 to reflect eligible step increases and cost of living adjustment (COLA).
- 2) Hourly Wages increased \$41,921 to reflect eligible step increases, COLA and the addition of an Administrative Assistant position.
- 3) Hourly Wages Part Time decreased \$21,00 due to reallocation of wages to Hourly Wages for the Administrative Assistant position.
- 4) FICA increased \$3,329 to reflect wages increases and the addition of an Administrative Assistant.
- 5) Retirement increased \$3,831 to reflect wage increases, retirement contribution rate increase and the addition of an Administrative Assistant.
- 6) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$5,701 to reflect actual costs.
- 7) Training includes Management Training Seminars (1) \$125, Support Staff Training (2) \$150, First Aid/CPR Training (5) \$75.
- 8) Telephone decreased \$3,717 as a result of the new phone system.
- 9) Consulting increased \$125 to include Security/Fire/Elevator Monitoring Service (\$550).
- 10) Utilities decreased \$3,400 to reflect projected utility costs.
- 11) Other contractual services include various agreements for building maintenance requirements. (Fire Alarm testing, Elevator Inspections, Access Control Monitoring, HVAC Preventative Maintenance, Annual Boiler permit).

- 12) Memberships/Subscriptions increased \$203 to reflect projected dues. Includes the following music and movie licenses: MPLC (\$950), ASCAP (\$465), SESAC (\$1,278), BMI (\$472).
- 13) Capital Outlay includes \$15,000 for Community Center general improvements.

Historic Preservation Commission

Program Full Time Equivalent: 0

Program Mission:

The purpose of the Commission is to affect and accomplish the protection, enhancement, perpetuation, and use or improvement of sites, which represent or reflect elements of the City's cultural, social, economic, political or architectural history. The Commission serves to foster civic pride in the notable accomplishments of the past.

List of Program Service(s) Descriptions:

- 1) *Citizen Contact* – Receive input/questions from citizens on projects related to the areas of responsibility.
- 2) *Historic Districts / Places* – Responsible for the creation and maintenance of historic sites and districts.
- 3) *Historic District Plans* – Responsible for the development, update and implementation of historic district plans for each district.
- 4) *Historic District Education* – Responsible for the continuing education of the citizens about the historical heritage of the city and the historic properties designated.

Important Outputs:

- 1) *Preservation of historic structures, sites, and districts* – Funding provided through tax levy and state/federal grants. Preservation is important since the City of De Pere is known for its historic heritage, sites and districts.
- 2) *Creation of new historic sites and districts* – Funding provided through tax levy and state/federal grants. Studying and creating new districts is important since more buildings and areas qualify as the City ages.
- 3) *Education programs related to the program* – Funding provided primarily through grants. Education is important to help maintain and increase the overall quality of the City's historic background.

Expected Outcomes:

- 1) Maintain citizen contact levels in a manner that meets or exceeds the needs of the community.
- 2) Maintain or increase the overall quality of life of residents and visitors through the implementation of the City's historic preservation policies.

- 3) Maintain or increase the overall quality of life for the citizens in De Pere with a historic preservation program that enhances the historical heritage of the City.
- 4) Increase the awareness on the City's heritage and provide education to maintain the historic sites and districts in the City.

2026 Performance Measures:

- 1) Complete a 2026 Certified Local Government Sub-grant. A Evaluate if federal funding is available to apply for a grant for the potential Federal Register and State Register designation of a residential or commercial building. (January 2026 through September 2027).
- 2) Target three residential properties and three commercial properties, identified in the City's 2017 Historical & Architectural Resources Survey, to determine if there is an interest in becoming either federal and state designated, or locally designated, as historic in 2027 (July 2026).
- 3) Provide at least two education programs that continue the education on the historical heritage of the City. (May 2026 - Historic Preservation Month, and December 2026).

2025 Performance Measurement Data:

- 1) Complete a 2024 Certified Local Government Sub-grant. A \$6,000 sub-grant was awarded in 2024 for the potential Federal Register and State Register designation of a commercial building. (January 2024 through September 2025).
Result: The nomination paperwork was completed and approved ahead of schedule by HPC in June 2025.
- 2) Target three residential properties and three commercial properties, identified in the City's 2017 Historical & Architectural Resources Survey, to determine if there is an interest in becoming either federal and state designated, or locally designated, as historic (July 2025).
Result: Due to an unstable federal budget that provides grants that cover the costs of state and federal designations, the HPC chair determined that it was in the best interest of the residents to place this performance measure on hold for one year. Local designations were also placed on hold for one year unless specifically requested by a resident.
- 3) Provide at least two education programs that continue the education on the historical heritage of the City. (May 2025 - Historic Preservation Month, and December 2025).
- 4) Result: The first educational program was not completed.
- 5) Result: The second educational program occurs in December 2025.
- 6) Result: The previous year's educational program was about the history of street names.

Significant Program Achievements (August 2024 – July 2025):

- 1) October 2024 – HPC agreed to assist residents applying for WHS Preliminary Assessments.
- 2) December 2024 – Published street name history on the City website.
- 3) January 2025 – Submitted WHS annual report and updated HPC webpage to maintain CLG status.
- 4) January 2025 – Drafted 2025 project list for HPC initiatives.
- 5) March 2025 – Approved certificate of appropriateness for White Pillars (403 N Broadway) and changed the historic local site to a historic local structure status.
- 6) April 2025 – Submitted WAHPC Award nomination; 415 Main AV won for historic renovation.
- 7) June 2025 – Completed CLG-funded national district nomination for 127 N Broadway.
- 8) July 2025 – Installed four ARPA-funded residential historic district signs.

Existing Program Standards, Including Importance to Community:

- 1) Conduct a regular bi-monthly meeting of the Historic Preservation Commission on the third Monday of the month.
 - a. Allows actions required or requested on behalf of the community to be acted upon in a timely manner, including the Certificate of Appropriateness (COA) permits, and review of photo-documenting of historic structures prior to demolition.
 - b. Establishes a routine schedule for community involvement.
 - c. In 2025 the HPC continued to hold meetings every two months, which allowed additional time to complete tasks between meetings.

Costs and Benefits of Program and Services:

The adopted 2026 Historic Preservation program costs \$15,860. The program benefits the community by providing citizens with access to an online database that identifies historically designated properties and districts, educational information about preserving and restoring a property, and connections to state and federal-level funding sources for restorations of historic properties. The program benefits the community by providing citizens with representation in the discussion and implementation of the City’s historic preservation program. The program also benefits the community by providing education on the historical heritage of the city. Overall, the Historic Preservation program 2026 budget represents a \$5,000 or 23.97% decrease under the 2025 budget.

2026 Program Objectives:

- 1) Expand Historic District Signage. Extend signage into residential historic districts to enhance building identification and educate the public about the City's heritage.
- 2) Pursue CLG Sub-grant for Property Designation. Apply for a Certified Local Government sub-grant to formally designate residential, commercial, and institutional properties identified in the 2017 Historical & Architectural Resources Survey.
- 3) Advance Historic Designations. Use the 2001 and 2017 Surveys as guides to pursue local, state, and national historic designations for eligible buildings and districts.
- 4) Deliver Public Heritage Education. Offer at least two educational programs annually to inform property owners and residents about the City's history and available preservation resources.

2026 Budget Significant Expenditure Changes:

- 1) Seminars and Conferences. WAHPC Spring Conference (\$450), Local History Conference (\$200), National Trust for Historic designation travel to Madison (\$100).
- 2) Consulting decreased \$6,000 due to fewer abilities to obtain state and federal grants in 2026. Consulting includes additional consulting for historic preservation signage (\$3,200).
- 3) Memberships/Subscriptions. Fox Wisconsin Heritage Parkway (\$250). National Alliance of Preservation Commissions (\$100). WAHPC Membership (\$40). National Trust for Historic Preservation (\$20).
- 4) Historical Society membership contribution increased from \$10,000 to \$11,000.

Park and Rec Administration

Program Full Time Equivalent: 2.0

Program Mission:

To collaborate with the Board of Park Commissioners in developing policies as well as developing long term plans for quality park, recreation and forestry services to the residents of De Pere. The program is also responsible for overseeing and managing all other operations of the department.

List of Program Service(s) Descriptions:

- 1) *Development of Park Board Agenda* – Creates monthly agenda of items that require action by the Park Board.
- 2) *Future planning of park, recreation and forestry service* – Develops short and long term plans to help guide the department in offering applicable and beneficial programs and services to the community.
- 3) *Review, change and establish needed Policies* – Annual review of policies to provide municipal services and to promote the short and long term interests of the community.
- 4) *Department Budget Maintenance* – Develops the yearly capital and operational budgets in a fiscally responsible manner.
- 5) *Community feedback* – Receives community input and evaluates programs and services (i.e., Civic Rec Survey portal, Social Media, etc...).
- 6) *Park Design* – Works with Board of Park Commissioners revising and developing park design and layout.
- 7) *Supervision and leadership of management staff* –Evaluates and supervises management staff and skilled laborers.

Important Outputs:

- 1) *Comprehensive Park and Outdoor Recreation Plan* – Long range planning document that is funded by the Park Special Revenue Fund and guides the department in appropriately servicing the community with park and recreation services.
- 2) *Departmental Budget Proposal* – Activity and services by the department supported by property tax. This service is valuable to the City because it develops a structured and cost conscious plan for fiscal spending.
- 3) *Monthly Park Board agenda* – Program funded by property tax dollars. This service provides a structured monthly agenda to the Park Board and provides notification to the community on these topics.

- 4) *Park or facility development* – Program funded by property tax dollars. Provides professional insight and design to facilities to maximize safety, efficiency, and effectiveness for their proposed use.
- 5) *Park or facility changes* – Program funded by property tax dollars. Provides professional knowledge and guidance in revising current park layouts and amenities to ensure efficiency and effectiveness.
- 6) *Staff Communication and Supervision* – Program funded by property tax dollars. Conduct weekly staff meetings and quarterly all-department meetings, in addition to guidance and supervision of department managers. Ensures department mission and tasks are kept on track.

Expected Outcomes:

- 1) Maintain an updated Comprehensive Park and Outdoor Recreation Plan every five years.
- 2) Maintain clear and informative Park Board agendas.
- 3) Maintain clear and up to date policies.
- 4) Maintain the development of the proposed budget by August of each year.
- 5) Maintain a highly knowledgeable, skilled, and motivated workforce.
- 6) Ensure City facilities and buildings operate efficiently and effectively.
- 7) Increased program and citizen satisfaction as a result of adapting programs and services based on community feedback.
- 8) Maintain high quality, safe, efficient parks that meet community and neighborhood needs through the design of new parks and restructuring of current parks.

2026 Performance Measures (July 2025 – June 2026):

- 1) Review all See Click Fix submittals within 48 hours.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Receive all See Click Fix submittals within 48 hours.
 - a. Result: Over the past 12 months (July 2024 – July 2025), we have received approximately 115 submittals on See Click Fix. Of those 115 submittals the average acknowledgement took 8 days. This does not include submittals that were “Anonymous” as they are categorized differently.

Significant Program Achievements:

- 1) On-line registration implemented for shelter rentals, including the Nelson Pavilion.
- 2) Extension for Ice Arena Lease.
- 3) Created Park Naming Policy.
- 4) Completed and implemented revision to ordinance related to allowing dogs in the parks.
- 5) Obtained tourism grant from Brown County with cooperation from Definitely De Pere.

Existing Program Standards Including Importance to Community:

- 1) Conduct a regular meeting of the Board of Park Commissioners the third Thursday of the month.
 - a. Community Importance.
 - i. Allows actions required or requested on behalf of the community to be acted upon in a timely manner.
 - ii. Establishes a routine schedule for community involvement.
- 2) Draft budget proposed by August of each year to the Park Board.
 - a. Community Importance.
 - i. Provides community input and guidance to the department budgetary proposal.
- 3) Conduct weekly staff meetings and quarterly all department meetings.
 - a. Community Importance.
 - i. Provides a cohesive, knowledgeable, and motivated workforce.
- 4) Revision of long range Comprehensive Outdoor Plan every five years for parks, open space and leisure based programming.
 - a. Community Importance.
 - i. Provides coordinated plan to the City in an effort to accommodate park and open space needs of a growing De Pere.
 - ii. Provides professional analysis and input on revising or changing current park or leisure programs to better fit community needs and trends.

Costs and Benefits of Program and Services:

The adopted 2026 Park and Rec Administration program cost is \$325,162. The program benefits the community by providing the community with leadership and supervision to front line services within the department. In addition, this program is key to developing short and long term strategic planning for parks and open space, as well as develops the annual budget proposal.

2026 Objectives:

- 1) Provide timely and accurate meeting Park Board meeting agendas.
- 2) Implement park renovation of Wilson Park.
- 3) Expand robotic mower in key areas to improve park maintenance efficiency.

2026 Budget Significant Expenditure Changes:

- 1) Retirement increased by \$1,121 to reflect wages increases and retirement contribution rate increase.
- 2) Health, Dental, DIB, Life & Wks Cmp Insurance increased by \$5,334 to reflect health and dental insurance premium increase.
- 3) Training includes all department training \$1,025, customer service training for administrative assistant \$250, and \$625 for increased departmental wide safety training.
- 4) Telephone decreased \$4,000 due to reallocation of these expenses to the Municipal Service Center budget.
- 5) Seminars and conferences includes WPRA State Conference \$1,560, Office Support Workshop \$250, NRPA National Conference \$2,640.
- 6) Consulting includes \$5,000 for general consulting needs.
- 7) Membership/Subscriptions increased by \$30. Includes WPRA Membership \$450 and NRPA Membership \$180.
- 8) No Capital Outlay.

Parks and Public Lands

Program Full Time Equivalent: 8.47

Program Mission:

Develop and maintain parks, recreational areas and leisure facilities that are equally available to all citizens and to enhance their well-being and environment. It is also to help protect our resources for future generations.

List of Program Service(s) Descriptions:

- 1) *Turf Maintenance* – Mowing, fertilizing, aerating, planting, replacement, and restoration.
- 2) *Landscape Projects* – Including restoration of flower or shrub beds.
- 3) *Park Maintenance* – Maintenance on all park facilities (i.e. Tennis courts, playgrounds, etc)
- 4) *Recreational Field Maintenance* – Includes prepping and restoring baseball, softball, football, soccer and other recreational fields for scheduled usage.
- 5) *Snow Removal* – Includes park facilities, city-maintained sidewalks and select other facilities.
- 6) *Assist Other Departments* – Assisting other departments as necessary to help maximize City needs and/or emergencies.
- 7) *Geese Removal* – Program designed to use volunteers to discourage geese from using high use park areas.

Important Outputs:

- 1) *Maintain Turf/Grass* – Activity funded by property tax. Creates usable & aesthetically pleasing park and open spaces.
- 2) *Park Maintenance* – Activity funded by property tax. Results in clean, safe, & functional park facilities.
- 3) *Recreation Field Maintenance* – Activity funded by property tax. Results in safe & playable field conditions for youth & adult athletic programs.
- 4) *Snow Removal* – Activity funded by property tax. Clear City sidewalks and parking lots. Results in a safer and more usable condition for the public.
- 5) *Ice Rinks* – Activity funded by property tax. Installation and maintenance of five rinks in the City. These rinks allow children and adults the opportunity for inexpensive outdoor recreational activity during the winter.
- 6) *Maintained flower and shrub beds* – Activity funded by a combination of property tax funds and Beautification Committee funds. Prepare and install various locations throughout the City. These beds beautify numerous areas of the City and give citizens a better sense of community.

Expected Outcomes:

- 1) Maintain safe, playable & well-maintained sport facilities that provide a quality experience during athletic events.
- 2) Maintain clean and safe parks and open spaces that meet community expectations.
- 3) Maintain aesthetically pleasing park areas that enhance our community's quality of life and promote healthy lifestyles.
- 4) Increase inter-departmental cooperation and sharing to decrease costs. Share knowledge and investigate inter-governmental purchasing and sharing of equipment to decrease costs.
- 5) Increase response time for snow removal with better weather monitoring and increased cooperation with other departments in use of equipment.
- 6) Decrease number of geese in select parks, which results in less waste from the waterfowl and a more usable park.
- 7) Maintain numerous shrub/flower beds located in City roundabouts.

2026 Performance Measures (July 2025 – June 2026):

- 1) Perform thorough playground inspections monthly during peak season between April-November and bimonthly between December-March to ensure safe playground equipment.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Reduce seasonal time watering hanging baskets by 20% by use of self-watering baskets.
 - a. Result: The 45 self-watering baskets that we currently have cut watering time by 50% as they are filled 3 times per week as opposed to the fiberglass liners which are filled 6 times per week.

Significant Program Achievements:

- 1) Assisted with several local soccer tournaments (Select Soccer President's Cup and Tony Litt Soccer).
- 2) Worked with Street Dept. to maintain and identify more waste and recycle containers in select parks and to schedule regular pick-ups by crews.
- 3) Worked with numerous families to obtain and install memorial benches at Fox Point Boat Launch, Bomier Boat Launch, Wells Park, Legion Playground, Lawton Park, and James Street Parkway.
- 4) Install City banners and hanging pots in early spring. Banners and pots were installed within 2 weeks of Memorial Day.
- 5) Worked with various volunteers of community service individuals and service groups to help clean parks and trail systems.
- 6) Continued to market the memorial bench/tree program to be more visible.
- 7) Worked with the Communication Specialist to 'market' more of our contributions and programs to the public.

- 8) Continued a 5 day a week restroom cleaning schedule during the summer to help minimize exposures to the public and maintain a cleaner overall facility.
- 9) Assist with the installation and completion of new playground equipment at Rainbow Park.
- 10) Worked with a contractor to assist in maintenance of three large round-a-bouts and three small islands to reduce weed growth and garbage buildup.
- 11) Aided in operations for the De Pere Beer Gardens.
- 12) Thorough maintenance of the Nelson Family Pavilion.
- 13) Assist De Pere Beautification Committee throughout the summer growing season with planting, watering, weeding, mulching, and maintenance of city round-a-bouts and planting beds.
- 14) Prepare and maintain recreation fields and courts for soccer, baseball, softball, basketball, tennis, and pickleball daily.
- 15) Volleyball court restoration on 4 sand courts located at VFW, Legion, and Jim Martin Parks.

Existing program Standards Including Importance to Community:

- 1) Bi-weekly line trimming of parks & open spaces.
 - a. Community Importance
 - i. Ensures park areas are kept clean and aesthetically acceptable to the community.
- 2) Daily sport facility maintenance.
 - a. Community Importance
 - i. Provides safe and playable field conditions for thousands of youth and adults that participate in athletic events on a daily basis.
- 3) Weekly grass cutting.
 - a. Community Importance
 - i. Ensures grass is cut to an acceptable standard set forth by city ordinance, as well as community response.
 - ii. Creates an atmosphere within parks and open spaces that encourages use.
- 4) Garbage removal from parks and facilities approximately 2 times/week.
 - a. Community Importance
 - i. Maintains a clean park by removing unsanitary refuse.
- 5) Maintenance of flower and shrub beds.
 - a. Community Importance
 - i. Creates aesthetically pleasing areas around the City and enhances tourism.
- 6) Weekly maintenance of playgrounds.
 - a. Community Importance
 - i. Ensures the community that playgrounds are safe.

