A. EXECUTIVE SUMMARY TID NO. 11 BOUNDARY AMENDMENT NO. 1

The purpose of the Boundary Amendment is to add parcel WD-1042 into the TID Boundary. Parcel WD-1042 was acquired by Robinson Metal in December 13, 2019 to expand their business operations. Robinson Metal proposed to incrementally expand their facility in the coming years on a portion of WD-1041 located off Fortune Ave. The City of De Pere wants to assist in the business expansion on the privately owned vacant land as it is typically easier and more secure to grow an existing stable business than a new business. However, the State of Wisconsin Tax Increment Financing laws require districts must contain only whole parcels; therefore, the City of De Pere proposes to add parcel WD-1042 to TID No. 11 to allow for the expansion.

This amendment is strictly a boundary amendment and the City is not proposing to amend the project plan costs at this time. To keep the project plans simple and concise the City used the most recently amended project plan as the basis for this boundary amendment. Staff retained the sections of the previous plan but updated maps, references, boundary descriptions, acres, and other necessary references. This approach enabled the City to keep the most recent project plan and boundary updated under a single document. Therefore, the sections or text identified in gray are areas in which the document was updated to reflect TID law changes, map references, or other necessary updates. If no changes are proposed the section will include the following text

“No update or revision to the previously approved TID Project Plan.”

B. INTRODUCTIONS

Wisconsin's Tax Incremental Law was created to help cities and villages rehabilitate blighted areas and improve or develop industrial sites. In creating Wisconsin's Tax Incremental Law, the State Legislature expressed its concern that cities and villages had neither the incentive nor the financial resources necessary to carry out projects that benefited not only the city or village, but all jurisdictions which share in the tax base.

The Tax Incremental Law gives cities and villages the authority, under certain conditions, to designate a specific area within its boundaries as a Tax Incremental Financing District and requires them to prepare a plan to develop or redevelop the District. Cities or villages may use all increased property taxes generated by the increased property value generated by such development or redevelopment to pay for eligible costs, which they incur to improve the District. This law assumes that all governmental units that tax properties within the District will eventually benefit from the increased value which will be generated. The municipality that created the District is allowed to retain the increased taxes generated during the existence of the District to pay for the costs of the public improvements.

State Statute places certain limitations on the creation of Tax Incremental Financing Districts. Only whole parcels of property that are assessed for general property tax purposes and which are contiguous can be included within a District. In addition, at least fifty percent (50%) of the real property in a District must meet at least one of the following criteria:

1. It is a blighted area;
2. It is an area in need of conservation or rehabilitation work;
3. It is an area suitable for industrial sites and has been zoned for industrial use; or
4. It is an area suitable for mixed-use development.

It also must be found that:
1. The improvement of the area is likely to enhance significantly the value of substantially all the other real property in the District;
2. The project costs relate directly to eliminating blight, directly serve to rehabilitate or conserve the area or directly serve to promote industrial and/or mixed use development; and
3. The equalized value of taxable property of the District plus the value increment of all existing Districts does not exceed 12 percent of the total equalized value of taxable property within the City.

Before a Tax Incremental Financing District can be created or amended, a Joint Review Board, which is comprised of representatives of the authorities having the power to levy taxes in the District and one public member, must approve the municipality's action relative to the creation or amendment of the District.

A Tax Incremental Financing District shall terminate when the earlier of the following occurs:

1. That time when the City has received aggregate tax increments with respect to such District in an amount equal to the aggregate of all project costs under the Project Plan and any amendments to the Project Plan for such District.
2. Twenty years after the District is created for mixed use TIDs.
3. The local legislative body, by resolution, dissolves the District, at which time the City shall become liable for all unpaid project costs actually incurred, except this paragraph does not make the City liable for any tax incremental bonds or notes issued.

The Project Plan for Tax Incremental Financing District No. 11, “the District,” in the City of De Pere has been prepared in compliance with s. 66.1105(4), Wisconsin Statutes. TID No. 11 and the proposed amendment is defined by the boundary shown on Map 1 found in Appendix A. Pursuant to s. 66.1105(4)(f), the Project Plan shall include:

1. A statement listing the kind, number and location of all proposed public works or improvements within the district;
2. An economic feasibility study;
3. A detailed list of estimated project costs;
4. A description of the methods of financing all estimated project costs;
5. The time when the related costs or monetary obligations are to be incurred;
6. A map showing existing uses and condition of real property in the district;
7. A map showing proposed improvements and uses in the district;
8. Proposed changes of zoning ordinances, master plan, if any, maps, building codes and city ordinances;
9. A list of estimated non-project costs;
10. A statement of the proposed method for the relocation of any persons to be displaced;
11. An indication as to how creation of the tax incremental district promotes the orderly development of the City/village;
12. An analysis of the overlying taxing districts;
13. A map showing the district boundaries; and
14. An opinion of the city attorney advising whether the plan is complete and complies with s. 66.1105(4)(f), Wisconsin Statutes.
C. STATEMENT LISTING THE KIND, NUMBER, AND LOCATION OF ALL PROPOSED PUBLIC WORKS OR IMPROVEMENTS WITHIN AND OUTSIDE OF THE DISTRICT

The public works and improvement activities located within Tax Incremental Financing District No. 11 are listed on Table I found on Page 4, which provides a listing of all District activities; and Map 3 in Appendix A, which shows the location of the proposed project costs, public works and improvements. The estimated project costs shall be refined as future development occurs and specific project activities are undertaken. Any economic incentives granted will be consistent with the TIF statutory requirements.

A. Capital Costs for Development of the TID:

Capital costs most often include projects located within the boundaries of the District. Infrastructure costs for projects located outside of the District, benefiting or necessary for the development within the District may also be eligible District project costs (must be within one-half mile radius of the district). Such costs must be shared in a reasonable manner relating to the amount of benefit to the District. Infrastructure costs may include:

1. Land acquisition, relocation, and building demolition to facilitate development or redevelopment within the District.
2. Street construction or reconstruction, installation/upgrading of sanitary sewer, water, and storm water infrastructure to facilitate development or redevelopment.
3. Installation or improvements to other utilities including electric, natural gas, telecommunications, cable TV, fiber optic, etc.
4. Construction of sidewalks, trails and other related improvements to facilitate pedestrian travel in and around the District.
5. Installation/construction of landscaping improvements, streetscaping, and wayfinding.

No update or revision to the previously approved TID Project Plan.

B. Administrative Costs:

Administrative costs may include, but are not limited to, a portion of City staff time, consultants and others directly involved with planning and administering of the District over the statutory expenditure period.

No update or revision to the previously approved TID Project Plan.

C. Organization Costs:

Organization costs may include, but are not limited to, financial consultant fees, attorneys, engineers, planners, economic or environmental feasibility studies, traffic studies, preparation of this Project Plan, financial projections, preliminary engineering to determine project costs, maps, legal services, and other payments made which are necessary or convenient to the District.

No update or revision to the previously approved TID Project Plan.
D. Financing Costs:

Financing costs include interest, finance fees, bond discounts, bond redemption premiums, bond legal opinions, bond fees, ratings, capitalized interest, bond insurance and other expenses related to financing.

