BENEFITS AT A GLANCE

Health and Dental Insurance (pgs. 7-8, 21-38): The City maintains a self-insured health insurance plan administered by a third-party provider. The City offers two plan options for dental insurance, a self-insured option and a fully insured option. Full-time non-represented employees pay 10% and represented employees pay 15% of the premium for both medical and dental plans, part-time employees pay a pro-rated amount. Premiums are taken pre-tax. Regular full-time and regular part-time employees are eligible for health and dental insurance coverage for themselves and their families.

Teladoc (Telemedicine Platform): Teledoc is an add-on service integrated with UMR, the City's third party administrator. This benefit provides anytime access to on-call doctors. It connects members to a network of physicians who can diagnose, treat and prescribe medications when needed. It offers one on one consultation where patients have the option to communicate via phone, online video or mobile app. The cost for a visit through Teledoc will be **\$0 for any member of the City's health insurance plan**. This benefit provides a low cost alternative to in-person doctor's visits.

Real Appeal Wellness Program: This is an online weight loss program available to you and eligible family members at no additional cost through your health benefits plan.

Vision Insurance (pgs. 9, 48-50): This is a fully insured plan and the entire cost of the monthly premium is paid by the employee through payroll deduction. Premiums are taken pre-tax.

Life Insurance (pg. 10): The State's Department of Employee Trust Funds (ETF) administers the Life Insurance Program. Premium rates are based on age, earnings, and number of units purchased. Coverage options: Basic, Additional, Spouse & Dependent; purchasing Basic is a prerequisite for purchasing additional units. Employees are responsible for updating beneficiaries with ETF as necessary when status changes occur (birth, death, divorce, etc.). Enrollment in WRS is required to be eligible for the Voluntary Life Insurance.

Long Term Disability (pg. 11): This program provides monthly benefits for the partial replacement of income while an employee is disabled (disabled is defined as more than three months), unable to work and under the care of a doctor. Employees working at least 20 hours per week are automatically enrolled. The LTD benefit is a City sponsored benefit and is no cost to the employee.

Health Reimbursement Account (HRA) (pgs. 12, 39-47): An HRA is an IRS approved tax-free benefit that reimburses plan members for out-of-pocket expenses not paid by the health or dental insurance plan. The amount is based on the type of medical coverage selected and prorated based on the medical coverage effective date. Active medical plan members are automatically enrolled in the HRA.

Employees enrolled in the health plan receive dollars in their Health Reimbursement Account (HRA) every January. Preventative exams are not required for members to be eligible for the health plan, but are encouraged as the funding of the health reimbursement account (HRA) will be affected by participation

Section 125 (Flexible Spending Account) (pgs. 13, 39-47): Flexible spending is an easy way for employees to set aside a portion of their earnings, and use it to pay for health care and daycare expenses. The money set aside in the flexible spending plan is free from payroll taxes, so employees see tax savings for each dollar they contribute. Enrollment eligibility and changes to the flexible spending account during the calendar year are subject to qualifying events.

Wisconsin Retirement System (WRS) (pg. 14): The Wisconsin Retirement Program is a pension plan which helps provide for financial security during retirement. Monthly annuity payments at retirement are calculated using years of creditable services, average earnings (based on three highest years of earnings), formula factors, age at retirement and selected annuity option or a money purchase option. Regular employees working at least 1200 hours a year (600 hours for employees covered prior to 7-11-11) are automatically enrolled.

Employee Assistance Program (EAP) (pg. 15): The City of De Pere has an Employee Assistance Program (EAP). The services offered are a benefit provided by the City of De Pere at no cost to its employees and their immediate family members to help deal with life's stresses. EAP consists of caring individuals who are certified counselors. They offer professional support and direction towards resolving problems or concerns. They can also help by referring the employee to another resource if assistance is needed beyond the EAP.

BENEFITS AT A GLANCE (continued)

Wellness (pgs. 16-18): Permanent full-time and part-time employees and their spouses can participate in the City's Wellness Incentive Program. Participants in the Wellness Incentive Program receive points for things such as participating in a run/walk, getting an annual physical each year, exercising, and completing preventative screenings. Participants can pick and choose what activities they would like to participate in and submit points to earn gift cards. Participation is completely voluntary but will benefit participant's lifestyle and may help save money on health care costs in the future. Employees and their immediate family members are also offered a 25% discount on all City of De Pere Park and Recreation exercise and movement-based programs. We can all take steps, even small ones, to improve our overall well-being.

Section 457 Deferred Compensation Program/Roth IRA: The Deferred Compensation program allows employees to defer a portion of their salary for future supplemental retirement income at their expense through payroll deduction. The amount deferred reduces state/federal income taxes and earnings as these deferrals accumulate tax-free until withdrawn. There are two plans to choose from, one through Nationwide Retirement Solutions and the other through the Wisconsin Deferred Compensation Plan (WDC). Each plan has its own enrollment requirements and mutual funds to choose from.

Employees can elect to have earnings deducted from their pay and put into a Roth IRA account through the Wisconsin Deferred Compensation Plan or Nationwide Retirement Solutions. A Roth IRA account provides an opportunity to build retirement assets by making post tax contributions.

Enrollment is voluntary and employees can participate in one or all of the plans. Changes to contribution amounts or investment options can be made at any time by completing the provider's forms. Forms and additional information is available by contacting the plan provider (contact information is provided on page 2).

Identity Fraud Expense Reimbursement (pgs.51-52): This benefit provides all eligible employees with 100% employer-paid fraud expense reimbursement coverage up to \$25,000. This benefit is provided to employees free of charge.

Required Federal Notices (pg. 53-67)

ENROLLMENT PROCEDURES

In compliance with the Affordable Care Act (ACA) the City will hold an open enrollment each fall at which time employees will be able to make changes to, or apply for, benefit coverage for the next calendar year. Enrollment for employee benefit insurance coverage is subject to the requirements of the specific summary plan document, agreements between the vendor and the City or vendor requirements. To accommodate these requirements the following procedures will be followed regarding new employee and current employee enrollment.