Costs and Benefits of Program and Services:

The adopted 2026 Parks and Public Land program budget is \$902,641. The program benefits the community by providing residents and other patrons with clean, well maintained, and adequately equipped recreational and leisure facilities.

2026 Objectives:

- 1) Improve park maintenance operations and efficiency during the spring and fall months.
- 2) Maintain clean and safe park areas that are aesthetically pleasing to users.
- 3) Remove snow from City sidewalks within 48 hours after completion of storm.
- 4) Maintain and prepare game fields/diamonds in accordance with league schedules.
- 5) Check on condition of park facilities within 1 working day of any larger events taking place in parks.
- 6) Create and develop a safe work atmosphere.
- 7) Monthly playground inspections during peak season to ensure proper maintenance and safety.

2026 Budget Significant Expenditure Changes:

- 1) Salaries increased by \$2,312 to include eligible step increases and cost of living adjustment (COLA).
- 2) Seasonal labor reduced by \$8,480 to reflect redistribution of seasonal wages to Forestry Seasonal Labor.
- 3) Training: Playground Safety training (3 people) \$1,500; Turf Equip/Main. (2 people) \$200; Safety programs (4 people) \$100; Turf training (2 people) \$200.
- 4) Seminars and Conferences includes: Turf Management (1 person) \$100; WPRAs Summer Park tour (1 person) \$300.
- 5) Consulting includes \$9,100 - Roundabout Maintenance cost, Nelson Pavilion Internet - \$600, Cross Connection maintenance \$250, \$400 – General services. Nelson Pavilion – Weekend cleaning - \$3,300, GPS Vehicle Tracking - \$3,120, Ashland and 8th Street maintenance - \$2,700, and City Hall Bed maintenance - \$3,500.
- 6) Operating supplies increased \$18,000. Most of this increase is due to implementing a preventative maintenance program for the poured in place fall surfacing for our playgrounds which is \$20,000.
- 7) Turf Chemical increased \$1,800 for additional weed control and fertilization of City Hall and Voyageur Park/Nelson Pavilion.
- 8) Memorial Benches increased \$7,650 to accommodate popularity in Memorial Bench program. Revenues counter the increase in expense.
- 9) Ice Arena Repair and Maintenance Supplies increased \$100,000 for upgrades and repairs including dehumidification control replacement, sidewalk replacement and HVAC upgrades and repair.
- 10) No Capital Outlay.

Forestry

Program Full Time Equivalent: 2.25

Program Mission:

Expand and upgrade our successful urban forestry program. Preserve, protect and improve our environment and enhance the aesthetics of our community. Work together with other departments to form alliances to better serve the public.

List of Program Service(s) Descriptions:

- 1) *Insect and Disease Control* – Help monitor and control native and invasive pests of trees and shrubs in the City of De Pere.
- 2) *Prune Trees and Shrubs* – Continue to train and safety prune trees and shrubs on all City grounds.
- 3) *Removal of Trees and Shrubs* – Remove undesirable, unsafe or unwanted trees, shrubs and plants on all City owned properties including ROWs.
- 4) *Plant Trees, Shrubs and Flowers* – Continue to offer our tree planting program in spring and fall. Plant shrubs and flowers where needed and desirable.
- 5) *Landscaping Projects* – Install and maintain various beds on City grounds and ROWs.
- 6) *Assist Other Departments* – Assisting other departments as necessary to help maximize City needs and/or emergencies.
- 7) *Community Education* – Educate the community on matters of insect and disease concerns and control. Educate members of the community on proper pruning and other matters of Forestry.
- 8) *Review of Landscaping Plans* – Review and provide recommendations to proposed site plans of business developments.
- 9) *Unsafe Tree Condition Response* – Respond in a timely manner to all unsafe tree conditions created when adverse storms move into our immediate area or other contributing factors exist that cause damage.

Important Outputs:

- 1) *Planting of trees and shrubs in City parks and ROW* – Activity funded by property tax and fees. Result in a younger, rejuvenated urban forest long-term.
- 2) *Pruning of trees and shrubs in City parks and ROW* – Activity funded by property tax. Result in a more managed and maintained urban forest.
- 3) *Removal of trees and shrubs in City parks and ROW* - Activity funded by property tax. Results in less risk trees in the urban forest.

- 4) *Community Presentations to school and service groups* – Activity funded by property tax. Contributes to community education regarding Forestry matters.

Expected Outcomes:

- 1) Maintain a healthy urban forest that enhances quality of life and increases property values.
- 2) Decrease the number of calls about insects and diseases by educating residents of identification and control measures.
- 3) Maintain or increase number of trees pruned in the City.
- 4) Maintain the amount of risk trees removed.
- 5) Maintain a healthier urban forest in Spongy Moth infested areas.
- 6) Increase the number of trees planted in the parks and public areas to help maintain the City’s canopy cover and to continue replacing losses that occurred due to Emerald Ash Borer and other insects or diseases.
- 7) Maintain the amount of shrub and/or flowerbeds in the City to continue to beautify select areas.
- 8) Maintain our assistance of other departments to help minimize costs and contribute to a healthy relationship between the departments.

2026 Performance Measures (July 2025 – June 2026):

- 1) Increase interest in city wide tree planting through our current grant and tree planting program to plant 150+ trees in 2026.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Prune 600+ terrace trees in 2025 to improve tree health, truck clearance, and aesthetics throughout the city.
 - a. Result: Through July 31st the arborists have pruned 877 in 2025. We anticipate pruning 300+ more trees throughout the remainder of the year for a total of 1200+ trees pruned

Significant Program Achievements:

- 1) As part of our Arbor Day Program, forestry staff assisted West De Pere Intermediate Elementary School students in planting 2 trees with financial assistance from Wisconsin Public Service.
- 2) Partnered with New Leaf Foods to plant 12 donated fruit trees within our city owned urban orchards.
- 3) Partnered with West De Pere Intermediate Elementary School youth group to plant 4 trees at Southwest Park.
- 4) Increased tree pruning operations from 723 trees in 2024 to 877 trees through July 31st, 2025.

- 5) City staff ground/restored 98 stumps in 2024 and 55 thus far in 2025. We anticipate grinding an additional 60+ stumps before the end of 2025.
- 6) Received Tree City, USA award.
- 7) Partnered with the GB Packers, National Forest Service and WDNR to obtain and plant 26 donated trees in a program called 'First Downs for Trees'.
- 8) Worked with De Pere Beautification Committee to prep and plant various beds, pots and roundabouts in the City.
- 9) Assisted with installation of banners and hanging baskets in the downtown areas of the city.
- 10) Shift primary operations from tree removal to tree pruning.

Existing program Standards Including Importance to Community:

- 1) Regular community education through presentations and media.
 - a. Community Importance
 - i. Help citizens become more informed about our services and many environmental concerns found throughout our community.
 - ii. Assists in developing grass roots support in maintaining and developing a healthy urban forest.
- 2) Scheduled tree maintenance and removal.
 - a. Community Importance
 - i. Aids in our urban forest remaining healthy by eliminating risks in terraces and other ROWs. By maintaining a healthy urban forest, it also increases the value of the City's infrastructure. The department has a goal of pruning every tree approximately every 5 years. The department also has a goal of removing high risk trees within one working day and risk trees within one month.
- 3) Yearly insect and disease monitoring and control.
 - a. Community Importance
 - i. Provides consistent monitoring of threats to our urban forest, that left unmonitored could have a catastrophic effect on our urban forest. Two of the newest include monitoring for Emerald Ash Borer and Japanese Beetle.
- 4) Spring and Fall Tree Planting Program for residents and in parks/ROWs.
 - a. Community Importance
 - i. Provides homeowners with the opportunity to enhance their property value at a minimal cost. Many economic and social importances follow a healthy, increasing, well maintained, urban forest.

- 5) Respond to resident tree issues within one working day.
 - a. Community Importance
 - i. Provides quick response to potential threats of our urban forest and sets a high standard of customer service. This allows our department to diagnose threats and the urgency of the threat.

Costs and Benefits of Program and Services:

The adopted 2026 Forestry program budget is \$382,901. The program benefits the community by providing an urban forest that is continuously maintained. By maintaining the urban forest, the City helps to eliminate risky trees in the terrace, in parks and other ROW areas. The program also helps to minimize damage to all trees in the city by identifying and helping to control pests of those trees. By maintaining a healthier, managed urban forest the community benefits from reduced air pollution, rainwater filtration, noise pollution, heat reduction, increased property values and reduced storm water run-off. A healthy, managed urban forest contributes to dozens of other social and economic benefits as well.

2026 Objectives:

- 1) Address all tree complaint issues in a timely manner within the City.
- 2) Receive Tree City USA award.
- 3) Monitor Emerald Ash Borer population and continue to educate residents of options and consequences.
- 4) Continue to replant trees in parks and ROWs where ash have been removed to help mitigate stormwater and return health, social economic and environmental benefits to the areas.
- 5) Continue to update and improve tree inventory records.
- 6) Remove all stumps within one year of tree removal.
- 7) Primary focus on street tree pruning for aesthetics, public safety, tree health and large vehicle clearance.

2026 Budget Significant Expenditure Changes:

- 1) Salaries increased by \$2,312 to reflect eligible step increases and cost of living adjustment (COLA).
- 2) Seasonal labor increased by \$9,900. Seasonal labor expenses were reallocated from the Parks and Public Lands Seasonal wage account.
- 3) Health, Dental, DIB, Life & Wks Cmp Ins increased by \$3,610 to reflect health and dental insurance premium increase.
- 4) Training increased by \$75, which includes Wisconsin Arborists Association Spring conferences \$450, and Wisconsin Arborists Annual Conference \$900.

- 5) Seminars and Conference includes Wisconsin Arborist Association conferences - Fall and Annual (1 person) \$550; Management Educational programs (1 person) \$300.
- 6) Consulting increased \$4,500 and includes \$3,600 for Invasive Species Control, \$700 for General Consulting, and \$4,500 for a contracted removal of a hazardous tree.
- 7) Equipment Maintenance decreased by \$9,400 due to the elimination of start up supplies for new forestry truck.
- 8) Memberships/Subscriptions increased by \$230. Includes Wisconsin Arborist Association (2 persons) \$130; International Society of Arboriculture – (2 persons) \$320; Society of Municipal Arborists – (1 person) \$80; Tree care brochure – (1 person) \$60, and ISA recertification \$230.
- 9) Operating Supplies decreased by \$4,800 due to elimination of start up purchases for new arborist and one time purchase of iPad for City Forester.
- 10) Trees increased by \$9,500 to plan for a Tree Incentive Program which would allow residents to acquire street trees for a flat fee of \$100. Correlating revenues increased by \$4,500 which makes the net change to the overall budget \$5,000.
- 11) No Capital Outlay.

Boat Ramps

Program Full Time Equivalent: 0.15

Program Mission:

Provide safe and efficient facilities to launch watercraft, while enhancing boater access to the Fox River.

List of Program Service(s) Descriptions:

- 1) Maintain park and launch facilities on a weekly basis.
- 2) Sale of day passes on site and season passes at City Hall and the Municipal Service Center.
- 3) Thirteen total boat ramps for launching.
- 4) Bathroom facilities and parking for 150 boats/trailers at 3 launches.

Important Outputs:

- 1) *Daily to weekly maintenance and cleaning of the facility* – Activity funded by property tax and boat launch fees. Provides for safe and sanitary launch conditions, in addition to prolonging the life expectancy of the facility and reducing capital costs.
- 2) *Posting of launch conditions on website* – Activity funded by property tax. This allows both residents and tourists to monitor the condition of the launch.
- 3) *Sell day and season passes* – Activity funded by property tax. The sale of daily passes on site allows one-time users the flexibility to only purchase for their use. The sale of season passes allows a user to purchase passes once and use all launches in Brown County.

Expected Outcomes:

- 1) Increased quality of life to community through access to Fox River for recreational activities which include fishing, water skiing, special event participation, sight-seeing, etc.
- 2) Maintain clean and safe boat ramps through routine maintenance.
- 3) Increase revenue generated from the sale of day and season passes.
- 4) Reduce waterfowl population at all ramps.

2026 Performance Measures (July 2025 – June 2026):

- 1) Reduce the number of call ins related to the Ticket machine by 5%.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Respond to all ticket machine malfunctions within 24 hours.
 - a. Result: All ticket machine malfunctions were responded to and acknowledged within 24 hours.

Significant Program Achievements:

- 1) Maintained clean and safe boat launches.
- 2) Conducted preventative maintenance on ticket machines.
- 3) Posted daily boat launch conditions on City website in the spring.

Existing program Standards Including Importance to Community:

- 1) Clean launch sites 1 – 2 times/week. This helps to maintain a safe launch site for users.
 - a. Community Importance
 - i. Reduces and or eliminates unsanitary conditions from occurring.
- 2) Maintain bathroom facilities 1 – 5 times/week.
 - a. Community Importance
 - i. Reduces and or eliminates unsanitary conditions from occurring.
- 3) Monitor launch conditions in the spring on a daily basis.
 - a. Community Importance
 - i. Allows users of the facilities to better plan and prepare when they can use the facility. Eventually will lead to more people using the facility sooner and increasing tourism.
- 4) Sell season passes at the MSC and City Hall.
 - a. Community Importance
 - i. Provides alternate locations for out of area visitors and community residents to purchase season passes in a convenient location. This increases revenue for the City and allows users to have flexibility when purchasing their passes.

- 5) Offer automated ticket machines at 2 of the 3 city boat launches.
 - a. Community Importance
 - i. Allows the users of the facility flexibility for payment options. This system also saves City department's time and energy with a more efficient collection system.

Costs and Benefits of Program and Services:

The adopted 2026 Boat Ramps program budget is \$35,833. The program benefits the community by providing safe, clean facilities to launch watercraft and to provide the community with access to the Fox River.

2026 Objectives:

- 1) Maintain clean and safe boat launches for our users.
- 2) Put in docks at Fox Point and Perkofski Boat Launches as soon as possible in the spring to maximize use during spring walleye run.
- 3) Provide daily and at times hourly updates on boat launch conditions in the spring.

2026 Budget Significant Expenditure Changes:

- 1) Retirement increased \$40 to reflect wage increases and retirement contribution rate increase.
- 2) Telephone decreased \$600 as a result of the new phone system.
- 3) Consulting increased by \$7,050 to include funding to have weekend cleaning of Fox Point and Bomier due to high traffic and reallocation of credit card transaction fees from Finance to Boat Ramps (\$3,600).
- 4) Equipment Maintenance increased by \$1,250 to reflect growing repair needs to aging docks and ticket machines.
- 5) No Capital Outlay.

Parks Equipment/Vehicle Maintenance

Program Full Time Equivalent: 0.5

Program Mission:

Provide proper maintenance to all equipment and vehicles assigned to department. Provide equipment and vehicles that are safe and dependable to be operated on a day-to-day basis.

List of Program Service(s) Descriptions:

- 1) *Maintenance and repairs to all park equipment and vehicles* – Staff conduct routine maintenance (Oil changes, rotate tire, seasonal tune-ups, etc.) on all vehicles and equipment in addition to repairing broken or malfunctioning items on vehicles and equipment.

Important Outputs:

- 1) *Conduct preventative maintenance on all vehicles and equipment* – Activity funded by property tax and ensures all vehicles and equipment maintains their life expectancy as well as run efficiently.
- 2) *Repairs to all department vehicles and equipment* – Activity funded by property tax and ensures the departments fleet are operational with minimal down time.

Expected Outcomes:

- 1) Maintain all equipment and vehicles are running at their highest level of fuel efficiency possible.
- 2) Decrease equipment down time through preventative maintenance.
- 3) Repair equipment and vehicles in a quick and efficient manner to reduce or eliminate staff down time.

2026 Performance Measures (July 2025 – July 2026):

- 1) Reduce transportation cost by 5% through the use of electric vehicle implemented into the fleet.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Reduce maintenance expenses by 1% through annual inspections and pre-season tune ups.
 - a. Result: An analysis of the maintenance budget revealed a reduction of 3% in expenses over the listed time frame.

Significant Program Achievements:

- 1) Conducted routine maintenance checks every 3,000 miles on all vehicles.
- 2) Approved replacement of wood chipper after months of repair work.
- 3) Replaced Car #11 with an all-electric vehicle.
- 4) Purchased hybrid truck for Park Superintendent and put in fleet.

Existing program Standards Including Importance to Community:

- 1) Tune ups conducted on all mowers and equipment prior to being put into use for their season.
 - a. Community Importance
 - i. Ensures equipment is running efficiently and minimizes breakdowns over the season.
- 2) Oil changes conducted every 3,000 miles on all vehicles.
 - a. Community Importance
 - i. Prolongs the life of the vehicle and aids in the prevention of major repair costs and/or breakdowns.
- 3) Repairs to vehicles and equipment.
 - a. Community Importance
 - i. Allows staff to perform tasks needed in maintaining parks and open spaces.
- 4) Routine maintenance on all vehicles.
 - a. Community Importance
 - i. Ensures the life expectancy of the vehicle is maximized and becomes less of a burden to the tax payer, by not having unnecessary high replacement costs.

Costs and Benefits of Program and Services:

The adopted 2026 Park Equipment/Vehicle Maintenance budget is \$117,724. The program benefits the community by maintaining equipment and vehicles used in performing necessary functions of the departments operation.

2026 Objectives:

- 1) Implement the use of additional robotic mower to improve playing experience on baseball field and reduce staff time.
- 2) Provide regular maintenance on fleet vehicles to ensure maximum efficiency and usage.
- 3) Maintain database of fleet equipment and vehicles in an effort to identify condition.

2026 Budget Significant Expenditure Changes:

- 1) Retirement increased \$204 to reflect retirement contribution rate increase.
- 2) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$808 due to changes in insurance plan elections.
- 3) Consulting includes charges for when vehicles or equipment need to be sent out for service.
- 4) No Capital outlay.

Recreation and Recreation Programs

Program Full Time Equivalent: 4.1

Program Mission:

Establish and maintain City-wide recreational activities that will be economically provided to City of De Pere residents of all ages with adequate, convenient, equitable and high-quality recreational opportunities on a year-round basis.

List of Program Service(s) Descriptions:

- 1) *Recreation Programs/Services* - Provide a wide variety of recreation programs, events and services to people of all ages – resident and non-resident youth to adults and senior citizens.
- 2) *Summer Day Camps, Kidz Zone & Playgrounds Programs* – Safe, fun, socially interactive, educational and cost-effective recreation programs and activities offered during the summer and before/after school hours for families in cooperation with local schools and the City.
- 3) *League Support* - Subsidies offered to 4 major user groups in the City: De Pere Area Baseball; De Pere Rapides Youth Soccer; Youth Hockey; De Pere Girls Softball Association.
- 4) *Adult Leagues* - Leagues include adult softball (summer and fall leagues), basketball, and pickleball leagues.
- 5) *Recreation Scholarship Fund* - Established to provide recreational opportunities for youth and families who have demonstrated financial need.

Important Outputs:

- 1) Leisure/Recreation Programs:
 - A) Activity funded by property tax and private funds.
 - B) A variety of well-rounded programs are offered for all ages in and around our community, which include recreational, educational, socially interactive, health & wellness, arts, enrichment, humanities and public service.
 - C) Offering and participating in recreation programs increases the quality of life in the community, decreases juvenile issues in the community, creates a healthier community, increases socialization and promotes learning of life-long skills.
 - D) Provide programs for the community that are affordable.
 - E) Internal and external programming offered in conjunction with AARP, Humana, City Health, Police & Fire Departments and the schools promote cooperation and a cost savings.

