3. CONCRETE GRINDING SPECIFICATION

Description: This special provision describes grinding concrete sidewalk to remove trip hazards.

A. Materials: Perform grinding using dry, vertical carbide grinding equipment that will leave a non-slip surface. Grinding can also be performed by saw cutting with flush mounted diamond-tipped blades capable of horizontal cutting to remove the concrete completely to all edges of the walk.
B. Construction: Perform grinding so that the sidewalk surface has essentially the same or slightly rougher texture adjacent to either side of the joint or crack. Ground surfaces will not be smooth or polished and have a coefficient of friction of not less than 0.30.

Perform grinding so that the finished grind has a rectangular appearance consisting of a straight back line with no stray grinding marks. The adjacent concrete will remain untouched by the grinding process without scars or damage.

The finished slope will be a maximum of 8:1 per attached details.

The City will provide a list of the job site addresses.

C. Measurement: The City will measure grinding by each unit or by the number of lineal foot. Each unit shall consist of a grind the entire width of the sidewalk up to a maximum of five (5) feet across and up to a maximum of two (2) inches high. Grinds over five feet shall be paid at the lineal foot rate.

D. Payment: The City will pay for measured quantities at the contract unit price under the following bid items:

<table>
<thead>
<tr>
<th>ITEM NUMBER/DESCRIPTION</th>
<th>UNIT</th>
</tr>
</thead>
<tbody>
<tr>
<td>SD-01 Grinding sidewalk up to five (5’) feet wide and less than two (2”) inches high</td>

</tr>
</tbody>
</table>

Payment is full compensation for furnishing all materials; mobilizing to site; grinding; clean up; removing all excess debris, and for furnishing all labor, tools, equipment, and incidentals necessary to complete the contract work.

4. PROSECUTION AND PROGRESS. The Contractor will call or meet at least once a day with the Engineer to report job progress and receive new job assignments while work on this proposal is in progress.

A sample contractor agreement is attached for your reference.

Combined Single Limit/Bodily Injury and Property Damage:
$1,000,000 per person/per accident

Uninsured/Underinsured Motorists:
Limits equal to above combined single limit

3. Worker’s Compensation and Employers’ Liability Insurance
   Limits of Liability: Statutory

   The Contractor shall provide City with a certificate of insurance outlining the required coverage and naming the City as an additional insured thereunder for purposes of the Contract.

IV. INDEMNIFICATION

   The Contractor shall indemnify and hold harmless the City, its officers, agents and employees from and against all claims, damage, losses, and expenses including reasonable attorney’s fees arising out of or resulting from the performance of the work specified in this Contract, provided that any such claim damage, loss or expense is caused in whole or in part by any negligent or intentional act or omission of the Contractor, any Subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, regardless of whether or not it is caused in part by a part indemnified hereunder.

V. LEGAL RELATIONS AND PUBLIC RESPONSIBILITY

1. LAWS TO BE OBSERVED. The Contractor shall at all times observe and comply with all federal, state, and local laws, regulations and ordinances which are in effect or which may be placed in effect during the contract period and which in any manner affect the conduct of the work. The Contractor shall indemnify and save harmless the City and its officers, agents and employees against any claim or liability arising from or based on the violation of any such law, ordinance, or regulation, whether by Contractor or its employees, subcontractors, or agents.

2. CONTRACTOR RECORDS. Contractor acknowledges that, as a contractor of a Wisconsin Municipality, Wis. Stats. §19.36(3) applies to it and records produced by it pursuant to this contract are subject to the public records law to the extent that
they would otherwise be if maintained by the City of De Pere. Contractor agrees that, within 10 business days of a written request of the City of De Pere, it shall forward such records as are requested by the City of De Pere. Such records shall be in the format requested by City of De Pere provided that such records are kept and maintained in that format.

3. PERMITS AND LICENSING. The Contractor shall procure all permits and licenses necessary and incidental to the work required hereunder.

4. WORK SAFETY AND HEALTH. The Contractor shall comply with all federal, state and local laws governing work safety and health and shall provide all safeguards, safety devices and protective equipment, and take any other needed actions as the Contractor or the City Engineer may determine reasonably necessary, to protect the life and health of employees on the job and the safety of the public and to protect property in connection with the performance of the work covered by the contract.

