I. Introduction

Wisconsin Act 184, signed into law in 1984, gives Wisconsin municipalities the authority to create Business Improvement Districts (BIDs) within their communities. To do so, at least one property owner within the proposed district must petition the City to create a BID. The State Legislature created Wis. Stats. §66.1109 (the "BID Law") to provide a way for business properties within an established district to authorize voluntary assessments. The assessment funds are to be used for programs aimed at promoting developing, redeveloping, managing, and maintaining that district. There are currently approximately 85 active BID's in the State of Wisconsin across 45 different communities.

Business Improvement Districts are quite similar to traditional special assessments where property owners are assessed for improvements or services that benefit them. Unlike traditional assessments, Business Improvement District assessments can be used to finance a wide range of activities, services, and improvements. Primarily BIDs have been used to attract merchants and business owners that in turn attract more customer traffic downtown. Some BIDs in Wisconsin have funded physical improvements like lighting or parking; others have funded promotional and marketing materials and events. The Operating Plan for each BID directs the use of funds and identifies projects, priority areas, etc.

A. Purpose and History of the BID

The property owners who were involved in the creation of the BID hoped to accomplish the goals and ideas presented in the De Pere Downtown Master Plan, Cultural District Master Plan, Comprehensive Plan, and Historic Preservation Plan. The original De Pere Business Improvement District Operating Plan had been developed by De Pere BID proponents and the City of De Pere. This BID Operating Plan and future plans will be developed by the BID Board, the City of De Pere, and Downtown De Pere, Inc. (also known as Definitely De Pere and listed throughout this document as Definitely De Pere), along with input and discussion from the membership.

The BID Board, through the development of this Operating Plan, has coordinated with Definitely De Pere and the membership for the work described in this plan. Definitely De Pere and the BID provide for a system that has shared long-term goals, and results, that will benefit both the BID District and the City of De Pere.

As used herein, "DBID Operating Plan" shall refer to the De Pere Business Improvement District Operating Plan, and "District" shall refer to the properties located within the physical boundaries of the Business Improvement District, as provided herein in Appendix B.

The De Pere BID was created to:

1. Allow for private property owners to work together in conjunction with the City to develop the District.
2. Enhance existing public funding sources to continue to maintain and promote the District. The BID also empowers future investments generated through private resources in addition to existing public dollars.
3. Provide for an equitable and fair mechanism for funding initiatives that will benefit all business and property owners in the District.
4. Ensure the District will be preserved and will improve the social and economic environment of the District. This is a mechanism to bring together funding initiatives that will fulfill District improvement projects identified in the Downtown Master Plan, Cultural District Master Plan, Comprehensive Plan, and the Historic Preservation Plan.

Use of a BID to develop the District was anticipated to work as follows:

1. The BID was created by the Common Council of the City of De Pere.
2. An operating Board (BID Board), comprised mostly of property owners within the District, has all powers necessary to implement the DBID Operating Plan.
3. The City collects BID assessments from District property owners following the approved assessment formula.
4. Assessment collections are turned over to the BID Board for distribution in accordance with the DBID Operating Plan by the 15th day of the month following such collection.

The Original De Pere BID (established in 2014) included 221 parcels with a total BID value over \$68,209,900. The boundaries include parcels in West and East De Pere's Downtown Business District. Out of the 221 parcels, 76 were tax-exempt or were used for residential purposes. The BID value of the remaining 145 parcels was assessed at \$1.75 for every \$1,000.00 in total value of the parcel.

II. Development Plans

The objective of the BID is to preserve and improve the social, economic and physical environment in the District, bring together appropriate partnerships of people, organizations and funds, and to evaluate and implement District development projects identified by businesses and building owners in the De Pere Downtown Master Plan, Cultural District Master Plan, Comprehensive Plan, and Historic Preservation Plan. This section of the Plan shall be the De Pere BID Operating Plan for 2020.

The BID plan works towards creating Plan Objectives, Activities, and Benefits that are measurable. As each year of the BID evolves so must the Objectives, Activities, and Benefits of the plan to find ways to measure success.