The previous activities shall provide necessary facilities and incentives that should enable and encourage development and redevelopment within the District. A detailed list of estimated project costs, including anticipated year of installation, is included in Table I.

No update or revision to the previously approved TID Project Plan.

D. LOCAL ACTION

Before a Tax Incremental Financing District can be created, the City Plan Commission must hold a public hearing(s) on the proposed creation of the District, the proposed boundaries thereof and the proposed Project Plan for the District. The public hearing on the creation of and the boundaries for the District may be held separately from or concurrent with a public hearing on the proposed Project Plan. The City has chosen to hold the public hearings concurrently. After the public hearing, the City Plan Commission must submit the recommended Tax Incremental Financing District boundaries and Project Plan to the local legislative body for action if it desires to create a District. Before adopting such resolution, the local legislative body may amend both the proposed District boundaries and Project Plan. The Public Hearing
for the Boundary Amendment has been scheduled for the Plan Commission on July 26, 2021. Notice of the Public Hearing has been published in the Green Bay Press Gazette on July 9, 2021. Plan Amendments require a single Class 1 Notice per 2015 Act 256. The resolution approving the District Amendment shall be introduced to the Common Council for approval on August 17, 2021.

State Statutes require the City seeking to create a Tax Incremental Financing District convene a Joint Review Board (JRB) to review the proposal. The first meeting of the JRB must be held within fourteen days after the Notice of the above-referenced hearing(s) is published. For any Tax Incremental Financing Districts proposed by the City of De Pere, the membership of the Joint Review Board shall consist of a representative chosen by the City, a representative chosen by the County, a representative chosen by the Technical College District, a representative chosen by the School District, and one public member. The public member and the chair of the JRB must be selected by a majority vote of the other JRB members. It is the responsibility of the JRB to review the public record, planning documents and the resolution passed by the local legislative body creating the District, and to either approve or not approve such resolution based on certain criteria by a majority vote after receiving the resolution. The first meeting of the JRB was held on July 20, 2021, with the final meeting to act on the Common Council’s resolution anticipated for August 20, 2021.

A. Capacity to Create Tax Incremental Districts

In 2004 the State Legislature amended the Tax Incremental Financing Law to allow up to 12% of the total equalized value of taxable property within the City be included within Tax Incremental Districts. The City of De Pere’s 2020 total equalized value is $2,366,055,000. The City can include up to twelve percent (12%) of the total equalized value of the community in existing and new tax incremental finance districts. 12% of the City’s equalized value is $283,926,600. The 2020 report year documented the City at 7.8% value. These are reported values from the 2020 TIF Limitation Report (Reported 8/11/2020).

Per the April 2021 DOR active TIDs report, the City had 11 outstanding/Certified Tax Incremental Districts with $184,575,800 of total TID increment. This district is expected to add $6,390,000 of base value. Therefore, this district can be amended and bring the total value to approximately 8.1% and within the 12% capacity limit enacted by statute. The Department of Revenue will certify the values in the proposed tax incremental district to confirm compliance with this requirement. The City will update these figures upon receipt of the 2021 TIF Value Limitation Report expected to be released early August 2021. With the inclusion of TID No. 15 in 2020, the proposed amendment of TID No. 11 and TID No. 12 at this same time could raise the combined limitation value to approximately 8.8 to 9.1%.

The City should carefully monitor the annual growth within this district and existing districts, as well as the capacity to create additional districts.

E. GENERAL DESCRIPTION OF TAX INCREMENTAL DISTRICT NUMBER 11

The purpose of Tax Incremental Financing District Number 11 is to be the primary public financing tool for development of a mixed-use area comprising of approximately 36 residential lots, 2 multi-family housing projects, 7 office buildings and 14 industrial buildings and related infrastructure improvements in the City of De Pere. Within the boundaries of this Tax Incremental District are sites suitable for residential, industrial and business/office development. The area is approximately 265 acres in size. Amendment No. 1 would add an additional 15 acres to the property. The amended project boundaries are described in the next section.
The proposed project shall include the developments described in the previous paragraph, and are subject to market and actual construction. Proposed project costs within the district are also anticipated to include future cash grants for the individual developments based on City policy. Public improvements shall also include the Southbridge Lawrence-American, Southbridge American-Lost Dauphin, rail maintenance and road improvements/maintenance with 1/2 mile of the district.

With the adoption of this Project Plan, the City Common Council is enabled to make TIF-eligible expenditures for development of these areas, as well as off-site expenditures if they are related to the District. The infrastructure improvements will provide services to approximately 265 acres of new developable land.

No update or revision to the previously approved TID Project Plan.

F. DISTRICT BOUNDARY

The revisions to the boundaries of Tax Incremental Financing District Number 11 are shown on Map 1 in Appendix A and are further described in Appendix A and B.

G. ECONOMIC FEASIBILITY STUDY

A. Purpose

The purpose of this study is to determine if the projected revenues generated from the District as a result of the proposed developments can finance the costs associated with the implementation of the Project Plan.

No update or revision to the previously approved TID Project Plan.

B. General Development Description

This section focuses on the new development projections and corresponding incremental new value. These projections have been prepared based on assumptions provided by the City and proposed developer.

The tax increment revenue projections in this section are based on the potential development of certain buildings and/or sites to accommodate land uses. The development projections are based on information provided by the proposed developer along with an understanding of the
general market conditions and feasibility within the area. These projections are summarized in Table II below.

No update or revision to the previously approved TID Project Plan.

</table>

The City has estimated that the project will create incremental new value of approximately $49,660,000 based on the above project components. It is anticipated that individual developers will be required to enter into an assessment agreement to guarantee these values. Our estimates of incremental new value of the project are based on estimated square footage, number of units and project type.

The objective of the District creation is to facilitate the construction of a mixed-use development, which is estimated to create a total of $49.66 million in incremental value. We anticipate that prospective businesses and/or developers may be required to sign individual development agreements prior to any City-incurred development expenditures, specifically any cash grants. The economic feasibility projections are based on the utilization of approximately 20 years of the allowed tax increment collection period, which is the maximum for mixed use TIDs.

The economic feasibility analysis should be considered as a baseline projection that is annually monitored to ensure projected targets are met. The purpose of the annual monitoring is to determine that total incremental value has been achieved rather than whether a specific identified project created those increments. Future public borrowing and/or expenditures should be based on this annual review process. It is the intent of this Project Plan to maximize the potential of Tax Incremental Financing District Number 11 to accomplish the proposed public improvements identified in Table I found on Page 3.

Table II and Map 5 summarize the development assumptions that have been used in the economic feasibility analysis. These projections have been prepared based on information received from the developer and City staff. The projections in Table II include assumptions on square footage and business type that have been proposed in the preliminary site plan. Assumptions of the taxable value by type of use (i.e., industrial or commercial) are based on a review of comparable real estate values.

