Teen Advisory Board
The City of De Pere Parks, Recreation & Forestry Department is currently accepting applications for teen advisory representatives for our Board of Park Commissioners. The Mayor of the City of De Pere appoints these positions on a yearly basis, as a one-year term starting in July. The teen advisory seats are open to persons of high school age who reside in the City of De Pere. The term of the appointment is one year running July 1 through June 30. Applicants must be able to attend Board of Park Commissioners meetings held on the third Thursday of the month starting at 6:30 pm. Interested applicants can request an application packet by contacting the Parks, Recreation & Forestry Department at 339-4065. The deadline for the applications is Friday, April 22, 2022.

Recreation Scholarship Program

This financial assistance program has been established to provide youth in the City of De Pere the opportunity to participate in recreation programs offered by the Parks, Recreation & Forestry Department, regardless of their financial status. Through the generous support of local service organizations, foundations, businesses and community members, the City of De Pere is able to help people overcome financial barriers in order to participate in city recreation programs.

Scholarships are available for instructional programs, special events, pool passes, playgrounds, Kidz Zone Before & After School Program, Summer Day Camp, and co-sponsored youth sport leagues such as youth soccer, baseball, softball and hockey. Scholarships are not available for youth participation in field trips, replacement pool passes, costumes or supplies. Scholarships may be offered to eligible families as part of City of De Pere sponsored holiday giving programs.

Scholarships are awarded on a first come, first served basis as long as there are available funds and are within the guidelines established. Residents may apply by completing an application form. For more information, please call the Community Center at 339-4097 or visit the City’s website at www.deperewi.gov.

DONATIONS ACCEPTED!

The Parks, Recreation & Forestry Department is accepting donations for the Recreation Scholarship Fund. With your support, we can help make a positive influence in the lives of the children of our community today, tomorrow and for the future! Homebound Meals – More than Just a Meal!

Meals on Wheels are delivered to homebound older adults in Brown County. Service available to those age 60 & older who are homebound or unable to safely prepare meals. Meals delivered weekdays around the noon hour for a $4.00 suggested donation. Delivery offers not only a hot, balanced meal, but a well-check & friendly smile. Temporary service also an option for older adults recovering from surgery or illness. Additional precautions taken to ensure customer safety during the Coronavirus Pandemic. Applications completed by phone with meals starting in as little as 2 days. For more information, call the ADRC Nutrition Program at 448-4312.

Dine-In & Carryout Meals

During the COVID Pandemic, the ADRC of Brown County is following the most up-to-date guidance for dine-in locations. As the situation changes, we have made necessary changes to our operations. At the time of this printing, dine-in meals are available at the ADRC Community Café located at 300 S. Adams St., Green Bay. Carryout Meals are also available at this location. To stay up-to-date with Dine-in & Carryout Meals, please visit https://adrcofbrowncounty.org/community-cafe-dining-sites/ or call the ADRC at 448-4300.

We Need You!

Enjoy working with older adults? There’s volunteer opportunities for meal delivery. Flexibility to fit your schedule! For more information on delivering Meals on Wheels, call the ADRC Nutrition Program at 448-4312 or complete our online interest form at www.adrcofbrowncounty.org/get-involved-volunteer/.

The De Pere Community Center is also looking for volunteers to assist with preparing for special events and other programs. Please call the Community Center at 339-4097 for more information.

Park Rules & Ordinances

The City of De Pere Parks, Recreation & Forestry Department has developed a number of park rules and ordinances that we hope will make your park visit a positive experience. Your cooperation in abiding by these rules during your park visit is greatly appreciated.

1) Park hours are from 6:00 am – 11:00 pm. Exception: Voyageur Park hours are 4:00 am – 11:00 pm.
2) Dogs and other animals are not permitted in any parks (except East River Trail, Dog Park, Voyageur Park, or as part of the Goose Patrol Program. Dogs must be leashed and waste removed.)
3) Vehicles permitted only on designated roads and parking areas. Speed limit is 15 miles per hour.
4) Glass containers are not allowed in any park.
5) Open shelters are available to the general public. If a shelter is rented to an individual and/or group, preference for the use of this shelter is then given to this individual and/or group.

These are the most common rules. For a complete listing of all park ordinances contact the Park, Recreation & Forestry Department at 920-339-4065.