New Employees: New employees in a position eligible for benefits may enroll within 31-calendar days of the hire date for health and/or dental insurance, 30-calendar days for life insurance and/or voluntary vision, and the first of the month following date of hire for Section 125 flexible spending account. The effective date of coverage for health, dental, vision, long-term disability, and flexible spending is the first day of the month following the date of hire. Life Insurance coverage is effective the first day of the month following 30 days from the date of hire. Identity Fraud Expense Reimbursement is effective on the date of hire. Eligibility for benefits will be in accordance with the definition under each summary plan document. If the new employee declines coverage for self, spouse and/or eligible dependents, the employee may apply for coverage for self, spouse and/or eligible dependents at the next open enrollment period, if applicable, except in the case of a qualifying event that permits earlier enrollment. To complete enrollment, Human Resources will need to see the birth certificates of your dependents, and marriage certificate, if applicable.

Current Employees: Following initial employment, current employees may change or apply for medical coverage, voluntary vision and flexible spending annually during the open enrollment period for the next calendar year, except in the case of an event that permits changes during the calendar year in accordance with the specific summary plan document. If a current employee declines coverage for self, spouse and/or eligible dependents, the employee may apply for coverage for self, spouse and/or eligible dependents at the next open enrollment period except in the case of a qualifying event that permits earlier enrollment.

Please note: Dental coverage is not subject to annual open enrollment; open enrollment for dental is once every 5 years, beginning with the 2016 plan year. Current dental members have the option of moving from one dental plan to the other at year end. Information will be sent to employees annually with the specific dates.

Special Enrollment for Life Insurance: Employees may enroll for one level of employee coverage or increase their employee coverage by one level if they have a qualifying family status change event. If the employee does not enroll for coverage within 30 days of a family status change event or when first hired, the employee may obtain coverage by providing the insurer, Securian Financial Group, with satisfactory evidence of insurability at their own expense.

Qualifying Events: Qualifying events under HIPAA Special Enrollment and Section 125 (Flexible Spending Accounts):

- Marital status change: marriage, death of spouse, divorce, annulment or legal separation.
- Number of dependents change: birth, adoption or placement for adoption, death of dependent child, newly eligible dependents due to plan design change.
- HIPAA allows the employee who may have elected employee only coverage initially to not only add a new dependent, but also allows the employee to add the spouse at the time the new dependent is added.
- HIPAA does not require all eligible dependents (i.e., other dependent children) be added.
- Loss of coverage: if the employee loses other coverage (e.g. Spouse's health plan coverage terminates, or Medicare or Medicaid eligibility ends).

Changes to plan elections may be made under section 125 (flexible spending account) rules under the following circumstances (in addition to the HIPAA special enrollment events):

- Dependent status change: dependent no longer satisfies rule for eligibility as a dependent due to attainment of age, marriage of dependent child
- Employment status: commencement or termination of employment, commencement of or return from leave of absence, change from part-time to full-time status or vice versa, strike or lockout.
- Judgment decree or order requiring coverage: QMSCO.
- Change in residence: may qualify if there is a loss of eligibility for a region-specific plan, such as an HMO.
- Change in cost of dependent care expenses (for dependent care flexible spending only)
- Other additional circumstances as allowed under section 125.

ENROLLMENT CHANGES

If an employee has enrollment changes for health, dental or vision insurance, please contact the Human Resources Department at 920-339-4045. A new enrollment form must be completed reflecting the changes to be made to the insurance coverage.

Some examples include: (not an all-inclusive list)

- Adding a newborn baby or adopted child
- Adding a spouse due to marriage
- Removing a spouse and/or children due to divorce
- Removing a child who reaches age 26
- Removing a spouse who reaches age 65
- Loss of coverage

Plan Administrators cannot authorize any changes to health, dental and/or vision insurance coverage. All insurance changes must be made by the Human Resources Department.

Please note the following time limits:

- For a **child** to be enrolled as of the date of birth or adoption date, an enrollment form must be submitted to Human Resources within **60 days** of the birth or adoption date along with a copy of the birth certificate. *(The Social Security Number takes about 6 weeks to receive so send in the enrollment form within the 60 days and then call with the number when it is received.)*
- For a **spouse** to be enrolled as of the date of marriage, an enrollment form must be submitted to Human Resources within 31 days of the date of marriage along with a copy of the marriage certificate.

HEALTH REIMBURSEMENT ACCOUNT (HRA)

Each year the City of De Pere sets up the HRA, determines the amount of money available in each employee's HRA for the coverage period, and establish that all 213 D medical expenses are allowed for reimbursement under their plan. The account is administered by Employee Benefits Corporation (EBC). The amount is based on the type of medical coverage selected, and prorated based on your medical coverage effective date. Like Flex Spending, your HRA monies can be used to reimburse you for expenses not paid by the City's medical plan such as deductibles, copays, etc.

1. How much will be contributed to my HRA?

HRA	City Contribution	Preventative Exams Completion Credit (Employee)	Preventative Exams Completion Credit (Spouse)	Total Credit
Single	\$500	\$500		\$1,000
Employee + One*	\$1,000	\$500	\$500	\$2,000
Family*	\$1,000	\$500	\$500	\$2,000

*If an employee is on an employee +1 or family plan but does not have a spouse, the employee will receive full credit (\$1,000).

2. What can I pay for with my HRA fund?

- Co-insurance
- Prescription Drugs
- Out of pocket medical expense
- Dental/Vision expenses
- All other 213(d) eligible medical expenses (same as for flex spending)

3. What happens to my account when I retire or am no longer working for the City?

- Retirement/Disability/Layoff or Reduction in Workforce: employee gets to keep 100% contribution.
- Voluntary Separation/Pass Away: You get to keep 100% after 10 years(10%/year vested). After 10 years, 100% of the fund stays with you. If you are employed for less than 10 years, that amount is pro-rated per year; 10% of the fund will stay in the account for each year of being on the plan (Example: 5 years = 50% of the funds). If you pass away, your HRA may continue to be used by your beneficiary for reimbursement of your medical expenses or, the medical expenses of your beneficiary, even if your beneficiary is not enrolled in the City's health insurance plan.
- Involuntary Termination: You get to keep 50% after 10 years (5%/year vested). After 10 years of being on the HRA (effective 1-1-12), 50% of the fund stays with the employee. If the employee is on the HRA for less than 10 years, the amount is pro-rated per year. 5% of the fund will stay in the account for each year of being on the plan (Example: 5 years = 25%).
- The City pays the monthly administrative fee to have the HRA fund administered. Once you are no longer an employee, that administration fee will automatically be taken from your HRA fund at the end of the calendar year.

For additional FAQs please visit the City of De Pere's website.