The incremental new value projections included in Table II are not total construction costs estimates, but are factored to equate to the anticipated equalized value to which an annual mill rate will be applied. The actual construction costs may be higher than projected value because construction costs may include soft costs not necessarily assessed by the City. Real estate valuation can also significantly fluctuate from year to year. For that reason, there should be an
annual review and evaluation of the stability of the increment value prior to making annual borrowing and/or spending decisions.

In compliance with the statutory requirements of tax incremental financing, a finding has been made that the private development activities projected would "not otherwise occur without the use of tax incremental financing." It must be understood that these projected private development increments will not naturally occur without the proactive implementation of this Project Plan. The implementers of the Project Plan will need to be aggressive in stimulating the identified private development projects. The posture cannot be to expect that private developers will have financially feasible projects without implementation of the public improvement activities identified in this Plan.

The economic feasibility analysis for Tax Incremental District Number 11 is presented in Tables III and IV included below. Table III shows the projected tax increments from the District based on the development assumptions made in Table II. The projections assume the total incremental new value will be $49.66 million in 2034.

No update or revision to the previously approved TID Project Plan.

Table IV shows the preliminary debt service schedule for financing of the proposed public improvement costs. The city anticipates financing the proposed project costs through a
combination of bonds and cash grants. Table IV indicates that projected tax increments are expected to be sufficient to support the debt service through the maximum term of the district.

**TID Number 11 – TABLE IV**

**Projected Tax Increment and Estimated Cash Flow**

The retirement of the District, taking into consideration the assumptions identified in Table I (Proposed Project Costs, Public Works & Improvements) and Table II (Projected Development Assumptions), is based on the property tax collection that was in place at the time of the Public Hearing held on August 24, 2015.

The future development assumptions have been based on a review of market conditions that existed in 2015 and potential future development. It is expected and recommended that the City annually review the financial condition of Tax Incremental District Number 11. The economic feasibility analysis indicates that the District is feasible, provided the development assumptions have been achieved. The City should not spend at levels projected in Tables I and IV without developer agreements that guarantee repayment of expenditures or without a “risk assessment” that defines the maximum financial exposure the City finds acceptable. The City should analyze the fiscal condition of Tax Incremental Financing District Number 10 on the basis of how well the development assumptions are being met. Decisions to continue spending annually should be based on the status of the district.

**H. FINANCING**

Financing for the proposed project will be done primarily on an upfront or pay-as-you-go basis. The City anticipates using bonds to finance the upfront costs necessary for the project. With pay-as-you-go financing the developer finances the improvement costs upfront and is reimbursed with future tax increment revenues. TIF borrowing may be done annually or on a project-specific basis and it is not anticipated that the total amount of project costs would be considered for one borrowing. The City may also pursue grant funding to finance a portion of the project costs.
Tables III & IV, which were also referenced in the Economic Feasibility Study Section, give a summary of project costs, proposed debt service schedule, and projected tax increment revenues on an annual basis during the duration of the District. Current projections indicate that all project costs of the district should be financed by tax increment revenue within the twenty year statutorily-required retirement period. The TID Project Plan has been written to enable project costs to be completed in order to encourage new development and redevelopment within the District boundaries. An annual analysis should be made to strategize financing alternatives in consideration of potential shortfalls between tax increments collected and debt service required to pay the bonds. Excess tax increments will be available to cover potential shortfalls with repayment to the City prior to retirement of the District. The City anticipates annually reviewing future expenditures and determining economic feasibility prior to authorizing additional expenditures.

The total scope of activities is estimated within the project cost estimates in Table I. Any non-tax revenues received may reduce the applicable TIF project expenditure which, in turn, will reduce the total amount of TIF project costs. This reduction will allow the City more flexibility in determining the timeframe for other project expenditures.

No update or revision to the previously approved TID Project Plan.

I. ESTIMATED NON-PROJECT COSTS
Non-Project costs are public works projects that may only partly benefit the District or are not eligible to be paid with tax increments, or costs not eligible to be paid with TIF funds. A complete listing of those costs is available in the economic feasibility analysis on Page 7.

J. EXISTING LAND USES AND CONDITIONS
Map 2, found in Appendix A, has been provided to give a general description of the conditions within the area. Map 4, found in Appendix A, is a zoning map that generally describes the existing uses within the District. These two maps should be used in combination when studying the Project Plan.

The map shows that more than fifty percent (50%) of the lands within the TIF boundary have been found to be suitable for mixed-use development and less than 35% will be comprised of residential. The purpose and intent of this district is to encourage mixed-use development.

K. PROPOSED LAND USE
The land use proposed in Tax Incremental District Number 11 is primarily light industrial and business/office and some residential. The proposed TID will promote the orderly development within the City by reducing and/or eliminating under-utilized land uses, while remaining financially feasible for the City to replace such uses with more appropriate uses. Map 5 in Appendix A illustrates the proposed land uses within the district.

L. EXISTING AND PROPOSED ZONING
Map 4, found in Appendix A, shows the TIF District boundary overlaid onto an existing zoning map.

It is anticipated that many of these zoning districts will remain with their associated parcels unless future proposed uses are in conflict with the existing zoning.
M. BUILDING CODES AND CITY ORDINANCES
No changes are currently being anticipated in the City’s Building Code or other City codes.

No update or revision to the previously approved TID Project Plan.

N. RELOCATION
If acquisition would occur within Tax Incremental District Number 11 which causes displacements, the City will conform to the requirements as set forth by the State of Wisconsin Department of Commerce relocation laws. If federal funds are used in the relocation process, the federal relocation process will also be followed.

O. STATEMENT INDICATING HOW CREATION OF THE TID PROMOTES THE ORDERLY DEVELOPMENT OF THE CITY OF DE PERE
The purpose of TID No. 11 is to assist with the expansion of business, commerce, and potentially residential growth within the City of De Pere. The creation of this district should provide a financial resource for the City to promote orderly development by making sites suitable for development that otherwise may not be occurring, by providing new employment opportunities that would not otherwise be available, and, in general, promoting the public health, safety and general welfare. The development stimulated by the use of this TID shall increase the overall tax base of the City, increase employment, increase household income, and generally improve the quality of life in the City.

No update or revision to the previously approved TID Project Plan.

P. FINDINGS
A. A minimum of 50% of the area occupied by real property within TID No. 11 is suitable for mixed-use development.

B. Lands proposed for newly platted residential use does not exceed 35% by area of the real property within the district.

C. The improvement of TID No. 11 is likely to significantly enhance the value of substantially all of the other real property in the district.

D. The project costs relate directly to promoting mixed use development, consistent with the purpose for which the district is created.

E. The equalized value of taxable property of TID No. 11, plus the value increment of all existing districts, does not exceed 12% of the total equalized value of taxable property within the City.

No update or revision to the previously approved TID Project Plan.

Q. CITY ATTORNEY OPINION
The City Attorney for the City of De Pere, Wisconsin has reviewed the Project Plan for Tax Incremental Finance District Number 11 Amendment No. 1, City of De Pere, Wisconsin, dated September 24, 2021, and has found that it is complete and complies with Section 66.1105, Wisconsin Statutes. The City Attorney letter is included as Appendix B.