**Emerald Ash Borer**

In July 2016 we identified our first case of Emerald Ash Borer on the NE side of De Pere. The crown of the mid-sized ash was thin and the homeowner wondered what was wrong with it. After choosing to remove the tree our arborists examined some of the branches from the upper crown and found some exit holes that appeared to be ‘D’ shaped (the familiar, tell-tale sign of EAB). There were no significant sprouts or increased woodpecker activity on the tree (other tell-tale signs of an infestation). After peeling the bark and finding a few more holes we had a representative from the WDNR take a look at the find and our fears were confirmed. Unfortunately in October 2016 we found our second infested tree on the W side of De Pere. The same subtle signs occurred in this tree – the crown was a bit thin and we did find only a couple of ‘D’ shaped exit holes, but no other tell-tale signs of the insect. Since then EAB has spread significantly on both the E & W sides of our City. Thus far we have removed hundreds of trees with obvious signs of the insect and continue to find additional heavily infested trees on a weekly basis.

What does this mean for you? It means that if you want any real chance of saving your ash trees you will need to begin treatment of them sooner than later (in many cases it is likely too late already). Research has shown that if an infestation breaks out within 15 miles of your property you may reasonably choose to treat your trees. There are numerous options available to you – you can treat it yourself with various products (if your tree is less than about 47 inches in circumference [i.e., 15 inches in diameter at breast height (DBH)]) or you can have a professional treat your trees (for trees typically over that size). If you choose to do nothing, unfortunately the ash in your yard are likely to succumb to EAB. The choice, however, is ultimately yours. I have also been recommending to residents that they start to replant before the insect kills your ash trees. Fill in areas of ash with other, diversified species of trees so that if you choose to not treat the trees you have these newly planted trees will likely get a good foothold and be ready to push better growth once the ash are removed. **It should also be noted as an ash tree dies from EAB it becomes more brittle and prone to breakage than an ash that dies from more normal conditions. Therefore we recommend removing your ash as soon as it becomes obvious it is dying from the insect and treatment options are exhausted.**

EAB is a small, brilliant green beetle about the same size as our native Bronze Birch Borer (which attacks and kills white birch). These adults lay eggs on the bark of ash trees. Upon hatching, the tiny larvae bore under the bark and begin feeding in the cambial (the transport system) layer of the tree. These larvae feed in winding serpentine patterns under the bark, essentially girdling the trees as they go. Upon maturing, the adult exits the bark forming a distinctive “D” shaped exit hole. Signs to look for include bark cracking, crown dieback, heavy woodpecker activity and sprouts on the trunk of the tree. It usually takes 2 – 5 years for the tree to fully show damage from EAB.

You can learn more about EAB at one of the many websites devoted to this devastating insect. Wisconsin’s website is a very good reference for all - [http://emeraldashborer.wi.gov/](http://emeraldashborer.wi.gov/); another good one is [www.emeraldashborer.info](http://www.emeraldashborer.info).

**Compost Facility Hours - 2022**

The compost facility is open seven days a week from dawn to dusk. There are designated bins for permitted items at the site. No plastic bags are allowed to be left with your material. The facility is a service provided for City of De Pere and Town of Ledgeview residents only.

**Directions to Compost Site**

Take Broadway (Hwy. PP) south; go under the overpass and past Legends Bar on Hwy. PP. Continue south on Hwy. PP, past Valley Cabinets. Turn right onto Rockland Rd, just south of De Pere Veterinary Service. Go past Mommaerts Auto Salvage; compost site is on the same side of the road as Mommaerts.

**Dutch Elm Disease/Oak Wilt**

Dutch Elm Disease and Oak Wilt continue to be killers of our American Elm and many varieties of Oak. DED never went away and Oak Wilt is only a short distance away from De Pere. As a landowner, you can help prevent or slow down the spread of these diseases by **not pruning either species from April 1st to September 1st**. If your tree is dying or dies from one of these diseases, the City of De Pere has an ordinance that declares them a nuisance and requires them to be removed in a timely fashion or an abatement procedure could be started. Please help us control these fatal diseases with timing and sanitation.