- 2) Summer Day Camps, Kidz Zone & Playground Programs:
 - A) Summer Day Camps & Kidz Zone Programs funded by private funds; Playground Program funded primarily by property tax, minimally by private funds.
 - B) Programs are community-based, economical, socially interactive, educational, safe and fun.
 - C) Kidz Zone and Summer Day Camp programs additionally fill a need for working parents providing care for their children.
 - D) A strong, collaborative partnership is established with the school districts and the City.
- 3) Financial Assistance to Youth User Groups:
 - A) Funding provided through property taxes.
 - B) Assisting with the offering of youth user groups increases the quality of life in the community and creates a healthier community.
 - a) De Pere Area Baseball
 - b) De Pere Rapides Soccer
 - c) Youth Hockey
 - d) De Pere Girls Softball Association
- 4) Adult Leagues:
 - A) Funded through team/player registration fees. Maintenance of fields funded by property tax.
 - B) Offering and participating in leagues increases the quality of life in the community and creates a healthier community.
 - a) Summer Softball
 - b) Fall Softball
 - c) Basketball
 - d) Pickleball
- 5) Marketing, Advertising and Publicity of Programs and Services:
 - A) Funding for department brochure is provided through contractual agreement and private advertising sales; other avenues are at no cost.
 - B) Ensuring quality marketing and publicity of programs and services helps maintain an informed community and increases participation in programs:
 - a) Department brochure w/ authentic pictures
 - b) Interior digital signage at Community Center and City Hall
 - c) Flyers to local schools and daycares
 - d) Information updates on the City website
 - e) Social media outlets
 - f) City Newsletter
 - g) Personal communications and email blasts through our recreation software

- 6) Recreation Scholarship Fund:
 - A) Funded through support of local service organizations and community members.
 - B) Established to provide residents in the City of De Pere the opportunity to participate in recreation programs offered by the Park, Recreation & Forestry Department, regardless of financial status.
 - C) Scholarships are available only for instructional programs, special events, pool passes, swim lessons, City sponsored youth leagues, Summer Playgrounds, Kidz Zone and Summer Camp Programs.
 - D) Scholarships are awarded on a first come, first served basis and will be awarded only as long as there are available funds.
- 7) Staff Recruitment & Retention:
 - A) By offering competitive wages for employees in a variety of roles, staff retention has stabilized and recruitment enhanced.

Expected Outcomes:

- 1) Sponsored programs enhance the quality of life through partnering with other organizations and reducing the financial impact on the City.
- 2) Youth, Family, Adult and Senior programs enhance the quality of life by reducing juvenile issues in the community, provide family bonding time, increase social interaction with community members, create a healthier community, and increase the learning of lifelong skills.
- 3) Programs offered increase exposure to and participation in arts, enrichment and humanities programs.
- 4) Programs offered increase opportunities for participants and staff to strengthen relationships and connections within the community.
- 5) Adult Athletic Leagues enhance the quality of life for adults and create a healthier community.
- 6) Maintain varied recreation programs & services for people of all ages in our community at the lowest possible costs and continue to provide recreation scholarships to those who are financially burdened.
- 7) Instructional based programs and leagues offered will maintain a “break even” or better cost basis.
- 8) Increase and promote online registration as the preferred method of registration versus other methods.
- 9) Maintain capacities in Summer Day Camp and Kidz Zone Programs that are profitable and near or at maximum capacity.
- 10) Increase overall participation in Summer Playground Program to aid in the reduction of program expenses and determine validity of program. Obtain financial donations to help fund and support playground program.
- 11) Continue to stay competitive with the job market to attract and retain qualified seasonal, part-time and full-time staff.

2026 Performance Measure (July 2025 – June 2026):

- 1) Increase revenue for adult leagues by focusing on increasing teams/participants to offset the expenses of higher wages.

2025 Performance Measures Data (July 2024 – June 2025):

- 1) Attain an average rating of very good to excellent for all recreation programs surveyed through CivicRec.

Result: A brief 4-question survey was sent via CivicRec to participants after the completion of every program. Ratings ranged from 5 (excellent) to 1 (poor). A total of 1,225 responses were collected. Average ratings are shown below.

1. How would you rate the program? - 4.71
2. How would you rate the instructor? - 4.81
3. How would you rate the facility? - 4.75
4. How would you rate our technology? - 4.68

According to this, we have achieved the goal of very good (4) to excellent (5) in all 4 categories.

Significant Program Achievements:

- 1) Transitioned to digital timesheets and schedule processes for all recreation-based programs.
- 2) Updated digital onboarding process with HR support and continued to work on streamlining the process.
- 3) Continued to enhance marketing efforts which increased attendance at our recreation programs and events. Staff sent out timely email blasts nearly daily showcasing upcoming events/workshops/programs. Worked closely with the City's Communications team to build photo/video base to aid in promoting programs/events through various methods – authentic pictures in brochures, on website and social media posts. Utilized OptiSigns for digital display of activities and rentals at the Community Center along with publicity of upcoming programs/events.
- 4) Fully staffed all programs (high percentage of returning staff) and maintained a decent sub list for year-round programs along with summer camp, Kidz Zone and playgrounds. Hired new yoga instructors, pom, dance, youth activity instructors and sports league umpires, officials and scorekeepers. Successfully found replacement staff/subs for instructors that had surgeries or left position.
- 5) Successfully expanded recreation programming to Nelson Family Pavilion which included: Tai Chi and new Sunrise Serenity Yoga classes, Photography Workshops, Movie in the Park, multiple Therapy Dog & Goat Yoga events, Paintin' Pottery Workshop, and a Fall Floral Workshop.

- 6) Explored and enhanced the CivicRec software to optimize the program's capabilities. This included:
 - a. Transitioned Summer Camp registration to an online format which previously was drop off registration.
 - b. Streamlined online registration processes for adult leagues which addressed challenges with digital waivers.
 - c. Utilized program rollover feature to input new the new brochure program information.
- 7) Continued collaboration with Community Police Officers for camp/park playground training. Worked with Fire personnel to facilitate a consistent training portion from them.
- 8) Youth Special Events: annual outdoor Easter Egg Hunt - volunteers filled over 6,500 eggs and over 400 children attended the event with their families. Summer Carnival - 3 businesses sponsored 6 games with volunteers. Due to high popularity of our Candy Bar Bingos, Park Playground Staff held one in the summer for the first time. Increased Kids Night to Rule the Pool from two to three events in the summer with great success.
- 9) Multi-Generational Special Events: Partnered with Allouez on two Movies in the Park with both hosting one at their respective park; both departments acquired a sponsor to cover movie rights costs. Held our third Puzzle Mania with a Green Bay Packers themed puzzle to celebrate the NFL Draft; event filled up with 15 teams plus a waitlist. The Packers donated all prizes with an estimated value of \$615.
- 10) Continued implementation of weekly park hosted activities into our Park Playground Program. Each week two parks hosted water games on Wednesdays and one park hosted a special activity on Thursdays. The goal of this is to promote children attending different parks and to meet new staff and make new friends. With the installation of water at Kiwanis Park, they were able to include water games into their planned activities as those are a favorite amongst the kids.
- 11) Moving the Park Playground Program to Jim Martin Park was beneficial to our community as this park continues to be one the of the parks with the highest registration.
- 12) Based on the success of our Summer 2025 Olympics, we again collaborated with Allouez and Bellevue Summer Camps for a field day event.
- 13) Due to demand, added an additional mini camp (Ooey Goey Science) which filled along with additional art workshops for preschoolers and school-agers.
- 14) Ran successful outdoor pickleball league and indoor program at Westwood Elementary. Saw a 25% increase in registrations from 2024-2025.
- 15) Promoted adult league offerings to increase participation – 30+ Men's Softball League total teams registered increased this season while other softball and basketball leagues were at or under expected registration levels. Staffing levels for all adult leagues were successfully increased following the increase of pay rates in 2025.
- 16) Renewed contractual agreements with Green Bay Tennis Inc., YEL (Youth Enrichment League); De Pere Unified School District, West De Pere School District, & Our Lady of Lourdes School for cooperative programming in the schools and Inner Dimensions Wellness for Mindful Body Movement and Sound Bowl Meditation classes.

- 17) Partnered with Humana and their local Field Agents on free monthly presentations with various topics involving senior needs. A few examples include Crock Pot Recipes on a Budget, Tech 101, Protect Yourself from Scams, and Five Steps to Advance Care Planning. These are attended by 3-15 seniors each month.
- 18) Senior Programming continues to have card groups utilizing the lower-level space every afternoon Monday – Thursday. This is a popular way the seniors of our area like to get out in the community and socialize. We are receiving a lot of interest from area senior care based businesses on donating to and partnering with us on events. These include Heartland Hospice, Moments Hospice, Rennes Group, Humana and Senior Life Care Advisors. They will be setting up resource tables at our popular Senior Picnic and donating raffle baskets. Other ways they have helped was by donating the bingo prize money for our luncheons and providing snacks and beverages for a music show. We look forward to continuing these partnerships and expanding on them for the future.
- 19) Held a Pet Halloween Costume Contest for both the community and city staff.
- 20) Revised the Recreation Scholarship Program to include any member of our community – not just youth as we have seen an increase in need from other members of our community. The fund continues to grow strong – we currently have a healthy balance of \$50,119. In 2024, a total of 57 scholarships were awarded for Family Swim Pool Passes and other recreation programs/workshops. As of July 2025, 49 scholarships have been awarded.

Existing Program Standards Including Importance to Community:

- 1) All registration-based programs shall financially sustain themselves.
 - A) Community Importance:
 - a) Programs offered are not a financial burden to the taxpayer or to the community and can be a source of revenue.
- 2) All programs offered are evaluated by staff and participants to ensure programs are adapting to the demands of the community.
 - A) Community Importance:
 - a) Programs offered are based on feedback from the users and reflective of current needs, wants and trends.
- 3) Provide financial support annually to youth user groups to assist in offering an economically affordable program.
 - A) Community Importance:
 - a) Strengthens partnerships and collaborations with organizations within the community.
 - b) Strengthens communication with citizens in what we do and what we have to offer.
 - c) Provides opportunities for youth to participate in sport-related activities outside of a school setting.
- 4) Implement and maintain cost-effective Summer Day Camp and Kidz Zone Programs
 - A) Community Importance:
 - a) Meets a specific need and demand within our community while remaining cost-effective to our participants.
 - b) Provides socially interactive, educational, and fun programming in a safe atmosphere.

- c) Strengthens and enhances the collaborative partnership with the schools providing cooperative programming at affordable costs.
- d) Programs financially sustain themselves and create a significant source of revenue for the City.
- e) Utilizes facility during low traffic hours maximizing available times.

Costs and Benefits of Program Services:

The adopted 2026 Recreation and Recreation Programs cost is \$784,358. The program benefits the community by providing residents an opportunity to participate in programs that enhance their health and well-being, promote family cohesiveness and positively impact their sense of community. The Recreation Programs are offered to be fiscally achievable for the participant and offered in convenient locations throughout the City. In addition, Recreation Programs provide financial support to youth groups to encourage and enhance participation in the activities.

2026 Objectives:

- 1) Maintain a variety of recreational programs that expand to all age groups.
- 2) Continue to explore and enhance the new CivicRec software to optimize the program’s capabilities.
- 3) Pursue changes in job responsibilities and structure to the Recreation Division due to a retirement, expansion of Beer Gardens and demanding workloads.
- 4) Explore working with both school districts and the HR Department for a summer hiring job fair.
- 5) Employ every effort to accommodate the large waitlists for our programs; i.e. adding new classes, additional instructors, etc. to meet demand.
- 6) Expand programming at Nelson Pavilion including special events, multi-generational events/workshops, and programs.
- 7) Continue to work closely with Communications team to enhance our marketing efforts and build photo/video base for use in different publicity methods in an effort to increase program registrations and attendance at our events.
- 8) Grow the pickleball program by offering intro to pickleball clinics before summer leagues.
- 9) Restructure flag football staffing to better support staff and volunteer coaches in 2026 season and continue to solicit sponsorships for program.
- 10) Continue to attain sponsorships for the playground program, various special events and programs to offset costs.
- 11) Expand senior program offerings, building connections with senior care businesses and obtaining donations for events.
- 12) Enhance marketing efforts for Recreation Scholarship Program to increase scholarships awarded.

2026 Budget Significant Expenditure Changes:

- 1) Retirement increased \$1,675 as a result of wage increases and retirement contribution rate increase.
- 2) Training includes: Management training seminars (\$150), Recreational staff training (\$100).
- 3) Seminars & Conferences includes: WPRA Conference (2 people - \$1,200), Rec Workshop (1 - \$450), Meal reimbursement (\$250).
- 4) Other Contractual services includes Civic Rec service fees and misc hardware consulting expenses.
- 5) Memberships and Subscriptions includes: WPRA Professional Memberships (3 people - \$390), Sam's Club Plus Membership (\$120), Zoom Membership (\$150), Canva Software (\$300), Sling (\$2,735).
- 6) Transportation decreased by \$1,000 to reflect recent trends, which included full year use of Hybrid Vehicle.
- 7) No Capital Outlay.

Special Events/Celebrations

Program Full Time Equivalent: 0.15

Program Mission:

Assist various service and civic organizations, business groups and school districts in providing special activities and/or events for our citizens.

List of Program Service(s) Descriptions:

- 1) Program/Event Set Up – Assist organizations with event set up on public grounds.
- 2) Banner/Decoration Set Up & Take Down – Install and removal of banners and decorations at various locations in De Pere.
- 3) Operation of Beer Gardens.
- 4) Operation and running of Holiday Light Show.

Important Outputs:

- 1) Install decorations during the winter season at select locations in De Pere (lights, trees, banners). Activity funded by property tax. Decorations provide residents a sense of community, as well as creating a comfortable and welcoming feeling to visitors and residents.
- 2) Continue to work with organizations, groups and the School Districts to better serve the community. This collaboration generates community pride as well as better and more cost effective special events for the community. Activity funded by property tax.
- 3) Install large banners over Reid St as needed. Activity funded by property tax or user group. Allows community or city related events to utilize a prime marketing location for special events.
- 4) Assist in set up of large community events, which provides for a more cost-effective event and experience for the community. Activity funded by property tax.
- 5) Operate multiple Beer Gardens.

Expected Outcomes:

- 1) Maintain successful special events that aid in community pride, enhance quality of life, and promote tourism in the community.
- 2) Increased communication with organizations, groups and School Districts when helping to set up for events and celebrations. This helps increase operational efficiencies and decrease site concerns.
- 3) Maintain or increase amount of locations with decorations.
- 4) Maintain festive atmosphere during select seasons.

2026 Performance Measures (July 2025 – June 2026):

- 1) Obtain a summer total attendance of at least 8,500 people at the Beer Gardens.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Obtain at least 25 rentals of the Nelson Pavilion.
 - a. Result: There were a total of 33 rentals of the Nelson Pavilion (23 were paid rentals and 10 were non-paid rentals).

Significant Program Achievements:

- 1) Set up holiday decorations and banners.
- 2) Started a walking only portion of the Holiday Light Show.
- 3) Implemented weekly Beer Gardens at the Nelson Pavilion.
- 4) Ran Holiday Light Show with a record attendance of 3,600 cars
- 5) Assisted with several large-scale special events (i.e. Celebrate De Pere, Rock the Dock, Pink Flamingo, etc...).

Existing program Standards Including Importance to Community:

- 1) Provide labor and planning assistance to various groups, organizations and School Districts for large community events in the City of De Pere.
 - a. Community Importance.
 - i. This benefits the community by having efficient, safe and well-run events and celebrations take place in the City and to create positive messages and experiences for participants.

Costs and Benefits of Program and Services:

The adopted 2026 Special Events/Celebrations program budget is \$60,895. The program/service benefits the community by creating more organized and positive participation in the activities.

2026 Objectives:

- 1) Research and expand Beer Garden concept to a traveling beer garden.
- 2) Consider adding an additional night of music to the Nelson Pavilion.
- 3) Cooperate with organizations to carry out successful Holiday Light Show.
- 4) Implement remote Point of Sale at events.

2026 Budget Significant Expenditure Changes:

- 1) Seasonal Labor increased by \$315 to reflect increases in seasonal labor wages.
- 2) Retirement increased \$39 to reflect wage increases and retirement contribution rate increase.
- 3) Operating Supplies increased \$11,814 to purchase IPAD/Computer to implement remote Point of Sale and general growth of events.
- 4) No Capital Outlay.

GENERAL FUND REVENUES

General Fund Revenues

PROPERTY TAX LEVY:

General Property Tax Levy for General Fund purposes decreased \$253,688. The total property tax levy for all funds increased \$1,843,116.

	Actual 2025	Budgeted 2026	% of Change
General Fund Levy	\$10,818,149	\$10,564,461	-2.35%
Special Revenue Fund Levy	\$ 387,177	\$ 370,849	-4.22%
Capital Projects Fund Levy	\$ 1,454,099	\$ 1,470,427	1.12%
Tax Increment District (TID) Levy	\$ 1,854,945	\$ 2,298,710	23.92%
Debt Fund Levy	\$ 4,757,123	\$ 6,410,162	34.75%
TOTAL LEVY	\$19,271,493	\$21,114,609	9.56%

SIGNIFICANT REVENUE CHANGES:

TAXES:

- 1) Mobile Home Fees increased \$900 to reflect 2025 actuals.
- 2) Payment in Lieu of Taxes decreased \$90 to reflect 2025 actuals.
- 3) Retained Sales Tax increased \$15 to reflect trends.
- 4) Housing Authority increased \$3,000 to reflect trends.

INTERGOVERNMENTAL REVENUE:

- 1) State Shared Revenue-Expenditure Restraint decreased \$8,699 due to the State’s estimate.
- 2) State Fire Insurance increased \$20,000 to reflect trends.
- 3) State Grants decreased \$94,000 as we research grant opportunities to offset the ADA audit expenditures.
- 4) State Aid for Police Training increased \$7,040 due to an increase by the State.
- 5) General Transportation Aids increased \$283,142 due to the State’s estimate.
- 6) Health Matching Grants decreased \$12,419 to reflect decreases in grant awards and match grant expenditures.
- 7) COVID 19 Grants decreased \$14,000 as grants have ended.

LICENSES AND PERMITS:

- 1) Operator's Licenses increased \$9,200 to reflect the estimated license renewals.
- 2) Cigarette Licenses increased \$200 to reflect the actual number of licenses issued in 2025.
- 3) Cable Television Franchise License decreased \$90,000. These funds were reallocated to Fund 209 Cable.
- 4) Other Permits and Fees increased \$1,500 to reflect prior year's actuals and increased fees.
- 5) Dog License increased \$560 to reflect department estimates and increased fees.
- 6) Building Permits decreased \$93,000 to reflect department estimates and increased fees.
- 7) Commercial Permit Review decreased \$1,700 to reflect department estimates and increased fees.
- 8) Sanitary Sewer Excavation increased \$1,673 to reflect department estimates and increased fees.
- 9) Electrical Permits increased \$17,000 to reflect department estimates and increased fees.
- 10) Plumbing Permits increased \$6,200 to reflect department estimates and increased fees.
- 11) Zoning Permits and Fees increased \$11,600 to reflect department estimates and increased fees.
- 12) CSM/Plat Reviews decreased \$1,700 to reflect department estimates and increased fees.
- 13) Excavation Permits increased \$15,900 to reflect department estimates and increased fees.