RE: City of De Pere Boundary Amendment for TID #11

Dear Mayor and Common Council Members:

Pursuant to Wis. Stats. §66.1105(4)(f), any tax incremental financing district project plan must include an opinion of the City Attorney or of an attorney retained by the City advising whether the plan is complete and complies with that statutory section. As the duly appointed City Attorney of the City of De Pere and upon a review of the Project Plan Amendment to Modify the Boundaries of Tax Increment Financing District #11 (TID #11) to which this opinion is to be appended, it is my opinion that such plan contains and adequately addresses the prerequisites set forth at Wis. Stats. §66.1105. This opinion is based on my review of said plan, my review of Wis. Stats. §66.1105 and my experience as a municipal attorney.

It is my further opinion that inasmuch as the project plan is complete and in compliance with the above referenced section, it is in proper form for adoption by the Common Council.

Respectfully submitted,

Judith Schmidt-Lehman
City Attorney

Re: City of De Pere – Boundary Amendment of Tax Increment District No. 7
   City of De Pere – Boundary Amendment of Tax Increment District No. 11
   City of De Pere – Boundary Amendment of Tax Increment District No. 12

Dear Mr. Streckenbach;

The City of De Pere is considering Amending Tax Increment Districts (TID) No. 7, No. 11 and No. 12 in the City of De Pere. State of Wisconsin TID laws require districts must contain only whole parcels; therefore, the City of De Pere proposes the following:

No. 7 Amendment:
Remove Parcel ED-812 from the TID No. 7 Boundary. Parcel ED-812 was recently transferred to De Pere Cultural Foundation for the Mulva Cultural Center. (East Side Joint Review Board)

TID No. 11 Amendment:
Include Parcel WD-1042 to allow Robinson Metal to expand and combine parcels at their 2107 AMERICAN BLVD facility. The base value of the existing building will remain unchanged and therefore the inclusion of additional lands will not impact current tax revenues paid to the overlapping jurisdictions. (West Side Joint Review Board)

TID No. 12 Amendment:
Include Parcel WD-L452-B-2 to allow Green Bay Packaging to expand and combine parcels at their 2275 AMERICAN BLVD facility. The base value of the existing building will remain unchanged and therefore the inclusion of additional lands will not impact current tax revenues paid to the overlapping jurisdictions. (West Side Joint Review Board).

As you are aware, each TID is comprised of a standing board and includes members who serve indefinite terms until a replacement recommendation is made from the chief executive officer. The standing board must remain in existence throughout the TID’s lifespan. We assume that Chad Weininger will continue to represent the County; please let us know if you intend to recommend a new representative. The first meeting of the JRB will be held virtually between
July 22 and July 26th. The initial meeting is intended to review the proposed boundary amendments. Throughout the coming weeks, the City will work to develop the boundary amendments. The City anticipates the Plan Commission will also hold the Public Hearing on July 26th to inform interested parties and to review the TID amendments. Attached for your review is a copy of the Public Hearing notice that will be published this month. All interested parties will be invited to attend the Public Hearing.

Re: City of De Pere – Boundary Amendment of Tax Increment District No. 7
City of De Pere – Boundary Amendment of Tax Increment District No. 11
City of De Pere – Boundary Amendment of Tax Increment District No. 12

Dear Mayor Boyd;

The City of De Pere is considering Amending Tax Increment Districts (TID) No. 7, No. 11 and No. 12 in the City of De Pere. State of Wisconsin TID laws require districts must contain only whole parcels; therefore, the City of De Pere proposes the following:

No. 7 Amendment:
Remove Parcel ED-812 from the TID No. 7 Boundary. Parcel ED-812 was recently transferred to De Pere Cultural Foundation for the Mulva Cultural Center. (East Side Joint Review Board)

TID No. 11 Amendment:
Include Parcel WD-1042 to allow Robinson Metal to expand and combine parcels at their 2107 AMERICAN BLVD facility. The base value of the existing building will remain unchanged and therefore the inclusion of additional lands will not impact current tax revenues paid to the overlapping jurisdictions. (West Side Joint Review Board)

TID No. 12 Amendment:
Include Parcel WD-L492-B-2 to allow Green Bay Packaging to expand and combine parcels at their 2275 AMERICAN BLVD facility. The base value of the existing building will remain unchanged and therefore the inclusion of additional lands will not impact current tax revenues paid to the overlapping jurisdictions. (West Side Joint Review Board).

As you are aware, each individual TID is comprised of a standing board and includes members who serve indefinite terms until a replacement recommendation is made from the chief executive officer. The standing board must remain in existence throughout the TID’s lifespan. We assume that Mark Higgins will continue to represent the City; please let us know if you intend to recommend a new representative. The first meeting of the JRB will be held virtually
between July 22 and July 26th. The initial meeting is intended to review the proposed boundary amendments. Throughout the coming weeks, the City will work to develop the boundary amendments. The City anticipates the Plan Commission will also hold the Public Hearing on July 26th to inform interested parties and to review the TID amendments. Attached for your review is a copy of the Public Hearing notice that will be published this month. All interested parties will be invited to attend the Public Hearing.

Re: City of De Pere – Boundary Amendment of Tax Increment District No. 11
City of De Pere – Boundary Amendment of Tax Increment District No. 12

Dear Mr. Krueger;

The City of De Pere is considering Amending Tax Increment Districts (TID) No. 11 and No. 12 in the City of De Pere. State of Wisconsin TID laws require districts must contain only whole parcels; therefore, the City of De Pere proposes the following:

**TID No. 11 Amendment:**
*Include Parcel WD-1042* to allow Robinson Metal to expand and combine parcels at their 2107 AMERICAN BLVD facility. The base value of the existing building will remain unchanged and therefore the inclusion of additional lands will not impact current tax revenues paid to the overlapping jurisdictions. (West Side Joint Review Board)

**TID No. 12 Amendment:**
*Include Parcel: WD-L492-B-2* allow Green Bay Packaging to expand and combine parcels at their 2275 AMERICAN BLVD facility. The base value of the existing building will remain unchanged and therefore the inclusion of additional lands will not impact current tax revenues paid to the overlapping jurisdictions. (West Side Joint Review Board)

As you are aware, each TID is comprised of a standing board and includes members who serve indefinite terms until a replacement recommendation is made from the chief executive officer. The standing board must remain in existence throughout the TID’s lifespan. Previously, Brian Walters was the JRB member representing the School District of West De Pere. Please let us know if Dawn Laboy will assume the duties. The first meeting of the JRB will be held virtually between July 22 and July 26th. The initial meeting is intended to review the proposed boundary amendments. Throughout the coming weeks, the City will work to develop the boundary amendments. The City anticipates the Plan Commission will also hold the Public Hearing on July 26th to inform interested parties and to review the TID amendments. Publication Dates: July 16, 2021
NOTICE OF PUBLIC HEARING
REGARDING THE AMENDMENT OF THE DISTRICT BOUNDARY
FOR TAX INCREMENTAL DISTRICT (TID) NO. 7
IN THE CITY OF DE PERE, WISCONSIN

NOTICE IS HEREBY GIVEN, that the Plan Commission of the City of De Pere, will hold a public
hearing on July 26, 2021, at 7:00 p.m., The public may attend this meeting either in person in
the Council Chambers or electronically or telephonically by accessing either:
Computer/smartphone accessing https://www.gotomeet.me/DePere OR dial by phone: United
States (Toll Free): 1-866 899-4679 United States: +1 (312) 757-3117 Access Code: 154-
883-285.