**Gypsy Moths**

Gypsy Moths can be a destructive pest of many of our trees and shrubs in De Pere. Oak trees, unfortunately, are a favorite of the Gypsy Moth and therefore many of our control efforts continue to focus on areas of high populations of these magnificent trees. The City of De Pere Forestry Department continues to monitor and help control gypsy moth in De Pere. Egg mass oiling, aerial spraying, placing burlap ‘skirts’ on trees, and insect destruction on City owned trees are just some of the ways we do so. You can also help to monitor and control them by checking your own trees, shrubs, woodpiles and outdoor furniture for the presence of eggs, caterpillars, and/or pupae. When they are found, please destroy them by cutting, crushing, scraping, oiling or treating them. To learn how to control each stage of the insect please consult your Forester, a tree care professional or one of the many websites (especially [www.gypsymoth.wi.gov](http://www.gypsymoth.wi.gov)) dedicated to Gypsy Moth.

**Goose Patrol Program**

The City has a program that allows residents to help control geese in specific parks. This program allows you to take your dog into one of these parks to harass the geese. The participant will need a free permit and a vest for their dog to participate. Please contact the Parks, Recreation and Forestry Department at 920-339-4065 for further details.

**Arboricultural Specifications Manual**

Our arboricultural specifications manual helps the City of De Pere to manage and maintain all trees located upon City grounds. It can also serve as a guide to homeowners and professionals alike. For a copy of this manual you can either access it in the Forestry section of the City of De Pere website or you can contact the City Forester.
**Dog Park**

Our Dog Park, located in the West Side Industrial Park at 1400 Biotech Way, has been very popular since its opening in August of 2011. Since its inception we have added water for humans and pets, new trails, benches, black top parking lot, a concrete walk into the large dog area, exercise structures and other small upgrades to enhance the experience. We also built a new open air shelter for users to enjoy! We welcome you to stop out and enjoy our beautiful fenced in facility.

We have been very fortunate in the past to have the support of our volunteer group, the De Pere Dog Park Association, and numerous Eagle Scouts. These scout projects and all the hard work and financial support from the group, along with all the donators, made the park a reality. To continue to build and add onto our park, though, we still need continued support from the community. The dog park has many options for providing financial support, ranging from simple donations at the “donation box” to naming rights for larger donations. All of the donations go directly into an isolated fund that is to be used for future improvements. Please contact the Parks, Recreation and Forestry Department with any questions you have about financially supporting the future of the De Pere Dog Park. We can be reached at 920-339-8362 or at dmelichar@deperewi.gov.

---

**Memorial Bench and Tree Program**

The City of De Pere has a program that lets you honor a special person or persons through a bench and/or the living gift of a tree. You can request to “donate” a bench, a tree or trees that would be installed or planted in the park of your choice as a memorial. For more details of this program, please call the Park Superintendent/City Forester at 920-339-8362.

---

**Parkway Tree Planting Program**

Our fall tree planting orders were taken until September 24th. Our spring orders will be taken from the end of February thru the end of March and the tree species and varieties will be determined at that time. Further information can be obtained by calling the Parks, Recreation & Forestry Department at 920-339-8362 or it can be accessed on the City’s website at www.de-pere.org. During the above dates, the form for ordering trees will be available on that website. *It should be noted that De Pere has an ordinance limiting homeowner plantings in the terrace or on any City right-of-way and requires you to fill out a ROW Planting Permit. If you have a question or concern, please contact the City Forester for clarification.*

---

**Parkway Tree Pruning or Removal**

The De Pere Forestry Department will perform all pruning and removal of parkway trees. Parkway trees are all trees that fall within the City right-of-way (those that are between the curb and the back of the sidewalk or where it would be located). Pruning will take place either at the time of planting (typically only broken or damaged limbs will be removed), upon the request of a property owner, on a periodic pruning cycle or as the need is determined by the City (i.e. branches are a hazard). Though the trees may look different, please be assured that our crewmembers are trained and have an action plan when they approach a tree. Removal requests are evaluated by the City Forester. Trees also are periodically evaluated by City staff and may be targeted for removal. Homeowners are notified and advised of their options.

The City of De Pere will not “top” trees on any City property and it is likewise not advised that any other individual or company partake in such a practice. Topping a tree opens the tree to insect and disease attacks, causes severe internal decay and structural problems and reduces the trees ability to manufacture stored root reserves. This practice is extremely detrimental to all trees and does not follow the natural growth habits of the plants. Please consult the City Forester about any pruning or removal questions for City owned trees or about your own trees.