FINES AND FORFEITURES:

- 1) Court Penalties and Costs decreased \$64,000 to reflect prior year's actuals and trends.
- 2) Parking Violations decreased \$10,400 to reflect trends.

PUBLIC CHARGES FOR SERVICE:

- 1) Clerk-Passports decreased \$1,450 to reflect department estimates due to additional elections next year.
- 2) Clerk's Office Admin Fees increased \$8.100 to reflect estimated increases to special event application fees.
- 3) License Publication Fees increased \$300 to reflect department estimates.
- 4) Police Department Fees increased \$950 to reflect trends.
- 5) Background Checks increased \$220 to reflect trends and increased fees.
- 6) Garbage & Recycling Fees increased \$12,400 due to additional dumpster enclosure.
- 7) Snow Removal Charges decreased \$6,276 due to department estimates.
- 8) Recycling Containers increased \$2,550 due to department estimates.
- 9) Forestry decreased \$2,125 due to department estimates.
- 10) Memorial Benches increased \$7,650 offsetting the budgeted expenses for this program.
- 11) Athletic Facility Fees increased \$10,560 to reflect trends and increased fees.
- 12) Daily Boat Fees decreased \$5,000 to reflect department estimates.
- 13) Beer Gardens increased \$15,464, offsetting the budgeted expenses for this program.

- 14) Holiday Lights increased \$9,500 to reflect department estimates.
- 15) Ambulance Fees from Townships increased \$53,068 to reflect updated contract amounts.

INTERGOVERNMENTAL CHARGES FOR SERVICE:

- 1) Payment for School Resource Officer increased \$22,345 to reflect department estimates based on new wage rates.

MISCELLANEOUS REVENUES:

- 1) Rents & Leases increased \$1,012 to reflect trends.
- 2) Property Sales decreased \$50,000 to reflect department estimates.

OTHER FINANCING SOURCES:

- 1) Fund Balances Applied increased \$418,261 consisting of \$318,261 to pay for one-time expenses and \$100,000 from prior-year management fees for the ice arena.

SPECIAL FUND

City of De Pere Economic Development Program Fund

THIS FUND REPLACED THE PRIOR REVOLVING LOAN PROGRAM ADMINISTERED BY THE CITY THROUGH THE STATE OF WISCONSIN

Program Mission:

The specific purpose for the expenditure of the funds has been designated for economic development purposes according to City Council Resolution 19-85,

In 1986, the Wisconsin Development Fund awarded De Pere \$595,000 to administer as part of the CDBG-ED Revolving Loan Fund program. Since then the City issued loans to new and expanding businesses located in the City of De Pere. The loan program focused on job creation for low and moderate-income individuals. In the spring of 2018, the Wisconsin DOA informed RLF governmental entities that spring reporting would be postponed due to a HUD monitoring scheduled for May 2018. The findings from that monitoring session resulted in a proposed Substantial Amendment that proposed CDBG-CLOSE. In 2019, the City received full control over the program funds. Following the repayment of outstanding RLF loans and the Pandemic Response Loans, the Economic Development fund has an equity balance of \$936,736 and \$64,819 in outstanding revolving loan fund debt (including interest).

There is one outstanding loan - Battle House GB, LLC \$4,748 (\$4,733 principal, \$14 interest including interest, and 3 months of COVID deferred payments)

In 2024 the City created the following programs for the Economic Development Fund and funded them with the preliminary amounts. The Common Council approved the initial program; however, the funding should be reviewed and adjusted annually based on the utilization or availability of other federal or state funds. All actions from this program would require Finance and Personnel Committee review and Common Council authorization prior to expenditures.

- 1) Locally Funded Revolving Loan Program – \$443,100.
- 2) Downtown Business Recruitment Grant – “Experience De Pere” - \$150,000.

- 3) Brownfield Property Acquisition and Remediation Program – \$410,000.
 - a. Task 1: Program Development
 - b. Task 2: Evaluation of (8) Catalyst Brownfield Sites
 - c. Task 3. Assessment, Remediation Planning, Onsite Remediation Work
 - d. Task 4. Future Grant Application Support

List of Program Service(s) Descriptions:

- 1) *Revolving Loan Fund* – Based on the items identified in the Tax Increment District (TID) Plans, state or federal grants, or other economic development efforts; funds are provided to those projects to assist with existing business growth.
- 2) *Downtown Business Recruitment Grant* – Assist in locating new or expanding businesses to downtown in the effort to achieve 95 to 100% occupancy in the downtown.
- 3) *Brownfield Property Acquisition and Remediation Program* – Assist with the necessary identification, planning, and cleanup of environmentally contaminated sites in the City.

Important Outputs and Expected Outcomes:

- 1) *Revolving Loan Project Financing for Capital Equipment* – The City provides funding for existing development for the purchase of capital equipment to grow the existing business that would not directly benefit from TIF. Growing the existing businesses in the community is important since the use of the funds helps to create new jobs or increase the business footprint in the community. The principal and interest on any RLF are paid by the holders of the RLF agreement.
- 2) *Downtown Business Recruitment Grant* – Filling vacant spaces is vital to the continued success of downtown De Pere and the grant program is a pivotal part in helping new businesses overcome the challenges of the first few months of income while they establish their business base.
- 3) *Brownfield Property Acquisition and Remediation Program* – Brownfields become a long-standing eyesore in the community and a deterrent to redevelopment. Remedial action and efforts of the program should be directed to brownfield sites located outside of a TID or in a TID when a fund gap still exists after TIF funds have been exhausted.

2026 Performance Measures:

- 1) *Revolving Loan Fund* – Successfully grant two loans to two businesses either in the downtown or business park.
- 2) *Downtown Business Recruitment Grant* – Utilize any remaining funds to recruit new businesses to the downtown and commercial areas.

- 3) *Brownfield Property Acquisition and Remediation Program* – Continue the success of the program and utilize funds to prepare two remedial action plans.

2025 Performance Measurement Data:

- 1) *Revolving Loan Fund* – Establish new program rules and applications for a locally funded program.
Results: Ongoing. Expected Fall 2025.
- 2) *Downtown Business Recruitment Grant* – Utilize any remaining funds to recruit new businesses to the downtown and leverage the success of the program to apply to the WEDC to supplement the program and continue its success.
Results: Fully expended the program dollars and was awarded an additional \$100,000 from the WEDC to expand the program.
- 3) *Brownfield Property Acquisition and Remediation Program* – Complete the Brownfield Operating Program and complete the tasks identified in Task Order No. 1 with the City’s brownfield consultant (Phase 1 assessment, cut sheets for redevelopment on closed brownfield sites, etc). Not all of the brownfield efforts will come from the Brownfield Fund. The City will attempt to use TIF funds in the respective districts prior to using the Brownfield Fund.
Results: Ongoing.

Significant Program Achievements:

- 1) *Revolving Loan Fund* – Met with 5 existing local businesses looking for low-interest loans to assist with capital equipment growth. The program is being created this year and will be available in the late fall of 2025.
- 2) *Downtown Business Recruitment Grant* – In 2025, the City approved five additional small business recruitment grants
- 3) *Brownfield Property Acquisition and Remediation Program* – Secured a brownfield consultant to assist with remedial action efforts.

Costs and Benefits of Program and Services:

The cost of the Economic Development Program is shown in either the administration of the program, direct grants to businesses, issuances of revolving loans, or expenditures in the brownfield program. By February 2025 all outstanding funds were paid back to the RLF account; however; by the end of 2025, the City will have expended funds through administration of the program, Downtown Business Recruitment Grant funds, consulting costs directly related to the Brownfield Program program. Therefore, the fund could have a balance of \$860,000 by the end of 2026. This does not include any potential brownfield acquisitions/remediations that could

arise in 2026. Any future revolving loan fund expenditures would be counted against the total fund equity balance but would be paid back according to the terms of any future agreements.

2026 Budget Significant Expenditure Changes:

- 1) Retirement increased by \$37 due to increase in retirement contribution rate.
- 2) Health, Dental, DIB, Life & Wks Comp Ins increased by \$4 due to increase in health and dental insurance premiums.
- 3) Brownfield Program decreased by \$17,500, but is a development driven and fund could be expended as development projects arise.
- 4) Downtown Business Recruitment Grant expenditures increased by \$20,000 due to the new revenue from the WEDC.

City of De Pere Affordable Housing Fund

Program Mission:

Increase affordable housing opportunities in the City of De Pere by incentivizing a diversity of housing stock, repairing the older and more affordable housing products, encouraging restoration of upper stories residential units in the downtown, and partnering with non-profit organizations striving to provide more affordable housing options in the communities.

The City created TID No. 6 as an industrial TID on the west side on March 3, 1998. The TID had a maximum life of March 3, 2021, and was extended for 1 year to capture funds for affordable housing. In 2022, the City received \$1,968,527 to use in affordable housing and for general housing stock improvement. Each municipality must identify its affordable housing needs and develop a plan. State law requires a municipality to use the funds for affordable housing and to describe how it will use the funds in its affordable housing extension resolution. In 2021 the City stated a minimum of 75% of the funds received by extending TID No. 6 for affordable housing will be used throughout the community by implementing neighborhood and affordable housing initiatives that included:

- (1) A housing stock improvement program for those who qualify under the affordable housing program guidelines
- (2) An affordable housing development program to include affordable units, as defined by WHEDA and CDBG limits, in residential or mixed-use developments;
- (3) A second story/upper story activation program to renovate and update units within and around the downtown for affordable units; and

The City can amend desired programs after receiving the funds provided at least 75% of the funds are used for affordable housing. In 2023, the City expanded the program by requiring all 100% of program funds to be used for affordable housing and added two additional program opportunities.

- (1) Affordable Lot Purchase Program
- (2) Rock The Block by Habitat for Humanity partnership

Program Service(s) Descriptions:

- 1) *Increasing affordable housing opportunities* through the inclusion of affordable units in mixed-use developments, new and existing neighborhoods, and in older downtown buildings.
- 2) *Improving the existing housing stock* by modernizing and improving the housing stock in De Pere while maintaining affordability for homeowners and buyers with zero-interest loans

Important Outputs and Expected Outcomes:

- 1) *Affordable Housing* – Increasing affordable housing opportunities through the inclusion of affordable units in mixed-use developments, new and existing neighborhoods, and in older downtown buildings.

2026 Performance Measures:

- 1) *Affordable Housing Stock Improvement Program*
 - a. Establish new program rules and applications for the locally funded program.
 - b. Consider expanding the loan and removing matching requirements in exchange for a larger low-interest loan.
 - c. Rebrand the program
- 2) *Upper Story Activation*
 - a. Terminate the program as the State of Wisconsin/WHEDA created a more appropriate program and transfer fund to a separate action.
- 3) *Affordable units in residential or mixed-use developments*
 - a. Craft program rules for affordability targets within each development.
 - b. Identify an agency or internal plan to monitor affordability compliance.
- 4) *Affordable Lot Purchase Program*
 - a. Reserve lots within the SW area plan for partnership affordable housing opportunities.

2025 Performance Measurement Data:

- 1) *Affordable Housing Stock Improvement Program*
 - a. Establish new program rules and applications for the locally funded program.
Result - Complete

- b. Consider expanding the loan and removing matching requirements in exchange for a larger low-interest loan.
Result - Complete
- c. Rebrand the program
Result - Complete
- 2) *Upper Story Activation*
 - a. Terminate the program as the State of Wisconsin/WHEDA created a more appropriate program and transfer fund to a separate action.
Result - Ongoing
- 3) *Affordable units in residential or mixed-use developments*
 - a. Craft program rules for affordability targets within each development.
Result - Ongoing
 - b. Identify an agency or internal plan to monitor affordability compliance.
Result – Complete with drafting of Development Agreement for Phoenix of De Pere
- 4) *Affordable Lot Purchase Program*
 - a. Reserve lots within the SW area plan for partnership affordable housing opportunities.
Result - Complete

Significant Program Achievements:

- 1) *Affordable Housing Stock Improvement Program* – Completed two loans between Jan 2024 and August 2024.
- 2) *Rock The Block by Habitat for Humanity partnership* – Completed the Sept 2024 program and facilitated an After Action Review (AAR) for process improvement in 2026 (west side)

Costs and Benefits of Program and Services:

The cost of the Affordable Housing Program is \$1,108,160 but is developer/development driven. The fund will grow in 2026 by \$373,310 in revenue through the use of the affordable housing extension for TID 8 prior to closure. The program benefits the community by providing citizens with increased affordable housing and residential rehabilitation funds. The program also benefits the community by providing a strong economic and housing program that provides the ability for citizens to continue to reside within their community. Overall, the Affordability Housing Fund 2026 Budget represents a \$50,337 increase over the 2025 budget because of the new programs.

2026 Budget Significant Expenditure Changes:

- 1) Retirement increased by \$37 due to retirement contribution rate increase.
- 2) Health, Dental, DIB, Life & Wks Comp Ins increased by \$4 due to increase in health and dental insurance premiums
- 3) All Other expenses are developer/property owner-driven and thus subject to expenditures similar to TIF Districts. While the City plans for projects during the budget process, it does not mean that projects are bonded in the next fiscal year. The project must be ready to go in that year otherwise it will be deferred.

Wastewater Treatment Services Fund

Program Mission:

The Wastewater Treatment Services Fund is used to account for transactions pertaining to wastewater treatment services provided to City customers by the Green Bay Metropolitan Sewage District (GBMSD). Wastewater treatment services provided to Ahlstrom-Munksjo, SC Acquisition, Fox River Fiber, and Sonoco Products, located within the City are invoiced directly by this fund. The fund is also used to account for transactions pertaining to the collection system. The estimated fund balance and assets of the Wastewater Treatment Services Fund at December 31, 2025 is \$31,064,483.

List of Program Service(s) Descriptions:

- 1) Performed regular flushing of City's sewer mains.
- 2) Repaired broken sewer mains as needed.
- 3) Repaired sewer manholes as needed.

2026 Performance Measures (July 2025 – June 2026):

- 1) Respond to 100% of emergency calls within 45 minutes of receiving them in order to prevent potential property damage.

2025 Performance Measurement Data: (July 2024 – June 2025):

- 1) Respond to 100% of emergency calls within 45 minutes of receiving them in order to prevent potential property damage.
 - a. Result: All calls were responded to within 45 minutes

2026 Program Objectives:

- 1) Continue regular flushing of City's sewer mains.
- 2) Continue televising of City's sewer mains.
- 3) Repair sewer mains and manholes as needed.

2026 Budget Significant Expenditure Changes:

- 1) Maintenance increased \$247,828 to reflect actual capital project and equipment costs.
- 2) Billings & Collection increased \$32,500 to reflect increased charges from Green Bay Water Utility for billing software upgrades.
- 3) Administration increased \$376,820 to reflect increase in employee wages, retirement contribution rate, and health and dental insurance premiums.
- 4) Capital Outlays:
 - a. Televising & Repairs \$870,000.
 - b. Sewer Lining and Repair \$266,000.
 - c. Sewer Lining Easements & Alleys \$160,000.
 - d. Manhole Rehabilitation and Pipe Joint Repair \$90,000.
 - e. Foundation Drain Program \$200,000.
 - f. Full Lateral Relay Program \$100,000.
 - g. Sewer Utility Share for Engineering for Replacing Public Works Administration Public Works Director Vehicle \$15,000.
 - h. Sewer Utility Share for Engineering for Replacing Engineering Vehicle #39 \$15,000.
 - i. Sewer Utility Share for MSC for Replacing Treadmill \$900.
 - j. Debt Service Principal & Interest Payments \$107,500.

2026 Budget Significant Revenue Changes:

- 1) Utility Billings – Paper Mills increased \$470,510 to reflect 3% estimated increase in sewer charges from GBMSD.
- 2) Transfer From Other Fund increased \$320,000 to reflect payment from water utility.

Public Land Acquisition Fund

The Public Land Acquisition Fund was created to account for fees collected on building permits for residential construction that can be used by the City to acquire open space land for parks, recreational areas and other City operations necessary to meet the needs of the community. The estimated fund balance for the Public Land Acquisition Fund on December 31, 2025 is projected to be \$150,000.

Cable Access Fund

Program Full Time Equivalent: 1.35

Program Mission:

Make local government accessible to the citizens of De Pere to promote citizen access and exposure to local government and further government accountability. Produce and broadcast public information regarding City business and events. Assist the City departments with audio/video projects. Enhance City social media and marketing efforts. Offset operational costs through donations and sponsorships.

List of Program Service(s) Descriptions:

- 1) *Disseminate Public Meetings* – Bring video/audio of public meetings and pertinent government business to the citizen’s television and internet enabled device.
- 2) *Bulletin Board* – Fill time slots with informational bulletins associated with government or community business and events.
- 3) *Produce Shows* – Produce, televise, and make available online shows and videos directed at the City’s current business or community projects.

Important Outputs:

- 1) *Public Meetings* – Activity funded by Cable Access Fees. Currently the Common Council, Finance/Personnel Committee, Plan Commission, Board of Public Works, Board of Park Commissioners, Historic Preservation Commission, Sustainability Commission, Redevelopment Authority, License Committee, Board of Appeals, and Board of Health meetings are recorded and televised multiple times per week on a rotating schedule to service viewers on all work shifts. Meetings are digitally streamed live and available for on demand viewing online. Eventually all meetings will be televised allowing viewers to follow legislative items from committee through Common Council.
- 2) *Bulletin Board* – Activity funded by Cable Access Fees. A slideshow of pertinent information related to City business. The content contains brochure, news and general information keeping residents informed on a routine basis.
- 3) *Shows* – Activity funded by Cable Access Fees. 15-to-30-minute television shows addressing specific government business or public events are produced to extend discussion of pertinent issues facing the community beyond what public meetings provide.

- 4) *Video Content* – Activity funded by Cable Access Fees. Serving the needs of the City organization to create videos of specific training or promotional events. Creating short segments of informational programs and enhance City social media efforts.
- 5) *Internet Presence* – Activity funded by Cable Access Fees. Make available channel content via an on-demand internet presence.
- 6) *Internal Support* – Activity funded by Cable Access Fees. Make available audio and visual equipment and assistance to City departments.

Expected Outcomes:

- 1) Up-to-date citizen knowledge of current government business, services and community projects.
- 2) Public awareness of recreational activities and events.
- 3) Citizen’s in-depth understanding of specific government programs and related organizations’ activities.
- 4) Citizen knowledge of local business community.

2026 Performance Measures (July 2025 – July 2026):

- 1) Record 100% of scheduled televised public meetings through Dec. 31, 2026.
- 2) Obtain 500 YouTube subscribers by Dec. 31, 2026.
- 3) Create new primary City welcome video featuring Mayor by Nov. 1, 2025.