SECTION 125 FLEXIBLE SPENDING ACCOUNT (FSA)

EMPLOYEE BENEFITS CORPORATION (EBC)

Flexible spending is an easy way for employees to set aside a portion of their earnings, and use it to pay for health care and daycare expenses. The money set aside in the flexible spending plan is free from payroll taxes, so employees see tax savings for each dollar they contribute.

This is an optional feature and enrollment is voluntary. During open enrollment a current employee may enroll in the flexible spending account for the next calendar year. Enrollment eligibility and changes to the flexible spending account during the calendar year are subject to qualifying events.

The maximum annual health care reimbursement amount an Employee may elect for the 2022 plan year is **\$2,750** and may be adjusted annually.

The City will allow the statutory maximum (\$570 as of January 1, 2022) of unused funds remaining in your Health Flexible Spending Account (FSA) to be rolled over to the subsequent Plan Year. These rollover funds may be only used to pay or reimburse medical expenses under the Health FSA.

Dependent Care Spending Account elections cannot exceed **\$5,000** per year. Dependent Care expenses are reimbursed up to the cash balance in your account. Unpaid claims are reimbursed as more money is credited to your account. The City of De Pere has a 2 ½ month grace period to incur claims for dependent care.

If you are utilizing the Employee Benefits Corporation Benefits Card, the funds will be taken from your flexible spending account first, then from your Health Reimbursement Arrangement (HRA) Account.

WRS CONTRIBUTION RATES

Wisconsin Retirement System (WRS) benefits consist of employer required and employee required contributions. Unless otherwise indicated by state regulation or union contracts, the City will pay the employer required share into the plan, and employees will be responsible for contributing the employee share. The employee contributions will be deducted pre-tax as a percentage of reported earnings each payroll period.

- Eligibility - The Wisconsin Retirement Program is a pension plan that helps provide for financial security during retirement. Monthly annuity payments at retirement are calculated using years of creditable services, average earnings (based on three highest years of earnings), formula factors, age at retirement and selected annuity option or a money purchase option. Regular employees working at least 1200 hours a year (600 hours for employees covered prior to 7-11-11) are automatically enrolled.
- Vesting Requirements – You may have to meet one of two vesting laws in order for the City of De Pere contributions to be vested. This is based on when you first began WRS employment.
 - If you first began WRS employment after 1989 and terminated employment before April 24, 1998, then you must have some WRS creditable service in five calendar years.
 - If you first began WRS employment on or after July 1, 2011, you must have five years of WRS creditable service.
 - If neither vesting law applies, you were vested when you first began WRS employment. If you are vested, you may receive a retirement benefit at age 55 (age 50 for protective category participants) once you terminate all WRS employment. If you are not vested, you may only receive a separation benefit.

* The Employer contribution for protective employees includes the required contribution for duty disability.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

Did You Know?

Your EAP (Employee Assistance Program) benefit offers easy access to professional, confidential counseling services through locations in De Pere and Appleton as well as through an extensive affiliate network. These counseling services are provided at no cost to you as a benefit through the City of De Pere and can help with a wide variety of personal and family issues including alcoholism, drug dependency, emotional illness and other problems. Accessing this benefit is voluntary and always confidential.

How Do You Access The EAP?

1. Call ERC: ASSIST at 1-800-222-8590 (a licensed counselor is always available: 24/7/365)
2. Identify you are an employee of City of De Pere or a family member of a City of De Pere employee
3. Provide brief demographic information
4. An appointment will be arranged in a timely manner. Your benefit allows up to 8 counseling sessions per issue.

Saves You Money!

When you or any dependent on the health plan go through the EAP benefit first for your counseling services, and a certification for further treatment is needed, your visits will be free – no copay, no deductible and no coinsurance if you see an in-network provider. If you choose to bypass the EAP and go directly to a treatment provider you will need to pay the copay cost of your mental health services.

If you have any questions regarding the EAP benefit or this plan design, please contact Human Resources, or the EAP directly at 800-222-8590. For more information on your EAP benefit you may visit ERC's website at www.ercincorp.com

WELLNESS INCENTIVE PROGRAM

The City of De Pere values your health and well-being, and we are pleased to support your wellness goals through this program.

Wellness programs can benefit you in many ways by helping you improve your health and fitness and reduce your health care costs. In addition to improving your health, wellness programs have been shown to help individuals lower their stress levels and improve well-being. This program is designed to support and reward your fitness efforts with gift card incentives, up to \$150!

The Wellness Incentive Program runs from January 1st until December 31st.

Who can participate?

Benefit eligible full-time and part-time employees and their spouses can participate in the City's Wellness Incentive Program.

How does the program work?

You get to pick and choose what types of wellness activities you are interested in and earn gift cards. No need to sign up or register, you can simply participate. It's that simple!

Participants will receive points for things such as participating in a run/walk, getting an annual physical each year, exercising, and completing preventative screenings. A small gift card incentive is built into the program to reward you for achieving points, with benchmarks along the way. Due to the logistics of some of the City-led wellness challenges, these challenges will be offered to employees only to earn points.

Where can I find the activities to earn points?

Wellness Incentive Program information can be found on the Human Resources webpage under "Wellness & On-site Nurse Coach" and the City's Friday Memo Drive (Q Drive) in the Wellness Folder. At the MSC, Wellness Forms can be found near the main copier with the other blank employee forms.

The Wellness Incentive Program Flyer provides a list of all the activities you can choose from, their point value, and gift card milestone.

Do I have to reach a Gift Card Milestone before submitting documentation for points?

No. You can submit points as you earn them throughout the year, once you reach a milestone, or all at once. Please note, some activities need to be submitted at the end of the activity (i.e. Wellness Challenges). See Qualification Criteria for more information. Activity tracking and forms should be uploaded to your Healics account at www.myhealics.com, unless otherwise specified. All points and documentation, if required, must be logged in the participant's Healics account by January 15th of the following year (i.e. 2022 documentation must be submitted by January 15, 2023); gift cards will be distributed shortly after.

WELLNESS INCENTIVE PROGRAM (continued)

1,000 point benchmark \$25 gift card

- You and your immediate family members (spouse and children) will receive 25% off De Pere Park and Recreation exercise and movement-based programs. To receive the discount you will have to register either over the phone or in person at the Community Center. If you have questions on which classes may be included, please call the Community Center at 920-339-4097.
- Your health plan is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. If you have questions or concerns, please contact the City’s Human Resources Director, Shannon Metzler at 920-339-4045, and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

If you have questions about the Wellness Incentive Program, please reach out to your department’s Wellness Team member, Tracy Hood in Human Resources, or Onsite Nurse Coach Ashley.