The purpose of the public hearing is to review and take action regarding the proposed
amendment to the District Boundary for Tax Incremental District No. 7 in the east side of
Downtown De Pere. The City is proposing to amend the district boundary to remove lands
currently located in the TID to redevelop and not cross a TID boundary line. The proposed public
project improvements still include public improvements ancillary to the development,
professional and organizational services, administrative costs, and finance costs. The City still
anticipates that the proposed project plan’s project cost may include cash grants, land price
discounts and other incentives by the city to owners, lessees, or developers of land that is
located within the tax increment district.

At the public hearing, all persons will be afforded a reasonable opportunity to be heard
concerning the proposed amendment to the established TID No. 7 Boundary. Copies of the
proposed Amendment to the TID No. 7 Boundary are available for inspection and will be
provided upon request. Arrangements for either inspection or receipt of a copy of the project
plans may be made by contacting Daniel Lindstrom, AICP, Development Services Director, 335
S Broadway, De Pere, WI 54115; Phone 920-339-2370.

4. Review Proposed Boundary Amendment No. 1 for Tax Increment District No. 11.

Development Services Director Daniel Lindstrom reviewed the proposed boundary amendment no. 1 for TID No. 11. It is a mixed-use TID created in 2015. Overall, TID No. 11 had a base value of $6 million with some positive growth. The purpose of the amendment is to add Parcel WD-1042 into the TID boundary. Recently Robinson Metal proposed to incrementally expand their facility in the coming years on a portion of WD-1041 located off Fortune Avenue. The City used the original project plan but updated maps, references and boundary descriptions. Overall project costs have not changed. Cole Runge requested a digital copy of the PowerPoint presentation. He added that the performance of TID No. 11 is encouraging for the Southern Bridge project. No action is needed at this time.

RESULT: NO ACTION

5. Review Proposed Boundary Amendment No. 2 for Tax Increment District No. 12.

Development Services Daniel Lindstrom reviewed the proposed boundary amendment no. 2 for TID No.12. It is a mixed-use TID created in 2015. The purpose of this TID amendment is to add Parcels WD-L492-B-2, WD-L492-B-3, and WD-1753-1 into the TID boundary for a proposed building expansion for Green Bay Packaging. The City used the original project plan but updated maps, references and boundary descriptions. Overall project costs have not changed. Cole Runge asked if there will be any funding available from this TID to assist with the Southern Bridge project. Daniel replied that there could be about $14 million available. Bob Mathews asked how many amendments
can be made to a TID. Daniel replied that there can be unlimited amendments to the project plan, but only four boundary amendments per TID. No action is needed at this time.

4. TID No. 11

A. Review Proposed Project Plan Amendment to Modify the District Boundaries of Tax Incremental Financing District No. 11.

Development Services Director Daniel Lindstrom reviewed the project plan amendment to modify the district boundaries of TID No. 11 to add parcel WD-1042 into the TID boundary. The reason for the addition is that this parcel was acquired by Robinson Metal in 2019 to expand their business operations. However, the State of Wisconsin Tax Increment Financing laws require districts must contain only whole parcels; therefore the City proposes to add the parcel to TID No. 11 to allow for Robinson Metal's expansion. Daniel stated that there has been steady growth in this mixed-use TID.

6. Annual Review of Financial Reports for Tax Increment Financing Districts No. 5, No. 6, No. 8, and No. 9, No. 11, No. 12, No. 13, and No. 15.

Development Services Director Daniel Lindstrom provided an overview of the 2020 year end annual report for the west side TIDS: 5, 6, 8, 9, 11, 12, 13, and 15.
TID No. 5 is a blight elimination TID whose termination resolution was approved in February 2021. The TID is set to close in 2023. Daniel reported that there has been residential growth in the TID, as well as commercial growth on Reid Street.

TID No. 6 is an industrial TID, created in 1998. The City passed the termination resolution in August 2021 and the TID will close by March 2022.

TID No. 8 is a mixed-use TID, created in 2007. In 2019, the state and City assessor reported an additional $12 million in increment; however, City staff indicated that this was an error, which will be corrected next year. This TID is slated to end with a surplus.

TID No. 9 was created in 2012. Daniel reported that there are several redevelopment opportunities remaining in this TID, including Cobblestone Hotel and 360 Main Avenue. These projects could generate an additional $8-$9 million in value over the remaining life of the TID.

TID No. 11 is a mixed-use TID, created in 2015. Daniel reported that there are several redevelopment opportunities remaining in this TID, including Robinson Metal, Honeysuckle Acres 4th Addition, and Fortune Avenue. These projects could generate an additional $35 million in value over the remaining life of the TID. The TID is expected to end with an approximate surplus of $185,000.

TID No. 12 is a mixed-use TID, created in 2015. There are several redevelopment opportunities remaining, including the Infinity Machine and Green Bay Packaging expansions. Daniel reported that these projects could generate an additional $98 million in value over the remaining life of the TID. He added that the City is planning for additional borrowing for the southern bridge.

TID No. 13 is a mixed-use TID, created in 2017 to facilitate the redevelopment of the Main Avenue roundabout.

TID No. 15 is a mixed-use TID, created in 2020. Daniel reported that there has been significant growth with the United Health Group office complex. He added that the City may come back in the next year for another boundary amendment for this TID.

WEST SIDE JOINT REVIEW BOARD
RESOLUTION #JRB 21-03

APPROVING THE PROPOSED PROJECT PLAN AMENDMENT TO MODIFY THE DISTRICT BOUNDARIES OF
TAX INCREMENTAL FINANCING DISTRICT NUMBER 11, CITY OF DE PERE, WISCONSIN
(Boundary Amendment #1)

WHEREAS, the City of De Pere West Side Joint Review Board (the West Side Joint Review
Board”), having been convened pursuant to Wis. Stats. §66.1105(4m) for the purpose of Approving the
Proposed Project Plan Amendment to Modify the District Boundaries of Tax Incremental Financing
District No. 11 (Boundary Amendment #1); and

WHEREAS, the West Side Joint Review Board met on August 27, 2021 and considered the public
record together with all documents and planning materials presented, including the De Pere Common
Council Resolution #21-92, Approving the Proposed Project Plan Amendment to Modify the District
Boundaries of Tax Incremental Financing District Number 11 (Boundary Amendment #1), City of De Pere,
Wisconsin.

NOW THEREFORE BE IT HEREBY RESOLVED by the West Side Joint Review Board that:

1. The Proposed Project Plan Amendment to Modify the District Boundaries for City of De
   Pere Tax Incremental District No. 11 (TID #11) (Boundary Amendment #1) is approved, it
   being specifically found that the requirements of Wis. Stats. §66.1105(4m) have been
   complied with; and further, in the judgment of the West Side Joint Review Board, the
development described in the documents reviewed by the Board would not occur
without the District Boundary modification or without the use of tax incremental
financing.