A. Plan Objectives

Goals for the District Development as identified by local businesses, building owners, and residents in the Downtown Master Plan (Adopted by the City of De Pere in June 2010):

1. **Make the downtown a destination** by efforts to attract more residents and visitors and increase vitality, while preserving the existing charm and character.
2. **Support business and private investment** by providing business support and mentorship, organized events, and a current business directory.
3. **Capitalize on key business niches** and promote growth trending clusters in appropriate locations to increase foot traffic and highlight different experiences and sub-districts within the Downtown.
4. **Add life to the District** through expanded creative placemaking efforts, public art, special events, and cultural offerings.
5. **Increase public realm investment and improvement** to create unique and high-quality spaces that provide linkages and outdoor rooms within the Downtown, providing space for enjoyment and organized events.
6. **Promote walkability and bikeability as integral transportation modes** through education efforts, outreach programs with partner organizations, infrastructure investment, and events/programming.

7. **Create New Neighborhoods in the Downtown** Help to brand distinct neighborhoods in the District based on existing assets and future vision. Support development and redevelopment of a range of different housing products.
8. **Support Growth and Redevelopment** in alignment with the Downtown Master Plan and Cultural District Master Plan without losing the authentic existing character. Balance growth with change, including parking and traffic needs.

B. Proposed Activities

General activities consistent with the above objectives include:

1. Continue to promote historic buildings in the District, by facilitating façade rehabilitation projects and educating property owners on available federal and state historic tax credits for building preservation.
2. Provide insight on and recommendations on design guidelines and zoning codes that will facilitate appropriate new development while maintaining the desired aesthetic and sense of place for Downtown De Pere.
3. Build and maintain a Downtown business database to be used as a resource to facilitate conversations between building owners and prospective tenants and buyers and sellers. Work with the City to market appropriate redevelopment properties.
4. Promote community engagement and networking opportunities by increasing volunteer participation from BID and community members.
5. Participate in the creation of a West Downtown Vision plan that will provide complimentary recommendations to pair with the Cultural District Master Plan.
6. Support the City in developing more pedestrian and bicycle-friendly roadways, crosswalks, and parking options to emphasize walking and biking as an integral transportation mode.
7. Promote business assistance programs, such as the locally administered Façade Grant Program, through continuous education efforts with both new and existing businesses via the development of a Downtown Resource Guide.
8. Support future infrastructure projects and continue to promote pedestrian and bicycle facilities and stormwater management, consistent with ideas presented in the Downtown Master Plan, Cultural District Master Plan, and Comprehensive Plan.
9. Explore different ways to effectively market and promote the Downtown. Support the growth of different districts, each with its unique assets and character to enhance vibrancy and vitality.
10. Work to promote beautification and art-related projects to add to the District. Extend the success of the Public Art program into other areas with other forms of art.
11. Work with the city to pursue redevelopment projects within the District to promote growth. Consider encouraging cluster areas of certain business types to enhance walkability.
12. Maximize communication opportunities (press, newsletter, social media, etc.) to drive traffic into Downtown businesses and raise the visibility of events. Support the creation/development of a community-wide calendar that would serve as the primary resource for De Pere news and activities.
13. Work with the City to develop maintenance practices for the District, in which both parties have an understanding of expectations and responsibilities relating to the maintenance of the District, such as sidewalk snow removal, landscape maintenance, and garbage/recycling removal.

14. Develop and implement a plan and budget for the coming year and beyond for the District based on the financial expectations from assessments and its priority of needs, and the City's planned improvements during the same period.
15. Implement enhancements and programming as determined appropriate from the Downtown Master Plan, Cultural District Master Plan, and Comprehensive Plan.
16. Take all further action needed to carry out the general purposes of this DBID Operating Plan as are allowed by BID law.