Treatment for common conditions

You can narrow your search to primary care providers or look up physicians by specialty. Then select a physician from your search results to learn more about where they went to school, where they practice and how to schedule an appointment.

Check for quality

The two blue hearts next to a doctor's name tells you they are a Premium Care Provider who has been reviewed by UnitedHealthcare and meets quality standards for delivering cost-effective care.

You may also see star ratings for customer satisfaction based on reviews from previous patients.

Understand the costs

Different providers may charge different amounts for the services they offer. Your search results will give you a range of the average costs for preventive care or medical procedures in your area. And the individual provider listings show whose costs are below, above, or meet the local average.

If a procedure typically includes multiple steps of treatment, you can review the total cost and your estimated out-of-pocket cost for each step. So you'll know what to expect, from start to finish.

Your estimated out-of-pocket costs are personalized to you, based on your own benefit plan's deductible, annual out-of-pocket max, co-pay, co-insurance and how much you've paid toward your deductible.

Debit your BESTflexSM Plan FSA directly instead of paying out-of-pocket.

With the BESTflexSM Plan, you set aside money from your paycheck and place it in a Health Care Flexible Spending Account (FSA) to pay for certain medical expenses before taxes are taken from your pay.

You use the Employee Benefits Corporation Benefits Card to pay for those expenses instead of using cash. The card debits your FSA and makes the BESTflex Plan even more convenient to use.

■ How the Benefits Card Works

The Benefits Card debits your BESTflex Plan Health Care FSA when you use the card to pay for eligible health care expenses. For example, if your total Health Care FSA election is \$1,000, the card can pay for up to \$1,000 worth of eligible health care expenses.

■ IRS Regulations that Dictate Benefits Card Use

There are several IRS regulations that dictate how the Benefits Card works. Taking some time today to understand the most important rules will help you use your card in the most convenient ways during the plan year.

Remember to ask for and **SAVE** itemized expense documentation when you use your Benefits Card!

Eligible Expenses

You can use your Benefits Card to pay for the same services and eligible health care expenses that qualify under the BESTflex Plan Health Care FSA instead of paying out-of-pocket.

Where You Can Use Your Benefits Card

You can use the card to pay for these expenses at retailers and pharmacies that automatically substantiate the purchase at the point of sale using an inventory information approval system (IIAS). The IIAS determines whether expenses are FSA-eligible, and only applies those expenses to the card.

The growing “List of IIAS Retailers” and a store locator are available at www.ebcflex.com to help you determine whether the card will work at your preferred merchants. If a retailer cannot substantiate the purchase at the point of sale, your card will be declined.

As always, contact our Participant Services Team via email at participantservices@ebcflex.com or call 800 346 2126 to help determine if a merchant or item is eligible.

You can also use the card at health care, dental and vision provider offices. Transactions at these merchants may require that you submit expense documentation to manually substantiate the transaction.

What To Do With Benefits Card Expense Documentation

Save your Benefits Card expense documentation! If your purchase is not substantiated at the point of sale, you will receive a **Documentation Request** asking you to submit **itemized** expense documentation. The documentation allows us to verify that you used the card to pay for an eligible expense, as required by the IRS.

These are federal mandates and the IRS provides no exceptions.

You **CANNOT** use your Benefits Card to pay for an expense that is already covered by your health insurance. Before you pay a doctor's bill or other such expense, check your Explanation of Benefits, sent to you by your health insurance plan, to be sure that it won't be covering that bill. You can use your card to pay for the portion of the expense that isn't covered.

Over-the-Counter Medicines

The Health Care FSA only reimburses over-the-counter (OTC) medicine expenses with a doctor's prescription for them.

In order to use your card to pay for OTC medicines, you must present your doctor's prescription to the pharmacist, and the pharmacist must fill the OTC medicine in accordance with applicable law and assign a prescription number.

You can use your card as normal to purchase OTC items that are not considered a drug or a medicine, such as bandages, contact lens solution, heating pads, ice packs, reading glasses and thermometers. You will also be able to use your card to pay for insulin and diabetic supplies.

Please reference the *Eligible Expenses List* for more information.

Retailers that Can Accept the Benefits Card

The Benefits Card will not be accepted at retailers that qualify under the “90% rule.” These merchants could verify that 90% of their annual revenue is generated by FSA-eligible items.

This means that your card may be declined at a local pharmacy. Reference the “List of IIAS Retailers” at www.ebcflex.com to determine whether your card will work at your preferred merchants.

How You Receive Your Benefits Card

Your employer has made the Benefits Card part of your BESTflex Plan Health Care FSA. You elect the card by electing the Health Care FSA or completing a special election form.

Once you enroll in the BESTflex Plan Health Care FSA, the Benefits Card is mailed directly to your home. The envelope will contain your card, a cardholder agreement and an information flyer. Watch for it to arrive within 30 days after your plan start date.

New Plan Year, Same Benefits Card

If your employer has signed up for the BESTflex Plan and the Benefits Card and you've used your card this year, your new elections will be automatically available on your card at the beginning of your new plan year. As long as your employer continues the BESTflex Plan, you'll receive a new card 30 days prior to your card expiration date.

Cut-Off Dates for Using the Card

If your employer has added the 2-1/2 month grace period to your BESTflex Plan, you can use your card to pay for expenses that you incur during the grace period. Otherwise, once your grace period ends, you can no longer use the card for previous plan year expenses.

3 things you should understand **before** you use your Benefits Card:

1 You may be asked to document your Benefits Card purchases by providing itemized expense documentation.

2 **Do not submit documentation until it is requested.** We'll send you a list of card transactions that were not substantiated at the point of sale, which you return to us with a copy of your documentation.

3 You will be asked to and must repay the expense amount if you make a purchase with the card and, upon request, cannot provide itemized expense documentation for the expense for any reason.

You have 90 days after the plan year ends to submit reimbursement requests for expenses incurred during the previous plan year. See your BESTflex Plan *Summary Plan Description* for more information on the 90-day run-out period.

Note: Please consult *My Company Plan* for the specific details defining your company's plan design.

■ Using the Benefits Card to Pay for End-of-Year Expenses

You can use the card to pay for items equal to the amount remaining in your BESTflex Plan Health Care FSA and pay for the difference through some other means. Toward the end of the year, frequently check your remaining FSA balance on our website, www.ebcflex.com, or by calling Employee Benefits Corporation at 800 346 2126. It is important to make sure sufficient funds are available to handle the purchases you plan to make at year's end.