2. The West Side Joint Review Board also finds that the economic benefits of TID #11, with
   its amended boundary, as measured by increased employment, business and personal
   income and property value are insufficient to compensate for the cost of the
   improvements contemplated.

3. The West Side Joint Review Board further finds that the benefits of the project plan and
   amended boundary outweigh the anticipated tax increments to be paid by the owners
   of property in the overlying taxing districts.

4. The West Side Joint Review Board approves De Pere Common Council Resolution #21-
   92, Approving the Proposed Project Plan Amendment to Modify the District Boundaries
   of Tax Incremental Financing District Number 11, City of De Pere, Wisconsin (Boundary
   Amendment #1).
5. This Resolution shall be forwarded to the De Pere Common Council within 7 days of the date of this Resolution.

Dated this 27th day of August, 2021.

B. Review Proposed Boundary Amendment No. 1 for Tax Increment Financing District No. 7.

Mayor Boyd declared the public hearing open at 7:06 PM. No one wished to speak and the public hearing was closed at 7:07 PM. Development Services Director Daniel Lindstrom reviewed the proposed boundary amendment for TID
No.7 to remove Parcel ED-812 for the Mulva Cultural Center. Given the fact that this parcel is a non-profit entity, the City has decided to remove it from the TID. All maps have been updated, with no changes to the project costs. Daniel provided a brief annual review of the TID and stated that it is available in full to the Plan Commission members for review. Ald. Raasch moved, seconded by Mark Higgins, to approve the boundary amendment and forward it to the Common Council. Upon vote, motion carried unanimously.

A. Notice of Public Hearing.
Kelly Barker read the notice of public hearing, stating that it was published in the Press Times on July 9, 2021.

B. Review Proposed Boundary Amendment No. 2 for Tax Increment Financing District No. 12. *

Mayor Boyd opened the public hearing at 7:13 PM. No one wished to speak and the public hearing was declared closed at 7:14 PM. Development Services Director Daniel Lindstrom reviewed the boundary amendment for TID No.12 to add three parcels (WD-L492-B-2, WD-L492-B-3, and WD-1753-1) into the boundary for a proposed business expansion for Green Bay Packaging. All maps have been updated, with no changes to the project costs. Ald. Raasch moved, seconded by Brenda Busch, to approve the boundary amendment and forward it to the Common Council. Upon vote, motion carried unanimously.

RESULT: ADOPTED [UNANIMOUS]
MOVER: Dean Raasch, Alderperson
SECONDER: Brenda Busch, Commissioner
AYES: Boyd, Beiderwieden, Busch, Carpenter, Higgins, Raasch, Schilling

C. Resolution PC21-05, Recommending Adoption of the Proposed Plan Amendment to Modify the Boundary for Tax Incremental Financing District No. 12.

Staff recommended approval of the Resolution recommending adoption of the TID No. 12 Boundary Amendment No. 2 and asked that it be submitted to the Common Council for its approval following the statutory requirements. Derek Beiderwieden moved, seconded by Ald. Raasch, to approve Resolution PC21-05. Upon vote, motion carried unanimously.
RESULT: ADOPTED [UNANIMOUS]
MOVER: Derek Beiderwieden, Commissioner
SECONDER: Dean Raasch, Alderperson
AYES: Boyd, Beiderwieden, Busch, Carpenter, Higgins, Raasch, Schilling

8. Consideration and possible action on a variance to permit a non-conforming monument sign to be relocated, but continue to be 11’10” instead of the allowed 8’0” in the R-1 District at 2066 Lawrence DR (Parcel WD-L281-3). B. Consideration and possible action on a variance to permit a non-conforming monument sign to be relocated, but continue to be internally illuminated instead of external or backlit/halo illumination in the R-1 District at 2066 Lawrence DR (Parcel WD-L281-3).

City Planner Peter Schleinz reviewed the sign variance for a non-conforming monument sign at 2066 Lawrence Drive for St Mark Lutheran Church. He explained that there are two different variance requests associated with relocating an existing non-conforming sign: height of the sign proposed to be 11 feet 10 inches instead of 8 feet and illumination proposed to be internal instead of external. Peter noted that there are eight criteria for proving a hardship exists and Plan Commission should specifically identify the hardship if a variance approval is granted. Ald. Raasch moved, seconded by Mayor Boyd, to open the meeting. Upon vote, motion carried unanimously. Scott Betrand, who is the representative for the sign company and Jeff Lanier, who is the representative for St. Mark Lutheran Church were both in attendance to answer questions. Scott stated that the current sign is in need of refurbishment since the original sign was installed in 2003. The church would like to add more efficient lighting and also an electronic message board to the sign. Derek Beiderwieden asked for clarification on the hardship letter that was submitted. He stated that the documentation did not make sense and does not prove any hardship exists. Discussion followed and it was clarified that financial burden is not a hardship. Mayor Boyd moved, seconded by Ald. Raasch, to close the meeting. Upon vote, motion carried unanimously. Derek Beiderwieden moved, seconded by Ald. Raasch, to deny the variance request. After further discussion, Derek and Dean withdrew their motions to deny and made a new motion to table the item. Ald. Carpenter noted that it the item is tabled, it needs to be brought back to the next Plan Commission meeting. However, if it is referred back to staff, the petitioner can bring it back to a Plan Commission meeting at a later date once they have had enough time to prepare. After discussion, it was decided to rescind the motion to table, and a new motion to refer the item back to staff was made by Derek Beiderwieden and seconded by Ald. Raasch. Upon vote, motion carried unanimously. The same motion was made for Part B of the variance request by Derek Beiderwieden and seconded by Mayor Boyd. Upon vote, motion carried unanimously.

RESULT: REFERRED BACK TO STAFF [UNANIMOUS]
MOVER: Derek Beiderwieden, Commissioner
SECONDER: Dean Raasch, Alderperson
AYES: Boyd, Beiderwieden, Busch, Carpenter, Higgins, Raasch, Schilling

9. Consideration and possible action on a site plan that adds 1,194 SF to the north side, and 1,236 SF to the south side, of an existing building at 939 Lawrence DR (Parcel WD-D0216-2).

City Planner Peter Schleinz reviewed the site plan request for 939 Lawrence Drive for a building addition to the north and south sides of an existing building. The north side addition uses a galvanized metal which is not an approvable material, but there is a past
history of the Plan Commission approving this type of material. Peter added that there is a gravel area that is currently used as parking and outdoor storage. Plan Commission may want to include that this area be paved in their recommendation. Mayor Boyd moved, seconded by Ald. Raasch, to open the meeting. David O'Brien with Bayland Building addressed the commission, stating that textured clad panel won't match with the rest of the building. Mayor Boyd moved, seconded by Brenda Busch, to go back to regular order. Upon vote, motion carried unanimously. Staff recommended approval of the site plan, subject to the conditions in the report, as well as the use of masonry textured metal panel. Mayor Boyd moved, seconded by Derek Beiderwieden, to approve the site plan request with the use the masonry textured metal panel, but not require the gravel area be paved at this time. Upon vote, motion carried unanimously.