5. RESPONSIBILITY FOR DAMAGE CLAIMS. The Contractor and its surety shall indemnify and save harmless the City and all of its officers, officials, agents and employees from all suits, actions or claims of any character brought because of any injuries or damages received or sustained by any person, persons, or property on account of the operations of the said Contractor; or on account of or in consequence of any neglect in safeguarding the work, or through use of unacceptable materials in constructing the work; or because of any act or omission, neglect or misconduct of said Contractor; or because of any claims or amount recovered for any infringement of patent, trademark or copyright; or from any claims or amounts arising or recovered under the worker’s compensation law; or any other law, ordinance, order or decree; and so much of the money due the said Contractor under and by virtue of this contract as shall be considered necessary by the Board of Public Works for such purposes, may be retained for the use of the City; or, in case no money or insufficient money is retained, the Contractor’s surety shall be held.

The City shall not be liable to the Contractor for damages or delays resulting from work by third parties or by injunctions or other restraining orders obtained by third parties.

It shall be the Contractor’s responsibility to see that all of the contract operations incidental to the completion of this contract are covered by public liability and property damage liability insurance in order that the general public or any representative of the contracting authority may have recourse against a responsible party for injuries or damages sustained as a result of said contract operations. This requirement shall apply with equal force, whether the work is performed by the Contractor, or by a Subcontractor or by anyone directly or indirectly employed by either of them.
6. CONTRACTOR’S RESPONSIBILITY FOR WORK. Until acceptance of the Work by the City Engineer, the Contractor shall have the charge and care thereof and shall take every precaution against injury or damage to any part thereof by the action of the elements, or from any other cause, whether arising from the execution or non-execution of the Work. The Contractor shall rebuild, repair, restore and make good all injuries or damages to any portion of the Work occasioned by any of the above causes before acceptance and shall bear the expense thereof, except damage to the Work due to unforeseeable causes beyond control of and without the fault or negligence of the Contractor, including but not restricted to acts of God, of public adversaries or of governmental authorities. In case of suspension of work from any cause whatever, the Contractor prior to suspension shall take such precautions as may be necessary to prevent damage to the project, provide for normal drainage and shall erect any necessary temporary barricades, signs or other facilities, at the Contractor’s expense, as directed by the Engineer.

7. PERSONAL LIABILITY OF PUBLIC OFFICIALS. In carrying out any of the provisions of this contract or in exercising any power or authority granted to them thereby, there shall be no personal liability upon the City, its officers, officials, agents and employees, it being understood that in such matters they act as agents and representatives of the City. Any right of action by the Contractor against the City, or its agents or employees, is hereby expressly waived.

VI. GUARANTEE OF MATERIALS AND WORKMANSHIP

The Contractor shall guarantee all materials furnished and all work performed under the Contract against all defects in materials and workmanship for a period of one year following the date of acceptance of the Work, which date shall be understood to be the date of which final payment of all monies due the Contractor under the contract is authorized by the Director of Public Works. Should any defect appear during the guarantee period, the Contractor shall make the required repairs or replacement upon receipt of written notification from the Director of Public Works to do so.

VII. MEDIATION

All claims, disputes and other matters in question between the parties of this Agreement arising out of or relating to this Agreement or breach thereof, which are not disposed by mutual agreement of the parties, shall be subject to mediation as a condition precedent to the institution of legal proceedings by either party. If such claim, dispute or other matter involves a lien arising out of the Contractor’s services, the Contractor may proceed in accordance with applicable law to comply with lien notice and filing deadlines prior to resolution of the matter by mediation.

The City and Contractor shall attempt to resolve claims, disputes and other matters in question between them by mediation in accordance with the Rules of the American Arbitration
Association currently in effect unless the parties agree otherwise. A request for mediation shall be filed in writing with the other party to this Agreement and, if applicable, the American Arbitration Association. The request may be made concurrently with the filing of a civil action, but mediation shall proceed in advance of legal proceedings, which may be stayed pending mediation for a period of 60 days from the date of filing unless a longer period is agreed to by the parties or required by a court order.

The parties shall share the mediator’s and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.