■ Keeping Your Card Active When Your Address or Name Changes

Be sure to update your address with your employer and with Employee Benefits Corporation when you move or your card will be declined at any merchant that uses an address verification process. Address changes can be made online through My Account Assistant.

You should also be sure to update your employer and Employee Benefits Corporation if you have a name change. Changes to your last name will result in a new card being issued to you and a fee paid from your Health Care FSA.

■ Documentation Requests

Whenever possible, your card tries to electronically verify your purchase at the cash register. However, some card swipes require itemized expense documentation to be submitted in order to verify the transaction. Documentation Requests are sent via email and used to collect your documentation and substantiate the expense. When the card cannot verify a claim electronically or at the cash register:

1. We send you a Documentation Request email outlining the unverified expenses.
2. You upload your documentation to us using our mobile app or from your online account.
3. You can also print and return the tear-off portion of the Request to us via fax or U.S. Mail with copies of your expense documentation for the specified expenses.

If we do not have a valid email address, we will send the Requests via U.S. Mail (this may cause delays in processing your documentation).

How Documentation Requests will be sent:

With Email on file	No Email on file
First Notice via email	First Notice via U.S. Mail
Second Notice via email	Second Notice via U.S. Mail
Suspension Notice via U.S. Mail	Suspension Notice via U.S. Mail

If there is no response to the first Request (First Notice), a second Request will be sent to the same email or the same U.S. Mail address (Second Notice). If there is no response to the second Request, you'll receive a letter via U.S. Mail notifying you that your card is suspended (Suspension Notice).

Expense documentation must include:

- A. Date(s) of Service
- B. Type of expense
- C. Amount of the expense incurred
- D. Name of Service Provider

Note: Cancelled checks, credit card statements or previous balance statements cannot be used as expense documentation.

Please, do not submit Benefits Card expense documentation attached to a *Claim Form*. Do not send in expense documentation unless you receive the Documentation Request.

■ Receiving Documentation Requests via Email

If you activated your account at our website (www.ebcflex.com) and currently view your account online, we have the email address you provided at that time. This is the email address we will use unless you change it using My Account Assistant or contact us and request that we change it. Log in to update your email preferences.

■ Benefits Card Suspensions

Suspension usually occurs because of outstanding, unsubstantiated expenses made using the card. You can request any outstanding Documentation Request. If you cannot supply valid, itemized expense documentation, you must repay the plan.

If your card privileges have been suspended and your employer renews your plan, your card will not be reinstated until you send in valid documentation for the outstanding expenses or repay the plan.

■ When Expense Documentation May Not Be Required

There are two instances where documentation may not be required. Although your expense information is submitted automatically in these situations, it is still important that you save your expense documentation in case of a data transfer problem or other error. You should not be asked to submit documentation:

1. When you use your card at your health care provider for an office or prescription co-pay, and the card expense item exactly matches the co-pay item cost your employer has on file with us.
2. As long as you purchase eligible prescriptions, medical supplies or contact lens supplies from retailers that can automatically substantiate your card transactions at the point of sale through an IIAS. We have a full "List of IIAS Retailers" available on our website, www.ebcflex.com.

Remember this simple rule: if the provider cannot substantiate the expense at the point of sale, we are required to request documentation to verify the entire transaction.

Appendix to the Summary Plan Description | The Benefits Card

If you cannot verify the transaction with expense documentation or you used the card to pay for an ineligible expense, you are asked to repay the plan or your card will be temporarily suspended until payment is received.

■ Terminating Employment and the Card

Your Benefits Card will be closed if you terminate employment with the employer that offers the card. To submit claims during your run-out period after termination, you must use a *Claim Form*.

■ Contact Employee Benefits Corporation

If you have any questions regarding the card or any aspect of your BESTflex Plan account, please email participantservices@ebcflex.com or contact the Participant Services Team at **800 346 2126**.

Quick Tips for Using the Benefits Card

The card may be declined for one of a few reasons:

1. The merchant does not accept the Benefits Card.
See "IRS regulations that dictate Benefits Card use".
2. The expense is not eligible under the BESTflex Plan.
3. Your card has been temporarily suspended due to an unsubstantiated or ineligible expense.

You may have to submit expense documentation for transactions from some merchants, and not from others.

Many eligible merchants can automatically substantiate – or verify that the expenses paid for with the card are FSA-eligible – your transaction at the point of sale, using an IAS. Others, including some health care providers, may not have this capability.

You will receive Documentation Requests by email if you have an email address on file. These emails are not spam messages, so be sure to watch for them. See "Documentation Requests".

Save your card, even after you use up your Health Care FSA funds or the BESTflex Plan plan year ends. You will receive a new card 30 days prior to your card expiration date. See "New plan year, same Benefits Card".

Use the card to pay for things like prescription and health plan co-payments, deductibles and co-insurance; "Amount Due" on medical and dental statements; orthodontics; vision services and eyeglasses; eligible medical supplies (bandages, ointments, rubbing alcohol, sunburn cream, contact lens solutions/supplies, crutches, blood pressure and heart rate monitors, and braces); and insulin & diabetic supplies.

Online and Mobile Benefits Card Account Management

File claims, manage Benefits Card transactions, and upload documentation online or using an Android or Apple smartphone or tablet!

If a transaction needs documentation, you will receive an email. Simply take a photo of your documentation using your mobile device's camera, attach an image from the device's photo library or from your computer's desktop and submit it to us.

Examples of *Ineligible* Expenses for Standard Health FSAs:

We're commonly asked which expenses are not eligible for payment. Here are some examples, but the list is not all inclusive.

- Canceled Appointment Fees
- Drugs or treatments that are illegal under Federal law
- Cosmetic Surgery, Treatments, or Procedures
- Toiletries or Sundry Items
- Vitamins or Supplements for General Health
- Food and meals that replace regular nutritional requirements
- Household cleaning products, including surface cleaning wipes
- Face shields, neck gaiters, or face masks with vents/valves

Personal care items or services for general health are not usually eligible, but if your health care provider recommends an otherwise personal product or service to treat a specific diagnosis, you can submit the expense for reimbursement with a *Letter of Medical Necessity*.

This is a letter from your health care provider that includes a recommendation of the item or service to treat your diagnosis, and the duration of the recommendation. Depending on the expense, you may have to provide additional documentation to show the expense would not have been incurred "but for" the medical condition.