2025 Performance Measurement Data (July 2024 – July 2025):

- 1) Record 100% of scheduled televised public meetings through Dec. 31, 2025.
 - a. Result: Recorded 100% of meetings thus far.
- 2) Increase overall video views by 10% via YouTube by Dec. 31, 2025.
 - a. Result: In our measurement cycle, we’ve raised viewership by roughly 110%, including an increase of over 60,000 more views on video content.
- 3) Create new primary City Recruitment/Hiring Video by Nov. 1, 2025.
 - a. Result: This project has been pushed off until late 2026. Due to the upcoming development of a new internal mission and vision philosophy for our organization, as well as several core areas of City facilities being renovated (first floor City Hall, MSC, etc), it was determined it would be better to hold off and integrate these new visual and philosophical components into this project.

Significant Program Achievements:

- 1) Maintained a perfect public meeting production record, more than 1,110 meetings since the channel was relocated from St. Norbert College to City Hall.
- 2) Increased online video viewership by over 110 percent, year over year.
- 3) Continue to receive awards for video production from the Best of the Midwest Media Fest.
- 4) Created informational spots for upcoming and current City services.
- 5) Created important traffic and Southern Bridge construction PSAs.
- 6) Created Fire Recruitment Video and additional virtual park tours.

Existing Program Standards Including Importance to Community:

- 1) Professionally produce and broadcast public meetings and City business content 24/7.
 - a. Community Importance
 - i. Eliminates the time and distance requirement along with the costs associated with attending meetings.
 - ii. Allows for complete re-viewing of past meetings above meeting minutes.
 - iii. Meetings are broadcast during three different segments of the day, 24/7, so TV viewers on all work shifts receive programming. In addition, meetings are available on demand via internet presence.
 - iv. City information is displayed repeatedly to service the intermittent TV viewer.
 - v. Programs provide insight into subjects not found elsewhere.

Costs and Benefits of Program and Services:

The adopted 2026 Cable Access Fund program cost is \$185,179 and other City business information along with general interest content from their home or business. The estimated fund balance of the Cable Access Fund at December 31, 2025 is \$0.

2026 Program Objectives:

- 1) Promote increased government transparency.
- 2) Increase audience through the TV channel and internet.
- 3) Promote the use of video to provide information to residents.

2026 Budget Significant Expenditure Changes:

- 1) Salaries increased \$2,311 due to eligible step increases and cost of living adjustment (COLA).
- 2) Hourly Wages increased \$3,521 due to eligible step increases and COLA.
- 3) FICA increased \$448 due to wage increase.
- 4) Retirement increased \$660 due to wage and retirement contribution rate increase.
- 5) Health, Dental, DIB, Life & Wks Cmp Ins increased \$3,111 due to health and dental insurance premium increase.
- 6) Training includes \$500 for professional development opportunities related to video editing and production.
- 7) Seminars and Conferences include Wisconsin Community Media (WCM) Annual Spring Conference for \$525.
- 8) Other Contractual Services is seeing a \$2,645 decrease due to second-year lower pricing of CivicClerk software, which we switched to in 2025 (first year) to distribute public meeting agendas and supporting materials online. Contractual Services also includes an annual Adobe Suite subscription for video editing and processing
- 9) Memberships & Subscriptions include WCM membership for \$310.
- 10) Capital Outlay includes \$25,000 for Wireless Mic Replacement and Audio Enhancements (5-year plan).

2026 Significant Revenue Changes:

- 1) Franchise Fees increased \$42,880 to reflect reallocation of funds from 60% General Fund/40% Cable to 100% Cable.

Aquatics Facilities

Program Full Time Equivalent: 1.05

Program Mission:

Provide a safe facility for the opportunity to learn proper swimming skills and to enjoy water-related facilities.

List of Program Service(s) Descriptions:

- 1) Lessons – provides swimming and diving lessons for participants six months old to adult. During the summer months progressive swim lessons are offered at Legion and VFW pool during the mornings. From September through May swimming lessons are offered in the evenings at Syble Hopp School.
- 2) Private Swim Lessons – One-on-one for individualized swim lessons to better meet the participant’s skill levels and flexibility of families’ schedules. Offered in the summer at Legion and VFW pools and in the school year at Syble Hopp School.
- 3) Water Aerobics – water fitness classes offered for adults Monday-Thursday at Legion pool and during the school year at Syble Hopp School. Water Fitness classes offered at Syble Hopp during summer season.
- 4) Youth Nights – scheduled programs youth to use the pool outside of the scheduled Open Swim hours, special activities, games and events are planned for the events.
- 5) Adult Master Swim Program –a competitive masters swim program offered at VFW on Monday evenings.
- 6) Youth Competitive Swim Program – a competitive swimming program for Junior High through College students offered at VFW on Monday, Wednesday, Friday mornings.
- 7) Lap Swim 6:45 – 8:30am (M/W (Legion); T/TH (VFW)); Open Swim – 1-5pm and 6-8pm* (M-F) and 1-6pm (Sat & Sun) throughout the summer provides participants an opportunity to enjoy the pool in a safe environment.
**Mondays at VFW and Wednesdays at Legion alternative programing offered during those time slots.*
- 8) Concessions – provides refreshments for pool participants.
- 9) Pool Rentals – use of aquatic facilities that cater to private events with use of inflatables, toys, and modified pool usage.
- 10) Pool Parties – limited guaranteed admission during evening open swim for pool party groups.

Important Outputs:

- 1) Progressive Swim Lesson Program: 109 lessons offered for participants six months old to adult.
 - A) Funded through user fees.
 - B) Offering swim lessons is a significant way we protect our community from preventable tragedy, drowning, and encourages healthy methods of exercise for all ages.
 - C) Offering and participating in swim lessons increases the perceived quality of life in the community, decreases juvenile issues in the community, and increases the learning of life-long skills.
- 2) Open Swim: 784 hours of open swim offered during the summer, two pools open seven days a week.
 - A) Funded through user day pass/seasonal membership fees, and department budget.
 - B) Offering and participating in open swim increases the perceived quality of life in the community, decreases juvenile issues in the community, and increases the learning of life-long skills.
- 3) Varied aquatic programming includes: family swim, lap swim, and water aerobics.
 - A) Funded through participant registration fees and user day pass/seasonal membership fees.
 - B) Multiple aquatic program offerings ensure efficient use of the pool facility and maximize pool usage. Offering and participating in open swim increases the perceived quality of life in the community, decreases juvenile issues in the community, and increases the learning of life-long skills.
- 4) Swimming pool programs and admissions are offered to be fiscally achievable for the participant and offered in convenient locations throughout the City.
 - A) Offering convenient and affordable programming increases opportunities for participation for the community.
 - B) Funded through user fees.
- 5) Pool Passes: Summer seasonal passes are sold to residents and non-residents for use of VFW Aquatic Center & Legion pool. Passes are purchased for the Main Pool, Family, or Lap Swim. Passes can apply to both pools or just Legion Pool.
 - A) Funded through user fees and property tax dollars.
 - B) Offering seasonal passes increases convenience and opportunities for participation and attendance for the purchaser.
- 6) Day Passes: Same daily admission fee for residents and non-residents for either the Tot or Main pool. Passes are good for the afternoon and evening for one set rate.
 - A) Funded through user fees.
 - B) Offering day passes increases convenience and opportunities for participation and attendance for the purchaser.

- 7) Pool Rentals: Pools are available for rent to residents and non-residents at VFW Aquatic Center & Legion Pool during non-programming and non-open swim hours.
 - A) Funded through user fees.
 - B) Offering pool rentals helps increase revenue and adds a special opportunity for private parties for any occasion or for work events.

Expected Outcomes:

- 1) Programs offered will maintain a “break even” or better cost basis.
- 2) Programs offered shall increase the quality of life in the community through a community survey.
- 3) Programs offered reduce juvenile issues in the community.
- 4) Swimming pools will maintain a staffing level that provides a safe environment and quality programming.
- 5) Program offerings will increase learning of life-long and life-saving skills.
- 6) Locations will maintain a safe and entertaining family-friendly environment.

2026 Performance Measure (August 2025 – July 2026):

- 1) Increase participation in pool special events by 3%.

2025 Performance Measurement Data (August 2024 – July 2025):

- 1) Increase season pass sales by 3%.
 - a. Result: Season pass sales decreased in 2025 by 8.8%. Fees were increased for passes, possibly impacting the total number of pass sales.

Significant Program Achievements:

- 1) Collaborated with the Fire Department and Police Department for pool staff in-service.
- 2) Streamlined onboarding process for new hires in collaboration with HR.
- 3) Hired 78+ qualified staff to fully staff aquatics programs and facilities. Interviewed 46 candidates for summer seasonal positions and hired 39 new applicants.
- 4) Certified 25 staff in CPR for the Professional Rescuer and 20 staff as Lifeguards internally.

- 5) Received CPR variance from the State of Wisconsin for annual CPR certification requirements of Lifeguards saving over \$600 in anticipated certification expenses.
- 6) Ensured Facility Attendants certified in Safe Food Handling practices.
- 7) Senior Pool Manager obtained Certified Pool Operator license.
- 8) Updated certificate reimbursement process for Pool Facility Attendants.
- 9) Expanded private swim lessons during the school year at Syble Hopp. Serving a total of 200-250 participants.
- 10) Added a competitive youth swim program with 23 participants in collaboration with local High School Swim Coaches.
- 11) 547 participants were served in the summer group swim lesson programs over 8 sessions at two locations.
- 12) Standardized our swim lesson program with universal daily lesson plans to address consistency issues.
- 13) Collaborated with Green Bay and Ashwaubenon to hold the NEWPRO Lifeguard Competition. Two teams of lifeguards from De Pere competed in the competition demonstrating their lifeguarding skills and physical fitness.
- 14) Increased pool rental and pool party revenue by 37% amounting to an additional \$6,386 in revenue.
- 15) Replaced the holds on the VFW rock wall to fix an ongoing issue with the holds loosening and spinning.
- 16) Replaced VFW concessions freezers and reduced product waste.
- 17) Expanded concession products to include popcorn (241 sold to-date) and pulled pork nachos (86 sold to-date).
- 18) Transitioned to digital timekeeping year-round.
- 19) Collaborated with maintenance to reduce pool chemical overuse at VFW and Legion.

Existing Program Standards Including Importance to Community:

- 1) All registration-based programs shall financially sustain themselves.
 - A) Community Importance:
 - a) Programs offered are not a financial burden to the taxpayer or to the community and can be a source of revenue.
- 2) All programs offered are continuously evaluated by staff and by participants to ensure programs are adapting to the demands of the community.
 - A) Community Importance:
 - a) Programs offered are based on feedback from the users and reflective of current needs and wants.
- 3) Swimming pools have Open Swim – 1-4:30 pm and 6-8:30 pm (M-F) throughout the summer and 1-6 pm (Sa & Su) which equates to (40 hours of open, recreational swim each week).
 - A) Community Importance:
 - a) Provides participants an opportunity to enjoy the pool in a safe environment.
 - b) Helps decrease juvenile issues in the community.

- 4) Swimming pools have morning lap swim two times a week at each pool; Legion (M/W), VFW (T/TH) 6:00 am – 8:00 am.
 - A) Community Importance
 - a) Provide community ability to enjoy the pool in a safe environment.
 - b) Provide ability for community to have time to use pool for fitness to improve on physical, emotional, spiritual, and mental well-being.
- 5) Swimming pool is staffed at a level that provides a safe environment and quality programming.
 - A) Community Importance:
 - a) Site is safe for participating in programming for users.
- 6) Effective maintenance of health records.
 - A) Community Importance:
 - a) Site that is approved by the Health Department.
 - b) All health records and operations are COVID-19 approved
- 7) Lifeguards must currently hold Lifeguard, First Aid/CPR and AED certifications.
 - A) Community Importance:
 - a) Well-trained and currently certified staff that are capable of providing the most up-to-date rescue and instructing skills.
- 8) Pool Facility Attendants must be certified in First Aid/ CPR & AED for the Professional Rescuer
 - A) Community Importance
 - a) Well-trained and currently certified staff that are capable of providing the most up-to-date rescue and instructing skills.

Costs and Benefits of Program Services:

The adopted 2026 Aquatics Facilities cost is \$700,259. The Legion Pool and VFW Aquatic Facility and aquatic programming at Syble Hopp School benefit the community by providing residents an opportunity to participate in aquatic programs that enhance their health and well-being, promote family cohesiveness and positively impact their sense of community. Swimming pool programs and admissions are offered to be fiscally achievable for the participant and offered in convenient locations throughout the City.

2026 Objectives:

- 1) Continue interdepartmental collaboration with the Health Department, Police Department, and Fire Department when planning seasonal training.
- 2) Hire and maintain adequate staffing at Legion Pool, VFW Aquatic Facility and at Syble Hopp.
- 3) Schedule Lifeguard Certification and CPR certification courses in spring to make use of our facilities & reduce class costs.
- 4) Certify managers and concessions staff in Food Handling and Safe Food practices.
- 5) Update certification reimbursement processes for staff to remain competitive with other local municipalities.
- 6) Expand and reimagine pool special events to make best use of existing equipment, facilities, and staff skills.
- 7) Continue Pool Manager training for succession purposes.
- 8) Research and prepare budget suggestions regarding Legion Pool temporary closure during future remodel.

2026 Budget Significant Expenditure Changes:

- 1) Overtime wages increased by \$4,540 to reflect trends of after-hour calls and needed overtime by staff.
- 2) Retirement increased by \$536 due retirement contribution rate increase.
- 3) Health, Dental, DIB, Life & Wks Comp Insurance decreased by \$2,075 to reflect current trends in insurance coverage.
- 4) Training increased by \$250. Includes LGI Certification/Senior Pool Manager - \$350, LG Management Certification/Pool Managers - \$500, LG recertifications - \$1,150, LG CPR recertifications - \$700, Food Handler Certifications - \$120, CPO Training - \$900, Work Permits - \$110, Misc - \$420.
- 5) Seminars and Conferences include attendance for Recreation Supervisor at Association of Professional Aquatic Conference - \$2,200.
- 6) Rentals decreased by \$6,650 to reflect a reduction in price from St. Norberts.
- 7) Utilities decreased by \$11,500 to reflect trending costs of water, gas and electric.
- 8) Equipment Maintenance increased by \$21,250 to include Slide Engineering Inspection (due 2026) - \$6,950, and Gel coating for runout slides - \$10,000 and an increase of \$1,000 in Annual Slide conditioning.
- 9) Membership and Subscriptions include \$75 for Association of Professional Aquatics.
- 10) Operating supplies increased by \$2,450 to purchase replacement computers for pools.
- 11) Pool Chemicals decreased by \$7,600 to reflect current trends of chemical use. Includes replacement Palin Test kits for pools.
- 12) Capital outlay includes \$5,500 for repair and updates to Tot Playscape at VFW.

DEBT SERVICE FUND

Debt Service Fund

The Debt Service Fund is used to record revenues and expenditures for the payment of general fund long term debt principal and interest for all City operations excluding revenue bond principal and interest for the water and wastewater utilities. Debt for the water and wastewater utilities is accounted for in the water and wastewater fund budgets.

EXPENDITURES

Bonds:

- 1) 2013 Bond Issue for \$5,650,000. Principal is \$160,000. Interest is \$19,719. Principal balance after the 2026 payments are made is \$395,000. Interest balance after the 2026 payments are made is \$22,838. Bonds are scheduled to mature in 2028.
- 2) 2014 Bond Issue for \$1,075,000. Principal is \$75,000. Interest is \$9,600. Principal balance after the 2026 payments are made is \$245,000. Interest balance after the 2026 payments are made is \$14,850. Bonds are scheduled to mature in 2029.
- 3) 2017 Bond Issue for \$1,700,000. Principal is \$225,000. Interest is \$12,788. Principal balance after the 2026 payments are made is \$240,000. Interest balance after the 2026 payments are made is \$6,600. Bonds are scheduled to mature in 2027.
- 4) 2018 Bond Issue for \$5,545,000. Principal is \$385,000. Interest is \$27,013. Principal balance after the 2026 payments are made is \$3,460,000. Interest balance after the 2026 payments are made is \$451,338. Bonds are scheduled to mature in 2033.

Notes:

- 1) 2016 Note issue for \$5,900,000. Principal is \$370,000. Interest is \$7,400. Note is scheduled to mature in 2026.
- 2) 2016 Taxable Note issue for \$890,000. Principal is \$90,000. Interest is \$2,025. Note is scheduled to mature in 2026.
- 3) 2017 Note issue for \$2,015,000. Principal is \$275,000. Interest is \$10,338. Principal balance after the 2026 payments are made is \$215,000. Interest balance after 2026 payments are made is \$4,838. Note is scheduled to mature in 2027.
- 4) 2018 Note issue for \$2,600,000. Principal is \$280,000. Interest is \$26,100. Principal balance after the 2026 payments are made is \$590,000. Interest balance after 2026 payments are made is \$26,700. Note is schedule to mature in 2028.

- 5) 2019 Note Issue for \$8,715,000. Principal is \$940,000. Interest is \$105,550. Principal balance after the 2026 payments are made is \$2,265,000. Interest balance after the 2026 payments are made is \$131,250. Note is scheduled to mature in 2029.
- 6) 2019 Taxable Note Issue for \$880,000. Principal is \$70,000. Interest is \$16,155. Principal balance after the 2026 payments are made is \$555,000. Interest balance after the 2026 payments are made is \$29,510. Note is scheduled to mature in 2029.
- 7) 2020 Note Issue for \$8,340,000. Principal is \$820,000. Interest is \$59,250. Principal balance after the 2026 payments are made is \$3,445,000. Interest balance after the 2026 payments are made is \$95,150. Note is scheduled to mature in 2030.
- 8) 2020 Taxable Note Issue for \$2,670,000. Principal is \$305,000. Interest is \$16,605. Principal balance after the 2026 payments are made is \$1,100,000. Interest balance after the 2026 payments are made is \$33,478. Note is scheduled to mature in 2030.
- 9) 2021 Note Issue for \$6,375,000. Principal is \$620,000. Interest is \$73,700. Principal balance after the 2026 payments are made is \$3,065,000. Interest balance after the 2026 payments are made is \$188,100. Note is scheduled to mature in 2031.
- 10) 2021 Taxable Note Issue for \$3,895,000. Principal is \$295,000. Interest is \$51,050. Principal balance after the 2026 payments are made is \$2,975,000. Interest balance after the 2026 payments are made is \$174,498. Note is scheduled to mature in 2031.
- 11) 2022 Note Issue for \$10,100,000. Principal is \$795,000. Interest is \$311,800. Principal balance after the 2026 payments are made is \$7,000,000. Interest balance after the 2026 payments are made in \$1,105,800. Note is scheduled to mature in 2032.
- 12) 2022 Taxable Note Issue for \$885,000. Principal is \$100,000. Interest is \$29,100. Principal balance after the 2026 payments are made is \$685,000. Interest balance after the 2026 payments are made is \$92,945. Note is scheduled to mature in 2032.
- 13) 2023 Note Issue for \$8,350,000. Principal is \$600,000. Interest is \$326,650. Principal balance after the 2026 payments are made is \$6,540,000. Interest balance after the 2026 payments are made is \$1,334,150. Note is scheduled to mature in 2033.
- 14) 2023 Taxable Note Issue for \$6,670,000. Principal is \$595,000. Interest is \$320,598. Principal balance after the 2026 payments are made is \$5,930,000. Interest balance after the 2026 payments are made is \$1,317,500. Note is scheduled to mature in 2033.
- 15) 2024 Note Issue for \$7,725,000. Principal is \$625,000. Interest is \$345,250. Principal balance after the 2026 payments are made is \$6,460,000. Interest balance after the 2026 payments are made is \$1,719,000. Note is scheduled to mature in 2039.