C. 2021 Priority Projects

1. Extend assistance to businesses as they continue to face hardships due to COVID-19 through additional marketing and funding opportunities.
2. Work with the City to pursue the redevelopment of 123 N Broadway into a mixed-use project.
3. Work with the City to pursue the redevelopment of 360 Main Avenue into a mixed-use project.
4. Support plans to occupy or redevelop the Shopko Property.
5. Work with the City to complete the Zoning Code update, start the Comprehensive Plan update, and start the west downtown Vision Plan.
6. Public Realm Development
 - a. Activate the reconstructed James Street corridor by programming special events and activities to encourage community gatherings.
 - b. Reconsider establishing the Parklet/Pedlet policy and examine how to successfully launch the program.
 - c. Identify future project timelines and strategies to move forward with other concepts identified in the downtown master plans.
7. Continue implementing new and innovative public art projects.
8. Establish a strategic business recruitment (and retention) program that considers market demand and complements the existing business.
9. Continue to focus on creating a more pedestrian inviting environment through enhanced streetscape projects.
10. Enhance current events and develop a plan to add new ones to bring more people downtown throughout the year.
11. Research and study De Pere BID annual assessments compared to other similar communities in Wisconsin. The comparison should be in communities of similar size, similar characteristics, and/or in this region.
12. Research, study, and present to the BID Board and Common Council the findings of the updated economic impact of the Mulva Cultural Center.

D. Benefits of the BID

Money collected by the BID under this DBID Operating Plan will be spent within the District or for the benefit of the District, and used to:

1. Help the District property owners secure and retain tenants by:
 - a. Promotion of coordinated and collaborative partnerships between the District stakeholders, which includes business and property owners.
 - b. Assisting property owners and tenants in the District in dealing and/or partnering with City Government through consultation and formal and informal interaction with City staff and officials.
 - c. Assisting property owners in retaining existing tenants by providing programs and services that help businesses to thrive. Implement in conjunction with the City, projects identified in the Downtown Master Plan, Cultural District Master Plan, and Comprehensive Plan that will improve tenant retention.
 - d. Assisting property owners in recruiting new businesses to the District and reducing new vacancies.
 - e. Assisting property owners in rehabilitating second-floor rental units to generate additional cash flow for properties.
 - f. Implementing in conjunction with the City, projects identified in the Downtown Master Plan, Cultural District Master Plan, and Comprehensive Plan that will improve tenant retention.
2. Help increase the value of property in the District by:
 - a. Continuing to improve the perceived and actual image of the District.
 - b. Investigating and facilitating enhancements to buildings in the District by business and property owners.
 - c. Increasing the demand for space by new businesses that wish to locate in the District.
3. Help tenants and existing businesses in the District become stronger by:
 - a. Conducting successful traffic building community events.
 - b. Conducting successful retail and hospitality events.
 - c. Enhancing the relationship between St. Norbert College and downtown.

III. Measures of Success

The success of the BID is determined by the level of satisfaction of those who create it and who controls the BID, as well as the level of customer satisfaction. This information can be attained through various surveys and questionnaires. A thorough review of qualitative and quantitative data concerning the BID occurred in year 3 (2018). That review should be updated annually and provided to the BID Board for review at their annual strategic planning meeting.

In addition to the evidence suggested above, the following measures will be established and evaluated as quantifiable measures of success:

1. The Downtown Master Plan and Cultural District Master Plan contain steps for both the public and private sectors. Many of these actions are identified in this DBID Operating Plan. The accomplishment of these objectives will indicate one measure of success for the BID.
2. Commercial facilitation is a measure that can easily be quantified as the number of businesses, both existing and new, that receive help, either financial or advocacy services by the BID.

3. Another way to measure BID success is by the growth in value of private property in the District. Quantifiable valuation measures are calculated annually to measure success over time.
4. A final way to track success is through occupancy rates and business inventory. The 2010 business inventory and occupancy rates can be used as a baseline to evaluate and make changes for the following years.

A. Proposed Expenditures of the BID

Expenditure details are listed in Appendix A. 2020 BID Expenditures include the following:

1. Contract with Definitely De Pere - \$83,437.98
2. City of De Pere Administrative Costs -\$1,000.00

B. Budget

The 2021 De Pere BID includes 219 parcels with a total BID value of \$84,920,700 (\$68,595,400 value for assessable properties). The value has remained relatively flat over the past few years with some parcels increasing and some parcels decreasing. Out of the 219 parcels, 78 are tax-exempt or are used for residential purposes. Out of the remaining 141, the BID assessment proposed to remain the same as the 2020 BID Plan and is assessed at \$1.75 for every \$1,000 in total value of the parcel, with no combined ownership to have an assessment of more than \$ 1,950 or less than \$275.

A map of the district boundaries is attached as Appendix B, and information for each parcel classification is listed in Appendix C. Funds collected through BID assessments shall be used to pay for this DBID Operating Plan in order to implement a sustainable Business Improvement District for the City of De Pere.