Sometimes a personal or general use item may be specialized for the specific purpose of treating or alleviating a medical condition. In this case, only the excess cost of the specialized item over the non-specialized item can be reimbursed. A *Letter of Medical Necessity* may be requested for these items as well.

IDENTITY FRAUD

Identity Fraud Expense Reimbursement

COVERAGE HIGHLIGHTS

Identity fraud is the fastest-growing white-collar crime in America, impacting one in every 20 consumers.*

Why you need protection

Becoming a victim of identity fraud is a frightening, frustrating experience. It can happen to anyone at any time in a variety of ways, ranging from a stolen wallet or home burglary to online theft of your personal information.

Recovering from identity fraud means more than just canceling credit cards. Not only can it be a complicated and stressful experience, but it can cost your employee or member of your organization hours of time and out-of-pocket expenses to re-establish their credit and clear their name. The hard reality is that victims must painstakingly prove, often to disbelieving creditors, that the debts are not their own. Purchasing identity fraud expense reimbursement coverage for your employees or members can be an affordable and compelling addition to your benefits suite.

Coverage highlights

Travelers Identity Fraud Expense Reimbursement coverage pays for expenses associated with resolving an identity fraud event and perhaps most importantly, gives people tools and information to reduce their risk of future additional fraud.

Each year, the number of identity fraud cases rises; most recently 12.6 million adults in the United States were victims. On average, it takes an individual more than 37 hours and \$535 in out-of-pocket expenses* to clean up the mess caused by an identity thief.

In addition to expense reimbursement, Travelers also offers Identity Fraud Resolution Service through Identity Theft 911, which includes:

- Exclusive online education resources providing tips and information to help avoid becoming a victim
- 24/7 personal access to an expert fraud specialist
- Document replacement help (i.e., Social Security card, birth certificate, passport, etc.)

In the event of an actual identity fraud, services include:

- Step-by-step guidance through the resolution process, including unlimited assistance to restore a victim's identity
- 3-in-1 credit reporting
- One year of free credit, cyber and fraud monitoring

Claim scenarios

Bogus charge accounts while on business travel

An executive was on business in Brazil when his identity was stolen and significant charges were made to his corporate card. In order to file an affidavit of loss with the local Brazilian authorities, he was required to provide a sworn statement in person. Total expenses for time off work, travel expenses, phone charges and the cost to replace the executive's passport were \$4,500.

Medical identity fraud

A woman from Illinois discovered a number of questionable billings on her medical insurance annual summary of benefits. Someone had stolen her and her children's identities to secure medical services in their names.

After struggling with the health care institution to release the personal medical information, she hired an attorney to help. The attorney was able to contest the services and clean up her medical history. It took more than six months to resolve the identity fraud and cost nearly \$6,000 in attorney's fees, lost wages and fees for copies of X-rays and other medical records.

REQUIRED FEDERAL NOTICES

Health Insurance Marketplace Coverage Options

General Information

When key parts of the health care law took effect, you were eligible for a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you look at options for you and your family, this notice provides some basic information about the new Marketplace and the employment based coverage offered to you.

What is the health insurance Marketplace?

The Marketplace is designed to help you find private health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Annual open enrollment for private health insurance coverage through the Marketplace runs during the months of November, December, January and February. The specific timeline will be announced each year.

Can I save money on my health insurance premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you are eligible for depends on your household income.

Does the health insurance we offer to you affect your eligibility for premium savings through the Marketplace?

Yes. If we have offered you health coverage that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in our health plan. However, you may be eligible for a tax credit that lowers your monthly premium or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of self-only coverage under our health plan is more than 9.61% (2022) of your household income for the year, or if our health plan does not meet the “minimum value”¹ standard set by the Affordable Care Act, you may be eligible for a tax credit.

Note: If you purchase a health plan through the Marketplace instead of accepting our health plan coverage, then you may lose our contribution (if any) to your coverage under our health plan. Also, our contribution – as well as your employee contribution – is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How can I get more information about the Marketplace?

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the marketplace and its cost. You can visit [HealthCare.gov](https://www.healthcare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

¹

An employer-sponsored health plan meets the “minimum value standard” if the plan’s share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

New Health Insurance Marketplace Coverage Options (continued)

Information about the Health Coverage Offered by Your Employer

If you complete an application for coverage through the Marketplace, you will be asked for information about our health plan. The information below will help you complete an application for coverage in the Marketplace.

Employer Name: City of De Pere
Employer Identification Number (EIN): 39-6005431
Employer Address: 335 S Broadway St. De Pere, WI 54115
Employer Phone Number: 920-339-4045
Who can we contact about employee health coverage at this job? Phone Number (if different from above): Shannon Metzler E-mail address: smetzler@deperewi.gov

- You may also be asked whether or not you are currently eligible for our health plan or whether you will become eligible within the next three months. In addition, if you are or will become eligible, you may be required to list the names of your dependents that are eligible for coverage under our health plan.

If you would like information about the eligibility requirements for our health plan, please read the eligibility provisions described in the Summary Plan Description for our health plan. You can obtain a copy of the Summary Plan Description by contacting your Employer at the phone and/or email listed above.

- If you are eligible for coverage under our health plan, you may be required to check a box indicating whether or not our health plan meets the minimum value standard. Our health plan coverage meets the minimum value standard.
- If you are eligible for coverage under our health plan, you may be asked to provide the amount of premiums you must pay for self-only coverage under the lowest-cost health plan that meets the minimum value standard. If you had the opportunity to receive a premium discount for any tobacco cessation program, you must enter the premium you would pay if you received the maximum discount possible for a tobacco cessation program.

If you would like information about the premiums for self-only coverage under our lowest-cost health plan, please contact your Employer at the phone and/or email listed above.

- You may also be asked whether or not we will be making certain changes to our health plan coverage for the new plan year. As usual, we will notify you about changes to our health plan coverage after we approve any such changes and inform employees about those changes at the appropriate time. If you are not sure how to answer this question on your Marketplace application, please contact the Marketplace.

Women's Health and Cancer Rights Act Enrollment Notice

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy- related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Please see your Summary of Benefits and Coverage (SBC) for deductible and coinsurance information.

If you would like more information on WHCRA benefits, call UMR at 1.800.826.9781.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2022.