- 16) 2025 Note Issue for \$31,135,000. Principal is \$2,815,000. Interest is \$1,543,777. Principal balance after the 2026 payments are made is \$28,320,000. Interest balance after the 2026 payments are made is \$12,745,250. Note is scheduled to mature in 2045.
- 17) 2025 Taxable Note Issue for \$5,790,000. Principal is \$200,000. Interest is \$264,257. Principal balance after the 2026 payments are made is \$5,590,000. Interest balance after the 2026 payments are made is \$1,980,473. Note is scheduled to mature in 2040.
- 18) 2025 Note Anticipation Note Issue for \$6,980,000. No principal payments scheduled until 2030. Interest is \$276,873. Interest balance after the 2026 payments are made is \$1,116,800. Note is scheduled to mature in 2030.

Revenues:

- 1) Property tax levy is \$6,410,162.
- 2) Transfer from Capital Projects Fund (TID #7) is \$424,667.
- 3) Transfer from Capital Projects Fund (TID #8) is \$328,761.
- 4) Transfer from Capital Projects Fund (TID #9) is \$458,353.
- 5) Transfer from Capital Projects Fund (TID #10) is \$527,425.
- 6) Transfer from Capital Projects Fund (TID #11) is \$429,976.
- 7) Transfer from Capital Projects Fund (TID #12) is \$1,485,570.
- 8) Transfer from Capital Projects Fund (TID #13) is \$303,325.
- 9) Transfer from Capital Projects Fund (TID #14) is \$155,258.
- 10) Transfer from Capital Projects Fund (TID #15) is \$1,535,133.
- 11) Transfer from Capital Projects Fund (TID #17) is \$355,283.
- 12) Transfer from Capital Projects Fund (TID #18) is \$434,846.
- 13) Transfer from Pool Capital Projects Fund is \$379,976.
- 14) Unappropriated Surplus Funds of \$1,376,837 represents the TID 6 debt payment and prior year bid premiums used to pay future debt payments.

Tax Increment District Funds

Program Mission:

The mission of the Tax Increment Districts (TIDs) is to create jobs and increase the City tax base.

Note: Tax Incremental Finance, or TIF, is a financing tool that allows municipalities to invest in infrastructure and other improvements, and pay for these investments by capturing property tax revenue from the newly developed property. An area is identified (the tax incremental district, or TID) as appropriate for a certain type of development, and projects are identified to encourage and facilitate the desired development.

List of Program Service(s) Descriptions:

- 1) *Project Plan* – The project plan is the document for each district that outlines the activities/projects in each district that are planned during the life of the district.
- 2) *Financing* – Based on the items identified in the Tax Increment District (TID) Plan; funds are provided to those projects.
- 3) *Increment Collection* – The tax increment is collected by the City and captured within the TID fund. The dollars are used to pay off the financing and debt created by funding TID projects.

Important Outputs:

- 1) *Project Financing / Funding New Development* – The City bonds to provide funding for new development. The new development is important to the community since the use of the funds helps to create jobs or increase the tax base. The principal and interest on the bonds are paid by the new tax increment from the project.
- 2) *Project Financing / Funding Re-Development* – The City bonds to provide funding for re-development. The redevelopment is important to the community since the use of the funds helps to create jobs, increases the tax base, and improves the quality of the district. The principal and interest on the bonds are paid by the new tax increment from the project.

Expected Outcomes:

- 1) Projects identified in the project plan are implemented and the plan will be analyzed to determine if future projects shall be maintained or modified.
- 2) New development and redevelopment provide growth in the tax base and create new and retained jobs in the community.
- 3) Increased tax increment pays off the debt from the bonded projects.

2026 Performance Measures:

- 1) New development /redevelopment should have a projected return of 4/1 or better.
- 2) Marketing of the program to develop at least four projects per year.
- 3) Creation of a new Ashland Ave TID and SE Area TID
- 4) Complete periodic audits for all TIDs to understand the baseline of each TID and the impact of future projected projects and mill rates.

2025 Performance Measurement Data:

- 1) New development /redevelopment should have a projected return of 4/1 or better.
Result – Ongoing.
- 2) Marketing of the program to develop at least four projects per year.

Result – Development Agreements:

TID No. 15 – Phoenix of De Pere Multi-Family

TID No. 17 - Amerilux

TID No. 18 – 550 William St Mixed Use

TID No. 18 – Marriott Towneplace Suites

Business Park development projects have stalled or slowed due to the current market economy/tariffs.

Result - Completed Projects:

TID No. 7 – De Pere Tile and Stone/Salt Box Lighting relocation to 310 N Wisconsin ST.

TID No. 9 – Gavic Properties redevelopment of 417 Main AV

TID No. 10 – Belmark Plant 1 expansion at 600 Heritage RD and Plant 8 redevelopment at 1862 Commerce DR.

TID No. 10 – Valley Cabinet new manufacturing facility

TID No. 11 – Washworld expansion at 2222 American BLVD

TID No. 11 – Wolter new location at 1768 W Matthews DT

TID No. 11 – EDL new 45,000 sq ft/90 employee facility at 2005 Venture AV

TID No. 12 – Badgerland Supply expansion 1414 Builder CT

TID No. 12 – Revised agreement for Bayside Machine at 2257 American BLVD

TID No. 15 – Preserve Development multi-family, condominium and townhome growth on the former human campus

- 3) Creation of a new Ashland Ave TID and SE Area TID

Result: Ongoing, developer-driven

- 4) Complete periodic audits for all TIDs to understand the baseline of each TID and the impact of future projected projects and mill rates.
Result: Complete.

Significant Program Achievements:

- 1) Increment growth over the previous year: \$47,683,700 represents 53% increase over the 2023 increment growth and represents 13.82% of the total increment value in all TIDs.
- 2) Completed comprehensive annual TID report.
- 3) Prepare/Present ED 101 to local elected officials and the WEDA Basic Economic Development Course.

Existing Program Standards Including Importance to Community:

- 1) Expenditures must match the specifications of the Project Plan.
- 2) Debt from the funded project must be paid off within the life of the TID.

Costs and Benefits of Program and Services:

The cost of the TID program is shown in two areas – administration costs and also the impact on the mill rate based on the existing bonding and the new planned bonding for the fiscal year. The City is planning for \$15,060,200 in new property acquisition, TID infrastructure projects extending American Blvd, Garroman DR, reconstructing Wisconsin ST and William ST, new infrastructure on the Humana Campus north of Employers BLVD, Phase 1 of SW, neighborhood, and a design for several of the South Bridge Connector segments. \$3,500,000 additional for parking ramp construction. An additional \$212,500 in possible consulting for CSMs, studies, and other necessary development-related expenses, and planned for up to \$5,715,000 in potential development incentives for projects to the TIDs. It is important to note two items:

1. While the City plans for projects during the budget process, it does not mean that projects are bonded in the next fiscal year. The project must be ready to go in that year otherwise it will be deferred.
2. While the TID programs have a cost, the program is designed to pay back the related costs throughout the life of the individual TID life.

The TID program is a critical economic development tool for the City to use to help spur development that would not occur without the support of the program. This development is critical for creating jobs and increasing the overall tax base in the community.

CAPITAL PROJECTS FUND

TAX INCREMENT DISTRICT # 7

TID Type: Reh/Cons post-95

Creation Valuation Year: 2007

Creation Date: 10/17/2006

Final Date of Allowable Expenditures: 10/17/2028

Mandated Closing Date: 10/17/2033

Location: Located on the east side of the City and overlays a large part of the downtown district.

TID Purpose: TID has been used to spur re-development in the downtown. Tax finance districts are used to account for long-term debt proceeds and tax increment and project revenues used to finance project expenditures within the TID.

2025 TID Value: \$24,643,700

Base Value: \$11,409,500

Current Increment Value: \$13,234,200

Value Change Over Previous Year: \$1,415,100

Anticipated Total Future Costs: \$4,792,461

Anticipated Total Future Revenue (absent extension): \$4,404,563

Annual Increment Revenue (2026): \$188,382

Projected Final Surplus/Deficit (absent extension): (\$5,872,698)

2026 Proposed Projects: Consulting costs related to potential development projects (CSM/Plat, Environ Studies, Soil Testing, etc.) \$ 20,000

TOTAL \$ 20,000

Development Driven Projects: TID 7 Developer Rebate, including Façade Renovation Agreements (guarantee minimum payments) \$ 30,000

(may occur if new projects proposed in district):

TOTAL \$ 30,000

TAX INCREMENT DISTRICT # 8

TID Type: Mixed-Use

Creation Valuation Year: 2007

Creation Date: 8/21/2007

Final Date of Allowable Expenditures: 8/21/2022

Mandated Closing Date: 8/21/2027

Location: Located on the west side of the City and it is bounded by HWY 41 to the west, Lawrence to the east, Scheuring to the north and Southbridge to the south.

TID Purpose: The project plan has identified HWY 41 visible business development within this district. Our primary use will be infrastructure and possible business grants. Tax finance districts are used to account for long-term debt proceeds, tax increment, and project revenues used to finance project expenditures with the TID.

2025 TID Value: \$58,539,200

Base Value: \$32,201,300

Current Increment Value: \$26,337,900

Value Change Over Previous Year: \$5,227,500

Anticipated Total Future Costs: \$680,351

Anticipated Total Future Revenue (absent extension): \$1,086,681

Annual Increment Revenue (2026): None - Transfer to Affordability Fund (Estimated at \$373,309)

Projected Final Surplus/Deficit (absent extension): \$1,506,807

2026 Proposed Projects: N/A

CAPITAL PROJECTS FUND

TAX INCREMENT DISTRICT # 10

TID Type: Industrial post-04

Creation Valuation Year: 2012

Creation Date: 8/7/2012

Final Date of Allowable Expenditures: 8/7/2027

Mandated Closing Date: 8/7/2032

Location: Located on the east side of the City for the East Industrial Park.

TID Purpose: To continue the development in the East Industrial Park. Our primary use will be infrastructure and possible business grants. Tax finance districts are used to account for long-term debt proceeds, tax increment, and project revenues used to finance project expenditures with the TID

2025 TID Value: \$66,405,300

Base Value: \$37,688,600

Current Increment Value: \$28,716,700

Value Change Over Previous Year: \$10,843,900

Anticipated Total Future Costs: \$4,621,697

Anticipated Total Future Revenue (absent extension): \$6,977,559

Annual Increment Revenue (2026): \$408,768

Projected Final Surplus/Deficit (absent extension): (\$128,371)

2026 Proposed Projects:	Consulting costs related to potential development projects (CSM/Plat, Environ Studies, Soil Testing, etc.)	\$ 20,000
	South Bridge Segment 3 (GV-16) Design, Acquisition, Construction	-
	South Bridge Segment 4 (GV-17) Design, Acquisition, Construction	-
	South Bridge Segment 5 (GV-18) Design, Acquisition, Construction	-
	TOTAL	\$ 20,000

Development Driven Projects:	TID 10 Developer Rebates	\$ 200,000
(may occur if new projects proposed in district):	TOTAL	\$ 200,000

CAPITAL PROJECTS FUND

TAX INCREMENT DISTRICT # 13

TID Type: Mixed-use

Creation Valuation Year: 2017

Creation Date: 7/18/2017

Final Date of Allowable Expenditures: 7/18/2032

Mandated Closing Date: 7/18/2037

Location: Located around the Main Avenue and Lawrence Drive intersections, generally

TID Purpose: Primarily to fund the Main and Lawrence roundabout infrastructure project. Development and redevelopment incentive may be considered to increase density and add vitality to the district.

2025 TID Value: \$80,686,700

Base Value: \$49,749,600

Current Increment Value: \$30,937,100

Value Change Over Previous Year: \$4,393,500

Anticipated Total Future Costs: \$5,335,875

Anticipated Total Future Revenue (absent extension): \$12,878,669

Annual Increment Revenue (2026): \$447,447

Projected Final Surplus/Deficit (absent extension): \$7,822,627

2026 Proposed Projects:

Consulting costs related to potential development projects (CSM/Plat, Environ Studies, Soil Testing, etc.)	\$	20,000
TOTAL	\$	20,000

Development Driven Projects: TID 13 Developer Grants or Future Infrastructure	\$	350,000
(may occur if new projects proposed in district):	TOTAL	\$ 350,000

Aquatics Facilities Capital Projects Fund

The Aquatics Facilities Capital Projects Fund was created to account for the construction and debt payments related to the swimming pools. The estimated fund balance for the Aquatics Facilities Capital Projects Fund on December 31, 2025, is projected to be -\$931,256. The current debt for the VFW Aquatic Facility will be paid off in 2030.

WATER UTILITY

Water Utility

Program Full Time Equivalent: 4.00

Program Mission:

Provide a safe, adequate and reliable supply of water with appropriate and efficient management and maintenance of the pumping, storage and distribution system. Also provide timely and accurate reports to the WPSC, WDNR and City Administration. The estimated fund balance and assets of the Water Utility on December 31, 2025 is \$29,077,928.

2026 Performance Measures (July 2025 – June 2026):

- 1) Respond to 100% of emergency calls within 45 minutes of receiving them in order to prevent potential property damage.

2025 Performance Measurement Data: (July 2024 – June 2025):

- 1) Responded to 100% of emergency calls within 45 minutes of receiving them in order to prevent potential property damage. Evaluate new after-hour call-in procedures to determine if all calls are responded to within 45 minutes.
 - a. Result: All after-hour calls were responded to within 45 minutes.

Significant Program Achievements:

- 1) Continued daily inspections at the eight water facilities locations, that include four well stations, three CBCWA stations, three towers and four reservoirs, to ensure reliable operations.
- 2) Collected 400+ water samples (construction bacteriological investigation samples, monthly bacteriological samples, quarterly well raw water, and distribution disinfection byproduct samples, PFAS and ucmr5 samples, annual nitrate, and lead and copper samples) according to the Safe Drinking Water Act Rules and Regulations with no violations.
- 3) All broken water mains and services were repaired.
- 4) 1,353 fire hydrants were flushed, with approximately 150 flushed twice to evaluate them for proper operation and improve system hydraulics.
- 5) Turned 500+ valves in the system for required maintenance.
- 6) Prepared and distributed the 2024 CCR as required.
- 7) Installed 89 new water meters for new developments and replaced 87 large meters as their end of life-cycle required.

- 8) Replaced old and undersized water mains were needed.
- 9) Certified and submitted the customer notification verification list to the DNR for the Lead Service Line (LSL) program to comply with EPA rules for lead and copper.
- 10) Submitted monthly eMOR, quarterly eDMR and annual eDMR reports to the DNR as required.
- 11) Completed the maintenance with 40 of our Private Water Systems partners to comply with the 2024 ordinance.
- 12) Completed all annual tank inspections as required.
- 13) Completed DNR 5-Year Inspections at Merrill reservoir, and Scheuring reservoir.
- 14) Completed the Scheuring reservoir cleaning and painting project.
- 15) Completed east-side leak detection on water distribution system with Sewerin equipment.
- 16) Completed the Ninth Street reservoir overflow pipe re-construction for compliance with DNR regulations.
- 17) Completed the Ninth Street tower cleaning and overcoat repairs project.
- 18) Completed the SCADA Win911 license installation upgrade.
- 19) Completed the Hydrant painting project, year 1 of 4, east-side of the City.
- 20) Installed the Utility crane for truck 29.
- 21) Performed the necessary inspections and maintenance for private water systems.

2026 Program Objectives:

- 1) Continue daily inspections at the eight water facilities locations to ensure reliable operations.
- 2) Continue to collect all water samples in accordance with the Safe Drinking Water Act Rules and Regulations
- 3) Repair all broken water mains and services.
- 4) Flush all fire hydrants annually, with approximately 150 flushed twice to evaluate them for proper operation and improve system hydraulics.
- 5) Turn 500+ valves in the system for required maintenance.
- 6) Prepare and distribute the 2025 CCR as required.
- 7) Replace old and undersized water mains where needed.
- 8) Submit monthly eMOR, quarterly eDMR and annual eDMR reports to the DNR as required.
- 9) Continue to perform all residential cross-connection inspections and submit the DNR annual report as required.
- 10) Continue to build the Lead Service Line (LSL) date base for all City and customer owned water service lines to comply with EPA rules for Lead and Copper.
- 11) Complete all annual tank inspections as required.
- 12) Complete West-side leak detection on water distribution system with Sewerin equipment.
- 13) DNR 15-Year Inspection of Merrill Street Well

- 14) Hydrant painting project, year 2 of 4.
- 15) Repair of the exterior pump house bricks at Merrill Street station.
- 16) Upgrade the SCADA Panel-views at the three CBCWA DP sites.
- 17) Perform Cla-Val repairs and maintenance at all water facilities.
- 18) Purchase New Trailer for equipment.
- 19) Perform necessary inspections and maintenance for private water systems.

2026 Budget Significant Expenditure Changes:

- 1) Source of Supply – Maintenance of Wells increased \$150,000 to reflect actual costs of 2025 capital projects for Merrill well inspection and repairs.
- 2) Pumping – Pumping – Maint. Structures & Imp increased \$25,000 to reflect actual cost of 2025 capital projects for Merrill reservoir-tower building repairs.
- 3) Pumping – Pumping – Maintenance of Equipment increased \$65,000 to reflect actual cost of 2025 capital projects for CBCWA connection station butterfly valve replacements, CBCWA connection station rain gutter replacements and Cla-Val repairs for all buildings.
- 4) Transmission & Distribution Operations – T&D Ops Supervision/Engineer increased \$10,517 to reflect actual costs due to wage increases.
- 5) Transmission & Distribution Maintenance – Reservoirs/Stand Pipes decreased \$180,000 to reflect actual costs.
- 6) Transmission & Distribution Maintenance – T & D Maintenance Misc Plant decreased \$15,000 to reflect actual costs.
- 7) Customer Accounts – Meter Reading – Shared 50% increased \$39,500 to reflect increased charges from Green Bay Water Utility for billing software upgrades.
- 8) Customer Accounts – Records – Collections - Shared 50% increased \$32,411 to reflect employee wage increases and allocation of new IT Support Specialist and Assistant Finance Director wages.
- 9) Administrative & General Operations – Employee Pension & Benefits increased \$24,659 to reflect an increase in health insurance and allocation of new IT Support Specialist and Assistant Finance Director wages.
- 10) Utility Operating Income – Taxes increased \$50,000 to reflect actual costs for property taxes.
- 11) Utility Operating Income – FICA increased \$5,000 to reflect actual costs due to increase in wages.
- 12) Interest Charges – Interest on Long Term Debt increased \$35,383 to reflect interest for long-term advance from the General Fund.

- 13) Capital Outlays:
- a. Miscellaneous Relays \$1,500,000.
 - b. Merrill Well Inspection & Repairs \$150,000.
 - c. Merrill Reservoir-Tower Building Repairs \$25,000.
 - d. Hydrant Painting \$50,000.
 - e. CBCWA Connection Station Butterfly Valve Replacements \$15,000.
 - f. CBCWA Connection Station Rain Gutter Replacements \$15,000.
 - g. Cla-Val Replacements for all Buildings \$35,000.
 - h. Replace Existing Trailer \$5,000.
 - i. Golf Cart & Trailer \$10,000.
 - j. Water Utility Share for Public Works Administration for Replacing Public Works Director Vehicle \$15,000.
 - k. Water Utility Share for Engineering for Replacing Engineering Vehicle #39 \$15,000.
 - l. Water Utility Share for MSC for Replacing Treadmill \$900.

