**COVID-19 Update: *Fifth & Sixth Confirmed Case in Brown County***

BROWN COUNTY, WI— Brown County Public Health, De Pere Health Department and Oneida Nation Health Department announced today that we have two more confirmed cases of Coronavirus (COVID-19) in Brown County. This brings the total number of confirmed cases in Brown County to six.

Our health departments are actively monitoring the progression of this outbreak in Brown County. The only tool we have to slow the spread of this virus in our community is physical separation from each other. Public Health urges the community to continue to practice social distancing and stay at home. We are continuing to work closely with Wisconsin Department of Health Services (DHS) and the Centers for Disease Control and Prevention (CDC) to track this situation and take the necessary steps to keep our communities safe and well.

Together we can make a difference in the fight against COVID-19.

- Comply with the Governor's Safer at Home Order
- Stay home if you can and especially if you are sick
- Wash your hands frequently and thoroughly
- Practice social distancing. Please keep six feet between people and avoid direct physical contact.

This is a rapidly evolving situation. For the latest information, visit the [CDC's website](#) or the [DHS website](#).