Estimated 2021 Assessment Income (from 2020 taxes):	\$84,437.98
---	-------------

2021 Expenses

1. Contract with Definitely De Pere:	\$83,437.98
2. City of De Pere Administrative Costs:	\$1,000.00
Total:	\$84,437.98

The BID does not have independently paid staff, and will use City of De Pere staff and contract with Definitely De Pere for such services. The City of De Pere provides staff support to update the assessment numbers and operating plan, and administer the BID meetings.

Estimated expenditures for Definitely De Pere and the City of De Pere are shown in Appendix A. Any unused funds remaining at the end of the year shall be deposited into contingency funds or designated for specific uses in the following DBID Operating Plan year. All physical improvements made with these funds shall be made in the District. The location of other expenditures shall be as determined by the BID Board, but shall be for the benefit of the District.

A Capital Reserve Account may be created to set aside a specific amount of the District's assessment or reserve. This account would be for long term capital needs and projects that may require extraordinary funding during a given budget year.

Annual Review

The BID law requires that the De Pere BID Operating Plan be presented annually to De Pere's Common Council for approval. To comply with the Wis. Stats., § 66.1109 (3) (b), the following process for the approval of the annual BID Operating Plan will be as follows:

1. A joint strategy session of representatives from the BID Board and the City will meet annually and will be responsible for developing the objectives of the BID Operating Plan for the next plan year.
2. The BID Board will review the proposed BID Operating Plan and make recommendations to the Common Council.
3. The Common Council will act on the proposed BID Operating Plan for the following plan year.
4. Appointment of new BID Board members will be made 30 days before the expiration of outgoing BID Board members' terms. This appointment is made by the Mayor and approved by the Common Council.

It is anticipated that the BID Board will continue to revise and develop the DBID Operating Plan annually in response to changing development needs and opportunities in the District. As a part of this review, the BID Board will analyze the benefits of the BID to the property owners and the community and based on this analysis, determine if it is appropriate to continue the BID.

The method of assessment shall not be altered unless a meeting of all District property owners assessed under the BID has been held to discuss such changes, except with the approval of the City of De Pere Common Council. This special meeting will be published as a Class 2 Notice, a copy of which will be mailed to each property owner in the District.

C. Relationship to Plans for Orderly Development of the City

According to Wisconsin Statutes §66.1109 (1)(f)(4), the DBID Operating Plan is required to specify how the creation of a BID promotes the orderly development of the City. The BID will encourage commerce and increase business activity in the District. Orderly development is consistent with De Pere's Downtown Master Plan, Cultural District Master Plan, Comprehensive Plan, and Historic Preservation Plan and will promote the orderly development of the City in general and the District in particular.

D. Powers

It is intended that the BID Board shall have all powers authorized by law and this DBID Operating Plan, including, but not limited to, the following powers:

1. To manage the affairs of the District.
2. To promote new investment and appreciation in the value of existing investments in the District.
3. To contract on behalf of the BID when necessary to implement the DBID Operating Plan.
4. To develop, advertise, and promote the existing and potential benefits of the District.
5. To acquire, improve, lease, and sell properties in the District and otherwise deal in real estate.
6. To annually consider and make changes to the DBID Operating Plan.
7. To undertake on its own account, public improvements and/or assist in development underwriting or guaranteeing public improvements in the District.
8. To apply for, accept, and use grants and gifts for these purposes.

9. To elect officers and contract out work as necessary to achieve its goals.
10. To add to the security of the District.

E. Public Review Process

Wis. Stats. §1109(3) provides ample opportunities for public oversight of the BID, including:

1. The BID Board is subject to the Open Meetings Law (Wis. Stats. §19.84), requiring all meetings of the Board to be preceded by a public meeting notice and to be open to the public;
2. The BID Board must annually submit proposed changes to the Operating Plan to the Common Council for approval;
3. Any change to the special assessment method procedure requires the approval of the Common Council; and
4. The BID Board must provide an annual report of expenses and revenues.