STORM WATER UTILITY

Storm Water Utility

Program Mission:

The City created a storm water utility as a more equitable way for funding needed maintenance and improvements to the City's storm water management system. The storm water funds storm water management operation and maintenance activities. Activities include cleaning and routine repair of ditches, detention basins, storm sewers, catch basins, manholes, street sweeping, leaf collection, and construction of storm water treatment, detention, and conveyance facilities serving a public purpose. The storm water utility funds the following programs: Public Works Administration, Engineering, Municipal Service Center, Fleet Maintenance, Street Cleaning, Leaf Collection, Storm Sewer Maintenance, Landfill, and Weed Control. The estimated fund balance and assets of the Storm Water Utility as of December 31, 2025 is \$20,461,452. The 2024 audit showed the fund balance is \$1,523,428 as of December 31, 2024.

2026 Performance Measures:

- 1) Continue to evaluate the ERU to determine if there is significant revenue to cover the costs of the storm water utility. If there is not sufficient revenue to cover the operational costs then will make suggested changes for the 2027 budget.

2026 Budget Significant Expenditure Changes:

- 1) Hourly wages decreased \$33,042 to reflect actual allocation of employee wages.
- 2) Overtime Wages increased \$1,500 to reflect actual costs.
- 3) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$12,516 to reflect actual allocation of employee insurance costs.
- 4) Consulting increased \$75,000 to reflect for hiring a consultant for updating storm sewer system model

2026 Budget Significant Revenue Changes:

- 1) Total revenues will increase by \$166,783 due to an increase of storm water utility fee from \$132 to \$142 per ERU.

Storm Water Utility Public Works Administration

Program Full Time Equivalents: 0.91

Program Mission:

Provide planning, coordination and supervision of public works services. Ensure public works services are provided in a cost effective and efficient manner.

List of Program Service(s) Descriptions:

- 1) *Planning public works services* – Long range planning for the public works operations and capital improvements.
- 2) *Coordination of public works services* – Need to coordinate the public works operations with other various City departments or outside governmental agencies operations or projects.
- 3) *State and Federal grants* – Investigates and applies for various state and federal funding for capital projects.
- 4) *Supervision of public works services* – Provides supervision and direction to the employees that provide the public works services.
- 5) *Budget Administration* – Develop yearly operational budget in a fiscally responsible manner. Monitor public works operations so that the services delivered are done within the adopted budget established by the City Council.
- 6) *Establish and monitor policies* – Review existing operational policies and establish new operational policies to provide public works services that are in the best interest of the community.
- 7) *Respond to complaints* – Responds to complaints and concerns of the general public regarding public works operations.

Important Outputs:

- 1) *Departmental Budget* – Activities and services by the department are supported by the property tax (25%), storm water utility (25%), water utility (25%), and the sewer utility (25%). Develop and manage the annual budget for all public works services. The public works annual budget provides funding for all public works services provided to the community.
- 2) *Monthly Board of Public Works Meeting (BOPW)* – Activity funded by the property tax (25%), storm water utility (25%), water utility (25%), and the sewer utility (25%). Send out monthly agenda to Board of Public Works member. BOPW establishes policies pertaining to the public works operations and also makes various recommendations to Council regarding public works operations that will meet the needs of the community.

- 3) *Quarterly Sustainability Commission Meeting* – Activity funded by the property tax (25%), storm water utility (25%), water utility (25%), and the sewer utility (25%). Send out quarterly and special meetings agenda and attachments to Sustainability Commission members. Sustainability Commission explores sustainability initiatives that can be implemented in the City with the ultimate goal of providing a more sustainable, livable, and healthy community.
- 4) *Monitoring Public Works Operations* – Activity funded by the property tax (25%), storm water utility (25%), water utility (25%), and the sewer utility (25%). Overseeing the operations of the public works department to make sure the services being performed are being done in a manner that are in the best interest of the community. This is important to the community to make sure the services provided by the public works department are done so in an efficient and cost effective manner.

Expected Outcomes:

- 1) Maintain public works operations in a cost-effective manner in order to meet or exceed the needs of the community.
- 2) Maintain Board of Public Works meeting in order to provide formal discussions to discuss public works issues and recommend policy or policy changes to meet the needs of the community.
- 3) Maintain Sustainability Commission meeting in order to provide formal discussions to discuss sustainable initiatives to promote a more sustainable, livable, and healthy community.
- 4) Maintain establishing a budget to be provided to the City Council for adoption in order to fund public works services.
- 5) Maintain or decrease response time to complaints received by the public regarding operations so adjustments to the operations can be made if warranted.
- 6) Maintain or increase obtaining funding for capital projects in order to minimize the property tax impact to the community.
- 7) Maintain coordination of public works services with other City departments in order to be able to provide services to the community with the resources available.
- 8) Maintain long range planning of the capital improvements program so the City is able to plan and fund projects in the future.

2026 Performance Measures (July 2025 – June 2026):

- 1) Respond to 100% of complaints within 24 hours of receiving them.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Respond to complaints within 24 hours of receiving them.
 - a. Result: Performance measure met

Significant Program Achievements:

- 1) Continued to investigate opportunities to improve the services provided to the community while keeping expenditures to a minimum.
- 2) Continued to work with Brown County Highway Department with South Bridge corridor projects.
- 3) Continued to work with DOT with construction projects.
- 4) Continue working with other communities to joint bid projects.
- 5) Worked with various wireless companies pertaining to installation on City water towers.
- 6) Continue to look for a new yard waste site for the City.
- 7) Continued working on the expansion plans for the MSC.

Existing Program Standards Including Importance to Community:

- 1) Conduct a regular meeting of the Board of Public Works the first Monday after the first Council meeting every month.
 - a. Community Importance.
 - i. Allows actions required or requested on behalf of the community to be acted upon in a timely manner.
 - ii. Establishes a routine schedule for community involvement.
- 2) Conduct a regular quarterly meeting of the Sustainability.
 - a. Community Importance.
 - i. Allows actions required or requested on behalf of the community to be acted upon in a timely manner.
 - ii. Establishes a routine schedule for community involvement.
- 3) Establish policies pertaining to the public works operations.
 - a. Community Importance.
 - i. Allows for policies and procedures so that the operations are done in a manner that are in the best interests of the community.
- 4) Develop and monitor annual operating budget.
 - a. Community Importance.
 - i. Provides an annual operating budget for the public works department so that services are delivered in fiscally responsible manner.

Costs and Benefits of Program and Services:

The adopted 2026 Storm Water Utility - Public Works Administration program cost is \$396,116. This amount is only 25% of the total cost of the program. The other 75% costs for this program is spread out through the following: 25% general property taxes, 25%

water utility, and 25% sewer utility. The program benefits the community by providing citizens the opportunity to have input regarding the public works operations. This program also develops policies and codes pertaining to the public works operations. This program is also responsible for developing and maintaining the public works budget so that services are delivered to the community in a fiscal and responsible manner.

2026 Program Objectives:

- 1) Continue to coordinate with DOT on construction projects.
- 2) Continue to coordinate with Brown County Highway Department on South Bridge corridor projects.
- 3) Continue to work with CBCWA providing a Lake Michigan water source.
- 4) Investigate opportunities to improve the services we provide and keep expenditures to a minimum.
- 5) Continue to look at ways to bid projects with other communities to save money.
- 6) Continue to work on MSC expansion plans.

2026 Budget Significant Expenditure Changes:

- 1) Salaries increased \$6,548 due to any eligible step increases and cost of living adjustment (COLA).
- 2) Hourly Wages increased \$7,391 due to any eligible step increases and COLA.
- 3) FICA increased \$1,136 due to increase in employee wages.
- 4) Retirement increased \$1,608 due to increase in employee wages and retirement contribution rate.
- 5) Health, Dental, DIB, Life & Wks Cmp Ins increased \$7,034 due to increase in health and dental insurance premiums.
- 6) Telephone decreased \$808 due to a reallocation of these expenses to the Municipal Service Center budget.
- 7) Training is funding to provide for all department trainings such as team building, safety training and necessary training to maintain certifications and licenses.
- 8) Seminars and Conferences provide funding for APWA conferences and other miscellaneous conferences.
- 9) Consulting is for copier lease, remote video streaming for drone, and software maintenance for GIS.
Memberships/Subscriptions include American Public Works Association, American Society of Civil Engineers, Institute of Traffic Engineers, Lake Area Public Works Association, and Wisconsin Department of Regulation and Licensing.
- 10) Capital Equipment includes storm water utility share of \$ \$15,000 for replacing the Public Works Director's vehicle.

Storm Water Utility Engineering

Program Full Time Equivalents: 2.0

Program Mission:

Provide engineering, including design, and construction administration for public works improvement projects in the City. Ensure that that the City receives a high-quality project that adheres to standards for construction. Coordinate future development and land use with the City Planner. Address residents' questions and concerns related to engineering and City infrastructure.

List of Program Service(s) Descriptions:

- 1) *Plan public works improvement projects* – Work with planning to determine long term development plans and the required location and size of infrastructure to service the development.
- 2) *Develop and maintain the capital improvements program* – Based on the condition and age of infrastructure, develop and maintain the capital improvement program.
- 3) *Design public works improvement projects* – Design public works improvement projects. Design includes surveying, drafting, writing specifications, obtaining regulatory permits for projects, and bidding.
- 4) *Administer construction oversight for public works improvement projects* – Oversee and manage public works improvement projects. This includes construction updates for elected officials and informing the public of upcoming construction projects.
- 5) *Respond to complaints* – Respond to complaints and concerns of the general public regarding construction, drainage issues, street improvements, sidewalk concerns, traffic, or other public works issues.
- 6) *Create and submit annual storm water permits* – As part of the City's storm water discharge permit to the Wisconsin Department of Natural Resources (WDNR), an annual submittal is required. Engineering develops the annual submittal and oversees storm water management practices throughout the year to guarantee conformance to the (WDNR) permit requirements.

Important Outputs:

- 1) *Administration of public works improvement projects* – Administration of this department is supported by the property tax (25%), storm water utility (25%), water utility (25%), and the sewer utility (25%).

- 2) *Develop plans and specifications* – In order to bid projects, the engineering department develops plans and specifications for contractor to bid and build public improvement projects.
- 3) *Generate construction records* – Once projects are bid and awarded to a contractor, staff will then provide construction administration to ensure the contractors are constructing the project per City standards. As part of this administration, staff develops daily construction logs, tracks quantities, and creates record drawings of how things were constructed on the project.
- 4) *Maintain system maps* – The engineering department maintains and prints maps for construction completed during the calendar year.
- 5) *Plan future growth (new and redevelopment)* – Staff plans future improvements for the City to address growth. This includes utility extensions and upsizing, storm water management facilities, and traffic facilities (vehicle, bicycle, and pedestrian).
- 6) *Inspect various City facilities* – Staff annually inspects the City’s storm water management ponds, traffic signals, and pedestrian hand rails. Staff works with other departments or contractors for required maintenance.

Expected Outcomes:

- 1) Maintain existing street infrastructure so that the roads are safe to travel.
- 2) Maintain public awareness of public works improvement projects.
- 3) Maintain public works improvement programs in a cost effective manner in order to meet or exceed the needs of the community.
- 4) Maintain or decrease response time to complaints received by the public regarding street and sewer infrastructure so that issues can be addressed in a timely manner.
- 5) Develop long term infrastructure plans.
- 6) Provide recommendations on policies for City facilities.

2026 Performance Measures (July 2025 – June 2026):

- 1) Respond to 100% of complaints within three (3) business days of receiving them.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Respond to complaints within three (3) business days of receiving them.
 - a. Result: Performance measure met

Significant Program Achievements:

- 1) Completed 2025 public works improvements program which included:
 - a. Relayed approximately 4,600 linear feet of water main in preparation for street resurfacing and reconstruction.
 - b. Constructed/reconstructed/lined approximately 8,000 lineal feet of sanitary sewer.
 - c. Removed and replaced sanitary laterals in conjunction with water main/service relays.
 - d. Reconstructed over 3,000 linear feet of street on the northeast side.
 - e. Completed the rehabilitation of concrete on Profit Place and Destiny Drive.
 - f. Constructed or reconstructed over 4,400 linear feet of storm sewer
- 2) Completed pond trapping project to remove rodents that cause bank erosion from City ponds.
- 3) Completed chemical treatment of phragmites around City ponds.
- 4) Reviewed all public and private storm water management facilities.
- 5) Reviewed all traffic signals and hand rails for maintenance. Coordinated repairs.
- 6) Coordinated the CTH GV design and construction as part of the future southbridge corridor.
- 7) Designed City infrastructure for several redevelopments including the former Shopko and Humana sites.
- 8) Completed the design and construction of the Commerce Drive yard waste site.
- 9) Coordinated with WisDOT on the design of Main Avenue and Reid Street from Eighth Street to Third Street for construction in 2028.
- 10) Completed several complicated storm sewer replacements including the box culvert at the Community Center and a large diameter storm sewer across the Fox River Trail in an easement from Ridgeway Drive extended.

Existing Program Standards Including Importance to Community:

- 1) Utilize existing computer software to generate construction plans.
 - a. Community Importance.
 - i. Quality plans, from a legibility standpoint, and design data, improve bidding (cost) on projects because contractors have a clear expectation of what is included when they bid the project.
- 2) Maintain construction specifications for infrastructure improvement projects.
 - a. Community Importance.
 - i. Construction inspection throughout project ensures contractors are constructing streets per the City's construction specifications. Similar to plans, clear and concise specifications improve bidding (cost) on projects. When contractors have a clear understanding on how the project is to be built, and how work is to be paid, bidding prices are generally lower.

- 3) Provide public information and updates for construction projects.
 - a. Community importance.
 - i. Construction activities can have a direct and significant impact on residents. Providing information to residents on upcoming construction projects allows them to plan their activities in an attempt to minimize disruption to them.
- 4) Maintain and improve information on the GIS system.
 - a. Community Importance.
 - i. The GIS system has become a very important tool for maintaining and tracking City facilities such as sewers, water main, signs and streetlights. Engineering receives requests from residents and businesses on almost a daily basis for information on existing infrastructure. The use of GIS greatly improves the efficiency in getting this information. Engineering works with planning to maintain this information.

Costs and Benefits of Program and Services:

The adopted 2026 Storm Water Utility - Engineering Program cost is \$343,548. This amount is only 25% of the total cost of the program. The other 75% costs for this program is spread out through the following utilities: 25% storm water utility, 25% water utility, and 25% sewer utility. The program benefits the community by ensuring that the City’s public works improvement projects are built per City standards and specifications as well as making sure everything is done within budget.

2026 Program Objectives:

- 1) Complete the design and construction the next phase of the American Boulevard Expansion.
- 2) Complete the construction of the new segment of William and Wisconsin Street on what was formerly the Shopko parcel.
- 3) Continue to coordinate the design and construction of the Southbridge Corridor and Interchange.
- 4) Continue to coordinate the design of Main Avenue and Reid Street from Eighth Street to Third Street with WisDOT.
- 5) Continue to review, inspect and coordinate the TDS City-wide fiber installation project.
- 6) Complete an aggressive public works improvement program which includes water main relays, sanitary sewer relays/lining, storm sewer construction, and resurfacing and reconstruction of City streets.
- 7) Complete the design and construction of the Phoenix Preserve, Phase 2.
- 8) Complete the design and construction of the Kingston Preserve, Phase 2.
- 9) Monitor public and private storm water management facilities.
- 10) Continue to implement the City’s inflow and infiltration program sump pump installation and full-length lateral replacement policies.

2026 Budget Significant Expenditure Changes:

- 1) Hourly Wages increased \$4,804 to reflect eligible step increases and cost of living adjustment (COLA).
- 2) Retirement increased \$1,098 to reflect increase in wages and retirement contribution rate.
- 3) Health, Dental, DIB, Life & Wks Cmp Ins increased \$10,235 to reflect increase in health and dental insurance premiums.
- 4) Training is funding to provide for all-department training such as software training, construction training, design training and miscellaneous engineering training.
- 5) Telephone decreased \$970 due to a reallocation of these expenses to the Municipal Service Center budget.
- 6) Seminars and Conferences provide funding for APWA conferences and miscellaneous conferences.
- 7) Consulting includes CADD and design software licenses, ESRI license, DNR MS4 permit, NEWSC fees, Phosphorous study, bridge and sign bridge inspections, outside consultant services that are not able to be performed by City staff and lease payments for color printer.
- 8) Memberships/Subscriptions include American Public Works Association, American Society of Civil Engineers, Institute of Traffic Engineers and Wisconsin Department of Regulation and Licensing.
- 9) Capital Equipment includes the storm water utility share of \$15,000 for replacing vehicle #39.

Storm Water Utility Municipal Service Center

Program Full Time Equivalent: 0.32

Program Mission:

To maintain the interior and exterior of the Municipal Service Center (MSC), and to prevent building deterioration while extending the life of the building through preventative maintenance.

List of Program Service(s) Descriptions:

- 1) *Preventative Maintenance* – Conduct preventative maintenance on the HVAC throughout building.
- 2) *Building Repairs* – Fix and repair items needing attention.
- 3) *Fuel distribution* – Provide fuel station for all city vehicles.
- 4) *Customer service center for public work and park related questions* – Provides staffing to answer questions related to public work and park administration questions from both, phone or counter.

Important Outputs:

- 1) *Distribution of fuel to all city departments* – Funded by the property tax (55%), storm water utility (15%), water utility (15%), and the sewer utility (15%) and serves as a vital support service to all departments requiring fuel.
- 2) *Storage space for public work and park department fleets* – Funded by the property tax (55%), storm water utility (15%), water utility (15%), and the sewer utility (15%) and serves as a vital location to house the City’s public work and park department’s fleets.
- 3) *Storage area for public work and park department equipment and supplies* – Funded by the property tax (55%), storm water utility (15%), water utility (15%), and the sewer utility (15%) and serves as a vital location to house the City’s public work and park department’s equipment.
- 4) *Customer service response to residents and client* – Funded by the property tax (55%), storm water utility (15%), water utility (15%), and the sewer utility (15%) and provides service and response to citizen questions or concerns.

Expected Outcomes:

- 1) Efficient and safe functioning facility to support the operations of the public works and parks departments.

- 2) Quality customer service to residents and clients.
- 3) Efficient and effective running HVAC.
- 4) Fuel distribution to all city departments.

2026 Performance Measures (July 2025 – June 2026):

- 1) Reduce the amount of consulting costs by 3% by reducing emergency repairs by performing timely preventative maintenance on the MSC.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Reduce electric cost by 1% through power management and LED lighting replacements.
 - a. Result: Electricity used 2024 = 237,067 KW; 2025=249,241 KW. Increased 5.1%. Performance measure was not met.

Significant Program Achievements:

- 1) Maintain the building while working on the design for the MSC expansion.