RESULT: ADOPTED [UNANIMOUS]
MOVER: James Boyd, Mayor
SECONDER: Derek Beiderwieden, Commissioner
AYES: Boyd, Beiderwieden, Busch, Carpenter, Higgins, Raasch, Schilling

10. Consideration and possible action on a site plan that adds 28,727 SF to an existing 6,543 SF building with additional pavement for 17 auto parking stalls, truck parking with 2 loading docks and 1 overhead door, and a truck Y-turn at 1882 Commerce DR (Parcel ED-344-101-3).

City Planner Peter Schleinz reviewed the site plan for a building and pavement addition at 1882 Commerce Drive. The building addition will more than double the square footage of the building. Staff recommended approval of the site plan, subject to the conditions in the report as well as the use of metal on the sides of the building and the metal panel on the front of the building. Ald. Raasch moved, seconded by Brenda Busch, to approve the site plan. Upon vote, motion carried unanimously.

RESULT: ADOPTED [UNANIMOUS]
MOVER: Dean Raasch, Alderperson
SECONDER: Brenda Busch, Commissioner
AYES: Boyd, Beiderwieden, Busch, Carpenter, Higgins, Raasch, Schilling

Adjournment

Mayor Boyd moved, seconded by Derek Beiderwieden, to adjourn the meeting at 8:13 PM. Upon vote, motion carried unanimously.

Respectfully submitted,
Kelly Barker
PLAN COMMISSION
RESOLUTION PC 21-04

RECOMMENDING ADOPTION OF THE PROPOSED PLAN AMENDMENT TO MODIFY
THE BOUNDARY FOR TAX INCREMENTAL FINANCING DISTRICT No.11
(BOUNDARY AMENDMENT NO. 1)

WHEREAS, the proposed project plan amendment to modify the boundary for Tax
Incremental Financing District No. 11 (TID #11) was filed with the City Clerk on July 9, 2021
and made available for inspection on weekdays between the hours of 7:30 a.m. and 5:00 p.m.,
and to any person requesting a copy thereof; and

WHEREAS, a public hearing scheduled pursuant to Wis. Stats. §66.1105(4)(e), which
was held on July 26, 2021 affording interested parties a reasonable opportunity to express their
views on the proposed boundary amendment as provided at Wis. Stats. §66.1105(4)(a) and (e); and

WHEREAS, notice of such hearing was published by Class 1 publication in the City’s
official newspaper on July 9, 2021 pursuant to Wis. Stats. § 66.1105(4)(h)1.; and

WHEREAS, a meeting pursuant to Wis. Stats. §66.1105(4)(m) of the TID #11 Joint
Review Board within fourteen (14) days after the publication of the first notice of the above-
referenced public hearing was held on July 23, 2021; and

WHEREAS, at the above-referenced public hearing conducted at the De Pere City Hall
Council Chambers on July 26, 2021 at 7:00 p.m., the Plan Commission heard all interested
parties, their agents and attorneys, regarding the proposed TID #11 boundary amendment and
determined that the Project Plan and the District Boundaries as proposed are contiguous, contain
only whole parcels, are in conformity with the City’s Comprehensive Plan and are in the best
interests of the City in order to foster logical and economic development and further that the
private development activities projected would not otherwise occur without tax incremental financing in that part of the City.

NOW THEREFORE, BE IT HEREBY RESOLVED, by the Plan Commission of the City of De Pere, Wisconsin, that:

The Plan Commission recommends the District Boundaries for TID #11, City of De Pere, be amended as those boundaries are set forth in the proposed Project Plan Amendment to modify the boundary for such District, a copy of which is attached hereto and incorporated herein as if fully set forth.

BE IT FURTHER RESOLVED THAT:

The Plan Commission hereby adopts the Project Plan and District Boundary Amendment for Tax Incremental Financing District Number 11, City of De Pere, as prepared and presented by City staff; further, that such project plan is hereby submitted to the Common Council of the City of De Pere in accordance with Wis. Stats. §66.1105(4)(f).

Adopted by the Plan Commission of the City of De Pere, Wisconsin, this 20th day of

   A. Notice of Public Hearing.

   City Clerk Carey Danen reported that the notice of public hearing was published in the Green Bay Press Times on July 23, July 30, and August 6, 2021.

   B. Recommendation from the Plan Commission.

   Mayor Boyd declared the public hearing open; no one wished to speak. Mayor Boyd then declared the hearing closed. Development Services Director Dan Lindstrom reviewed the request and the recommendation from Plan Commission, noting that the resolution on tonight’s agenda is for the second reading and final approval.

5. Public comment upon matters not on the agenda.

None.

6. Municipal Commendation "De Pere Legion Baseball - Class AAA State Tournament Champions."

Mayor Boyd read the commendation for the De Pere Legion Baseball team in recognition of their achievement. Coach Dan Lukes and senior team members Bennett Spaeth, Kaden Kosobucki, and Myles Jensen were present to receive the commendation.

7. COVID-19 update from the Health Department.

Health Director Debbie Armbruster reported that Brown County is at an 8.6% transmission rate as of August 10th, which is considered high. She provided an update on recent Health Department activities, including vaccine clinics at the Farmers Market, Beer Gardens, and the Brown County Expo, which would not have been possible without the department’s short-term nurses. She recognized The Green Room, Seroogys, and The Bar/Graystone Ale House for their contribution of coupons as an incentive. Because of the surge, the upcoming Health and Fire Department open houses have been cancelled. The department’s nurses have been assisting at The Brown County Expo; Deb acknowledged that they could not do this without our short term nurses. Finally, Debbie reported that booster vaccines have been approved for immunocompromised people; they are expecting approval soon for all other groups. Staff is planning clinics for both influenza shots and COVID boosters.

Alderperson Hansen moved, seconded by Alderperson Ledvina to approve the request. City Administrator Larry Delo asked that the motion be amended to authorize the inclusion of collective bargaining units, based on the successful negotiation of an MOU before they would be able to receive the additional leave time. The mover and seconder confirmed their agreement with this change. Human Resources Director Shannon Metzler requested an amendment to the motion to make it contingent upon staff confirming that it is legally permissible to provide this as an incentive. She explained there is a cap to any incentives the City provides. Staff had initially recommended offering the leave time to vaccinated staff only as an incentive, but if it exceeds the threshold, it would be offered to all employees. She needs to run the numbers, because the incentive amount can only be so large before it is no longer considered voluntary, but
rather coercive and basically a mandate to get the vaccine. It is calculated based on a percentage of the family medical premium, and she is waiting to hear back what that threshold is. Discussion followed about referring back to staff rather than approving with a contingency. Alderperson Carpenter moved, seconded by Alderperson Raasch to amend the motion to refer it back to staff. Upon vote, the motion to refer back to staff carried with Alderperson Hansen voting nay.

City Attorney Judy Schmidt-Lehman indicated that her understanding of Alderperson Carpenter’s motion is that it would be referred back to staff only if the HR director found out that the cap would be exceeded. If it was intended to refer the item back to staff regardless, then it was not in order with the motion already on the floor. She asked the Mayor to make a ruling if the amendment was out of order; Mayor Boyd found that the motion to refer back to staff was out of order and therefore invalidated.

