***Small tree varieties will be reserved for space limited areas and overhead power lines only. The final determination will be made by the City Forester.**

The Cost including tax for:

1 Tree = \$100.00	3 Trees = \$300.00
2 Trees = \$200.00	4 Trees = \$400.00

No tree orders are accepted if curb & gutter and landscaping are not in.

Our department will be placing stakes in the parkway where trees will be planted approximately 1-2 weeks prior to planting - approximately late April & early May - depending on availability and weather. The Forestry Department will call Digger's Hotline to locate underground utilities.

It is imperative that after the stakes are placed in the ground they are not moved.

For questions/concerns with placement, contact the **Forestry Department at 920-339-4072 Ext. 2228** or krouce@deperewi.gov between 7:00 a.m. and 3:30 p.m.

Note: Trees must be placed 35' to 40' apart (including established trees already in the terrace) and 30' from street curb intersections. You must stay 10' from water hydrants, water lines, gas T valves, driveways; 5' from adjacent property lines; and a minimum of 20' from streetlights. If you have a question on how many trees can be planted in the parkway, please contact the **City Forester, Kyle Rouce, at 920-339-4072 Ext. 2228** or krouce@deperewi.gov. *If there are overhead power lines the only varieties allowed will be Adirondack Crabapple, Royal Raindrops Crabapple, or Autumn Brilliance Serviceberry.* If there are concerns with the species or the number of trees you have ordered, we will contact you and a refund will be mailed. Orders are taken on a first-come, first-ordered basis when a species of tree is limited in number, **please be sure to indicate your second and third choices.**