Existing Program Standards Including Importance to Community:

- 1) Fuel pumps operation 24 hours a day, 7 days a week.
 - a. Community Importance.
 - i. Serves as a central location for all city vehicles to obtain fuel in an efficient manner.
- 2) Conduct preventative maintenance on HVAC of building in the spring and fall months.
 - a. Community Importance.
 - i. Preventative maintenance ensures the community that our HVAC are used to its maximum potential both in utilizing energy, as well as its operational life.
- 3) Cleaning of MSC.
 - a. Community Importance.
 - i. Regular cleaning of MSC is conducted to ensure the facility stays in good condition to maximize its operational life, as well as create a clean work atmosphere.

Costs and Benefits of Program and Services:

The adopted 2026 Storm Water Utility - Municipal Service Center program cost is \$39,608. This amount is only 15% of the total cost of the program. The other 85% costs for this program is spread out through the following: 55% general property taxes, 15% water utility, and 15% sewer utility. The program benefits the community by providing a support facility for mainly the Public Works and Park Departments. The support facility allows the departments to conduct city operations in an effective and efficient manner.

2026 Budget Significant Expenditure Changes:

- 1) Hourly Wages decreased \$861 to reflect change in allocation for building maintenance wages and increase in employee wages as detailed in the building maintenance program.
- 2) FICA decreased \$66 to reflect change in allocation for building maintenance wages and increase in employee wages.
- 3) Retirement decreased \$37 to reflect change in allocation for building maintenance wages, increase in employee wages and retirement contribution rate.
- 4) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$165 to reflect change in allocation for building maintenance wages and to reflect increase in health and dental insurance premiums.
- 5) Training includes various training for building maintenance staff for various certifications required for staff to maintain.
- 6) Telephone increased \$377 due to a reallocation of these expenses from other divisions within the MSC.
- 7) Consulting includes outside vendors to update fire extinguishers, conduct HVAC preventative maintenance, monitoring fire alarm system, pressure washer maintenance, pest control, emergency generator maintenance, building maintenance scheduling software, and fuel tracking software.
- 8) Capital Equipment includes the storm water utility share of \$900 for replacing treadmill in MSC's workout area.

Storm Water Utility Fleet Maintenance

Program Full Time Equivalent: 2.04

Program Mission:

Provide preventative and emergency repairs for the street department, water department, parks department, and engineering department so as to minimize the costs of operations and maximize the availability of equipment for municipal services provide to the community.

List of Program Service(s) Descriptions:

- 1) *Equipment Maintenance* – Perform vehicle and equipment maintenance for operations of the street department, water department, parks department, and engineering department.
- 2) *Equipment Repairs* – Perform necessary repairs to equipment so that it can be up and running for operational needs of the street department, water department, parks department and engineering department.

Important Outputs:

- 1) *Maintain and Repair Equipment* – Activities and services by the department is supported by the property tax (20%), water utility (15%), sewer utility (15%) and storm water utility (50%). The maintenance and repair of equipment is necessary so that municipal services that are expected from the community can be done. The repairs and maintenance are performed at the Municipal Service Center. Repairs are requested by the employees and then scheduled. Maintenance is scheduled based on the hours and miles of equipment.

Expected Outcomes:

- 1) Maintain equipment and perform preventative maintenance so the City can prevent unnecessary repairs.
- 2) Maintain repairs so the equipment is capable of operating in a safe and efficient manner.

2026 Performance Measures (July 2025 – June 2026):

- 1) Perform vehicle and equipment maintenance every 4,000 miles on 100% of fleet vehicles.
- 2) Perform vehicle and equipment maintenance every 500 hours on 100% of garbage and recycling trucks.
- 3) Perform equipment maintenance every 300 hours on 100% of the front-end loaders and dump trucks.
- 4) Perform equipment maintenance on every police vehicle every 6,000 miles.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Perform vehicle and equipment maintenance every 4,000 miles on 100% of fleet vehicles.
 - a. Result: 95% of vehicles and equipment with 4,000-mile maintenance requirements were completed. This performance measure was not met due to catching up to last year's workload being short staff.
- 2) Perform vehicle and equipment maintenance every 500 hours on 100% of the garbage and recycling trucks.
 - a. Result: 100% of all garbage/recycling trucks were maintained every 500 hours. This performance measure was met.
- 3) Perform equipment maintenance every 300 hours on 100% of the front-end loaders and dump trucks.
 - a. Result: 100% of the front-end loaders and dump trucks were maintained every 300 hours. This performance measure was met.
- 4) Perform equipment maintenance on every police vehicle every 6,000 miles.
 - a. Result: This was accomplished

Significant Program Achievements:

- 1) Maintained 274 pieces of equipment for the street, water, park, engineering, building inspections, health, police and fire departments.

Existing Program Standards Including Importance to Community:

- 1) Perform preventative maintenance for vehicles and equipment for the street, water, park, engineering, police and fire departments, as per the manufacturer's recommendations.
 - a. Community Importance.
 - i. Allows equipment to be operational so that municipal services can be provided to the community.

Costs and Benefits of Program and Services:

The adopted 2026 Storm Water Utility - Fleet Maintenance cost is \$430,020. This amount is only 50% of the total cost of the program. The other 50% costs for this program is spread out through the following utilities: 20% general property taxes, 15% water utility, and 15% sewer utility. The program benefits the community by maintaining and repairing equipment that is essential in the operations to provide municipal services to the community.

2026 Program Objectives:

- 1) Continue to maintain high standards of equipment repair.
- 2) Ensure adequate training for mechanics for new equipment.
- 3) Continue to reduce consulting costs by reducing outsourcing repairs by training staff to be able to perform repairs in house.

2026 Budget Significant Expenditure Changes:

- 1) Salaries increased \$1,508 to reflect eligible step increases and cost of living adjustment (COLA).
- 2) Overtime Wages increased \$1,500 to reflect actual costs.
- 3) FICA increased \$786 to reflect increase in employee wages.
- 4) Retirement increased \$1,171 to reflect increase in employee wages and retirement contribution rate.
- 5) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$3,240 to reflect actual costs.
- 6) Training is for staff on fleet maintenance equipment such as troubleshooting and diagnostic performance.
- 7) Telephone decreased \$105 due to reallocation of these expenses to the Municipal Service Center budget.
- 8) Consulting increased \$10,000 to reflect purchasing new tires for the loader. Consulting includes tasks unable to perform in our fleet maintenance shop and for GPS/AVL on equipment.
- 9) Tools increased \$5,195 and is for the storm water utility share of miscellaneous shop tool replacement.

Storm Water Utility Street Cleaning

Program Full Time Equivalent: 1.35

Program Mission:

To thoroughly sweep and remove all foreign material from residential streets, downtown business areas, parking malls, parks parking lots and construction zones which may inhibit and/or alter public safety.

List of Program Service(s) Descriptions:

- 1) *Street Sweeping* – Sweep all City streets using street sweepers from April through November, weather pending.
- 2) *Parking Lot Sweeping* – Sweep City owned parking lots using street sweepers from April through November, weather pending.

Important Outputs:

- 1) *Street Sweeping* – Activities and services by this program are supported 100% by the storm water utility. Street sweeping is done throughout the months of April thru October. The City has two street sweepers that are assigned areas to sweep. The initial spring street sweeping takes approximately three weeks to sweep the entire City. After the initial sweeping it takes approximately two weeks to go through the entire City. This benefits the community by keeping the streets clean and keep sediment and debris from draining into the Fox River.
- 2) *Parking Lot Sweeping* – Activities and services by this program are supported 100% by the storm water utility. Parking lot cleaning is done on City owned parking lots throughout the City. This benefits the community by keeping the parking lots clean and keep sediment and debris from draining into the Fox River.

Expected Outcomes:

- 1) Maintain the City's ability to meet DNR mandates for storm water requirements.
- 2) Decrease the amount of dirt and debris from entering the storm sewers that eventually discharge into the Fox River.

2026 Performance Measures (July 2025 – June 2026):

- 1) Complete a minimum of 10 sweeping rotations of the city annually.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Complete a minimum of 10 sweeping rotations of the city annually.
 - a. Result: Performance measure met. Swept 10 rounds of the city.

Significant Program Achievements:

- 1) Continued City wide sweeping to meet City’s MS4 permitting requirements.

Existing Program Standards Including Importance to Community:

- 1) Utilizing industry standards for equipment to sweep streets and parking lots.
 - a. Community Importance.
 - i. Keeps City streets and parking lots clean of dirt and debris.

Costs and Benefits of Program and Services:

The adopted 2026 Storm Water Utility - Street Cleaning program cost is \$165,754. The program benefits the community by keeping all City streets and City owned parking lots cleaned from dirt and debris. It also assists in meeting some of the storm water requirements mandated by the DNR.

2026 Program Objectives:

- 1) Train additional employees on sweeping operations. (10 Street employees currently trained)
- 2) Continue to utilize two sweepers to help meet the DNR’s storm water requirements.

2026 Budget Significant Expenditure Changes:

- 1) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$6,650 to reflect actual allocation of employee insurance costs.
- 2) No Capital Equipment requested.

Storm Water Utility Leaf Collection

Program Full Time Equivalent: 0.57

Program Mission:

To effectively and efficiently collect and dispose of all yard and garden waste from City streets during spring and fall collection periods.

List of Program Service(s) Descriptions:

- 1) *Leaf and Yard Waste Collection* – Collect residents’ leaves and yard waste in the spring and the fall.

Important Outputs:

- 1) *Leaf and Yard Waste Collection* – Activities and services by this program are supported 100% by the storm water utility. Collection of leaves and yard waste is done in the early spring and late fall. During the spring collection the City picks up leaves and yard waste with three single leaf loaders. This equipment is a vacuum leaf loader mounted on dump truck frame. The three trucks are assigned areas of the City and will collect yard waste for approximately one month. The City will normally go through the entire community at least four times during this period. In the fall the City again utilizes the same single leaf loaders. The City will normally go through the entire community at least four times in the five week period. The majority of the leaves are brought to local farmers that use them for their farming operations. This service is a value to the community because not everyone has the means to be able to haul their leaves to the compost facility so by having curbside pickup they are able to dispose of their leaves. It is also a benefit for the community by disposing of the leaves it keeps the storm sewers from being blocked and plugged and as a result will prevent flooding and improves storm water quality.

Expected Outcomes:

- 1) Increases storm water quality by keeping leaves out of the storm sewers.

2026 Performance Measures (July 2025 – June 2026):

- 1) Increase the volume of leaves direct hauled to farmers or landowners.

2025 Performance Measurement Date (July 2024 – June 2025):

- 1) Increase the volume of leaves hauled to farmers by 5% in order to decrease leaf disposal costs.
 - a. Result: This was met. Minimal loads to the compost site-great fall weather assisted in this.

Significant Program Achievements:

- 1) Implemented an additional single leaf loader into operation to improve the efficiency for fall leaf collection.

Existing Program Standards Including Importance to Community:

- 1) Utilize industry standard for collection of leaf and yard waste.
 - a. Community Importance.
 - i. Provides an easier alternative for residents to dispose of leaves and yard waste.
 - ii. Improves storm water quality by keeping the leaves out of the storm sewers.

Costs and Benefits of Program and Services:

The adopted 2026 Storm Water Utility - Leaf Collection program cost is \$59,595. The program benefits the community by allowing curbside collection of leaves and yard waste in the early spring and late fall.

2026 Program Objectives:

- 1) Continue to improve efficiencies with leaf collection operations.

2026 Budget Significant Expenditure Changes:

- 1) Hourly wages decreased \$41,505 to reflect actual allocation of employee wages.
- 2) FICA decreased \$3,175 to reflect actual allocation of employee wages.
- 3) Retirement decreased \$2,859 to reflect actual allocation of employee wages.
- 4) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$7,883 to reflect actual allocation of employee insurance costs.

- 5) Consulting used to fund disposal of leaves.
- 6) Repairs and Maintenance increased \$2,000 to reflect actual costs due to repairs of equipment.
- 7) No Capital Equipment requested.

Storm Water Utility Storm Sewer Maintenance

Program Full Time Equivalent: 0.60

Program Mission:

To maintain and repair storm sewer system and curb inlets.

List of Program Service(s) Descriptions:

- 1) *Storm Sewer Maintenance* – Perform storm sewer maintenance throughout the City by flushing, jetting, root cutting, physical inspections, televising, and rebuilding to prevent flooding and/or backups.

Important Outputs:

- 1) *Storm Sewer Maintenance* – Activities and services by this program are supported 100% by the storm water utility fees. Maintenance of storm sewer is necessary to ensure the storm sewer is functioning in order to prevent flooding throughout the City. Maintenance includes cleaning debris from inlet, flushing and cleaning storm sewer mains, and repairing or replacing storm sewer infrastructure.

Expected Outcomes:

- 1) Decrease flooding.
- 2) Increase life expectancy of storm sewer infrastructure.

2026 Performance Measures (July 2025 – June 2026):

- 1) Vacuum clean at least 150 storm inlets.

2025 Performance Measurement Data (July 2024 – June 2025):

- 1) Increase the number of inlets cleaned per year by 5%.
 - a. Result: This was not met. 2024 = cleaned 348 inlets, 2025=cleaned 52 inlets

Significant Program Achievements:

- 1) Continued to utilize tractor with cutting boom to cut brush and phragmites throughout city storm water ponds and swales.
- 2) Cut and removed trees from ponds to reduce amount of phosphorus contamination.
- 3) Contracted Phragmites treatment around storm pond/swales

Existing Program Standards Including Importance to Community:

- 1) Utilize industry standards for cleaning and televising storm sewer infrastructure.
 - a. Community Importance.
 - i. Reduction of flooding by keeping storm sewers cleaned and maintained.

Costs and Benefits of Program and Services:

The adopted 2026 Storm Water Utility – Storm Sewer Maintenance program cost is \$1,537,067. The program benefits the community by allowing the existing storm sewers to be maintained to reduce and prevent flooding.

2026 Program Objectives:

- 1) Continue to clean storm sewer inlets to minimize flooding.
- 2) Continue to televise storm sewer lines to determine conditions of storm sewer.
- 3) Continue to clean swales to minimize flooding.

2026 Budget Significant Expenditure Changes:

- 1) Hourly wages decreased \$42,440 to reflect actual allocation of employee wages.
- 2) FICA decreased \$3,380 to reflect actual allocation of employee wages.
- 3) Retirement decreased \$3,054 to reflect actual allocation of employee wages.
- 4) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$15,672 to reflect actual allocation of employee insurance costs.
- 5) Consulting increased \$65,000 for hiring a consultant for updating storm sewer system model. Consulting is funding for storm sewer repairs, engineering fees for work that City staff cannot perform, pond rodent control, phragmites treatment, and contractor locating storm sewer.
- 6) Capital outlay requested includes storm sewer televising \$60,000, storm sewer repair/replacement/installation \$1,114,000, and storm water pond \$145,940.

Storm Water Utility Landfill

Program Full Time Equivalent: 0

Program Mission:

Provide funding for the disposal of street sweepings that is collected throughout the City.

List of Program Service(s) Descriptions:

- 1) *Landfill* – This is a program created in 2021 to fund the tipping fees for street sweepings that was previously funded by the general fund landfill program.

Important Outputs:

- 1) *Landfill* – Activities and services by this program are supported 100% by the storm water utility. Funds the disposal of street sweepings collected by the City. The City hauls the street sweepings collected from the community to the Brown County South Landfill in Greenleaf. The weights of the material are collected from each City truck and then recorded. This weight is then converted to tons and the County will then invoice the City based on the tons collected. This program is valuable to the community because it funds the tipping fees required to dispose of all the street sweepings collected from street sweeping the community.

Expected Outcomes:

- 1) Maintain disposal operations of street sweepings collected by the City.

2026 Performance Measures (July 2025 – June 2026):

- 1) Monitor the weight slips from the transfer station to make sure the County invoices the City properly for landfill charges.

2025 Performance Measures (July 2024 – June 2025):

- 1) Monitor the weight slips from the transfer station to make sure the County invoices the City properly for landfill charges. Performance measure met-audited all weight slips and ensured proper invoicing and accounting.

Significant Program Achievements:

- 1) The City delivered 271.93 tons of sweepings to the landfill between July 2024-June 2025.

Existing Program Standards Including Importance to Community:

- 1) Review Brown County tonnage and fee reports monthly to identify expenditure trends to develop annual funding requirements.
 - a. Community Importance.
 - i. Provides funding for disposal of street sweepings collected throughout the City from sweeping the streets.

Costs and Benefits of Program and Services:

The adopted 2026 Landfill program cost is \$16,000. This program benefits the community by providing funding for disposal of street sweepings.

2026 Program Objectives:

- 1) Continue to monitor volume of material going to landfill.

2026 Budget Significant Expenditure Changes:

- 1) None.

Storm Water Utility Weed Control

Program Full Time Equivalent: 0.10

Program Mission:

The management of noxious and unsightly weeds throughout the community.

List of Program Service(s) Descriptions:

- 1) *Weed control* – Perform mowing / cutting operations to control grass and weeds in undeveloped lots, City property, and along roadways.

Important Outputs:

- 1) *Cutting weeds and grass* – Activities and services by this program is supported by the property tax (35%) and storm water utility (65%). Maintenance along roadways and City properties to keep grass and weeds mowed to acceptable heights. This service is valuable to the community because it improves visibility at intersections as well as preventing the spread of noxious weeds.

Expected Outcomes:

- 1) Decrease the spread of noxious weeds.
- 2) Increase visibility at intersections for the traveling public.

2026 Performance Measures (July 2025 – June 2026):

- 1) Cut high visibility locations a minimum of 3 times during the cutting season to maintain vision and aesthetics.

2025 Performance Measures (July 2024 – June 2025):

- 1) Respond to 100% of weed complaints within 72 hours of receiving them. Determine if this can be done with current staff levels or whether additional staff is needed or there is a need to outsource some of the workload in order to respond to weed complaints in a timely manner.
 - a. Result: In reviewing See/Click/Fix, this was accomplished.

Significant Program Achievements:

- 1) Maintained safe vision triangles throughout the City.
- 2) Cut and maintained high traffic volume areas of litter.
- 3) Cut growth around storm sewer drainage areas within the city during winter months
- 4) Cut growth around city owned RR spurs annually per CN RR requirements.

Existing Program Standards Including Importance to Community:

- 1) Maintain highway standards for clear vision triangle at intersections.
 - a. Community Importance.
 - i. Reduce road hazards along roadways so motorists can see at intersections
 - ii. Maintain City owned properties so that they are in compliance with the City’s ordinance for tall grass and weeds.

Costs and Benefits of Program and Services:

The adopted 2026 Storm Water Utility - Weed Control program cost is \$55,174. This amount is only 65% of the total cost of the program. The other 35% costs for this program are funded by the general fund. The program benefits the community by allowing the streets to be kept clear of road hazards at intersections. It also benefits the community by allowing City owned properties to be maintained for grass and weeds.

2026 Program Objectives:

- 1) Continue to cut weeds in business and industrial parks at least twice per year.
- 2) Continue to maintain safe vision triangle at intersections throughout the City.

2026 Budget Significant Expenditure Changes:

- 1) Hourly wages increased \$9,044 to reflect eligible step increases and cost of living adjustment (COLA).
- 2) FICA increased \$692 to reflect increase in wages.
- 3) Retirement increased \$702 to reflect increase in wages and retirement contribution rate.
- 4) Health, Dental, DIB, Life & Wks Cmp Ins decreased \$5,532 to reflect actual costs.
- 5) Transportation increased \$1,000 to reflect actual costs.
- 6) No Capital Equipment requested.