IV. District Boundaries

The District is defined by the current configuration of tax parcels listed in Appendix C-1, and shown in map form in Appendix B. The District is generally bounded by Franklin St. in East De Pere, to N. Ontario St., to Lewis St., across the Claude Allouez Bridge to West De Pere bordered by Main Ave., to Fort Howard Ave., to Grant Street, and lastly to Third St. (St. Norbert College Campus). The District includes 141 taxable parcels subject to BID assessment, according to the Assessor's Records as of January 1, 2020. Parcels that are not taxable or are used for residential purposes have been excluded from this number, even as they fall within the boundaries.

V. BID Organization and Operating Board

Under the adopted By-Laws of the BID, the owners of real estate within the District will recommend members to serve on the BID Board to the Mayor and the Mayor shall appoint Board members from the names provided, whose appointment shall be subject to the approval of the Common Council. The By-Laws also require that over one-half of the BID Board members must be a property owner or operating business in the District and that appointments to the Board be made before the start of the plan year for which the DBID Operating Plan was adopted.

The Board's responsibility is to implement the current year's DBID Operating Plan and to contract for the carrying out of the DBID Operating Plan. The Board also must prepare an annual report and either a reviewed financial statement or audit (per State Statute requirements) and submit it to the Common Council. This will require the BID Board to negotiate with providers of services and materials to carry out the DBID Operating Plan; to enter into various contracts; to monitor development activity, and to ensure compliance with the provisions of applicable statutes and regulations.

The BID Board will operate under the provisions of the BID By-Laws adopted by the BID Board on July 17, 2015, and by the Common Council on September 1, 2015 - amended by the BID Board December 10, 2020 and the Common Council December 15, 2020 (pending). (See Appendix E for the adopted Bylaws).

VI. Financing Method

The proposed expenditures outlined in the budget will be financed with funds collected from the BID assessment. It is estimated that in 2020, the BID will receive \$85,768.38 from the BID 2019 special assessment. Monies collected from the BID assessment will also be used to contract with Definitely De Pere following the DBID Operating Plan.

VII. Method of Assessment

A. Assessed Parcels

All taxable property used for commercial purposes, as well as those taxed by the state as manufacturing, in the District boundary, will be assessed. Properties used exclusively for residential purposes cannot be assessed under Wis. Stats. §66.1109(5). Mixed-use properties containing both commercial and residential will be fully assessed. Those that are used for commercial, as well as manufacturing, will be assessed. Finally, property exempt from paying real estate taxes or owned by government agencies may not be assessed under Wis. Stats. §66.1109(5).

B. Levy of Assessment

Special assessments under this DBID Operating Plan will be levied, through the adoption of this DBID Operating Plan by the City of De Pere against each taxable property within the District, in the amount shown on the assessment schedule, which is attached in Appendix C.

The 2020 rates as shown in Appendix C were calculated at a rate of \$1.75 per \$1,000.00 of assessed value. Parcels are assessed by a legal entity (i.e., multiple parcels owned by one legal entity are used as a total). No legal entity is assessed more than \$1,950.00, and no less than \$275.00. Property values used to calculate the BID assessment represent the assessed value of real property, as certified by the City of De Pere Assessor, as of January 1, 2020. Assessments are based per parcel and legal ownership.

The logic behind the assessment methodology is that each non-exempt parcel owner should pay for district developments in proportion to benefits derived. It is assumed that a minimum and maximum benefit can be achieved for each parcel, thus the minimum and maximum BID assessments have been established.

C. Schedule of Assessments

Appendix C provides a schedule of assessments for 2020 (to fund the 2021 Operating Plan) for all non-exempt parcels in the District based on the formula described above. For convenience, a schedule of all nontaxable parcels exempt from BID assessments are also identified as part of Appendix C.

D. Assessment Collection and Disbursal

The City of De Pere will bill all non-exempt parcel owners the assessed amount in the same manner as other special assessments. The City shall then turn over all collected funds to the BID Board for distribution following the DBID Operating Plan.

The City of De Pere shall hold funds collected for BID assessments in a separate account.

The BID Board will prepare and make available to the public and Common Council annual reports describing the current status of the BID, including expenditures and revenues, when it submits its annual DBID Operating Plan to the City for the following year. Disbursement of BID funds will be made following

the approved DBID Operating Plan and budget. At the end of the fiscal year, an independent certified audit or reviewed financial statement shall be obtained by the BID Board.