The City of De Pere Employee Benefits Plan

Notice of Privacy Practices — Self-Funded Plans

01/01/16

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

The City of De Pere offers various healthcare options to its employees and their eligible family members through the City of De Pere Employee Benefits Plan. The City of De Pere Group Health Insurance Plan, Group Dental Insurance Plan, Flexible Spending Account (FSA), Health Reimbursement Account (HRA), and Employee Assistance Plan (EAP) are self-funded group health plans for which the City of De Pere acts as its own insurer and directly pays the claims. This notice describes the privacy practices that the City of De Pere has established for this option. This option is managed for the City of De Pere by business associates, which are third-party administrators that interact with the healthcare providers and handle members' claims.

THE CITY OF DE PERE'S COMMITMENT

The City of De Pere is committed to protecting the privacy of your protected health information or PHI. PHI refers to health information that a Self-Funded Plan creates or receives that relates to your physical or mental health, your healthcare or payment for your healthcare. In most cases, your PHI is maintained by the business associate that serves as the third-party administrator for the Self-Funded Plan in which you participate, but the City of De Pere may also hold health-related information. Generally, the City of De Pere held information is limited to enrollment data, but in limited instances it may include information you provide to designated City of De Pere staff to help with coordination of benefits or resolving complaints. The privacy protections described in this notice reflect the requirements of federal regulations issued under the Health Insurance Portability and Accountability Act (HIPAA). They require the Self-Funded Plans to:

- comply with HIPAA privacy standards and other federal laws;
- make sure that your PHI is protected;
- give you this notice of the Self-Funded Plans' legal duties and privacy practices with respect to your PHI; and
- follow the terms of the notice that are currently in effect.

HOW THE SELF-FUNDED PLANS WILL USE AND DISCLOSE YOUR PROTECTED HEALTH INFORMATION

The following sections describe different ways that a Self-Funded Plan might use and disclose your PHI. Not every use or disclosure will be listed. All of the ways that a Self-Funded Plan is permitted to use and disclose PHI, however, will fall within one of the categories. Use and disclosure of some PHI, such as certain drug and alcohol information, HIV information and mental health information, is further restricted.

Treatment. A Self-Funded Plan may use and disclose your PHI to doctors, nurses, technicians and other personnel who are involved in providing you with medical treatment or services. For example, a doctor treating you for a broken leg may need to know if you have diabetes because diabetes may slow the healing process. The doctor may then tell the dietitian if you have diabetes so the dietitian can meet any special menu needs. Different departments may share your PHI so they can coordinate services you need, such as lab work, x-rays and prescriptions.

Payment. A Self-Funded Plan may use and disclose your PHI in the course of activities that involve reimbursement for healthcare, such as determination of eligibility for coverage, claims processing, billing, obtaining and payment of premium, utilization review, medical necessity determinations and pre-certifications.

Healthcare operations for a self-funded Plan. Self-Funded Plans may use and disclose your PHI to carry out business operations and to assure that all enrollees receive quality care. For example, a Self-Funded Plan may disclose your PHI to a business associate who handles claims processing or administration, data analysis, utilization review, quality assurance benefit management, practice management or referrals to specialists, or to an associate who provides legal, actuarial, accounting, consulting, data aggregation, management or financial services.

Plan sponsor. A Self-Funded Plan may disclose summary health information (that is, claims data that is stripped of most individual identifiers) to the City of De Pere in its role as plan sponsor in order to obtain bids for health insurance coverage or to facilitate modifying, amending or terminating a plan. A Self-Funded Plan may also provide the City of De Pere enrollment or disenrollment information. In addition, if you request help from the City of De Pere in coordinating your benefits or resolving a complaint, a Self-Funded Plan may disclose your PHI to designated City of De Pere staff, but no PHI may be disclosed to facilitate employment-related actions or decisions or for

matters involving other benefits or benefit plans. The City of De Pere may not further disclose any PHI that is disclosed to it these limited instances.

As Required By law. A Self-Funded Plan will disclose your PHI if required to do so by federal, state or local law or regulation.

To Avert a Serious Threat to Health or Safety. A Self-Funded Plan may disclose your PHI when necessary to prevent or lessen a serious threat to your health and safety or the health and safety of the public or another person. Any disclosure, however, would only be to someone able to help prevent the threat.

Military and Veterans. If you are or were a member of the armed forces, a Self-Funded Plan may release your PHI to military command authorities as authorized or required by law. A Self-Funded Plan may also release medical information about foreign military personnel to the appropriate military authority as authorized or required by law.

Research. In limited circumstances, a Self-Funded Plan may use and disclose PHI for research purposes, subject to the confidentiality provisions of state and federal law.

Workers' Compensation. A Self-Funded Plan may release PHI for workers' compensation or similar programs as permitted or required by law. These programs provide benefits for work-related injuries or illness.

Health Oversight Activities. A Self-Funded Plan may disclose PHI to governmental, licensing, auditing and accrediting agencies as authorized or required by law.

Legal Proceedings. A Self-Funded Plan may disclose PHI to courts, attorneys and court employees in the course of conservatorship and certain other judicial or administrative proceedings.

Lawsuits and Disputes. If you are involved in a lawsuit or other legal proceeding, a Self-Funded Plan may disclose your PHI in response to a court or administrative order or in response to a subpoena, discovery request, warrant, summons or other lawful process.

Law Enforcement. If authorized or required by law, a Self-Funded Plan may disclose your PHI under limited circumstances to a law enforcement official in response to a warrant or similar process, to identify or locate a suspect, or to provide information about the victim of a crime.

National Security and Intelligence Activities. If authorized or required by law, a Self-Funded Plan may release your PHI to authorized federal officials for intelligence, counterintelligence and other national security activities.

Protective Services for the United States President and others. A Self-Funded Plan may disclose your PHI to authorized federal and state officials so they may provide protection to the President, other authorized persons or foreign heads of state, or conduct special investigations, as authorized or required by law.

Inmates. If you are an inmate of a correctional institution or under the custody of a law enforcement official, a Self-Funded

Plan may release your PHI to the correctional institution or law enforcement official, as authorized or required by law. This release would be necessary for the institution to provide you with healthcare to protect your health and safety or the health and safety of others or for the safety and security of the correctional institution.

REQUIRED DISCLOSURES

A Self-Funded Plan may be required to disclose your PHI to the Department of Health and Human Services if the Secretary is conducting a compliance audit.

YOUR RIGHTS

You have the following rights regarding the PHI that a Self-Funded Plan maintains about you:

Right to Inspect and Copy. With certain exceptions, you have the right to inspect and obtain a copy of your PHI that is maintained by or for a Self-Funded Plan. To inspect and obtain a copy of the PHI, you must submit your request in writing to the City of De Pere Human Resources Department at 335 S. Broadway Street, De Pere, WI 54115; Attention: HIPAA Privacy Officer. You may be charged a fee for the costs of copying, mailing or other supplies associated with your request.

