Based upon Brown County rescinding its Order of May 13, 2020 extending the State Safer at Home Orders, I HEREBY RESCIND MY MAY 14, 2020 ORDER which also extended the Safer at Home Orders.

The State of Wisconsin, Brown County and the City of De Pere have made great progress in controlling the spread of the COVID-19 virus. Pursuant to Wis. Stat. § 252.03(1) & (2), I am issuing the following recommendations to serve as guidelines to control the transmission of the virus throughout the City of De Pere, effective immediately.

RECOMMENDATIONS:

Individuals and Families:

- Practice Physical Distancing and Protective Measures, including the following:
 - Maintaining physical distancing of six (6) feet between people not residing in a single living unit or household;
 - Washing hands with soap and water for at least 20 seconds as frequently as possible or using hand sanitizer;
 - Covering coughs or sneezes (into the sleeve or elbow, not hands);
 - Regularly cleaning high-touch surfaces;
 - Not shaking hands;
 - Use of a mask or cloth face covering when physical distancing is impractical;
 - Limiting travel to reduce the potential for virus transmission;
 - Following all other public health recommendations issued by the State of Wisconsin Department of Health Services, the City of De Pere Health Department, and the U.S. Centers for Disease Control and Prevention

- Stay home if you are sick and seek appropriate medical care.

Businesses, Non-Profits, and other Entities:

Implement the strategies and practices based on the following sources:

- Wisconsin Economic Development Corporation Reopening Guidelines at <https://wedc.org/reopen-guidelines/>,
- Centers for Disease Control at <https://www.cdc.gov/coronavirus/2019-ncov/community/guidance-business-response.html>, and
- State of Wisconsin Department of Health Services at available at <https://www.dhs.wisconsin.gov/covid-19/employers.htm>

Consult with the De Pere Area Chamber of Commerce and the City of De Pere Health Department to gather additional information to safely resume business activities.

Gatherings:

- Individuals - avoid situations where you are unable to exercise appropriate physical distancing with non-household members.
- Businesses, Non-Profits, and other Entities - reduce capacity and modify physical spaces to ensure adequate physical distancing for customers and staff.

Enforcement: These guidelines provide recommendations and do not provide for enforcement via civil or criminal penalty.

Duration: This communication shall become effective immediately and shall remain in effect until revoked or superseded by subsequent recommendations or order.

This situation may continue to evolve and may require future orders to protect the public's health and safety. We trust that residents and businesses will follow recommendations and guidance from Public Health authorities to protect each other.

Deborah E. Armbruster
Health Officer, City of De Pere