This section shall be sufficient instruction to the City to disburse the BID assessment, without the necessity of an additional disbursement agreement, disbursement method, or accounting method. Disbursements made under this DBID Operating Plan shall be shown in the City's budget as a line item. Other than as specified herein, the disbursement procedures shall follow the standard City disbursement policy.

E. Annual Report

An annual report prepared by the BID Board is required by section 66.1109 (3) (c) of the Wisconsin Statutes. Definitely De Pere will prepare the annual report for operations in the District as well as obtain the required audit or reviewed financial statement. Definitely De Pere will provide copies of these reports to the City of De Pere for inclusion in the BID Operating Plan. The BID shall be responsible for the payment of any funds specified for the BID audit and related to BID activities for said BID audit and/or reviewed financial statement. State statute includes detail as related to the amount allocated for these items. The BID Board will continue to review, revise, and develop the DBID Operating Plan annually in response to changing development needs within the District.

VIII. City Role in District Operations

The City of De Pere is committed to helping owners and occupants in the District promote the objectives outlined in this DBID Operating Plan while maintaining autonomy in the preparation of its annual budget. The City makes significant annual investments in the District for maintenance, upkeep, and infrastructure. The City will continue providing services, capital improvements, and funds for maintenance, the Facade Grant Program, and promoting economic development. The City of De Pere will also commit to the following:

1. Encourage County, State, and Federal Governments to support activities of the District.
2. Monitor, and when appropriate apply for, outside funds which could be used in support of the District.
3. Collect assessments and maintain a segregated account.
4. Provide disbursement of BID funds to service providers following the DBID Operating Plan and budget.
5. Obtain and review annual audits/reviewed financial statements as required per Section 66.1109 (3) (c).
6. Provide a financial statement to the BID Board.
7. Review annual audits/reviewed financial statements as required by Section 66.1109 (3) (e) of the BID Law.
8. Provide to the BID Board no later than September 1st each plan year, the official City records on assessed value for each tax parcel within the District as of that date in each DBID Operating Plan year, to calculate the BID assessment.
9. Adopt this DBID Operating Plan in the manner required by the BID Law.
10. Appoint and confirm new BID Board members as required by BID Law.
11. Provide Staff for the operation, facilitation, and support of the BID Board.

IX. Required Statements

The BID Law requires that the DBID Operating Plan include specific statements:

1. *66.1109(1)(f)(1) The special assessment method applicable to the business improvement district.* The special assessment method is set forth in Section VI.
2. *66.1109(1)(f)(1m) Whether real property used exclusively for manufacturing purposes will be specially assessed.* The District will contain property used exclusively for manufacturing purposes; it will contain properties used in part for manufacturing. These properties will be assessed according to the formula contained herein because it is assumed they will benefit from development in the District.
3. *66.1109(1)(f)(2) The kind, number and location of all proposed expenditures within the business improvement district.* The number and location of proposed expenditures is set forth in Section II.G.
4. *66.1109(1)(f)(3) A description of the methods of financing all estimated expenditures and the time when related costs will be incurred.* The method of financing the estimated expenditures is set forth in Section V.
5. *66.1109 (1) (f) (4) A description of how the creation of the business improvement district promotes the orderly development of the municipality, including its relationship to any municipal master plan.* Please refer to Section II. B, C and E.
6. *66.1109 (1) (f) (5): A legal opinion that subds. 1. to 4. have been complied with.* A legal opinion from the BID Attorney, indicating that the Operating Plan complies with all applicable provisions of Section 66.1109 (1) (f) (1-4) is attached as Appendix F.

X. Severability and Expansion

The Business Improvement District has been created under the authority of Section 66.1109 of the Statutes of the State of Wisconsin. Should any court find any portion of the BID Law or this DBID Operating Plan unconstitutional, it will not invalidate or terminate the BID. The DBID Operating Plan will be amended to conform to the law without the need of re-establishment. Should any legislature amend the statute to narrow or broaden the purposes of a BID to exclude or include as assessable properties a certain class or classes of properties, then this DBID Operating Plan may be amended by the Common Council of the City of De Pere when it conducts its annual budget approval, without any necessity to undertake any other act. If it is determined by a court or administrative body that a parcel of property is not subject to general real estate taxes and may not be included in the District, then such parcels shall be excluded from the definition of the District.

All of the above is specifically authorized under Wis. Stats. §66.1109(3)(b).