A Self-Funded Plan may deny your request to inspect and/or obtain a copy in certain limited circumstances. For example, HIPAA does not permit you to access or obtain copies of psychotherapy notes. If your request is denied, you will be informed in writing, and you may request that the denial be reviewed. The person conducting the review will not be the person who denied your request. The plan will comply with the outcome of the review.

Right to Request an Amendment. If you believe that the PHI maintained by a Self-Funded Plan is incorrect or incomplete, you may request that the plan amend the information. You have the right to request an amendment for as long as the information is kept by or for the plan. A request for an amendment should be made in writing and submitted to the City of De Pere Human Resources Department at 335 S. Broadway Street, De Pere, WI 54115; Attention: HIPAA Privacy Officer. In addition, you must provide a reason that supports your request.

Right to an Accounting of Disclosures. You have the right to receive an accounting of disclosures, which is a list of disclosures such as those that were made of PHI about you, with the exception of certain documents including those relating to treatment, payment and healthcare operations and disclosures made to you or consistent with your authorization. To request an accounting of disclosures, you must submit your request in writing to the City of De Pere Human Resources Department at 335 S. Broadway Street, De Pere, WI 54115; Attention: HIPAA Privacy Officer. Your request must state a time period, which may not be longer than six years and may not include dates

before April 14, 2003. Your request should indicate in what form you want the list (for example, on paper or electronically). The first list you request within a 12-month period will be free. For additional lists, the plan may charge you for the cost of providing the list. You will be notified of any costs involved and you may choose to withdraw or modify your request at that time before any costs are incurred.

Right to Request Restrictions. You have the right to request a restriction or limitation on the use and disclosure of your PHI for treatment, payment or healthcare operations, or to request a restriction on the PHI that the plan may disclose about you to someone who is involved in your care or the payment for your care, such as a family member or friend. The plan is not required to agree to your request. If the plan agrees to your request, it will comply with the requested restriction unless the information is needed to provide you emergency treatment or to assist in disaster relief efforts. To request a restriction, you must submit your request in writing to the City of De Pere Human Resources Department at 335 S. Broadway Street, De Pere, WI 54115; Attention: HIPAA Privacy Officer. Your request should state the information you want to limit; whether you want to limit the plan's use, disclosure or both; and to whom you want the limits to apply, for example, disclosures to your spouse.

Right to Request Confidential Communications. You have the right to request that a Self-Funded Plan communicate with you about medical matters in a certain way or at a certain location. For example, you can ask that the plan only contact you at work or by mail to a specific address. To request confidential communications, you must submit your request in writing to the City of De Pere Human Resources Department at 335 S. Broadway Street, De Pere, WI 54115; Attention: HIPAA Privacy Officer. The plan will accommodate all reasonable requests and will not ask you the reason for your request. Your request must specify how or where you wish to be contacted.

Right to a Paper Copy of this notice. You may ask the City of De Pere to give you a copy of this notice at any time. Even if you have agreed to receive this notice electronically, you are still entitled to a paper copy of this notice. To obtain a paper copy of this notice, contact the City of De Pere Human Resources Department at 335 S. Broadway Street, De Pere, WI 54115; Attention: HIPAA Privacy Officer.

Other Uses of Medical Information. Other uses and disclosures of PHI not covered by this notice will be made only with your written permission. This includes most uses and disclosures of psychotherapy notes, uses and disclosures of PHI for marketing purposes, and uses and disclosures of PHI that constitute a sale of PHI. If you provide the City of De Pere permission to use or disclose your PHI, you may revoke that permission, in writing, at any time. If you revoke your permission, the plan will no longer use or disclose your PHI for the reasons stated in your written authorization. Please understand that the plan cannot take back any disclosures already made with your permission.

Breach. You have the right to be notified of the discovery of a

breach of unsecured PHI.

Genetic Information is Protected Health Information. In accordance with the Genetic Information Nondiscrimination Act (GINA), a Self-Funded Plan will not use or disclose genetic information for underwriting purposes, which includes eligibility determinations, premium computations, applications of any pre-existing condition exclusions and any other activities related to the creation, renewal or replacement of a contract of health insurance or health benefits.

CHANGES TO THIS NOTICE

The Self-Funded Plan reserves the right to change this notice and to make the revised or changed notice effective for PHI your plan already maintains on you as well as any information the plan receives or creates in the future. A copy of the current notice will be posted on the City of De Pere internal Intranet system. The notice will contain the effective date on the first page, in the top right-hand corner. In addition, a copy of the notice that is currently in effect will be given to new health plan members and thereafter available upon request.

COMPLAINTS

If you believe your privacy rights have been violated, you may file a complaint with your Self-Funded Plan or with the Secretary of the Department of Health and Human Services. To file a complaint on your Self-Funded Plan, contact the City of De Pere Human Resources Department at 335 S. Broadway Street, De Pere, WI 54115; Attention: HIPAA Privacy Officer. Email will not be accepted; all complaints must be submitted in writing.

You will not be retaliated against for filing a complaint.

Medicare Part D

Important Notice from the City of De Pere About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the City of De Pere and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The City of De Pere has determined that the prescription drug coverage offered through the City of De Pere's Employee Medical Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 through December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current City of De Pere coverage will not be affected. The UMR medical plan design is available to eligible individuals when you become eligible for Medicare Part D. You or your dependents can retain your existing coverage and choose not to enroll in a Part D plan or can enroll in a Part D plan as a supplement to, or instead of, the City of De Pere's medical plan. You and/or your spouse (if applicable) will still be eligible to receive all of your current health coverage if you or your dependents enroll in a Medicare prescription drug plan. Your current coverage pays for other health expenses in addition to prescription drugs. If you do decide to join a Medicare drug plan and drop your current City of De Pere coverage, be aware that you (and your spouse, if applicable) will not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the City of De Pere and do not join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

You will get this notice each year that you are covered under the City's retiree insurance plan. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the City of De Pere changes. You may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Your current prescription drug coverage benefit with the City of De Pere is as follows:

Level 1	\$10.00 per each 30-day maximum supply
Level 2	\$20.00 per each 30-day maximum supply
Level 3	\$40.00 per each 30-day maximum supply
Level 4	20% Copay to \$350 max per script

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium/penalty.