Judy suggested two alternatives that would comply with Roberts Rules: 1) vote on the original motion. If it fails, then a new motion can be made; or 2) make a motion to amend the motion currently on the floor to table rather than refer back to staff.

Alderperson Hansen moved, seconded by Alderperson Raasch to table the request. Upon vote, motion carried unanimously.

9. Recommendation from the Board of Public Works to approve Definitely De Pere’s Revised Request to use $22,815 from the Stadium Tax Streetscape Allocation for Garbage & Recycle Receptacle Replacement Proposal

Alderperson Quigley stated that while he intends to support this request, he is a little concerned that the cost for the City logo is $110 per receptacle. He asked if there would be a more cost effective option. Alderperson Hansen pointed out that having the City logo on the receptacles is part of the rebranding initiative to create a cohesive identity for the City. Alderperson Raasch said he prefers to have the garbage can upgrade as part of the City budget, and direct Definitely De Pere to use the streetscape allocation for something else.

Alderperson Hansen moved, seconded by Alderperson Carpenter to open the meeting. Upon vote, motion carried unanimously. Tina Quigley, Executive Director of Definitely De Pere was asked her opinion on the City picking up the tab for the garbage cans. She said this project has been discussed for several years; it is a very important amenity now that De Pere is striving to be more pedestrian friendly. She would be happy to turn this project over to the City if the funds can be allocated. Alderperson Raasch moved, seconded by Alderperson Carpenter to close the meeting. Upon vote, motion carried unanimously.

Alderperson Kundinger asked how the project would be funded if it shifts to the City. Discussion followed regarding alternative funding sources and the pros and cons of using stadium tax funds for this purpose. Mayor Boyd clarified there will still be funds left in the streetscape budget, even after this expenditure.

12. Recommendation from the License Committee on an application for a Class “B” Fermented Malt Beverage License and "Class C" Wine License for Aurora Rose, LLC (DBA Alpha Delights), 143 N. Wisconsin St. Submitted by Aurora Rose, LLC; Agent Heather Weisspeters, Denmark, WI.
   Alderperson Raasch inquired about the impetus for the change. City Attorney Judy Schmidt-Lehman explained that the request was presented to Finance-Personnel Committee last month, because there are some local civic events that have traditionally conflicted with Council meeting nights (i.e., the National Night Out event). Judy noted that this amendment would be for Council meetings only. Alderperson Hansen asked if an e-mail communication would qualify as written notice; Judy confirmed that it would.

RESOLUTION #21-92

APPROVING THE PROPOSED PROJECT PLAN AMENDMENT TO MODIFY THE DISTRICT BOUNDARIES OF TAX INCREMENTAL FINANCING DISTRICT NUMBER 11, CITY OF DE PERE, WISCONSIN (Boundary Amendment #1)

WHEREAS, pursuant to the direction of the Common Council and with its advice and consent, the Plan Commission of the City of De Pere has taken all steps required by Wis. Stats. §66.1105 to Amend the Project Plan for Tax Incremental Financing District No. 11 (TID #11) as provided in Resolution #PC 21-04 of the Plan Commission of the City of De Pere Recommending Adoption of the Proposed Project Plan Amendment to Modify the Boundaries of Tax Incremental Financing District No. 11, attached hereto and incorporated herein as Exhibit A; and

WHEREAS, in accordance with all the recitations and findings in the above-referenced Resolution of the Plan Commission and the Common Council being aware of all proceedings of the Plan Commission in regard to the Boundary Modification of Tax Incremental Financing District No. 11, including the public hearing held thereon before the Plan Commission on July 26, 2020 at 7:00 p.m., the Common Council wishes to adopt this Resolution.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

1. The boundaries of Tax Incremental District Number 11, City of De Pere (TID #11) are hereby modified by adding the following whole unit of property thereto:

   Tax Parcel WD-1042, described as:

   Lot 2 of 41 CSM 100 Map 6194 in 1763206 being part of Lots 1, 2 & 3 De Pere Business Park South Addition being parts of NE1/4 SW1/4, NW1/4 SW1/4, & SE1/4 SW1/4 all in Section 32 T23N R20E
as specified in the Project Plan Amendment to Modify the Boundary for Tax Incremental District No. 11, in the City of De Pere, Wisconsin, attached and incorporated herein as Exhibit B. The District contains only whole units of property as are assessed for general property tax purposes.

2. The Property within the District does not include any annexed territory that was not within the boundaries of the City on January 4, 2004, and contains only whole units of property.

3. The District was created on September 1, 2015. The Common Council amends District boundaries as of this date (August 17, 2021), with an effective base value date of January 1, 2021 for the land added to the district.

4. The Common Council finds and declares that:

A. Not less than 50% of the real property within TID #11 is suitable for mixed-use development under Wis. Stats. §66.1105(cm).
B. Based upon such findings and the identification and classification of the property in the district, TID #11 is a mixed-use District.
C. The improvement of such area is likely to enhance significantly the value of the District.
D. The private development activities projected in the Project Plan would not occur without tax incremental financing.
E. It is estimated that less than 35% of the territory within the District will be devoted to retail business at the end of the District’s expenditure period.
F. The equalized value of the taxable property in TID #11 plus the value increment of all other existing tax incremental districts within the City does not exceed 12% of the total equalized value of taxable property within the City.
G. The Project Plan costs directly relate to promoting mixed-use development TID #11 consistent with the purpose for which TID #11 is created.
H. The Project Plan is feasible and in conformity with the Master Plan of the City of De Pere (the City of De Pere Comprehensive Plan of 2010).

5. The Common Council, pursuant to Wis. Stats. §66.1105(4)(gm), hereby adopts and approves the Project Plan Amendment to Modify the District Boundaries for TID #11, a copy of which is attached to Resolution #PC 21-04 and is incorporated herein as is fully set forth.

BE IT FURTHER RESOLVED THAT:
The Development Services Director is authorized and directed to take all actions reasonably necessary to transmit to the Joint Review Board the public records, planning documents, and this Resolution with all deliberate speed.

BE IT FURTHER RESOLVED THAT:

The Development Services Director is authorized and directed to schedule a meeting of the Joint Review Board for the purpose of considering approval of this Resolution and the modification of the District Boundaries of TID #11, City of De Pere.

BE IT FURTHER RESOLVED THAT:

Upon approval of Project Plan Amendment for the Modification of the District Boundaries for TID #11, City of De Pere and pursuant to Wis. Stats. §§66.1105(5)(a), the City Clerk is authorized and directed to submit to as necessary all applications and other materials required or determined necessary by the Wisconsin Department of Revenue for re-determination and certification of the tax incremental base of TID #11.

BE IT FURTHER RESOLVED THAT:

All City officials, officers and employees are authorized and directed to take such steps as are lawful and necessary in furtherance thereof.

Adopted by the Common Council of the City of De Pere, Wisconsin, this 17th day of August, 2021.

APPROVED:
